3 Methods of Benefit Payment

- Lump sum** payment of the Benefit. The maturity benefit will be given in full as one-time payment.
- Payment of a fixed amount** in installments at regular intervals. The balance remaining with Us from year to year will be invested and We will pay You interest at the rate that may be set by Us from year to year. The installment will cease when the amount together with the agreed interest credited by Us from year to year is exhausted. The remaining balance, if any, after 10 years of avilment of the fixed amount will be paid in lump sum.
- Payment of an amount over a **fixed period** You have selected in annual, semi-annual or quarterly installments. The balance remaining with Us from year to year will be invested and We will pay You interest at the rate that may be set by Us from year to year. The amount of each installment will depend on the period selected and the maximum allowable period in 10 years.
- Leave the proceeds with the Company to **accumulate at interest** at the rate that may be set by Us from year to year for up to 10 additional years. **Interest** on the Pension Benefits will be paid annually, semi-annually or quarterly for a maximum of 10 years. The first installment shall be paid twelve months, six months or three months according to the mode of payment of interest selected. You have the right to withdraw Your money during Your lifetime by giving to Us prior written notice of at least three (3) months. We shall stop paying the interest when the full amount is repaid. The amount We shall retain upon Your death shall be paid together with the accrued interest to the designated beneficiary or to Your estate.
- Any mode of settlement other than those specified in this Agreement may be arranged with the Company.
