In addition, a special one-time cash benefit will also be given, should you undergo surgical excision of a covered benign tumor. The benefit will be equivalent to 5% of the Original Face Amount and will cover the benign tumor that was first diagnosed during your protection period.

TREATMENT AND REHABILITATION²

YOUR ROAD TO RECOVERY. With SUN Cancer Care, you will receive an additional monthly Treatment Support Benefit for 12 consecutive months, after the approval of a Major Cancer claim. The monthly benefit will be equivalent to 5% of the Original Face Amount, which can help you cope with the expenses while you focus on recovery. In case of untimely passing, any unpaid amount will still be provided to your loved ones in the form of a Compassionate Death Benefit.
