

Remember when you identified your [Financial Goals in Lesson 1](#)? It's time to see how they fit in the bigger picture. Write down your goals in the yellow pyramid.

The financial instruments listed in the blue boxes can serve as your guide on what can help in every level.

Are there blank spaces in some of your pyramid levels? Don't fret! It's never too late to start planning. Just remember, sustaining your momentum is key so you can continuously pave the way toward your dreams.
