a. **Management's Discussion and Analysis (MD&A) or Plan of Operation.**

1. **Plan of Operation.** For the next twelve (12) months, management will continue its current plan of operation, with a focus on improving cost efficiency.

2. **Management's Discussion and Analysis.** The performance of the Company could be measured by the following indicators:

2.1 **Increase/Decrease in Net Assets Value Per Share (NAVPS)** NAVPS is computed by dividing net assets (total assets less total liabilities) by the total number of shares issued and outstanding plus the total number of units outstanding due to deposit for future subscriptions (DFFS) and for conversion to shares, if any, as of the end of the reporting day. Any increase or decrease in NAVPS translates to a prospective capital gain or capital loss, respectively, for the Company's shareholders.

2.2 **Net Investment Income.** Represents the total earnings of the Company from its investment securities, less operating expenses and income tax. This gauges how efficiently the Company has utilized its resources in a given time period.

2.3 **Assets Under Management (AUM).** The assets under the Company's disposal. This measures the profitability of the Company (increase/decrease brought about by its operational income) as well as investor confidence (increase/decrease brought about by investor subscriptions/redemptions).

2.4 **Cash Flow.** Determines whether the Company was able to achieve the optimal level of liquidity by being able to meet all its scheduled payments while at the same time maintaining the maximum level of investments and minimum level of cash.

Accounting Policies for Financial Assets at Fair Value through Profit or Loss

Initial recognition

Financial assets are recognized in the Company's financial statements when the Company becomes a party to the contractual provisions of the instrument. Financial assets are recognized initially at fair value. Transaction costs are included in the initial measurement of all financial assets, except for investments classified as at FVTPL. All regular way purchases or sales of financial assets are recognized and derecognized on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

Classification and subsequent measurement

Financial assets are classified into the following specified categories: financial assets at FVTPL, held-to-maturity (HTM) investments, available-for-sale (AFS) financial assets and loans and receivables. The classification depends on the nature and purpose of the financial assets and is determined at the time of initial recognition.

The Company's financial assets as at December 31, 2015 and 2014 consist of financial assets at FVTPL and loans and receivables.

Financial assets at FVTPL

The Company classifies financial assets as at FVTPL when the financial asset is either held for trading or designated as such upon initial recognition.

A financial asset is classified as held for trading if:

- it has been acquired principally for the purpose of selling in the near future; or
- on initial recognition, it is a part of an identified portfolio of financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

A financial asset other than a financial asset held for trading may be designated as at FVTPL upon initial recognition if:

- such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise; or
- the financial asset forms part of a group of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the Company's documented risk management or investment strategy, and information about the grouping is provided internally on that basis; or
- it forms part of a contract containing one or more embedded derivatives, and it is permitted that the entire combined contract to be designated as at FVTPL.

Financial assets at FVTPL are stated at fair value, with any resulting gain or loss recognized in profit or loss.

The Company's financial assets classified under this category include investments in listed equity securities, investments in fixed-income securities, investments in unit investment trust fund (UITF) and special savings deposits.

3. Changes in and Disagreements with Accountants on Accounting and Financial Disclosure. There have been no changes in and/or any disagreement with accountants on any accounting and financial disclosures and/or on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure.

b. Market Information

Being an investment company that is not listed with the PSE and required to follow rules specific to mutual funds, shares are distributed through its principal distributor, SLAMCI.

FINANCIAL STATEMENTS ANALYSIS

The Fund registered 8% decline in net assets from PHP 17 Billion in 2014 to PHP 15 Billion in 2015. The decline mainly came from the impact of unfavorable market condition during the period.

Net Loss for the year was PHP692 Million, a PHP2.5 Billion drop from net profit of PHP1.9 Billion in 2014. The decrease is attributable mainly to the impact of unfavorable market condition for the period.

The Fund does not foresee any event that could trigger a direct or contingent financial obligation that is material to its operations. No material off-balance sheet transactions, arrangements, obligations (including contingent obligations), and other relationships of the Fund with unconsolidated entities/other persons were created during the reporting period. There are also no known trends, events, or uncertainties that have had or that are reasonably expected to have a material favorable or unfavorable impact on net sales/revenues/income from continuing operations and liquidity.

Material Changes in the 2015 Financial Statements

Statement of Financial Position

Cash increased by PHP 39 Million in 2015 from PHP197 Million in 2014 to PHP236 Million in the current year.

Financial Assets at Fair Value through profit or loss decreased by PHP1.7 Million from PHP16.7 Billion in 2014 to PHP15 Billion in 2015. The decrease is attributable mainly to the impact of unfavorable market condition during the period.

Due from Brokers decreased by PHP43 Million from PHP77 Million in 2014 to PHP34 Million in 2015. This is due to the lower outstanding receivables from broker related to the sale of investment in listed equity securities made at, or towards the end of reporting period. Proceeds from such sale are received three (3) days from the transaction date.

Dividends Receivable balance increased from PHP2 Million in 2014 to PHP4 Million in 2015. Collection of receivable is dependent on the scheduled payment date of each listed stock.

Accrued interest receivable increased by PHP 11 Million from PHP 38 Million in 2014 to PHP 49 Million in 2015. Collection of interest receivable from fixed income investments depends on the scheduled coupon payments of each asset held.

Accrued Expenses and Other Payables significantly went down by PHP63 Million from PHP 83 Million to PHP20 Million. This is attributable mainly due to unreleased proceeds of redemptions which are processed on or before the reporting period and paid four (4) days from the transaction date.

Due to Brokers decreased notably by PHP178 Million from PHP182 Million in 2014 to PHP4 Million in 2015. This is due to the lower outstanding receivables from broker related to the purchase of investment in listed equity securities made at, or towards the end of reporting period. Proceeds from such purchase are settled three (3) days from the transaction date.

Payable to Fund Manager decreased by PHP6 Million from PHP38 Million to PHP32 Million. The decrease was mainly due to lower outstanding balance of recoverable expenses due to SLAMCI for the period as well as lower management fees brought by lower AUM for the period.

Statement of Comprehensive Income

Revenues decreased by PHP183 Million (15%) from PHP1.2 Billion to PHP 1 Billion. The decrease was mainly due to lower gains realized from sale of investments during the period and lower dividend income received from investments in equity securities.

Total Operating Expenses slightly decreased by PHP20 Million (5%) from PHP415 Million in 2014 to PHP395 Million in 2015 due to lower management fees brought by lower AUM for the period. Lower Printing and Supplies and lower other miscellaneous expenses incurred during the period also contributed to the decrease.

Net loss of PHP692 Million in the current period was PHP2.6 Billion (137%) lower compared to the net profit of PHP1.9 Billion last year. The decrease is attributable mainly to the impact of unfavorable market condition for the period.

Statement of Changes in Equity

Total equity registered a decrease of 8% from PHP 17 Billion in 2014 to PHP 15 Billion in 2015.

c. Dividends. Each shareholder has a right to any dividends declared by the Board of Directors. Dividends must be declared out of surplus. Except for the condition prescribed for the declaration of stock dividends, there are no restrictions that limit the ability to pay dividends on common equity or that are likely to do so in the future. The Company has not declared cash dividends to date. Stock dividends of 2% as of record date were declared in 2006, 2007 and 2008.

Each shareholder is entitled to vote on matters taken up in the annual shareholders' meeting. Shares held by a shareholder can be redeemed anytime at the shareholder's discretion. However, the shareholders do not enjoy pre-emptive rights.

There are no provisions in the charter or by-laws that would delay, defer or prevent a change in control of the registrant.

d. Sale of Unregistered or Exempt Securities. There has been no sale of unregistered or exempt securities nor has there been a recent issuance of securities constituting an exempt transaction.

e. Top 20 Shareholders. Please refer to Item 4 (d) (2).

Item 12. Mergers, Consolidations, Acquisitions and Similar Matters. No action is to be taken with respect to any transactions involving the: 1. merger or acquisition of the Company into or with any other person or any other person into or with the Company; 2. acquisition of the Company or any of its security holders of securities of another person; 3. acquisition by the Company of any other going business or of the assets thereof; 4. sale or other transfer of all or any substantial part of the assets of the Company; or 5. liquidation or dissolution of the Company.

Item 13. Acquisition or Disposition of Property. No action is to be taken with respect to the acquisition or disposition of any property.

Item 14. Restatement of Accounts. No action is to be taken with respect to the restatement of any asset, capital or surplus account of the Company.

D. OTHER MATTERS

Item 15. Action with Respect to Reports. The minutes of the meeting and related records are available for inspection by any shareholder at the office of the Company during business hours. Management recommends a vote FOR the approval of the minutes of the 2015 shareholders' meetings held on (1) 26 June 2015, and (2) 24 November 2015 (continuation). Also submitted for approval is the Annual Report and the audited Financial Statements for the year ended 31 December 2015.

Item 16. Matters Not Required to be Submitted. No action is to be taken with respect to any matter which is not required to be submitted to a vote of security holders.

Item 17. Amendment of Charter, By-Laws, or Other Documents. With respect to any amendment of the Company's Charter, By-Laws, or other documents, management recommends a vote FOR the following:

a. Pursuant to Section 48 of the Corporation Code and for operational efficiency, management is proposing that the stockholders representing at least 2/3 of the outstanding capital stock delegate to the Board of Directors the power to amend Articles I (Stockholders' Meetings), II (Directors), III (Executive Officers), IV (Committees and Advisory Board), and VI (Contracts) of the By-Laws.

Management recommends the above for approval so that changes to the By-Laws could be speedily implemented by the Board of Directors, provided that SEC approval is secured.

b. Management proposes that the stockholders representing at least 2/3 of the outstanding capital stock approve the amendment of the Article III of the Articles of Incorporation to indicate the principal address of the Company as Sun Life Centre, 5th Avenue corner Rizal Drive, Bonifacio Global City, Taguig City, Metro Manila, Philippines.

c. Management proposes that the stockholders representing majority of the outstanding capital stock approve changing the annual stockholders meeting from the Fourth Monday of May every year at 9:00 a.m. to the Fourth Monday of June every year at 1:00 p.m. (Article I, Section 1, By-Laws). With the current date, management finds it difficult to meet the deadlines in filing the information sheet (SEC Form 20-IS). Moving the annual stockholders meeting to June will avoid delays in the submission to the SEC and distribution to the stockholders of the SEC Form 20-IS.

Item 18. Other Proposed Action. Aside from the foregoing, there is no other proposed action.

Item 19. Voting Procedures. All elections and all questions, except as otherwise provided by law, shall be decided by the plurality vote of the shareholders present in person or by proxy; provided that a quorum (10% of the voting stock) is present. In case of election of directors, a majority vote (50% of the voting stock +1) is required.

In case of balloting, only shareholders and proxies who register at the door will be given ballots to be distributed at the registration counter. Upon being given a ballot, a shareholder/proxy should sign the shareholder/proxy registration list beside his/her signature placed earlier during the registration.

After casting his/her vote, the shareholder/proxy may place his/her ballot inside a ballot box clearly marked as such and located at a designated area at the place of the meeting. Shareholders/proxies will be given a sufficient period of time to vote. Thereafter, the Corporate Secretary will proceed to collect the ballot box and manually canvass the votes.

PART II.

Item 2. Instruction. Proxy forms attached to the notice of the annual shareholders' meeting appoint Mr. Sison, President of the Company, to represent and vote all shares registered in the name of the shareholder. The following need to be indicated by the shareholder on the form: a. Date and place the form was signed; b. Shareholder's complete name; and c. Signature.

Should defects be noted on a duly completed proxy form with regard to items (a) and (b) above, the Company has the option to determine ways and means by which the defect could be corrected, in which case the proxy form would be considered valid. Proxy forms not meeting the above requirements would not be counted.

Item 3. Revocability of Proxy. A shareholder giving a proxy has the power to revoke it at any time prior to its exercise by voting in person at the Annual Meeting, by giving written notice to the Corporate Secretary prior to the Annual Meeting, or by giving another proxy with a later date provided it is received by the office of the Corporate Secretary not later than ten (10) days prior to the Annual Meeting.

Item 4. Persons Making the Solicitation.

a. The proxy solicitation is conducted on behalf of the Company by SLAMC as part of its management services and is to be made through electronic mail, the internet, registered mail, and courier service. No director of the Company has informed the Company in writing that he intends to oppose any action intended to be taken.

b. c. Likewise, no especially engaged employee or paid solicitors are to be involved in this exercise.

d. The Company will bear the cost of preparing and mailing this proxy statement and other materials furnished to shareholders in connection with the proxy solicitation. The foregoing is estimated to cost about PHP7,190,528.00 for all the Sun Life Prosperity Funds.

Item 5. Interest of Certain Persons in Matters to be Acted Upon. As of 30 May 2016, records show that SLOCPI owns 0 % of the Company's outstanding capital stock. Ms. Mantaring, President and CEO of SLOCPI, has the power to vote of the shares or direct the voting of the shares held by Sun Life of Canada Philippines Agents' Provident Plan.
