1. The company provides a policy on training of	Compliant	Provide link or reference to the company's Board	Not applicable
directors.	Compliant	Charter and Manual on Corporate Governance	Not applicable
		relating to its policy on training of directors.	

The Manual on Corporate Governance,	
Section II.C. Onboarding Orientation and Continuing Training for Directors provides that all new-elected Directors	
attend a corporate governance orientation program of at least eight (8) hours provided by an SEC-accredited	
training provider, as soon as practicable thereafter. If a newly-elected Director	
have already attended such training, the same shall serve as compliance with this requirement. Newly-elected Directors	
are oriented on the Company's Articles of Incorporation, By-Laws, Manual on Corporate Governance, and Code of	
Conduct, among others.	
On annual basis, Directors are required to undergo training of at least four (4) hours covering topics relevant to their	
duties and responsibilities in Board committees and in the Board.

Independent Directors have a maximum cumulative term of nine (9) years, after which the Independent Director are perpetually barred from re-election as such in the same company. He/she may however, continue to qualify for nomination and election as a Non- Independent Director. Subject to meritorious justification and shareholder approval during the annual stockholders meeting, the Board may retain an independent director who has served as such for nine (9) years.	The retention of the two (2) Independent Directors is a result of not being able to obtain the necessary votes to elect a new set of Independent Directors and not because we were able to get the approval of the shareholders to retain the Independent Directors in the same capacity despite the passing of nine (9) years.

R	ecommendation 6.2			
1	. Board has in place a system that provides, at the minimum, criteria and process to determine the performance of the Board, individual directors and committees.	Compliant	Provide information or link/reference to a document containing information on the system of the company to evaluate the performance of the board, individual directors and committees, including a feedback mechanism from shareholders/members.	Not applicable
2	. The system allows for a feedback mechanism from the shareholders.	Compliant	The Company has a board assessment process in place. Every year, the Directors answer a Board Effectiveness Questionnaire (BEQ) to assess the effectiveness of the Board and Board Committees in the performance and exercise of their functions and mandate under the Manual on Corporate Governance, Charters of the various Board Committees, and applicable laws and regulations. The questionnaire includes self- assessments on (1) performance as an individual director, (2) performance of the Board as a body, and (3) performance of each of the Committees to which the directors belong. The BEQ is sent to all members of the Board covering various facets of corporate governance including the responsibilities of the Board, independence, strategic planning, audit, risk management and skills and experience of individual directors. The	Not applicable

	results of the 2021 Board Effectiveness Questionnaire are collated by the external provider to ensure utmost confidentiality. Responses from individual directors are not disclosed and only the consolidated results are discussed and reported to the Board. In 2021, the Directors accomplished the Board Effectiveness Questionnaire and have evaluated themselves with a strong Board composition in terms of competence and professionalism. The Board is very much engaged in monitoring regulatory compliance in Corporate Governance and the Board roles and accountabilities are well defined. There is a very good partnership and collaboration between the Board and Management and Management supports the Board effectively. The Chairman exercises leadership to ensure the effectiveness of the Board. The results of the assessment were reported to the Board on March 9, 2022. Shareholders can give their feedback through the following reporting channel: • Send report to: Code@sunlife.com Kindly see the Sun Life website, Reporting Channels.

viability of the Company. While all risk cannot necessarily be eliminated, the Risk Framework seeks to ensure that risks to a business undertaking are appropriately managed to achieve the Company's business objectives over time and are not expected to exceed pre- established boundaries for risk taking.	
 The risk management process as set out in the Company's risk management framework includes: Risk identification and management Risk measurement Risk management, monitoring and reporting 	
The Risk Universe provides a structured and consistent means for grouping and reporting on key risk across all business groups. Our risk universe comprises of six major categories: Business and Strategic risk Credit risk Market risk Liquidity risk Insurance risk Operational risk

Principle 15. ENCOURAGING EMPLOYEES' PARTI A mechanism for employee participation should b objectives and good corporate governance goals Recommendation 15.1		https://www.sunlife.com.ph/en/about- us/corporate-governance/company- policies/ reate a symbiotic working environment co	nsistent with the realization of the company's
 The Board establishes policies, programs and procedures that encourage employees to actively participate in the realization of the company's goals and in its governance. 	Compliant	 Provide information or link/reference to company policies, programs and procedures that encourage employee participation. The Company encourages employees to actively participate in the realization of the Company's goals and in its governance. Kindly see the following policies and programs for employee participation that are disclosed in the Sun Life website: Our Culture – Our people are guided by a set of core values that are shared throughout the organization worldwide: Integrity, Engagement, Client Focus, Excellence and Value Our Rewards – We offer our employees a fair and competitive compensation package and a rewarding career in line with their job, skills and performance Our Benefits – Together with a competitive package, we grant our employees with benefit 	Not applicable

T	
packages to help address	
everyday needs and assist them	
in achieving financial security	
Long-term Incentive Program	
– Our Long-Term Incentive (LTI)	
program rewards leaders for	
their focus on creating	
sustainable long-term value for	
our shareholders	
Our Learning Development	
Programs – We highly	
encourage and support	
employee development in order	
to strengthen their personal and	
professional competencies.	
Whenever they are just starting	
their career with the Company or	
already a seasoned professional,	
we offer competency-based	
programs that fit their needs,	
keep them challenged, and	
cultivate their full potential so	
they can achieve their business	
and career goals	
Promoting Safety in the	
Workplace – We are committed	
to maintaining a safe and	
respectful work environment,	
where our well-being is	
strengthened and we are	
empowered to bring our best	
selves to work	
 Promoting Diversity and 	
Fairness – Diversity and	
inclusion is at the core of our	
values at the Company. We	

embrace our diverse workforce
where wide perspectives and
creative ideas benefit our clients,
our partners, and the
communities in which we
operate. We are committed to
hiring, developing and retaining
the most qualified individuals to
promote and achieve our
business objectives
Talent Review and Succession
Management – the Company
conducts annual Talent Review
and Succession Management
processes to identify and
develop individuals with the
capabilities to meet future
leadership needs
 Project teams and product
development groups –
Employees participate in
working groups that consider
employee viewpoints in certain
key decisions
Brighter World – the Company,
through its philanthropic arm
Sun Life Financial-Philippines
Foundation, Inc. (Sun Life
Foundation), allows employee
spirit of volunteerism to shine
brighter.
With millions of confirmed
COVID-19 cases nationwide, we
positioned ourselves to respond
to the country's most urgent

needs during the pandemic. Sun	
Life Foundation adapted its work	
to new challenges—to address	
current needs while also	
preparing families and	
communities for a better future	
through the following programs:	
0 01 0	
Health	
- Sun Life Barangay Health	
Stations are beginning to	
operate in eight (8)	
municipalities in Batangas	
that are deficient in health	
services. The health stations	
provide preventive health	
services such as	
immunization programs,	
health and nutrition	
programs, promotion of	
sanitation and hygiene, etc.	
The health stations are also	
expected to provide family	
planning services, pre- and	
post-natal care as well as	
treatment for minor illnesses	
and accidents. Community	
health workers in the eight	
barangays are trained to	
provide basic health services	
and will soon man the	
operations in the health	
stations.	
- Free Antigen Swab Testing	
for frontliners through	
World Surgical Foundation	

continues, for early detection	
of COVID-19 cases and to	
support government	
hospitals identify positive	
cases to avoid the spread of	
infection among other	
hospital staff and patients.	
- Adopt-a-Patient Program	
through long-time partner,	
Kythe Foundation, offers	
financial subsidy to 125	
children to cover laboratory	
fees, medicines and medical	
procedures in Kythe-	
affiliated hospitals in Cebu,	
Tarlac and Metro Manila.	
Education	
- Sun Pera-Aralan for public	
school teachers aims to	
instill positive, practical, and	
better daily money	
behaviors to 125,000	
teachers in the Philippines	
through an innovative yet	
simple budgeting system.	
The program conducted in	
collaboration with AHA!	
Behavioral Design has now	
expanded its efforts to help	
public school teachers	
secure their finances as it	
launches a new batch of	
participants for 2021.	
- Tulong Eskwela:Teaching	

evidence-based education	
approach that helps children	
develop basic reading and	
mathematics skills in only 60	
days. Created by Pratham	
Education Foundation and	
implemented by AHA	
Learning Center, both	
award-winning and	
internationally recognized	
organizations, this program	
uses high-quality but low-	
cost interventions to address	
learning gaps. This approach	
is easily replicated and is	
already found effective in	
many countries. In the	
Philippines, AHA Learning	
Center with Sun Life	
Foundation, is training 300	
public school teachers that	
will directly benefit 9,000	
learners. This will eventually	
compound to 1,500 teachers	
and 45,000 students as a	
result of a training cascade.	
- Ayla Saves for a Bright Day	
is Sun Life Foundation's first	
financial literacy story and	
activity book that was co-	
developed with Adarna	
House. It features a typical	
Filipino family's experience	
as the prolonged health crisis	
threatens their financial	
well-being and highlights the	

Filipinos' resilience and	
resourcefulness which are	
especially relevant in this	
pandemic. It also introduces	
kids to basic financial	
management skills through	
the activities embedded in	
the story. The book hopes to	
raise awareness on the	
importance of financial	
literacy not only for adults	
but also for children and	
inspire many Filipino	
families to pursue it.	
- Comprehensive	
educational sponsorship	
of 125 elementary and	
high school students in	
Minglanilla, Alegria and	
Daanbantayan	
Municipalities supports	
over a hundred students	
annually from depressed	
areas in the province of Cebu.	
Unlike most scholarship	
grants, this program	
supports children from	
public schools who may not	
be academically outstanding	
but are inclined to finish	
school and their parents are	
willing to support them. The	
program considers and	
addresses all components	
that may affect a student's	
schooling such as food	

assistance, social support,
values formation, support for
the family's financial
capacity and recovery,
emergency assistance and
supplementary training.
- Building household
resilience for near-shore
fishers program aims to help
fishers manage their income.
Sun Life Foundation is
helping Rare, a global
organization on social
change, in forming and
advancing savings and loans
clubs, financial literacy
workshops and market
development programs. The
18 savings clubs formed in
the towns of Bais, Amlan and
Manjuyod in Negros Oriental
became a lifeline to 364
members who had a
cumulative savings of
P852,860.00. Better financial
management of the near-
shore fishers and their
families help build
household resilience
especially during disasters
or emergencies. Being able to
meet their financial needs
also lessens the tendency to overfish, boosting
,
marine/coastal conversation

which is at the heart of Rare's	
Fish Forever program.	
- Scholarship grants for 55	
slots in partner universities	
are retained, even providing	
leniency to scholars who	
were not able to meet their	
grade requirements or	
wanted to take a quick break	
due to prioritize their mental	
health. Hebreo Foundation	
and Bantay Edukasyon	
Scholars also continued to	
enjoy their scholarship	
benefits.	
Disaster Relief	
- Sun Life Foundation	
partnered with Sagip	
Kapamilya, the	
humanitatian action arm of	
the ABS-CBN Lingkod	
Kapamilya Foundation, Inc.,	
to provide immediate	
response to families affected	
by calamities. With the	
valuable assistance from	
donors and partners like us,	
Sagip Kapamilya is able to	
provide food packs, hot	
meals, hygiene kits, home	
repair kits and other basic	
needs to families and	
individuals severely affected	
by a natural calamity. In 2021, Sun Life Foundation	

was able to provide help to	
thousands of families	
affected by the onslaught of	
Typhoon Maring and	
Typhoon Odette through the	
provision of food packs.	
Arts and Culture	
- M-FLIX 2021: Da Pinoy	
Pandemic Palabas, an	
original virtual musical by	
the Bonifacio Art	
Foundation, Inc. and curated	
by National Artist for Music	
Maestro Ryan Cayabyab,	
Moy Ortiz and Noel Ferrer,	
highlights the country's	
collective mental health,	
gratitude and renewal. Co-	
presented by Sun Life	
Foundation who has been a	
strong believer in the	
powerful role of arts in	
nation-building, the musical	
is free for all and available	
for streaming in YouTube	
year-round. The original	
songs, written and	
performed by excellent	
Filipino musical artists, are	
also dedicated to the	
country's frontliners.	
, , , , , , , ,	
Corporate Donations	
- Farmers of Hope project of	
NVC Foundation helps in the	

creation of sustainable food	
source and income	
generation in poor, rural	
communities. With the	
Foundation's help, 60	
farming families of the	
Bukidnon Tribe in San	
Carlos, Negros Occidental	
receive basic tools,	
equipment, training, market	
linkages along with the	
establishment of village-	
level processing units that	
will increase the value of	
their harvests. These will	
increase their economic	
opportunities while helping	
them achieve food security	
amidst the pandemic.	
- Mental Health & Food	
Security of the World Wide	
Fund (WWF) Philippines	
has developed a Food Shed	
Farming Enterprise model	
that adopts natural and	
green farming technologies,	
which practice waste	
recycling by composting,	
rainwater harvesting for	
irrigation, natural pest and	
disease control,	
containerized production,	
and integrated nutrient	
management to produce	
healthy and quality food	
(vegetables and poultry)	

products for the family and
the community. Sun Life of
Canada has donated Food
Sheds to 4 identified
municipalities in Negros
Occidental and Negros
Oriental affected by Typhoon
Maring. Through this
program, we can potentially
help 1,050 individuals with
direct access to food, 210
families with access to
financial services and 63
given employment
opportunities.
- Culture-based Education
for Indigenous Sama-Bajau
Children in Zamboanga
City . As the country
continues to navigate a new
reality, Sun Life Foundation
through Cartwheel
Foundation is honored to
take part in helping children
from indigenous
communities thrive despite
the challenges of the
pandemic. Cartwheel
Foundation
Over the years, Cartwheel
Foundation has been
working on bringing relevant
and holistic education to
indigenous children and
their communities. This year,
Sun Life Foundation is

helping them bring holistic	
education development to	
indigenous Sama-Bajau	
children and their families	
through the creation of safe	
learning spaces, the	
establishment of a core	
group of local champions to	
advocate the education and	
well-being of the Sama-Bajau	
children and institionalize	
systems, processes and	
policies to ensure the	
delivery of relevant	
education and social services	
to the Sama-Bajau and their	
families.	
- Project ILAW (Inclusion	
for Learning	
Accommodation and	
Welfare). In support of	
inclusive and rights-based	
education, Sun Life	
Foundation is working with	
Good Neighbors Philippines	
in providing better learning	
opportunities to children	
with disabilities. Project	
ILAW focuses on child	
protection, on access to	
quality education of children	
with disabilities and in	
setting systems and	
mechanisms in partner	
schools and local	
government units. Assistive	

devices and learning aids	
will be provided to the	
children but policy advocacy	
and capacity building will	
ensure sustainability in	
partner schools.

Recommendation 15.2 The Board sets the tone and makes a stand against corrupt practices by adopting an anticorruption policy and program in its Code of Business Conduct and Ethics. 	Compliant	Identify or provide link/reference to the company's policies, programs and practices against corruption. The Company is committed to complying with the letter and spirit of anti-corruption and anti-bribery laws in the Philippines and in any country where it operates. The Company prohibits the direct or indirect use of bribery, kickbacks, payoffs, or other corrupt practices by employees, advisors, or other parties acting on behalf of the Company, especially in its business relationships including those with	Not applicable

suppliers, clients and government	
representatives.	
representatives.	
Generally, anti-corruption laws in the	
country where the Company operates	
prohibits offering, giving or accepting	
anything of value to a government official or another person to improperly	
influence a decision, assist the Company	
in doing business, or obtain an improper	
business advantage. Hence, it is a policy	
of the Company not to allow payments or	
transfers of anything of value to	
government officials or representatives	
unless it is for a legitimate or legal	
purpose and duly and with prior review	
and authorization.	
Employees are expected to recognize	
and avoid the use of bribery and to	
report suspected and known incidents of	
bribery and corruption through the	
channels set out in the Company's Code	
of Conduct. The Company's business	
partners are also expected to conduct	
themselves lawfully and ethically, and to	
comply with applicable anti-bribery and	
anti-corruption laws.	
The Company also has a gifts and	
entertainment policy, which disallows	
employees to receive and give gifts or	
entertainment unless it is within the	
allowable amount and meets the	
conditions set under the policy.	

		Kindly see the Code of Conduct, Section Rejecting Bribery and Corruption and Section Accepting and Giving Appropriate Gifts. Kindly also see the Company Policies on Rejecting Corruption and Bribery and Accepting and Giving Gifts and Entertainment in the Sun Life website.

Principle 16. ENCOURAGING SUSTAINABILITY AND SOCIAL RESPONSIBILITY

The company should be socially responsible in all its dealings with the communities in which it operates. It should ensure that its interactions serve its environment and stakeholders in a positive and progressive manner that is fully supportive of its comprehensive and balanced development.

Recommendation 16.1

1. The company recognizes and places importance on the interdependence between business and society, and promotes a mutually beneficial relationship that allows the	Compliant	Provide information or reference to a document containing the company's community involvement and environment-related programs.	Not applicable
company to grow its business, while contributing to the advancement of the society where it operates.		The Company operates in a socially- responsible way across the organization and seeks continuous innovative solutions to make better for its	

stakeholders including the community where it belongs. The Company acts through its subsidiary Sun Life Foundation for all its corporate social responsibility projects or activities. Moreover, the Company's community-related efforts are based on its sustainability commitment. As Sun Life's business continues to grow, it continues to contribute to nation- building and shareholder value through its engaged and empowered workforce, financial literacy advocacy embedded in the products and services offered to its clients and the public in general.The Company actively supports the communities it is based as well as its	
branches and works by helping build a positive and healthy environment for our clients, employees, advisors and shareholders. Our approach includes helping Filipinos improve their financial literacy, giving back to communities across the nation, strategically investing in real estate and infrastructure that is friendly to the environment (LEED- certified building) and such other activities that foster healthy, sustainable communities, advocating for public policies that encourage financial security and healthy lifestyles. Kindly see the activities and programs in the Sun Life website.
