12. Are any or all of the Company's securities listed on the Philippine Stock Exchange ("PSE")?

Yes No

PART I.
INFORMATION REQUIRED IN THE INFORMATION STATEMENT

A. GENERAL INFORMATION

Item 1. Date, Time and Place of Meeting of Security Holders

a. The annual shareholders' meeting of the Sun Life Prosperity Peso Starter Fund, Inc. (the "Company") will be held on 13 July 2022 at 2:00 p.m. via Zoom Webinar at <https://sunlife.co/SLPF-ASHM2022> to be hosted 8F Sun Life Centre, 5th Avenue corner Rizal Drive, Bonifacio Global City, Taguig City 1634. The principal office of the Company is located at 8th Floor Sun Life Centre, 5th Avenue cor. Rizal Drive, Bonifacio Global City, Taguig City 1634.

b. The approximate date on which the information statement and proxy form ("ASHM materials") will be sent to all shareholders is on 15 June 2022. Shareholders will receive the ASHM materials personally, by mail (by physical or electronic transmission). Further, shareholders will also have access to the ASHM materials via the SLAMCI website.

Item 2. Dissenter's Right of Appraisal. The Revised Corporation Code of the Philippines, specifically its Sections 80 to 85 of Title X, gives a dissenting shareholder or a shareholder who votes against certain corporate actions specified by law, the right to demand payment of the fair market value of his/her shares, commonly referred to as Appraisal Right. There is no matter or item to be submitted to a vote or acted upon in the annual shareholders' meeting of the Company which falls under the instances provided by law when dissenting shareholders can exercise their Appraisal Right.

Item 3. Interest of Certain Persons in or Opposition to Matters to be Acted Upon

a. No current director or officer of the Company, or nominee for election as directors of the Company or any associate thereof, has any substantial interest, direct or indirect, by security holdings or otherwise, in any matter to be acted upon other than election to office.

b. No director has informed the Company in writing that he intends to oppose any action to be taken by the Company at the meeting.

B. CONTROL AND COMPENSATION INFORMATION

Item 4. Voting Securities and Principal Holders Thereof

a. The Company has 19,964,994,540 outstanding common shares as of 31 May 2022. Each common share shall be entitled to one (1) vote with respect to all matters to be taken up during the annual shareholders' meeting.

b. The record date for determining shareholders entitled to notice of and to vote during the annual shareholders' meeting is 30 April 2022.

c. In the forthcoming annual shareholders' meeting, shareholders shall be entitled to elect six (6) members to the Board of Directors. Each shareholder may vote such number of shares for as many as six (6) persons he may choose to be elected from the list of nominees, or he may cumulate said shares and give one (1) candidate as many votes as the number of his shares multiplied by six (6) shall equal, or he may distribute them on the same principle among as many candidates as he shall see fit, provided that the total number of votes cast by him shall not exceed the number of shares owned by him multiplied by six (6).

d. Security Ownership of Certain Beneficial Owners and Management

1. Security Ownership of Certain Beneficial Owners. Holders of more than 5%, if any, are included in the list of the Top 20 Shareholders, which is submitted to the SEC through a confidential disclosure.

On 7 March 2013, SEC en banc approved the confidential treatment of the list of Top 20 shareholders of the Sun Life Prosperity Funds, including its 5% and 10% beneficial owners. This is to protect the investors' privacy, which is a privilege they enjoy when they invest in other shared investment vehicles, such as unit investment trust funds, and when they invest in bank deposits. None of the officers listed in Item 5 below own more than 5% of the Company's securities.

2. Security Ownership of Management as of 10 June 2022 follows:

Title of Class	Name of Beneficial Owner	Number of Shares ¹	Nature of Ownership	Citizenship	Percent of Class
Common	Benedicto C. Sison	1	Beneficial (B) and Record (R)	Filipino and American	0.00%
Common	Valerie N. Pama	1	B & R	Filipino	0.00%
Common	Cesar Luis F. Bate	1	B & R	Filipino	0.00%
Common	Teresita J. Herbosa	1	B & R	Filipino	0.00%
Common	Cielito F. Habito	1	B & R	Filipino	0.00%
Common	Gerald L. Bautista	1	B & R	Filipino	0.00%

The above individual owners can be contacted through the Corporate Secretary of the Company, Atty. Kabigting-Ibero, 6th Floor Sun Life Centre, 5th Avenue cor Rizal Drive, Bonifacio Global City, Taguig City 1634.

3. Voting Trust Holders of 5% or More. No holder of 5% or more of the Company's common shares has any voting trust or similar agreement that vest voting rights or other powers to a voting trustee.

4. Changes in Control. There has been no change in control of the Company since the beginning of the last fiscal year.

Item 5. Directors and Executive Officers

Nominees for Independent Directors, Mr. Cesar Luis F. Bate, Atty. Teresita J. Herbosa, and Dr. Cielito F. Habito, were nominated by Ms. Valerie N. Pama to the Corporate Governance Committee. Ms. Pama is not related to the said nominees. The Corporate Governance Committee composed of Atty. Herbosa as Chairman and Mr. Sison and Dr. Habito as Members, pre-screens and shortlists all candidates nominated to become a member of the Board of Directors in accordance with the qualifications and disqualifications of the regulations named above and in accordance with the procedure outlined in the Company's Manual on Corporate Governance ("Manual").

Except for committee members who are independent directors themselves, none of the members of the Corporate Governance Committee are related to the independent directors.

a. The Company's directors, including independent directors, and executive officers are as follows

¹ Number of shares held in their capacity as Director or Chairperson

<u>Name</u>	<u>Citizenship</u>	<u>Position</u>	<u>Age</u>	<u>Term of Office</u>	<u>Period Served</u>
Benedicto C. Sison	Filipino and American	Director/President	61	2015 – June 2018	4 terms
		Director/Chairman		July 2018 - present	4 terms
Valerie N. Pama	Filipino	Director/President	58	March 2022 – present

Frances Ianna S. Canto	Filipino	Assistant Corporate Secretary	33	September 2020 – present	2 terms
Jemilyn S. Camania	Filipino	Compliance Officer	46	April 2020 - present	2 terms
Ria V. Mercado	Filipino	Risk Officer	46	2015-present	7 terms

A brief write-up on the business experience of the incumbent directors and executive officers of the Company are as follows:

BENEDICTO C. SISON

Chairman (2018 to present)

Director (2015 to 2018)

Mr. Benedicto C. Sison, 61 years old, is the CEO and Country Head of the Sun Life group of companies in the Philippines from 01 July 2018. He is a Director of Sun Life Financial Plans, Inc. (01 July 2018 to present). He is also the Chairman of Sun Life Financial Philippine Holding Company, Inc. (06 December 2021 to present) and serves as the Director and Chairman of the seventeen Sun Life Prosperity Funds i.e., Sun Life of Canada Prosperity Balanced Fund, Inc., Sun Life of Canada Prosperity Bond Fund, Inc., Sun Life of Canada Prosperity Philippine Equity Fund, Inc., Sun Life Prosperity Dollar Abundance Fund, Inc., Sun Life Prosperity Dollar Advantage Fund, Inc., Sun Life Prosperity Dynamic Fund, Inc., Sun Life Prosperity Philippine Stock Index Fund, Inc., Sun Life Prosperity GS Fund, Inc., Sun Life Prosperity Money Market Fund, Inc., Sun Life Prosperity Dollar Wellspring Fund, Inc., Sun Life Prosperity World Voyager Fund, Inc., (September 2015 to present), Sun Life Prosperity Dollar Starter Fund, Inc., Sun Life Prosperity World Equity Index Feeder Fund, Inc. (2017 to present), and Sun Life Prosperity Achiever Fund 2028, Inc., Sun Life Prosperity Achiever Fund 2038, Inc., Sun Life Prosperity Achiever Fund 2048, Inc. (2018 to present) and Sun Life Prosperity Peso Voyager Feeder Fund, Inc. (January 2022 to present). He is also the Director and Chairman of the Grepalife Funds such as Grepalife Balanced Fund Corporation, Grepalife Dollar Bond Fund Corporation, and Grepalife Fixed Income Fund Corporation (September 2015 to present). He is the Chairman of Sun Life Financial – Philippines Foundation, Inc., (September 2019 to present) where he also serves as Trustee. He was a Senior Advisor to the Board of Trustees of the Philippine Investment Funds Association (PIFA) and served as the President of the Philippine Life Insurance Association (PLIA).

Prior to his current role, Mr. Sison served as the Chief Strategy and Financial Management Officer of Sun Life of Canada (Philippines), Inc. (April 2015 to 2018). He also served as Chief Financial Officer of Sun Life Financial Asia (November 2012 to March 2015), Director of Sun Life Hong Kong Limited (December 4, 2012 to May 14, 2015), Commissioner of PT. Sun Life Indonesia Services (February 21, 2013 to July 5, 2013) and Commissioner of PT. Sun Life Indonesia (April 19, 2013 to April 23, 2015). He was also the Director/CFO and Treasurer of Sun Life Financial Philippine Holding Company, Inc. (September 2010 to December 2013), CFO and Treasurer of Sun Life Financial Plans, Inc. (September 2010 to December

2013), Director of Great Life Financial Assurance Corporation (July 2012 to September 2013) and Chief Financial Officer and Treasurer of Sun Life Asset Management Company, Inc. (September 2010 to June 2013) and Sun Life of Canada (Philippines), Inc. (September 2010 to October 2012). He also served as the Finance Director – Asia Pacific of Con-Agra International Food Group (September 2006 to August 2010).

He brings to the job a wealth of international finance experience gained primarily from ConAgra Brands, Inc., a multi-billion dollar global consumer products company. He held various positions with increasing responsibility in the areas of audit, financial control, planning and management in ConAgra's US, India and Asia-Pacific Operations. He was the Finance Director for the Asia Pacific Region, based in China, prior to joining Sun Life. Mr. Sison also worked in the academe as well as in the aerospace, defense and public transit industries in the USA.

Mr. Sison is a Magna Cum Laude graduate of BS Business Administration from the University of the Philippines (1983). He earned his Master's degree in Business Administration, Major in Finance/Accounting (1988) from the Graduate School of Management of the University of California Riverside. He is a Certified Public Accountant (CPA) and is a member of the American Institute of CPAs.

VALERIE N. PAMA

President / Director (March 2022 to present)

Ms. Valerie N. Pama, 58 years old, is currently the Chief Asset Management Officer ("CAMO") of Sun Life of Canada (Philippines), Inc. Since November 1, 2019, Ms. Pama, in her capacity as CAMO, has been responsible for the expansion and development of the various initiatives to drive the profitability and growth of Sun Life's overall asset management business providing strategic direction and development of long-term plans and policies.

Currently, Ms. Pama is a Member and Trustee of Sun Life Financial-Philippines Foundation, Inc. (October 2020 to present), Member and Trustee of Filipina CEO Circle (2015 and 2018, respectively to present), Member of Management Association of the Philippines (2015 to present) and Financial Executives of the Philippines (2013 to present).

Ms. Pama is also the Chairman and Director of Grepalife Asset Management Corporation (December 2021 to present). She is the President and Director of seventeen (17) Sun Life Prosperity Funds, i.e. Sun Life of Canada Prosperity Balanced Fund, Inc., Sun Life of Canada Prosperity Philippine Equity Fund, Inc., Sun Life of Canada Prosperity Bond, Inc., Sun Life Prosperity Dollar Advantage Fund, Inc., Sun Life Prosperity Peso Starter Fund, Inc., Sun Life Prosperity Dollar Abundance Fund, Inc., Sun Life Prosperity GS Fund, Inc., Sun Life Prosperity Dynamic Fund, Inc., Sun Life Prosperity Philippine Stock Index Fund, Inc., Sun Life Prosperity Dollar Wellspring Fund, Inc., Sun Life Prosperity World Voyager Fund, Inc., Sun Life Prosperity Dollar Starter Fund, Inc., Sun Life Prosperity World Equity Index Feeder Fund, Inc., Sun Life Prosperity Achiever Fund 2028, Inc., Sun Life Prosperity Achiever Fund 2038, Inc., Sun Life Prosperity Achiever Fund 2048, Inc., and Sun Life Prosperity Peso Voyager Feeder Fund, Inc. (March 2022 to present). She is also the Director of BESTSERVE Financial Ltd. (HKG) (January 2021 to present).

Ms. Pama was previously the Director and President of Sun Life Investment Management and Trust Corporation (September 2020 to June 2021), responsible for its establishment and preparations for operations. She was a Director and President of Sun Life Asset Management Company, Inc. ("SLAMCI") (2011 to 2020) and Director and/or President of thirteen (13) Sun Life Prosperity Funds, i.e. Sun Life of Canada Prosperity Bond Fund, Inc., Sun Life of Canada Prosperity Balanced Fund, Inc., Sun Life of Canada Prosperity Philippine Equity Fund, Inc., Sun Life Prosperity Peso Starter Fund, Inc., (formerly, "Sun Life Prosperity Money Market Fund, Inc."), Sun Life Prosperity GS Fund, Inc., Sun Life Prosperity Dollar Advantage Fund, Inc., Sun Life Prosperity Dollar Abundance Fund, Inc., Sun Life Prosperity Dynamic Fund, Inc., Sun Life Prosperity Dollar Starter Fund, Inc., Sun Life Prosperity Philippine Stock Index Fund, Inc., Sun Life Prosperity Dollar Wellspring Fund, Inc., Sun Life Prosperity World Voyager Fund, Inc. and Sun Life Prosperity World Equity Index Feeder Fund, Inc. (2011 to 2020). She was also a Director and/or President of three (3) Grepalife Funds i.e. Grepalife Dollar Bond Fund Corporation, Grepalife Balanced Fund Corporation (formerly, "Grepalife Bond Fund Corporation"), and Grepalife Fixed Income Fund Corporation (2011 to 2018). Ms. Pama was formerly the President of the Sun Life Prosperity Funds and the Grepalife Funds (2011 to 2013).

She also served as the Chief Operating Officer of SLAMCI (2011 to 2012) before being appointed as its President in 2013. With over seven years as President of SLAMCI, Ms. Pama has made tremendous contributions by leading it into becoming the number one non-bank asset management company. Under her vision and leadership, the company achieved great milestones: growing from three (3) mutual funds to sixteen (16) mutual funds to over Php100 Billion in Assets Under Management (AUM), launch of the Sun Life Prosperity Card, expanding the sales force into having the most number of Mutual Fund-licensed advisors in the industry and garnering numerous awards from the Philippine Investment Funds Association (PIFA). Another noteworthy recognition for SLAMCI under her management was being named the best asset management company for the Philippines from Euromoney's 2018 Private Banking and Wealth Management survey.

Ms. Pama is a veteran banker, having been in the industry for 20 years. She started her career with Citibank N.A. in 1990 as a Management Associate, wherein she obtained exposure in various segments of the business, assuming progressively senior roles over the years. She had worked in treasury/capital markets, loans, equity sales, customer funding sales, brokerage and money market sales. By the time she retired from Citibank N.A. in 2009, Ms. Pama was the President of Citicorp Financial Services and Insurance Brokerage Inc.

Prior to joining Sun Life, Ms. Pama was a Product Development consultant for ING Bank's Investment Management Group.

Ms. Pama was a member of the Board of Trustees of the Philippine Investment Funds Association (PIFA) from 2011 to 2020 and served as its Chairman from 2013 to 2015. This enabled her to represent the mutual fund industry in advocating investor literacy, customer protection and regulatory advancements to government agencies, key market players and the general public.

Ms. Pama is a graduate of the Ateneo de Manila University with a Bachelor of Science degree in Management Engineering. She obtained her Masters in Business Administration in International Business and Finance, with a minor in Business Economics from Katholieke Universiteit Leuven in Belgium. She was awarded With Distinction by the university for her exemplary academic performance on her final year.

CESAR LUIS F. BATE

Independent Director (November 2021 to present)

Mr. Cesar Luis F. Bate, 61 years old, is an Independent Director of twelve (12) Sun Life Prosperity Funds namely: Sun Life of Canada Prosperity Bond Fund, Inc., Sun Life Prosperity Dollar Abundance Fund, Inc., Sun Life Prosperity Dollar Advantage Fund, Inc., Sun Life Prosperity Dynamic Fund, Inc., Sun Life of Canada Prosperity Philippine Equity Fund, Inc., Sun Life Prosperity Philippine Stock Index Fund, Inc., Sun Life Prosperity Peso Starter Fund, Inc., Sun Life Prosperity World Voyager Fund, Inc., Sun Life Prosperity Dollar Starter Fund, Inc., Sun Life Prosperity Dollar Wellspring Fund, Inc., Sun Life Prosperity World Equity Index Feeder Fund, Inc., and Sun Life Prosperity Achiever Fund 2028, Inc.

Currently, Mr. Bate is the Managing Director of LMN Advisors/Partners Inc. ("LMN"). He established the consultancy firm LMN in October 2006 after being a stockbroker for 20 years. Prior to LMN, Mr. Bate was head of the Philippine operations of Macquarie Securities Philippines from 2004 to 2006. From 1995 to 2004, he was President of Dutch-owned ING Securities Philippines which was the country's largest stock brokerage house for years under his ten-year tenure. Mr. Bate started his career as a stockbroker with the local house A&A Securities in 1987 and joined British-owned Baring Securities as Head of Philippine sales in 1992.

Mr. Bate is a registered and authorized salesman of A&A Securities, Inc. He is an Independent Director of RM Commercial REIT, Inc. (2021 to present) and Director of Acacia Lane, Inc. (1980 to present). He was also a Member of the Board of Trustees of Jose Rizal University (2007 to 2016).

Mr. Bate graduated with a Bachelor of Science in Management Engineering from Ateneo de Manila University in 1984.

CIELITO F. HABITO

Independent Director (2021 to present)

Dr. Cielito F. Habito, 69 years old, is an Independent Director of Sun Life Prosperity GS Fund, Inc.; Sun Life of Canada Prosperity Balanced Fund, Inc.; Sun Life of Canada Prosperity Philippine Equity Fund, Inc.; Sun Life Prosperity Philippine Stock Index Fund, Inc.; Sun Life Prosperity Dollar Abundance Fund, Inc.; Sun Life Prosperity Dollar Advantage Fund, Inc.; Sun Life Prosperity Dollar Wellspring Fund, Inc.; Sun Life Prosperity World Voyager Fund, Inc.; Sun Life Prosperity Wellspring Fund, Inc.; Sun Life Prosperity Achiever Fund 2038, Inc.; and Sun Life Prosperity Achiever Fund 2048, Inc.; (2019 to present); Sun Life of Canada Prosperity Bond Fund, Inc. and Sun Life Prosperity Peso Starter Fund, Inc. (July 2021 to present) and Sun Life Prosperity Peso Voyager Feeder Fund, Inc. (January 2022 to present)

He is a Professor of Economics at the Ateneo de Manila University, where he is also Director of the Ateneo Center for Economic Research and Development. He also serves as Chairman of Brain Trust Inc., Operation Compassion Philippines, and the Board of Advisers of the Team Energy Center for Bridging Leadership at the Asian Institute of Management; Lead Independent Director of First Gen Corporation; Trustee of the Ramon Magsaysay Award Foundation and the Ramos Peace and Development Foundation; and Member of the Board of Governors of the Management Association of the Philippines, National Advisory Council of WWF-Philippines (also known as Kabang Kalikasan sa Pilipinas), JICA-Philippines Advisory Committee, and the World Bank Civil Society Advisory Group.

He had also previously served in the Boards of Manila Water Company, Metropolitan Bank & Trust Company, Metrobank Card Corporation, Frontier Oil Corporation, Mutual Fund Company of the Philippines, One Wealthy Nation (OWN) Fund, Steel Corporation of the Philippines, Philsteel Holdings, Solidbank and Lepanto Consolidated Mining Co.

He served in the Cabinet of former President Fidel V. Ramos throughout his presidency in 1992-1998 as Secretary of Socioeconomic Planning, and Director-General of the National Economic and Development Authority (NEDA). Before joining government, he was Professor and Chairman at the Department of Economics of the University of the Philippines-Los Baños (UPLB). He also worked as Visiting Fellow of the Asian Development Bank Institute in Tokyo, Visiting Professor at the Asian Institute of Management and De La Salle Graduate School of Business, Visiting Research Fellow at the Center for Southeast Asian Studies in Kyoto University, Teaching Fellow at Harvard University and Research Consultant at the World Bank.

Dr. Habito is the recipient of numerous awards including the Presidential Award (2019) and Most Outstanding Alumnus Award (1993) of the UPLB Alumni Association, Philippine Legion of Honor (1998), The Outstanding Young Men (TOYM) of 1991, and the Gawad Lagablab (Outstanding Alumnus Award) of the Philippine Science High School (1991).

He graduated with a Bachelor of Science in Agriculture, Summa cum laude from the University of the Philippines-Los Baños in 1975. He earned a Master of Economics from the University of New England (Australia) in 1978 and Master of Arts in Economics (1981) and Ph.D. in Economics (1984) from Harvard University.

TERESITA J. HERBOSA

Independent Director (2021 to present)

Atty. Teresita J. Herbosa, 71 years old, is currently an Independent Director of Sun Life of Canada Prosperity Bond Fund, Inc.; Sun Life Prosperity Peso Starter Fund, Inc. (July 2021 to present) and Sun Life Prosperity Peso Voyager Feeder Fund, Inc. (January 2022 to present). Presently, she is also a Director of Telecommunications Connectivity Inc. (December 2019 to present) and a member of the Board of Trustees of CHS Alumnae Foundation Inc. (March 2021 to present).

She was the Chairperson of the Securities and Exchange Commission ("SEC") from May 2011 to June 2018, and as such occupied other positions such as member of the Anti-Money Laundering Council, Chairperson of the Credit Information Corporation, the Microfinance NGO Regulatory Council, and the Capital Market Development Forum.

As SEC Chairperson, Atty. Herbosa was involved in the Asean Capital Markets Forum as Chair of its Committee on Corporate Governance responsible for the first Asean Top 50 Publicly Listed Companies. She initiated and proposed significant amendments to the Corporation Code of 1985 to Congress culminating in the enactment of the Revised Corporation Code in February 2019. She also participated in the passage of the Personal Property Securities Act.

As a consequence of the various reforms under Atty. Herbosa's leadership, for two consecutive years, 2015 and 2016, SEC emerged, based on two nationwide surveys, as no.1 in the sincerity rating particularly in the fight against corruption among 35 government agencies.

Prior to her SEC Chairmanship post, she engaged in the private practice of law at the Angara Abello Concepcion Regala & Cruz Law Offices ("ACCRALAW") specializing in litigation and dispute resolution for 33 years and often cited by foreign legal publications as one of the top litigation lawyers of the country.

In July 2019, she re-joined ACCRALAW as Of Counsel, and continues as MCLE and PHILJA lecturer, on corporation and other commercial laws. Presently, she has resumed teaching at UP LAW BGC, DLSU COL BGC and LPU COL Makati.

Atty. Herbosa co-authored in 2019 "The Revised Corporation Code of the Philippines Its Theories and Applications," and relatedly gives lectures. In line with her advocacy, she participated in the UNICEF-sponsored lecture series "Trainers' Course on Child Sensitive Investigation" for three years for more than 1,500 policemen and in the preparation of the video-taped materials shown at the PHILJA training of Family Court judges. She still lectures for PHILJA but this time on financial crimes and corporate and securities fraud.

She has written numerous law articles such as "Comments involving Crimes of Moral Turpitude" and the Foreword Vol 92 July 2019, for the Philippine Law Journal, others on various legal topics for the Philippine Star and contributed "Balancing Ethics and Regulation" for the FINEX anniversary publication "Ethics Black While or Gray" In 2018. From October 2019 to March 2020, she wrote a comprehensive training module for the investigation and prosecution of violations of the Securities Regulation Code in connection with the Anti-Money Laundering Act.

Atty. Herbosa finished AB Political Science cum laude at the University of the Philippines – Diliman, and her Bachelor of Laws cum laude and class salutatorian from the UP College of Law. She also has a Master of Comparative Law degree from the University of Michigan. In 2014, she was awarded the UP Distinguished Alumni Award for Public Service.

GERALD L. BAUTISTA

Director (September 2020 to present)

Mr. Gerald L. Bautista, 44 years old, is the President and the Head of Distribution of Sun Life Asset Management Company, Inc. (October 2020 to present). He is also a Director of the Sun Life Prosperity Peso Starter Fund, Inc., Sun Life Prosperity World Equity Index Feeder Fund, Inc. (September 2020 to present) and Sun Life Prosperity Peso Voyager Feeder Fund, Inc. (January 2022 to present). He joined the company in 2008 and has been instrumental for the growth and expansion of the bank, brokerage and online channel business for Sun Life Asset Management. He took on the role as Head of the Agency channel in 2019; wherein he institutionalized sales growth strategies, risk policies and distribution channel management practices.

Mr. Bautista has been in the mutual fund industry for two decades now. Prior to joining the financial sector, he had a short stint with the government under the Foreign Service Institute, Dept. of Foreign Affairs as a research assistant. Thereafter, he joined the asset management industry as a Business Development Officer and subsequently handled Institutional Sales for Philam Asset Management, Inc. After his post-graduate program, he moved to the banking industry with Standard Chartered Bank handling Trust Marketing functions and was promoted as Product Manager handling various financial instruments, including - mutual funds, structured notes, time deposits and bancassurance products. In 2008, Sun Life Asset Management hired him to further develop and expand its distribution channels.

Mr. Bautista is a graduate of De La Salle University, Manila with a Bachelor of Arts degree in Political Science. He took his higher education at Oxford Brookes University Business School in Oxford, United Kingdom where he obtained a

Master's degree in Business Administration focusing on Global Marketing Strategy (with Merit). He is a Certified Investment Solicitor (CIS) with the Securities & Exchange Commission.

Atty. Frances Ianna S. Canto is the Assistant Corporate Secretary of the seventeen Sun Life Prosperity Funds i.e., Sun Life of Canada Prosperity Balanced Fund, Inc., Sun Life of Canada Prosperity Bond Fund, Inc., Sun Life of Canada Prosperity Philippine Equity Fund, Inc., Sun Life Prosperity Dollar Abundance Fund, Inc., Sun Life Prosperity Dollar Advantage Fund, Inc., Sun Life Prosperity Dollar Starter Fund, Inc., Sun Life Prosperity Dynamic Fund, Inc., Sun Life Prosperity Philippine Stock Index Fund, Inc., Sun Life Prosperity GS Fund, Inc., Sun Life Prosperity Peso Starter Fund, Inc. (formerly Sun Life Prosperity Money Market Fund, Inc.), Sun Life Prosperity Dollar Wellspring Fund, Inc., Sun Life

Prosperity World Voyager Fund, Inc., Sun Life Prosperity Achiever Fund 2048, Inc., Sun Life Prosperity Achiever Fund 2038, Inc., Sun Life Prosperity Achiever Fund 2028, Inc., Sun Life Prosperity World Equity Index Feeder Fund, Inc., and Sun Life Prosperity Peso Voyager Feeder Fund, Inc. (January 2022 to present). She is also the Assistant Corporate Secretary of Sun Life Asset Management Company, Inc. and Sun Life Investment Management and Trust Corporation (September 2020 – present).

Prior to joining Sun Life in May 2020, Atty. Canto worked as a Legal and Compliance Officer of Manulife Philippines (March 2017), where she also served as Assistant Corporate Secretary and Alternate Data Protection Officer. Before joining Manulife, Atty. Canto briefly worked as a consultant with the Office of the Secretary of the Climate Change Commission and prior to that, as an Associate Lawyer at the Medialdea Ata Bello and Suarez Law Office (2013-2016).

Atty. Canto received her Juris Doctor degree from the Ateneo de Manila University. She was admitted to the Bar in May 2014.

RIA V. MERCADO

Risk Officer (2015 to present)

Ms. Ria V. Mercado, 46 years old, has been the Head of Risk Management of Sun Life Philippines since 2015. She is also the Risk Officer of the seventeen Sun Life Prosperity Funds i.e., Sun Life of Canada Prosperity Balanced Fund, Inc., Sun Life of Canada Prosperity Bond Fund, Inc., Sun Life of Canada Prosperity Philippine Equity Fund, Inc., Sun Life Prosperity Dollar Abundance Fund, Inc., Sun Life Prosperity Dollar Advantage Fund, Inc., Sun Life Prosperity Dollar Starter Fund, Inc., Sun Life Prosperity Dynamic Fund, Inc., Sun Life Prosperity Philippine Stock Index Fund, Inc., Sun Life Prosperity GS Fund, Inc., Sun Life Prosperity Money Market Fund, Inc., Sun Life Prosperity Dollar Wellspring Fund, Inc., Sun Life Prosperity World Voyager Fund, Inc., Sun Life Prosperity World Equity Index Feeder Fund, Inc., Sun Life Prosperity Achiever Fund 2028, Inc., Sun Life Prosperity Achiever Fund 2038, Inc., Sun Life Prosperity Achiever Fund 2048, Inc., (2015 to present), Sun Life Prosperity Peso Voyager Feeder Fund, Inc. (January 2022 to present), and the three Grepalife Mutual Funds i.e., Grepalife Balanced Fund Corporation, Grepalife Dollar Bond Fund Corporation and Grepalife Fixed Income Fund Corporation, (July 2019 to present). She is also the Risk Officer of Sun Life Asset Management Company, Inc., Grepalife Asset Management Corporation, Sun Life of Canada (Philippines), Inc., Sun Life Grepa Financial, Inc. (July 2015 to present) and Sun Life Financial – Philippines Foundation, Inc. (December 2019 to present).

Prior to joining Sun Life in 2015, she was with Deutsche Knowledge Services (DKS), where she was Debt and Client Risk & Control Lead. In this capacity, she was responsible for risk and control initiatives and for proactively identifying and mitigating operations risks through quality assurance initiatives. Prior to DKS, she was with Standard Chartered Bank where she rose from Graduate Associate to AVP – Unit Operational Risk Manager.

Ms. Mercado holds a Master in Business Management degree from the Asian Institute of Management. She is a BS Business Administration graduate of the University of the Philippines (Diliman).

1. Independent Directors. Nominees for Independent Directors were nominated by Management to the Corporate Governance Committee. The nomination is in accordance with the guidelines and requirements set in the Securities and Exchange Commission (SEC) Memorandum Circular Nos. 24 (s. 2019) and 16 (s. 2002) and SRC Rule 38. Qualifications of Directors as enumerated in said circulars are strictly followed.
2. Nomination Process. The Corporate Governance Committee composed of Atty. Herbosa as Chairman and Mr. Sison and Dr. Habito as Members, pre-screens and shortlists all candidates nominated to become a member of the Board of Directors in accordance with the qualifications and disqualifications of the regulations named above and in accordance with the procedure outlined in the Company's Manual on Corporate Governance ("Manual").

Except for committee members who are independent directors themselves, none of the members of the Corporate Governance Committee are related to the independent directors. The following Final List of Candidates to the 2022 Board of Directors has been approved:

- 2.1 Mr. Benedicto C. Sison
- 2.2 Ms. Valerie N. Pama
- 2.3 Mr. Gerald L. Bautista
- 2.4 Mr. Cesar Luis F. Bate
- 2.5 Dr. Cielito F. Habito
- 2.6 Atty. Teresita J. Herbosa

Unless marked otherwise, proxies received will be voted for the election of each of the nominees stated in the proxy form.

- b. Incorporators. The incorporators of the Company are: Esther C. Tan, Caesar P. Altarejos, Jr., Henry Joseph M. Herrera, Rizalina G. Mantaring, Raoul Antonio E. Littaua, and Rolando Robles.
- c. Significant Employees. The Company has no significant employees.
- d. Family Relationships. There are no family relationships up to the fourth civil degree either by consanguinity or affinity among directors, executive officers, or persons nominated by the Company to become its directors or executive officers.
- e. Involvement in Certain Legal Proceedings. None of the directors or persons nominated to become directors or executive officers of the Company has been involved during the past five (5) years in any legal proceeding which is material to an evaluation of their ability or integrity to serve as such, including, bankruptcy petition, conviction by final judgment, being subject to any order, judgment or decree, or violation of a securities or commodities law.
- f. Certain Relationships and Related Transactions. The Company is not involved in any transaction or series of similar transactions, proposed or otherwise, with or involving any of its subsidiaries in which a director, executive officer, or stockholder owns ten percent (10%) or more of total outstanding shares and members of their immediate family had or is to have a direct or indirect material interest during the last two (2) years.
- g. Parent of the Company. See Item 4 (d) (1) above.
- h. Disagreement of Directors and Executive Officers. None of the directors has resigned or declined to stand for re-election to the Board of Directors since the date of the last annual meeting of security holders because of a disagreement with the Company on any matter relating the Company's operations, policies, or practices.
- i. Compliance with Leading Practices on Corporate Governance. All of the directors and officers of the Company have attended a seminar on corporate governance given by a SEC-accredited provider. They attend a yearly training on Corporate Governance by a reputable provider, including topics global trends and best practices.

The Board reviews and updates its Manual on Corporate Governance at least annually to ensure that it is kept abreast of global leading practices and principles on good corporate governance. On a yearly basis, the Board Directors each accomplishes a Board Effectiveness Questionnaire to evaluate themselves as individual Directors and as a Board, to determine their skills and level of compliance with the Manual, as well as recommend changes to the Manual and Committee charters. This ensures that they remain independent and effective in implementing their respective mandates and discharging their duties and responsibilities. As a result of the recommendations from the Board on how to better improve Corporate Governance, they now hold a confidential meeting to discuss strategy every year.

The Company also has robust and effective risk management policies and procedures in place to identify, mitigate and manage risks arising from the Company's operations. On a yearly basis, the Company's Compliance Officer issues a Certification which confirms that the Company substantially adopted all the provisions in the Manual of Corporate

Governance, as prescribed by the SEC. Accounts of deviation, if any, are duly reported by the Compliance Officer, as necessary.

Item 6. Compensation of Directors and Executive Officers

a. Compensation of Executive Officers. The executive officers of the Company do not receive any form of compensation from their appointment up to the present.

b. Compensation of Directors. The directors do not receive any form of compensation from inception up to the present other than a PHP 20,000.00 per diem for meetings attended. Only the members of the Board who are "external directors", i.e., those who are not officers and/or employees of SLOCPI, receive remuneration for their attendance in regular or special meetings of the Board at the rate of PHP 20,000.00 to each director for every meeting attended. Their contributed efforts to the Fund are on a voluntary basis only. Also, there is no bonus, profit sharing or other compensation plan, pension or retirement plan, contract or arrangement in which any director or nominee for election as a director or executive officer of the Fund will participate.

However, starting on January 01, 2010, each external director, as defined above, shall also receive a retainer's fee not to exceed PHP15,000.00 per quarter. Payment of such retainer's fee shall be shared by the Fund with the other Sun Life Prosperity Funds which the external director also serves, provided that each external director shall receive only a maximum of PHP 15,000.00 per quarter from all the Sun Life Prosperity Funds which he serves as director.

Total per diem received by the Fund's directors for the year 2021 and 2020 are PHP 421,308 and PHP 314,615, respectively.

The Board has four (4) regular quarterly meetings for 2021, including the organizational board meeting after the annual shareholders' meeting. For the four (4) meetings and with three (3) members of the Board who are external directors entitled to receive per diem, the Fund forecasts a total directors' per diem of PHP 240,000 for the year 2022. The external directors are also forecasted to receive a total of PHP 19,615 as retainer's fees for 2022.

c. Employment Contracts and Termination of Employment and Change-in-Control Arrangements. There are no other standard or consulting arrangements or any compensatory plan relating to the resignation/retirement by which directors and officers are to be compensated other than that previously stated.

d. Warrants and Options Outstanding: Repricing. The Company has no outstanding warrants or options held by the Company's executive officers, officers and directors.

e. Compensation Committee. The Company currently has no Compensation Committee; the Board decides the compensation of the directors, but no director participates in deciding on his remuneration.

Item 7. Independent Public Accountants. During the two (2) most recent fiscal years, Navarro Amper and Co./Deloitte Touche Tohmatsu served as the Company's principal accountants and external auditors. The signing partner is Mr. Joeffrey Mark Ferrer, who has served in said capacity since 2020. The same auditors are being recommended for re-election at the scheduled annual shareholders' meeting. Representatives of the said firm are expected to be present at the upcoming annual shareholders' meeting to respond to appropriate questions and to make a statement if they so desire.

In compliance with SRC Rule 68, As amended, the Company intends to change external auditors or audit engagement partners, at least once every five (5) years.

Audit and Audit-Related Fees. For 2021 and 2020, aggregate fees billed for professional services rendered by the external auditor for the audit of the Fund's annual financial statements and services normally provided by external auditors in connection with statutory and regulatory filings amounted to PHP 937,248 and PHP 420,948, respectively, inclusive of VAT and out-of-pocket expenses. Audit Fees include payments for agreed-upon procedures and legal assistance for the application of ACS Increase of the Fund. There were no other payments made to the auditor for any other service, including assurance, tax and related services.

The Company's Audit and Compliance Committee hears the client service plan and service fee proposal presented by the external auditor and recommends such for the approval of the Board of Directors if found acceptable. Said Committee is composed of the following: Atty. Herbosa as Chairman and Dr. Habito and Mr. Bate as Members.

Item 8. Compensation Plans. No action is to be taken with respect to any plan pursuant to which cash or non-cash compensation may be paid or distributed to its directors or employees.

C. ISSUANCE AND EXCHANGE OF SECURITIES

Item 9. Authorization or Issuance of Securities Other than for Exchange. No action is to be taken with respect to the authorization or issuance of any securities otherwise than for exchange for outstanding securities of the Company.

Item 10. Modification or Exchange of Securities. No action is to be taken with respect to the modification of any class of securities of the Company, or the issuance or authorization for issuance of one class of securities of the Company in exchange for outstanding securities of another class.

Item 11. Financial and Other Information. No actions to be taken with respect to Items 9 or 10. Report on Management's Discussion is attached as part of the annexes to SEC Form Definitive 20-IS.

Item 12. Mergers, Consolidations, Acquisitions and Similar Matters. No action is to be taken with respect to any transactions involving the: 1. merger or acquisition of the Company into or with any other person or any other person into or with the Company; 2. acquisition of the Company or any of its security holders of securities of another person; 3. acquisition by the Company of any other going business or of the assets thereof; 4. sale or other transfer of all or any substantial part of the assets of the Company; or 5. liquidation or dissolution of the Company.

Item 13. Acquisition or Disposition of Property. No action is to be taken with respect to the acquisition or disposition of any property.

Item 14. Restatement of Accounts. No action is to be taken with respect to the restatement of any asset, capital or surplus account of the Company.

D. OTHER MATTERS

Item 15. Action with Respect to Reports. The minutes of the meeting and related records are available for inspection by any shareholder at the office of the Company during business hours. Management recommends a vote FOR the approval of the minutes of the 2021 Shareholders' Meetings held on 14 July 2021. Also submitted for approval is the Annual Report (SEC Form 17A) and the audited Financial Statements for the year ended 31 December 2021 and the Quarterly Report for the First Quarter (SEC Form 17Q1).

Item 16. Matters Not Required to be Submitted. No action is to be taken with respect to any matter which is not required to be submitted to a vote of security holders.

Item 17. Amendment of Charter, Bylaws, or Other Documents. With respect to amendment of the Company's charter, by-laws, or other documents, Management proposes that stockholders representing majority of the outstanding capital stock approve the amendment of the Article of Incorporation and, the By-Laws to reflect the following:

1. Article II (Primary Purpose) and Article II, paragraph 1 (ii), and paragraph 6 (Secondary Purpose) of the Articles of Incorporation to align with the Investment Company Act and its Implementing Rules and Regulations . The proposed amendment is as follows:

"SECOND: That the purposes for which ~~said~~ the corporation is formed are:

PRIMARY PURPOSE To issue its own securities and offer them for sale to the public, to offer for sale, or deliver after sale, any security or any interest in a security, whether issued by it or by another person, to invest, reinvest, or trade in securities, or other investment assets as may be allowed by the Investment Company Act and its implementing rules and regulations or any amendments thereto, to purchase, redeem, retire, or otherwise acquire or attempt to acquire any security, and while the owner thereof, to exercise all the voting rights and incidents of ownership, including the right to vote the same and to receive, collect, and dispose of the interest, dividends, and income therefrom, to do any and all things which may be useful in connection with or incidental to the conduct of such business, and generally to carry on the business of an open-end investment company in all the elements and details thereof.

SECONDARY PURPOSES

1. To exercise in respect of all shares of stock and/or other securities from time to time owned and held by and for its account xx and to do any and all acts xxx including without limiting the generality of the foregoing, the power (i) xxx (ii) ~~to acquire or become interested in any such securities by underwriting, syndicate participation or otherwise;~~ xxx

xxx

6. Subject to the borrowing limitations set forth in the Implementing Rules and Regulations of the Investment Company Act, to borrow or raise money necessary to meet the financial requirements of the corporation by the issuance of bonds, promissory notes, and other evidences of indebtedness, and to secure the repayment thereof by mortgage, pledge, deed of trust or lien upon the properties of the corporation, or to issue, pursuant to law, shares of the capital stock, debentures, bonds, warrants, notes or other evidences of indebtedness in payment for the properties acquired by the corporation or for money borrowed in the prosecution of its business; "

2. Article II, paragraph 9 (Secondary Purpose) of the Articles of Incorporation from the "Corporation Law" to "Revised Corporation Code" . The proposed amendment is as follows:

"SECONDARY PURPOSES

xxx

9. The foregoing clauses shall each be construed as purposes and powers and the matters expressed in each clause or any part of any clause shall in no wise be limited by reference to or inference from any other clause or any other part of the same clause shall be regarded as independent purposes and powers, and the enumeration of specific purposes and powers shall not be construed to limit or restrict in any manner the meaning of the general purposes and powers of the corporation nor shall the expression of one thing be deemed to exclude another, although it be of like nature, not expressed. Likewise, the purposes and powers specified herein shall not be regarded in any manner as a limitation of the powers granted or allowed to and exercisable by this corporation under the ~~Corporation Law~~ Revised Corporation Code and other statutes of the Republic of the Philippines."

3. Article VII of the Articles of Incorporation to align the conditions for the redemption of shares by a shareholder with the Investment Company Act, its Implementing Rules and Regulations, and other applicable issuance of the Securities and Exchange Commission. The proposed amendment is as follows:

"SEVENTH: (a) That the capital stock of said corporation is Two Hundred Million Pesos (Php 200,000,000.00), Philippine Currency, and said capital stock is divided into Twenty Billion (20,000,000,000) shares at the par value of One Centavo (PhP 0.01) per share. (As amended and approved by majority vote of the Board of Directors on April 14, 2014, November 10, 2015 and March 13, 2017 and by the vote of the stockholders owning or representing at least two-thirds of the outstanding capital stock at a meeting held on April 29, 2014).¹

(b) That the holder of any share of stock of the Corporation upon its presentation to the Corporation or to any of its duly authorized representatives, is entitled to receive by way of redemption approximately his proportionate share of the Corporation's current net assets or the cash equivalent thereof, i.e., the current net asset value, subject to existing laws and the By-Laws of the Corporation; Provided, however, that no such redemption may be made only for the grounds allowed under Rule 10.4 of the Investment Company Act (ICA) and its Implementing Rules and Regulations (IRR), as amended by Securities and Exchange Commission Memorandum Circular No. 33 series of 2020, and for the period provided under Rule 10.5 of the ICA IRR, as such regulations may be further amended from time to time, unless the remaining unimpaired capital of the Corporation shall be at least P 1,000,000.00 or 50% of its outstanding liabilities to the creditors of the Corporation, whichever is higher, Provided, further that redemption may be suspended during any of the periods specified under the By Laws and under any applicable laws and regulations.

(c) To contact the advisory services of an asset management company providing the advisory services to execute any and all objectives of the corporation. To ensure that whenever the Corporation initiates a change in the asset management company providing the advisory services, shareholders will have the right to redeem within 7 days their shares free of any fees and/or charges during a period of Forty-five (45) days after the change in asset management company is effected at least at the net asset value prevailing on the day in which the new asset management company takes over the management of the fund computed in accordance with the Investment Company Act and its Implementing Rules and Regulations, as may be amended from time to time, other applicable issuances of the Securities and Exchange Commission, and other applicable laws and regulations.

(d) No stockholder shall, because of his ownership of stock, have a pre-emptive or other right to purchase, subscribe for, or take any part of any stock or of any other securities convertible into or carrying options or warrants to purchase stock of the corporation. Any part of such stock or other securities may at any time be issued, auctioned for sale, and sold or disposed of by the corporation pursuant to resolution of its Board of Directors, to such persons and upon such terms as may so such Board seem proper, without first offering such stock or securities or any part thereof to existing stockholders."

4. Article VIII of the Articles of Incorporation to add a description of the features of the Company's shares . The proposed amendment is as follows:

"EIGHTH: That the amount of said capital stock which has been actually subscribed is Two Hundred Fifty Thousand Pesos (Php 250,000,000) and the following persons have subscribed for the number of shares and amount of capital stock set out after their respective names:

NAME	NATIONALITY	No. of Shares Subscribed	AMOUNT SUBSCRIBED
Sun Life of Canada (Philippines), Inc.	Dutch	24,999,993	Php 249,999.93

Caesar P. Altarejos, Jr.	Filipino	1	0.01
Henry Joseph M. Herrera	Filipino	1	0.01
Raoul Littaua	Filipino	1	0.01
Rizalina G. Mantaring	Filipino	1	0.01
Aleli Angela G. Quirino	Filipino	1	0.01
Feliciano L. Miranda, Jr.	Filipino	1	0.01
Total		25,000,000	Php 250,000

FEATURES OF THE SHARES:

Common – Voting – with Par Value – Redeemable

The pre-emptive right of all stockholders to all issues or disposition of shares in proportion to their respective shareholdings shall be denied."

5. Article I, Sections 1 (Annual Meetings) and 2 (Special Meetings) of the By-Laws to allow for the holding of the stockholders meeting via remote communication; Section 2 (Special Meetings) to align with the Section 49 of the Revised Corporation Code . The Proposed amendment is as follows:

"SECTION 1. Annual Meetings. – The annual meeting of the stockholders shall be held at the principal office of the Corporation, or via remote communication, every fourth Wednesday of June of each year or on such other date as the board of directors may determine, unless such day is a legal holiday, in which case it shall be held on the next business day following.

SECTION 2. Special Meetings. – Special meetings of the stockholders, held at the principal office of the Corporation or via remote communication, may be called by the President of the Corporation, or by order of a majority of the board of directors, whenever such is deemed necessary; ~~and it shall be the duty of the President and/or of the board to order and call such special meetings whenever the holders of record of not less than twenty (20%) per centum of the outstanding capital stock of the Corporation with voting privileges shall in writing so request; a stockholder may likewise propose the holding of a special meeting and items to be included in the agenda."~~

6. Article I, Section 3 (Notice of Meeting) of the By-Laws to align the notice period for stockholders' meetings with the issuances of the Securities and Exchange Commission . The Proposed amendment is as follows:

"SECTION 3. Notice of Meeting - (a) Notices for regular or special meetings of shareholders may be sent by the Secretary by personal delivery, by telefax or by mail physically or electronically, or by such other means of communication as may be allowed by law or regulations at least ~~fourteen (14) days~~ twenty-one (21) calendar days prior to the date of the meeting to each stockholder of record at his last known post office address or by publication in a newspaper of general circulation. The notice shall state the place, date and hour of the meeting, and the purpose or purposes for which the meeting is called. In all meetings, only matters stated in the notice can be the subject of motions or deliberations at such meeting, unless the shareholders present at the meeting unanimously agree to include an item which shall then be transacted at the meeting as if it was included in the notice sent to the shareholders. When the meeting of shareholders is adjourned to another time or place, it shall not be necessary to give any notice of the adjourned meeting if the time and place to which the meeting is adjourned are announced at the meeting at which the adjournment is taken. At the reconvened meeting, any business may be transacted that might have been transacted on the original date of the meeting. xxx"

7. Article I, Section 6 (Voting) of the By-Laws to provide for the use of remote communication or in absentia in the conduct of regular and special stockholders' meetings and on the manner of voting in accordance with the Revised Corporation Code . The Proposed amendment is as follows:

"SECTION 6. Voting. - At every stockholders' meeting, every stockholder entitled to vote shall be entitled to one vote for each share of stock registered in his name in the books of the corporation; provided, however, that in the case of the election of directors, every stockholder entitled to vote shall be entitled to cast his vote, this option, in accordance with the provisions of the Corporation Code. Every stockholder entitled to vote may vote personally, by remote communication or in absentia, or by proxy. The instrument authorizing a proxy to act shall be exhibited to the secretary of the corporation, and shall be lodged with the said secretary if so requested.

In the election of members of the Board, the six (6) nominees receiving the highest number of votes shall be declared elected."

8. Article II, Section 1 (Board of Directors) to include the requirement that at least twenty percent (20%) of the Board of Directors must be composed of independent directors . The Proposed amendment is as follows:

"SECTION 1. Board of Directors. - Unless otherwise provided in the Corporation Code, the corporate powers of the company are exercised, its business conducted and its properties controlled and held, by a Board of Directors consisting of six (6)³ members, elected from among the stockholders of the company, said members so elected to hold their office for one year and until their successors are elected annually by the stockholders during their annual meeting or adjournment thereof, or at any special meeting called for the purpose. The Board of Directors shall be composed of at least two (2) Independent Directors or such number as to constitute at least one-third (1/3) of the members of the Board, whichever is higher.

After their election, the members of the Board of Directors shall elect from among themselves a Chairman of the Board and a President. They shall also elect a Secretary and a Nomination and Review Committee, all of whom need not be a member of the Board.

A member of the Board may be removed from office in accordance with the provisions of the Corporation Code."

9. Article II, Section 2 (Nomination and Review Committee) of the By-Laws to include the requirement that the Committee must have at least one (1) member who is an independent director in compliance with the Securities Regulation Code and its Implementing Rules and Regulation . The Proposed amendment is as follows:

"SECTION 2. Nomination and Review Committee. - a) The members of the Board shall be elected from a list of nominees submitted by any shareholder not earlier than ninety (90) business days nor later than eighty (80) business days before the annual stockholders' meeting to the Nomination Committee. The Nomination Committee shall have three (3) members elected by the Board of Directors, at least one of whom shall be an Independent Director, and will adopt a set of Nomination Committee Rules approved by the Board of Directors. The Nomination Committee shall review and accept or reject nominations to the Board of Directors based on the following qualifications: xxx"

10. Article II, Section 6 (Compensation) of the By-Laws to expressly state that directors and prohibited from participating in the determination of their own per diems or compensation . The Proposed amendment is as follows:

"SECTION 6. Compensation. - For each attendance at any meeting of the Board, a member of the Board is entitled to a fee of P20,000.00 or such amount as may be determined by the Board which shall take the industry practice into consideration. The Director/s shall not participate in the determination of their own per diems or compensation."

11. Article II, Section 7 (Vacancy) of the By-Laws to align with the Revised Corporation Code on the vacancies in the Board of Directors . The Proposed amendment is as follows:

"SECTION 7. Vacancy. - In case any vacancy or vacancies occur on the Board du ring the period between two annual meetings of stockholders ~~due to the death, resignation or other cause, except for causes other than by~~ removal or expiration of term, the remaining members of the Board, if still constituting a quorum, may fill said vacancy or vacancies by electing from among the stockholders, and the stockholder or stockholders so elected shall act as member or members of said Board until Article IV, Section 1 (Committees) of the By-Laws to ensure compliance with applicable rules on the composition of committees, changing or discharging its members, and filling in vacancies the election of a new Board of Directors."

12. Article IV, Section 1 (Committees) of the By-Laws to ensure compliance with applicable rules on the composition of committees, changing or discharging its members, and filling in vacancies. The Proposed amendment is as follows:

"SECTION 1. Committees. - The Board of Directors may, by resolution or resolutions, designate one or more committees which, to the extent provided in said resolution or resolutions or in these By-Laws, shall have and may exercise any of the powers of the Board of Directors in the management of the business and affairs of the Corporation. Such committee or committees shall have such name or names as may be determined from time to time by resolution adopted by the Board of Directors. Each committee shall keep regular minutes of its proceedings and report the same to the Board when required. Subject to applicable rules and regulations of the Securities and Exchange Commission with respect to board committees, such as Section 38.8.1 of the Implementing Rules and Regulations (IRR) of the Securities Regulation Code (SRC), as may be amended from time to time, the Board of Directors shall have the power to change the members of any such committee at any time, to fill vacancies and to discharge any such committee either with or without cause."

13. Article IV, Section 2 (Advisory Board) of the By-Laws on the deletion of the Advisory Board . The Proposed amendment is as follows:

~~"SECTION 2. Advisory Board. - There may be an Advisory Board of any number of individuals appointed by the Board of Directors who may meet at stated times or on notice to all by any one of their own number or by the President of the Corporation. The Advisory Board will have no power to require the Corporation to make any specific action. Its purpose is solely to consider matters of general policy and to make recommendations along such lines to the Board of Directors. Each member of the Advisory Board shall receive such remuneration as the Board of Directors of the Corporation shall, from time to time, fix by resolution."~~

[THE WHOLE SECITON 2 IS DELETED]

14. Article VI, Section 1 (b) of the By-Laws, on Management Contracts, to align with the Investment Company Act and its Implementing Rules and Regulations . The Proposed amendment is as follows:

"SECTION 2. Management Contracts. – xxx

(b) Any management contract whereby, subject to the control of the Board of Directors of the Corporation, the investment portfolio of the Corporation shall be managed or supervised by the other party to such contract, shall provide, among other things, that such management contract shall be automatically terminated in the event it is assigned to such other party. Nothing herein contained, however, shall be construed to prevent the other party to a management contract, with the knowledge and consent of the Board of Directors of this Corporation from contracting in turn for investment counseling with respect to any or all of the portfolio subject to the rules of the Investment Company Act Rule 5.1.6 or any amendments thereto on Outsourcing or Delegation of Functions of the Fund Manager, and other applicable issuances of the Securities and Exchange Commission."

15. Article VI, Section 2 of the By-Laws, on Distribution Contracts. to align with the Investment Company Act and its Implementing Rules and Regulations . The Proposed amendment is as follows:

"SECTION 2. Distribution Contract. - (a) The Board of Directors may, at any time and from time to time, contract with any or more than one corporation or firm, appointing it or them as the distributor(s) or underwriter(s) for the securities issued by the Corporation in a manner not to contravene the applicable laws and regulations. If deemed beneficial to the Corporation by the Board of Directors and subject to applicable laws and regulations, such distribution contract and the management contract referred to in Section 1 of this Article VI may be entered into with any

one corporation or firm. Any outsourcing or delegation of the fund distributor duties shall be subject to compliance with the requirements of the Implementing Rules and Regulations (IRR) of the Investment Company Act (ICA), as may be amended from time to time.

(b) Except where allowed by the applicable laws or regulations, the Corporation shall not issue or sell any of the shares of stock of the Corporation, before paying any taxes in connection with such issue or sale, less than the net asset value thereof determined and in effect at the time when the sale or contract of sale is made ~~except when any contract or arrangement in effect between the Corporation and distributor which contemplates the sale of shares by the distributor to the public at prices based on the net asset value in effect at the time of sale by the distributor to the public. Corporation may, pursuant to such contract or arrangement, sell to the distributor the number of shares needed by the distributor to fill orders received by the distributor during the period when a given net asset value is in effect, at a price less than said net asset value, provided that the sale by the Corporation to the distributors is effected within a reasonable time after the close of the period as the Board of Directors may approve.~~

No shares of its stock shall be sold by the Corporation during any period ~~(other than the usual periods of not in excess of three (3) days in connection with the usual holidays)~~ when the Philippine banks are closed, except to a distributor under a contract or arrangement as aforesaid to cover sales made by the distributor prior to the closing, ~~or except when the net asset value of the shares is determined pursuant to Article IX: at the net asset value computed in accordance with the Investment Company Act and its Implementing Rules and Regulations, as may be amended from time to time, other applicable issuances of the Securities and Exchange Commission, and other applicable laws and regulations.~~

(c) Should the Corporation initiate the change of the asset management firm investing and advising the fund, the Board of Directors shall ensure that investors will be given the option to redeem their investments free of any fees and/or charges during a period of 45 (forty- five) days after the change in asset management firm is effected ~~at least at the NAV prevailing on the day in which the new asset management company takes over the management of the fund; computed in accordance with the Investment Company Act and its Implementing Rules and Regulations, as may be amended from time to time, other applicable issuances of the Securities and Exchange Commission, and other applicable laws and regulations.~~ Likewise, the Board of Directors shall ensure that redemptions are serviced efficiently in the regular periods prescribed by the prospectus”

16. Article VII, Section 3 (Lost or Destroyed Certificates) to refer to the applicable section of the Revised Corporation Code . The Proposed amendment is as follows:

“SECTION 3. Lost Certificates. -In case of loss or destruction of any certificate or certificates of stock, new certificate/s may be issued upon application thereof, subject to Section 72 of the Revised Corporation Code, as may be amended from time to time, in writing filed with the company by the registered owner of the share of shares covered thereby, or his duly authorized representative, supported by a sworn statement detailing the circumstances surrounding such loss or destruction. The Corporation, through the Board of Directors, shall, from time to time, prescribe and fix the fees payable to the corporation for the issuance of such new certificate/s. The delivery of a bond indemnifying the corporation from any claim that may be made against it by reason of the issuance of such new certificate may also be required.”

17. Article VII, Section 6 (Closing of Transfer Books) to align with the period specified in the Revised Corporation Code . The Proposed amendment is as follows:

“SECTION 6. Closing of Transfer Books. - The Board of Directors may, by resolution, direct that the stock and transfer books of the Corporation be closed for a period not exceeding sixty (60) days and at least twenty (20) days for regular meetings and seven (7) days for special meetings preceding the date of any meeting of stockholders, or the date for the payment of any dividend, or

the date for the allotment of rights, or the date when any change or conversion or exchange of capital stock, shall go in to effect, as a record date for the determination of the stockholders entitled to notice, and to vote at, any such meeting, or entitled to receive payment of any such dividend, or to any such allotment of rights, or to exercise the rights in respect of any change, conversion or exchange of the capital stock, and in each such case only such stockholders as shall be stockholders of record on the date so fixed shall be entitled to notice of, or to vote at, such meeting, or to receive payment of such dividend , or to receive such allotment of rights, or to exercise such rights, as the case may be, notwithstanding any transfer of any stock on the books of the Corporation after such record date as aforesaid. "

18. Article VIII, Section 1 (Investment Policy) to clarify that the Prospectus is as filed with and approved by the Securities and Exchange Commission . The Proposed amendment is as follows:

"SECTION 1. Investment Objectives. - The Corporation will be classified under the Investment Company Act as an open-end investment company. The investment objectives of the Corporation are set forth in the prospectus to be filed with and approved by the Philippine Securities and Exchange Commission. The Corporation reserves freedom of action with respect to such matters as are specifically reserved in such prospectus. Amendments thereto may be made pursuant to Section 12 and other applicable provisions of the Investment Company Act, and its Implementing Rules and Regulations, and any amendments thereof."

19. Article VIII, Sections 2 (a) (b) and (c) (Restrictions) of the By-Laws to align with the Investment Company Act and its Implement Rules and Regulations . The Proposed amendment is as follows:

"SECTION 2. Restrictions. - The Corporation shall not, unless the Securities and Exchange Commission shall provide otherwise:

a. Purchase any security on margin, except ~~such short-term credits as are necessary for the clearance of transaction~~ investment in partly paid shares;

b. Participate on a joint and several basis in any trading account in securities ~~except in connection with an underwriting in which the Corporation is a participant;~~

c. Effect directly a short sale of any security;~~except in connection with an underwriting in which the Corporation is a participant, "~~

20. Article IX, Section 1 (Net Asset Value) to clarify that the Prospectus is as filed with and approved by the Securities and Exchange Commission , The Proposed amendment is as follows:

"ARTICLE IX. SECTION 1. Net Asset Value. - The net asset value of each share of the capital stock of the Corporation, as of the close of business on any day, shall be as defined in the Prospectus, which is in accordance with Rule 8.4 of the Investment Company Act (ICA) Implementing Rules and Regulations (IRR), as may be amended from time to time, to be filed with and approved by the Securities and Exchange Commission. The Corporation reserves freedom of action with respect to such matters as are specifically reserved in such Prospectus. Amendments thereto may be made pursuant to applicable laws and regulations."

[The rest of the section is deleted]

21. Article X, Section 1 (Procedure for Redemption) to align with the grounds and period for suspension under the Investment Company Act and its Implementing Rules and Regulations . The Proposed amendment is as follows:

"SECTION 1. Procedure for Redemption. - The Corporation agrees to purchase, and each holder of capital stock of the Corporation shall be entitled to require the Corporation to purchase (except when the redemption is suspended under the grounds and for a period allowed under the Investment Company Act and its Implementing Rules and Regulations, as may be amended from time to time, other applicable issuances of the Securities and Exchange Commission, and other applicable laws and regulations) ~~(but not in the event and to the extent that the Corporation has no assets legally available for such purpose whether arising out of capital, paid-in surplus, or other surplus, net profits or otherwise)~~, all or any part of the shares of capital stock outstanding in the name of such holder on the books of the Corporation, but only at the net asset value of such shares as of closing day ~~the effective date of redemption pursuant to Article IX-Section 1(d)~~. Any such demand for purchase shall be accompanied by any certificate which has been issued representing such shares."

22. Article X, Section 2 (Payment on Redemption) to align with the Investment Company Act and its Implementing Rules and Regulations . The Proposed amendment is as follows:

"SECTION 2. Payment on Redemption. - Payment for the shares purchased, as aforesaid, shall be made by the Corporation within seven (7) days after the date on which demand is so made. The Board of Directors, may, however, in their discretion, if they deem it advisable for the best interests of the Corporation and the stockholders as a whole, subject to applicable rules and regulations of the Securities and Exchange Commission, request the Securities and Exchange Commission to suspend the right to require the repurchase of shares as aforesaid or defer payment for the shares for all or part of any period only for the grounds allowed under Rule 10.4 of the Investment Company Act (ICA) and its Implementing Rules and Regulations (IRR), as amended by Securities and Exchange Commission Memorandum Circular No. 33 series of 2020, and for the period provided under Rule 10.5 of the ICA IRR, as such regulations may be further amended from time to time when (1) funds clearing on the Philippine Clearing House Corporation is restricted, or such Exchange/Facility is closed for other than customary week-end and holiday closing, (2) the Securities and Exchange Commission has by order permitted such suspension, or (3) a condition exists making disposal of portfolio securities or valuation of net assets of the Fund not reasonably practicable. In the event that the right to require the repurchase of shares so presented is suspended pursuant to the preceding sentence, then with respect to shares demand for purchase of which is so made on the day on which the period of suspension is terminated (i) the stockholder may withdraw his demand and require the return of any certificate presented by him or (ii) the determination of the net asset value with respect to any shares remaining on deposit shall be in accordance with the existing rules under the ICA IRR, as may be amended from time to time, made as of the close of business on the first business day on which (a) Philippine banks are open or (b) a determination of the net asset value of the shares is made pursuant to Article IX which occurs on or after the date of termination of the period of such suspension, and (c) payment for said shares shall be made to the holder of record within the period provided for under Rule 10.2 of the ICA IRR, as may be amended from time to time seven (7) days after such termination date."

23. Article XI, Section 1 (Custodian) to align the definition of a Custodian with the definition and qualifications provided by the Investment Company Act and other applicable issuance of the Securities and Exchange Commission . The Proposed amendment is as follows:

"SECTION 1. Custodian. - All securities owned by the Corporation shall be held by a Custodian which shall have the qualifications and responsibilities as provided for under Rule 5.3.1 of the Investment Company Act and its Implementing Rules and Regulations, as amended by Securities and Exchange Commission Memorandum Circular No. 33, series of 2020, as such regulations may be amended from time to time. ~~which shall be a commercial bank in good repute or any other entity with the qualifications prescribed under Section 16 (f) of the Investment Company Act.~~ The Custodian shall be appointed from time to time by the Board of Directors, which shall fix its remuneration and the terms under which it shall act and hold in custody such securities. Upon the resignation or inability to serve of any such Custodian, the Corporation shall (a) use its best efforts

to obtain a successor custodian, (b) require the securities of the Corporation held by the Custodian to be delivered to the successor custodian, and (c) in the event that no successor custodian can be found, submit to the stockholders of the Corporation, before permitting delivery of such securities to anyone other than a successor custodian, the question whether the Corporation shall function without a custodian; provided, however, that nothing herein contained shall prevent the termination at any time on not more than ninety (90) days' notice of any agreement between the Corporation and any such Custodian by the Board of Directors of the Corporation or by the affirmative vote of the outstanding stock with voting powers of the Corporation. Upon its resignation or inability to serve, the Custodian may deliver any assets of the Corporation held by it to a qualified bank selected by it, such assets to be held subject to the terms of custody which governed such retiring custodian, pending action by the Corporation as set forth in this Section."

24. Article XI, Section 2 (Auxiliary Custodian) to align it with the Investment Company Act and its Implementing Rules and Regulations on the outsourcing or delegation of functions of the Custodian. The Proposed amendment is as follows:

"SECTION 2. Auxiliary Custodian. - In the event that the Board of Directors shall deem it necessary or desirable that any of the securities of the Corporation to be held outside of the Philippines to the extent permitted by applicable laws and regulations, or in cases where custody over the securities by the principal Custodian, may not be practicable, the Board of Directors may designate one or more auxiliary Custodians for such securities, subject to supervision by the principal Custodian, and in all instances in accordance with Rule 5.3.6 of the Investment Company Act and its Implementing Rules and Regulations, as may be amended from time to time."

25. Article XI, Section 3 (Auditors) to align it with the Investment Company Act and its Implementing Rules and Regulations and the Securities Regulation Code on the qualifications and appointment of an auditor. The Proposed amendment is as follows:

"SECTION 3. Auditors. - The auditors of the Corporation shall have the qualifications and shall be appointed ~~be designated~~ in accordance with Rule 5.8 of the Investment Company Act and its Implementing Rules and Regulations, and Rule 68 of the Securities Regulation Code and its Implementing Rules and Regulations, and other applicable laws and regulations, as such regulations may be amended from time to time. Section 29 of the Investment Company Act."

26. Article XIV, Section 1 (Amendments) to align with the applicable provision of the Revised corporation Code. The Proposed amendment is as follows:

"SECTION 1. Amendments. – These by-laws may be amended, altered or repealed, in whole or in part, by the stockholders representing a majority of the subscribed capital stock of the Corporation at their annual meeting or at a special meeting duly called for the purpose, and by majority vote of the members of the board of Directors.

The owners of two-thirds (2/3) of the outstanding capital stock may delegate the power to amend or repeal, in whole or in part, these by-laws, or adopt new by-laws, to the Board of Directors, provided that this delegation shall be considered revoked whenever stockholders owning or representing a majority of the outstanding capital stock shall so vote at a regular or special meeting. ~~These by-laws may also be amended, altered, repealed, in whole or in part, by a vote of a majority of all the members of the Board, in accordance with law, at a regular meeting or at a special meeting duly called for the purpose, provided that notice of intention to amend the by-laws shall have been given at the next preceding meeting of the board, or without any such notice, by a vote of at least 2/3 of all members of the board. Any amendment, alteration or repeal decided by the board shall become effective without need of confirmation by the stockholders, unless the Board provides otherwise, but the same shall be reported to the stockholders for their information at their next annual meeting or special meeting."~~

Item 18. Other Proposed Action. Aside from the foregoing, there is no other proposed action.

Item 19. Voting Procedures. All elections and all questions, except as otherwise provided by law, shall be decided by the plurality vote of the shareholders present in person or by proxy; provided that a quorum (10% of the voting stock) is present. In case of election of directors, a majority vote (50% of the voting stock +1) is required.

The right to vote of investors as of the Record Date may be exercised in person, through proxy, or so when so authorized in the By-laws or when approved by the majority of the Board of Directors, through remote communication or in absentia. The Fund will accept proxy votes from its stockholders by emailing SunLifeFunds@sunlife.com until Sunday, 03 July 2022 (at least 10 days prior to the ASHM). The same shall be remotely validated by the Fund before the close of business hours on or before 08 July 2022 (at least 5 days prior to the ASHM). Investors who will decide to attend the ASHM via Zoom may also exercise their right to vote in absentia via the Zoom poll functionality available during the conduct of the ASHM. Client identification may be verified during the pre-registration process.

Thereafter, the Corporate Secretary will proceed to count and tabulate the votes casted via remote communication or in absentia, and those who voted through proxy.

PART II. INFORMATION REQUIRED IN A PROXY FORM

Item 1. Identification. The solicitation of proxies is made for and on behalf of Ms. Pama, President of the Company, and the proxy given will be voted in accordance with the authority contained therein. Atty. Anna Katrina C. Kabigting-Ibero, Corporate Secretary, will vote in case of her absence.

Item 2. Instruction. Proxy forms attached to the notice of the annual shareholders' meeting appoint Ms. Pama, President of the Company, to represent and vote all shares registered in the name of the shareholder. The following need to be indicated by the shareholder on the form: a. Date and place the form was signed; b. Shareholder's complete name; and c. Signature.

Upon receipt of a duly completed proxy form through courier, regular mail, fax, or email (sent using the shareholder's registered email address with the Company), the Company will ensure that the forms are in order and that the above requirements have been complied with. Shareholder names and signatures appearing on the proxy form that are irreconcilable against Company records will be considered void.

Should defects be noted on a duly completed proxy form with regard to items (a) and (b) above, the Company has the option to determine ways and means by which the defect could be corrected, in which case the proxy form would be considered valid. Proxy forms not meeting the above requirements would not be counted.

Item 3. Revocability of Proxy. A shareholder giving a proxy has the power to revoke it at any time prior to its exercise by voting in person at the Annual Meeting, by giving written notice to the Corporate Secretary prior to the Annual Meeting, or by giving another proxy with a later date provided it is received by the office of the Corporate Secretary not later than ten (10) days prior to the Annual Meeting.

Item 4. Persons Making the Solicitation.

a. The proxy solicitation is conducted on behalf of the Company by SLAMCI as part of its management services and is to be made through registered mail and courier service. No director of the Company has informed the Company in writing that he intends to oppose any action intended to be taken.

b. Proxies may also be solicited by SLAMCI employees assigned to Investor Services, without additional compensation, personally or by written communication, telephone or other electronic means. Ms. Marleen Kaye Simbillo has been designated as the contact person for all inquiries related hereto at contact number (632) 8849-9888 with address at 8th Floor Sun Life Centre, 5th Avenue corner Rizal Drive, Bonifacio Global City, Taguig City 1634, and email address marleen.kaye.simbillo@sunlife.com.

- c. Likewise, no especially engaged employee or paid solicitors are to be involved in this exercise.
- d. The Company will bear the cost of preparing and mailing this proxy statement and other materials furnished to shareholders in connection with the proxy solicitation. The foregoing is estimated to cost about PHP1,000,000.00 for all the Sun Life Prosperity Funds.

Item 5. Interest of Certain Persons in Matters to be Acted Upon. As of 31 March 2022, records show that SLAMCI owns 0.72% of the Company's outstanding capital stock. Mr. Gerald L. Bautista, President of SLAMCI, has the power to vote of the shares or direct the voting of the shares.

SHAREHOLDERS OF RECORD ENTITLED TO NOTICE OF AND VOTE AT THE MEETING SHALL BE FURNISHED WITHOUT CHARGE, A COPY OF THE COMPANY'S ANNUAL REPORT OR SEC FORM 17-A, UPON WRITTEN REQUEST ADDRESSED TO:

SUN LIFE PROSPERITY PESO STARTER FUND, INC.
OFFICE OF THE CORPORATE SECRETARY
6TH FLOOR SUN LIFE CENTRE, 5TH AVENUE COR RIZAL DRIVE

1. CALL TO ORDER

Mr. Benedicto C. Sison, Chairman, called to order the Joint Annual Stockholders' Meeting of the Sun Life of Canada Prosperity Bond Fund, Inc. ("Bond Fund"), Sun Life of Canada Prosperity Balanced Fund, Inc. ("Balanced Fund"), Sun Life of Canada Prosperity Philippine Equity Fund, Inc. ("Philippine Equity Fund"), Sun Life Prosperity Dollar Advantage Fund, Inc. ("Dollar Advantage Fund"), Sun Life Prosperity Dollar Abundance Fund, Inc. ("Dollar Abundance Fund"), Sun Life Prosperity Dynamic Fund, Inc. ("Dynamic Fund"), Sun Life Prosperity GS Fund, Inc. ("GS Fund"), Sun Life Prosperity Peso Starter Fund, Inc. (formerly, Sun Life Prosperity Money Market Fund, Inc.) ("Peso Starter Fund"), Sun Life Prosperity Philippine Stock Index Fund, Inc. ("Philippine Stock Index Fund"), Sun Life Prosperity Dollar Wellspring Fund, Inc. ("Dollar Wellspring Fund"), Sun Life Prosperity World Voyager Fund, Inc. ("World Voyager Fund") and Sun Life Prosperity Dollar Starter Fund, Inc. ("Dollar Starter Fund") which are collectively known

as the Sun Life Prosperity Funds (the "Funds"). He thereafter presided over the same. Atty. Frances Ianna S. Canto, Assistant Corporate Secretary, recorded the minutes thereof.

2. PROOF OF NOTICE OF MEETING

Atty. Anna Katrina Kabigting-Ibero, Corporate Secretary, confirmed that the holding of the virtual annual stockholders meeting is in accordance with the requirements set forth by the Securities and Exchange Commission. Likewise, the necessary approvals from the Board of Directors have been obtained and all requirements have been complied with in order to protect the interests of the stockholders.

Thereafter, she certified that the stockholders of record as of 30 April 2021 were duly notified of the meeting. The notices were sent electronically, posted on the Sun Life Asset Management Corporation, Inc. ("SLAMCI") website, and likewise published in newspapers of general circulation

3. CERTIFICATION OF QUORUM

The Secretary reported the attendance based on the Attendance Sheet as well as the proxies received before the meeting. The attendance is set forth in Annex "A" of the minutes.

4. CHAIRMAN'S ADDRESS

Through a pre-recorded video, Sun Life Prosperity Funds Chairman, Mr. Benedicto C. Sison, welcomed the stockholders to the Sun Life Prosperity Funds' annual meeting.

In his message, Mr. Sison recalled how 2020 was Sun Life Asset Management Company, Inc.'s (SLAMCI) 20th anniversary, but due to the pandemic, the planned celebrations for the said milestone had to be put on hold. Instead, the Company focused on delivering the best service possible notwithstanding the unusual circumstances brought about by the pandemic.

According to Mr. Sison, while 2020 presented various challenges, Sun Life's foresight in implementing the Online Payment Page, Auto-Invest Program, Bills Payment Program, SLAMCI Online, and Sun RISE Portal, paid off during the pandemic. He added that these digital capabilities were complemented with constant communications with clients through monthly webinars and regular newsletters shared via email. He also reported that with the recession experienced worldwide, the Company adopted a prudent risk management approach and financial discipline in running the business. Because of these, SLAMCI was able to grow the number of its investors to 170,000 and breached the Php127billion mark of assets under management representing an almost 60% year-on-year growth, which is double than the mutual fund industry growth rate.

Mr. Sison thereafter thanked Mr. Valerie N. Pama, the former president of SLAMCI, for her vision and guidance that paved the way for SLAMCI's stability and resilience. As Ms. Pama takes on another leadership role in Sun Life, Mr. Sison expressed confidence in her successor, Mr. Gerald Bautista. He shared that Mr. Bautista took over SLAMCI amid the pandemic while ensuring that investors are well taken care of.

Finally, Mr. Sison reiterated that Sun Life is anchored on its commitment to be its clients' partner to prosperity. According to him, this commitment is what will guide the organization to

transform with the time not only responding to the changes, but also anticipating them to provide financial solutions in a timely manner.

5. REVIEW OF 2020 OPERATIONS

Ms. Candy S. Esteban, Treasurer of the Funds, presented a review of the Funds' operations and financial performance in 2020.

6. 2020 FUND PERFORMANCE

Mr. Michael Gerard D. Enriquez made a Video Presentation on the 2020 Fund Performance. After the video presentation, he invited the stockholders to join the Market Outlook Forum which will be held right after the Stockholders' Meeting.

7. ELECTION OF DIRECTORS FOR THE TERM 2021 to 2022

The Corporate Secretary informed the Chairman that the voting procedure and resumes of the nominees for directors have been stated in the SEC Form 20-IS and circulated to the stockholders prior to the annual meeting. The Assistant Corporate Secretary explained that eligible stockholders may cast their votes through the poll function of Zoom. She added that the preliminary results of votes on proxies submitted and validated as of 04 July 2021 shall be provided during the meeting, with the final results being reflected in the minutes of the meeting.

With the affirmative vote of 50% + 1 of the outstanding capital stock, the following were elected as members of the Boards of Directors:

a. SUN LIFE OF CANADA PROSPERITY BOND FUND, INC.

1. Benedicto C. Sison
2. Ma. Josefina A. Castillo
3. Teresita J. Herbosa (independent)
4. Cielito F. Habito (independent)
5. Oscar M. Orbos (independent)

b. SUN LIFE PROSPERITY PESO STARTER FUND, INC. (formerly, Sun Life Prosperity Money Market Fund, Inc.)

1. Benedicto C. Sison
2. Ma. Josefina A. Castillo
3. Gerald L. Bautista
4. Teresita J. Herbosa (independent)
5. Cielito F. Habito (independent)
6. Oscar M. Orbos (independent)

c. SUN LIFE PROSPERITY DOLLAR STARTER FUND, INC.

1. Benedicto C. Sison
2. Ma. Josefina A. Castillo
3. Aleli Angela G. Quirino (independent)
4. Oscar S. Reyes (independent)
5. Oscar M. Orbos (independent)

The following Funds failed to secure the required number of votes to elect its Boards of Directors for the term 2021-2022:

- a. Sun Life of Canada Prosperity Balanced Fund, Inc.
- b. Sun Life of Canada Prosperity Philippine Equity Fund, Inc.
- c. Sun Life Prosperity Dollar Advantage Fund, Inc.
- d. Sun Life Prosperity Dollar Abundance Fund, Inc.
- e. Sun Life Prosperity Dynamic Fund, Inc.
- f. Sun Life Prosperity GS Fund, Inc.
- g. Sun Life Prosperity Philippine Stock Index Fund, Inc.
- h. Sun Life Prosperity Dollar Wellspring Fund, Inc.
- i. Sun Life Prosperity World Voyager Fund, Inc.

A continuation of the annual meeting will be held on 10 September 2021 at 10:00 a.m. via Zoom Conference. In the meantime, the present Board of Directors for the above Funds will continue to serve as such until their successors are elected and duly qualified.

8. APPROVAL OF THE MINUTES OF THE PREVIOUS MEETING

With a majority vote of the stockholders present or represented during the online meeting, the minutes of the meetings held on 22 July 2020 and 18 September 2020 were approved.

9. CONFIRMATION AND RATIFICATION OF ALL ACTS AND PROCEEDINGS OF THE BOARD AND CORPORATE OFFICERS

With a majority vote of the stockholders present or represented during the online meeting, the resolution to approve the confirmation and ratification of all acts and proceedings of the Board of Directors and Officers of the previous year was approved.

10. APPOINTMENT OF EXTERNAL AUDITOR

With a majority vote of the stockholders present or represented during the online meeting, the stockholders appointed Navarro Amper and Co./Deloitte Touche Tohmatsu as the Funds' external auditor for 2021.

11. OTHER MATTERS

Amendments of the Articles of Incorporation

Due to the failure to meet the requirement that 2/3 of the outstanding capital stock should be present in person or by proxy, the agenda to amend Article VI of the Funds'¹ Articles of Incorporation to increase the number of directors to six (6), remain unapproved.

Likewise, due to the failure to meet the requirement that 2/3 of the outstanding capital stock should be present in person or by proxy, the agenda to amend Article III of the Funds'²

¹ *Balanced Fund, Dollar Abundance Fund, Dollar Advantage Fund, Philippine Equity Fund, GS Fund, Dynamic Fund, Stock Index Fund, World Voyager Fund.*

² *Balanced Fund, Dollar Abundance Fund, and Philippine Equity Fund.*

Articles of Incorporation to amend the date and time of the annual stockholders meeting, remain unapproved.

Amendments of the By-Laws

Due to the failure to meet the requirement that majority of the outstanding capital stock should be present in person or by proxy, the agenda to amend Section 1, Article 1 of the By-Laws on the date and time of Annual Stockholders Meeting, and the delegation of power to amend Articles I, II, III, IV, and VI of the By-Laws of Sun Life of Canada Prosperity Balanced Fund, Inc.'s, remain unapproved.

Meanwhile, the following amendments to the respective By-Laws of the Sun Life Prosperity Peso Starter Fund, Inc. and Sun Life Prosperity Dollar Starter Fund, Inc. were approved after obtaining the required 50% +1 affirmative vote of the outstanding capital stock:

- a. Article I (Section 3) with regard to the notice of regular meetings to stockholders be sent out at least 21 calendar days prior to scheduled meeting date);
- b. Article II (Section 1) with regard to the election of Independent Directors in the Board, pursuant to relevant regulations;
- c. Article VIII (Section 1) on the update in the Investment Policy, to align with the provisions of the Investment Company Act-Implementing Rules and Regulations, as amended; and
- d. Article IX (Section 1) on the determination of net asset value, to be consistent with the Investment Company Act-Implementing Rules and Regulations, as amended.

Likewise, the amendments to Article III (Sections 1, 4, 5, and 6) and Article VII (Section 1) of the Sun Life Prosperity Peso Starter Fund, Inc. By-Laws, and Article III (Sections 1 and 6) of the Sun Life Prosperity Fund Dollar Starter By-Laws, on the election of a Compliance Officer as one of the corporate officers, were both approved.

Amendment of Investment Objective

The amendment of the Investment Objective in the Registration Statement/Prospectus of Sun Life Prosperity Peso Starter Fund, Inc. was approved by at least 50% + 1 of the outstanding capital stock.

12. QUESTIONS FROM THE STOCKHOLDERS

From the Question & Answer Function of the Zoom Webinar Application, the moderator chose the four most-asked questions. The first one was how SLAMCI adjusted to the pandemic in terms of business operations. Mr. Sison responded that the pandemic did not change how the Company prioritizes its clients. As such, various learning sessions and regular market updates were provided during the year. Communication lines with advisors and relationship managers, including opening some Client Service Centers, were done to ensure that investors are always guided. Similarly, advisors and employees were also provided with monthly learning sessions. Mr. Sison added that various processes were improved as the Company embraced going digital. Mr. Gerald L. Bautista, SLAMCI President, chimed in and shared with the stockholders various digital touchpoints to be able to continue servicing the needs of the clients.

The moderator then directed the second question to Mr. Bautista and asked what the stockholders can expect from him as he takes over the mutual fund business of Sun Life. Mr. Bautista replied by first thanking Ms. Pama for the strong business foundation that she established.

Mr. Bautista shared that over the coming months, he intends to continue improving client experience by introducing new initiatives aimed at making investing simple and easy. SLAMCI will also launch new products to meet the growing needs of the investors.

The third question is whether the Company expects the exponential growth of the Peso Starter and Dollar Starter Funds to continue. Ms. Esteban took the question and replied that if the Bangko Sentral ng Pilipinas continue to maintain low rates, then the continued flows into the Starter Funds may be expected. She added that global equity funds such as the World Equity Index Feeder Fund and World Voyager Feeder Fund also reported healthy growth as developed markets recovered faster than the local markets.

Finally, the moderator directed the fourth question of "What investment advice can you give to us investors, given the market conditions?" to Mr. Enriquez. Mr. Enriquez responded that the best strategy is for clients to use Portfolio Diversification and Asset Allocation in their investments as this will reduce their risk. However, he cautioned investors that they should not forget to know their risk profile before investing and to ensure that they are able to tolerate the volatility of the portfolio they are investing in. He again invited the investors to join the Market Forum Outlook that will follow after the Annual Stockholders' Meeting whether Fund Manager of the Sun Life Prosperity Funds will discuss the market in more detail.

13. ADJOURNMENT

There being no other matter for discussion, upon motion duly made and seconded, the Joint Annual Stockholders' Meeting of the Sun Life Prosperity Funds was adjourned at 3:21 pm.

Cash and Cash Equivalents, End		P18,197,959,107	P16,151,877,537

See Notes to Financial Statements.

NOTES TO FINANCIAL STATEMENTS

1. FINANCIAL REPORTING FRAMEWORK AND BASIS OF PREPARATION AND PRESENTATION

Statement of Compliance

These unaudited condensed consolidated interim financial statements of the Company as at and for the three-month period ended March 31, 2022 have been prepared in accordance with PAS 34, Interim Financial Reporting. These unaudited condensed consolidated interim financial statements do not include all the notes normally included in an annual audited financial report. Accordingly, these unaudited condensed consolidated interim financial statements are to be read in conjunction with the annual audited financial statements of the Company for the year ended December 31, 2021, which have been prepared in accordance with the Philippine Financial Reporting Standards (PRFS).

Basis of Preparation and Presentation

The financial statements of the Company have been prepared on the historical cost basis, except for certain financial assets measured at fair value and certain financial instruments carried at amortized cost.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

In preparing the condensed consolidated interim financial statements, the significant accounting estimates and judgments made by the Company in applying the Company's accounting policies and the key sources of estimation uncertainty were the same as those applied to the financial statements as at and for the year ended December 31, 2021.

Functional and Presentation Currency

These financial statements are presented in Philippine Peso, the currency of the primary economic environment in which the Company operates. All amounts are recorded to the nearest peso, except when otherwise indicated.

2. ADOPTION OF NEW AND REVISED ACCOUNTING STANDARDS

Adoption of New and Revised Accounting Standards Effective in 2021

The Company adopted all accounting standards and interpretations effective as at December 31, 2021. The new and revised accounting standards and interpretations that have been published by the International Accounting Standards Board (IASB) and approved by the FRSC in the Philippines, were assessed to be applicable to the Company's financial statements and are as follows:

PIC Q&A No. 2020-07, PAS 12 – Accounting for the Proposed Changes in Income Tax Rates under the Corporate Recovery and Tax Incentives for Enterprises Act (CREATE) Bill

The interpretation explained the details of the CREATE bill and its impact on the financial statements once passed.

Interpretation discussed that impact on the financial statements ending December 31, 2020 are as follows:

- Current and deferred taxes will still be measured using the applicable income tax rate as of December 31, 2020;
- If the CREATE bill is enacted before financial statements' issue date, this will be a non-adjusting event but the significant effects of changes in tax rates on current and deferred tax assets and liabilities should be disclosed; and

- If the CREATE bill is enacted after financial statements' issue date but before filing of the income tax return, this is no longer a subsequent event but companies may consider disclosing the general key feature of the bill and the expected impact on the financial statements

For the financial statements ending December 31, 2021, the impact are as follows:

- Standard provides that component of tax expense (income) may include "any adjustments recognized in the period for current tax of prior periods" and "the amount of deferred tax expense (income) relating to changes in tax rates or the imposition of new taxes";
- An explanation of changes in the applicable income tax rates to the previous accounting period is also required to be disclosed;
- The provision for current income tax for the year 2021 will include the difference between income tax per 2020 financial statements and 2020 income tax return;
- Deferred tax assets and liabilities as of December 31, 2021, will be remeasured using the new tax rates; and
- Any movement in deferred taxes arising from the change in tax rates that will form part of the provision for/benefit from deferred taxes will be included as well in the effective tax rate reconciliation.

The interpretation is effective on or after January 29, 2021.

New Accounting Standards Effective after the Reporting Period Ended December 31, 2021

The Company will adopt the following standards when these become effective:

PFRS 17, Insurance Contracts

PFRS 17 establishes the principles for the recognition, measurement, presentation and disclosure of insurance contracts and supersedes PFRS 4, *Insurance Contracts*.

PFRS 17 outlines a general model, which is modified for insurance contracts with direct participation features, described as the variable fee approach. The general model is simplified if certain criteria are met by measuring the liability for remaining coverage using the premium allocation approach.

The general model uses current assumptions to estimate the amount, timing and uncertainty of future cash flows and it explicitly measures the cost of that uncertainty. It takes into account market interest rates and the impact of policyholders' options and guarantees.

An amendment issued on June 2020 and adopted by FRSC on August 2020 addresses concerns and implementation challenges that were identified after PFRS 17 was published.

PFRS 17 must be applied retrospectively unless impracticable, in which case the modified retrospective approach or the fair value approach is applied.

For the purpose of the transition requirements, the date of initial application is the start of the annual reporting period in which the entity first applies the Standard, and the transition date is the beginning of the period immediately preceding the date of initial application.

The standard (incorporating the amendments) is effective for periods beginning on or after January 1, 2025. Earlier application is permitted.

The future adoption of the standard will have no effect on the Company's financial statements as the Company does not issue insurance contracts.

Amendments to PFRS 3, References to the Conceptual Framework

The amendments update PFRS 3 so that it refers to the 2018 Conceptual Framework instead of the 1989 Framework. They also add to PFRS 3 a requirement that, for obligations within the scope of PAS 37, an acquirer applies PAS 37 to determine whether at the acquisition date a present obligation exists as a result of past events. For a levy that would be within the scope of IFRIC 21, *Levies*, the acquirer applies IFRIC 21

to determine whether the obligating event that gives rise to a liability to pay the levy has occurred by the acquisition date.

The amendments also add an explicit statement that an acquirer does not recognize contingent assets acquired in a business combination.

The amendments are effective for business combinations for which the date of acquisition is on or after the beginning of the first annual period beginning on or after January 1, 2022. Early application is permitted if an entity also applies all other updated references (published together with the updated Conceptual Framework) at the same time or earlier.

The future adoption of the amendment will have no effect on the Company's financial statements as the Company is not in the process of and has no plan to enter into business combination.

Amendments to PFRS 10 and PAS 28, Sale or Contribution of Assets between an Investor and Its Associate or Joint Venture

The amendments to PFRS 10 and PAS 28 deal with situations where there is a sale or contribution of assets between an investor and its associate or joint venture. Specifically, the amendments state that gains or losses resulting from the loss of control of a subsidiary that does not contain a business in a transaction with an associate or a joint venture that is accounted for using the equity method, are recognized in the parent's profit or loss only to the extent of the unrelated investors' interests in that associate or joint venture. Similarly, gains and losses resulting from the remeasurement of investments retained in any former subsidiary (that has become an associate or a joint venture that is accounted for using the equity method) to fair value are recognized in the former parent's profit or loss only to the extent of the unrelated investors' interests in the new associate or joint venture.

The effective date of the amendments has yet to be set by the Board; however, earlier application of the amendments is permitted.

The future adoption of the amendment will have no effect on the Company's financial statements as the Company is not in the process and has no plan to acquire such investments.

Amendments to PAS 1, Classification of Liabilities as Current or Non-current

The amendments to PAS 1 affect only the presentation of liabilities as current or non-current in the statement of financial position and not the amount or timing of recognition of any asset, liability, income or expenses, or the information disclosed about those items.

The amendments clarify that the classification of liabilities as current or non-current is based on rights that are in existence at the end of the reporting period, specify that classification is unaffected by expectations about whether an entity will exercise its right to defer settlement of a liability, explain that rights are in existence if covenants are complied with at the end of the reporting period, and introduce a definition of 'settlement' to make clear that settlement refers to the transfer to the counterparty of cash, equity instruments, other assets or services.

The amendments are applied retrospectively for annual periods beginning on or after January 1, 2023, with early application permitted.

The Company will continue its assessment and will finalize the same upon the effectivity of this amendment.

Amendments to PAS 16, Property, Plant and Equipment – Proceeds before Intended Use

The amendments prohibit deducting from the cost of an item of property, plant and equipment any proceeds from selling items produced before that asset is available for use, i.e. proceeds while bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Consequently, an entity recognizes such sales proceeds and related costs in profit or loss. The entity measures the cost of those items in accordance with PAS 2, *Inventories*.

The amendments also clarify the meaning of 'testing whether an asset is functioning properly'. PAS 16 now specifies this as assessing whether the technical and physical performance of the asset is such that it is capable of being used in the production or supply of goods or services, for rental to others, or for administrative purposes.

If not presented separately in the statement of comprehensive income, the financial statements shall disclose the amounts of proceeds and cost included in profit or loss that relate to items produced that are not an output of the entity's ordinary activities, and which line item(s) in the statement of comprehensive income include(s) such proceeds and cost.

The amendments are applied retrospectively, but only to items of property, plant and equipment that are brought to the location and condition necessary for them to be capable of operating in the manner intended by management on or after the beginning of the earliest period presented in the financial statements in which the entity first applies the amendments.

The entity shall recognize the cumulative effect of initially applying the amendments as an adjustment to the opening balance of retained earnings (or other component of equity, as appropriate) at the beginning of that earliest period presented.

The amendments are effective for annual periods beginning on or after January 1, 2022, with early application permitted.

The future adoption of the amendment will have no effect on the Company's financial statements as the Company does not have property, plant and equipment recorded in its financial statements.

Amendments to PAS 37, Onerous Contracts – Cost of Fulfilling a Contract

The amendments specify that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract consist of both the incremental costs of fulfilling that contract (examples would be direct labor or materials) and an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract).

The amendments apply to contracts for which the entity has not yet fulfilled all its obligations at the beginning of the annual reporting period in which the entity first applies the amendments. Comparatives are not restated. Instead, the entity shall recognize the cumulative effect of initially applying the amendments as an adjustment to the opening balance of retained earnings or other component of equity, as appropriate, at the date of initial application.

The amendments are effective for annual periods beginning on or after January 1, 2022, with early application permitted.

The future adoption of the amendment will have no effect on the Company's financial statements as the Company does not issue and enter into onerous contracts.

Annual Improvements to PFRS Standards 2018-2020 Cycle

Amendments to PFRS 1, Subsidiary as a first-time adopter

The amendment provides additional relief to a subsidiary which becomes a first-time adopter later than its parent in respect of accounting for cumulative translation differences. As a result of the amendment, a subsidiary that uses the exemption in PFRS 1:D16 (a) can now also elect to measure cumulative translation differences for all foreign operations at the carrying amount that would be included in the parent's consolidated financial statements, based on the parent's date of transition to PFRS Standards, if no adjustments were made for consolidation procedures and for the effects of the business combination in which the parent acquired the subsidiary. A similar election is available to an associate or joint venture that uses the exemption in PFRS 1:D16 (a).

The amendment is effective for annual periods beginning on or after January 1, 2022, with early application permitted.

Amendments to PFRS 9, Fees in the '10 per cent' test for derecognition of financial liabilities

The amendment clarifies that in applying the '10 per cent' test to assess whether to derecognize a financial liability, an entity includes only fees paid or received between the entity (the borrower) and the lender, including fees paid or received by either the entity or the lender on the other's behalf.

The amendment is applied prospectively to modifications and exchanges that occur on or after the date the entity first applies the amendment.

The amendment is effective for annual periods beginning on or after January 1, 2022, with early application permitted.

Amendments to PFRS 16, *Lease incentives*

The amendment removes the illustration of the reimbursement of leasehold improvements. As the amendment to PFRS 16 only regards an illustrative example, no effective date is stated.

Amendments to PAS 41, *Taxation in fair value measurements*

The amendment removes the requirement in PAS 41 for entities to exclude cash flows for taxation when measuring fair value. This aligns the fair value measurement in PAS 41 with the requirements of PFRS 13, *Fair Value Measurement* to use internally consistent cash flows and discount rates and enables preparers to determine whether to use pretax or post-tax cash flows and discount rates for the most appropriate fair value measurement.

The amendment is applied prospectively, i.e. for fair value measurements on or after the date an entity initially applies the amendment.

The amendment is effective for annual periods beginning on or after January 1, 2022, with early application permitted.

The future adoption of the amendments will have no effect on the Company's financial statements as the Company does not subsidiary as first-time adopter; does not derecognize any liabilities, does not have lease contracts and leasehold improvements and does not have biological assets covered by PAS 41 that need to exclude its cash flows for taxation on its financial statements.

Amendments to PAS 1 and PFRS Practice Statement 2, *Disclosure Initiative – Accounting Policies*

The amendments are as follows:

- An entity is now required to disclose its material accounting policy information instead of its significant accounting policies
- several paragraphs are added to explain how an entity can identify material accounting policy information and to give examples of when accounting policy information is likely to be material;
- the amendments clarify that accounting policy information may be material because of its nature, even if the related amounts are immaterial;
- the amendments clarify that accounting policy information is material if users of an entity's financial statements would need it to understand other material information in the financial statements; and
- the amendments clarify that if an entity discloses immaterial accounting policy information, such information shall not obscure material accounting policy information.

The amendments are applied prospectively. The amendments to PAS 1 are effective for annual periods beginning on or after January 1, 2023. Earlier application is permitted.

The Company will continue its assessment and will finalize the same upon the effectivity of these amendments.

Amendments to PAS 8, *Definition of Accounting Estimates*

With the amendment, accounting estimates are now defined as "monetary amounts in financial statements that are subject to measurement uncertainty."

The amendment clarified that a change in accounting estimate that results from new information or new developments is not the correction of an error. In addition, the effects of a change in an input or a measurement technique used to develop an accounting estimate are changes in accounting estimates if they do not result from the correction of prior period errors.

A change in an accounting estimate may affect only the current period's profit or loss, or the profit or loss of both the current period and future periods. The effect of the change relating to the current period is recognized as income or expense in the current period. The effect, if any, on future periods is recognized as income or expense in those future periods.

The amendments are effective for annual periods beginning on or after January 1, 2023 and changes in accounting policies and changes in accounting estimates that occur on or after the start of that period. Earlier application is permitted.

The future adoption of the amendments will have no effect on the Company's financial statements as the Company does not have changes in the inputs or measurement techniques used to develop its accounting estimates.

Amendments to PAS 12, Income Taxes—Deferred Tax related to Assets and Liabilities arising from a Single Transaction

The amendments introduce a further exception from the initial recognition exemption. Under the amendments, an entity does not apply the initial recognition exemption for transactions that give rise to equal taxable and deductible temporary differences.

Depending on the applicable tax law, equal taxable and deductible temporary differences may arise on initial recognition of an asset and liability in a transaction that is not a business combination and affects neither accounting nor taxable profit. For example, this may arise upon recognition of a lease liability and the corresponding right-of-use asset applying IFRS 16 at the commencement date of a lease.

Following the amendments to PAS 12, an entity is required to recognize the related deferred tax asset and liability, with the recognition of any deferred tax asset being subject to the recoverability criteria in PAS 12.

The Board also adds an illustrative example to PAS 12 that explains how the amendments are applied.

The amendments apply to transactions that occur on or after the beginning of the earliest comparative period presented. In addition, at the beginning of the earliest comparative period an entity recognizes:

- A deferred tax asset (to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilized) and a deferred tax liability for all deductible and taxable temporary differences associated with:
 - Right-of-use assets and lease liabilities;
 - Decommissioning, restoration and similar liabilities and the corresponding amounts recognized as part of the cost of the related asset
- The cumulative effect of initially applying the amendments as an adjustment to the opening balance of retained earnings (or other component of equity, as appropriate) at that date

The amendments are effective for annual reporting periods beginning on or after January 1, 2023, with earlier application permitted.

The future adoption of the amendments will have no effect on the Company's financial statements as the Company does not have lease contracts and leasehold improvements and does not recognize deferred assets and liabilities.

Amendment to PFRS 17, Initial Application of PFRS 17 and PFRS 9 – Comparative Information

The amendment is a transition option relating to comparative information about financial assets presented on initial application of IFRS 17.

The main amendment in Initial Application of PFRS 17 and PFRS 9, *Comparative Information (Amendment to PFRS 17)* is a narrow-scope amendment to the transition requirements of PFRS 17 for entities that first apply PFRS 17 and PFRS 9 at the same time. The amendment regards financial assets for which comparative information is presented on initial application of PFRS 17 and PFRS 9, but where this information has not been restated for PFRS 9.

Under the amendment, an entity is permitted to present comparative information about a financial asset as if the classification and measurement requirements of PFRS 9 had been applied to that financial asset before. The option is available on an instrument-by-instrument basis. In applying the classification overlay to a financial asset, an entity is not required to apply the impairment requirements of PFRS 9.

There are no changes to the transition requirements in PFRS 9.

The amendment is effective for annual periods beginning on or after January 1, 2025, as amended by the FRSC from January 1, 2023. This is consistent with Circular Letter No. 2020-62 issued by the Insurance Commission which deferred the implementation of PFRS 17 by two (2) years after its effective date as decided by the IASB. Still subject to approval of the Board of Accountancy.

The future adoption of the amendment will have no effect on the Company's financial statements as the Company does not issue insurance contracts.

3. SIGNIFICANT ACCOUNTING POLICIES

Financial Assets

Initial recognition and measurement

Financial assets and financial liabilities are recognized when the entity becomes a party to the contractual provisions of the instrument. Regular way purchases and sales of financial assets are recognized on trade-date, the date on which the Company commits to purchase or sell the asset.

At initial recognition, the Company measures a financial asset or financial liability at its fair value plus or minus, in the case of a financial asset or financial liability not at FVTPL, transaction costs that are incremental and directly attributable to the acquisition or issue of the financial asset or financial liability. Transaction costs of financial assets and financial liabilities carried at FVTPL are expensed in profit or loss.

Classification and subsequent measurement

The Company classifies its financial assets in the following measurement categories:

- FVTPL;
- Fair value through other comprehensive income (FVTOCI); and
- Amortized cost.

As at March 31, 2022 and December 31, 2021, the Company does not have financial assets classified as FVTOCI.

Classification of financial assets will be driven by the entity's business model for managing the financial assets and the contractual cash flows of the financial assets.

A financial asset is to be measured at amortized cost if: a) the objective of the business model is to hold the financial asset for the collection of the contractual cash flows; and b) the contractual cash flows under the instrument represent SPPI.

All other debt and equity instruments must be recognized at fair value.

All fair value movements on financial assets are taken through the statement of comprehensive income, except for equity investments that are not held for trading, which may be recorded in the statement of comprehensive income or in reserves (without subsequent recycling to profit or loss).

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are two measurement categories into which the Company classifies its debt instruments:

- Amortized cost. Assets that are held for collection of contractual cash flows where those cash flows represent SPPI are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in profit or loss when the asset is derecognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.
- FVTPL. Assets that do not meet the criteria for amortized cost are measured at FVTPL. A gain or loss on a debt investment that is subsequently measured at FVTPL and is not part of a hedging relationship is recognized in profit or loss and presented net in the statement of comprehensive

income within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in finance income.

The business model reflects how the Company manages the assets in order to generate cash flows. That is, whether the Company's objective is solely to collect the contractual cash flows from the assets or to collect both the contractual cash flows and cash flows arising from the sale of assets. If neither of these is applicable, then the financial assets are classified as part of 'other' business model and measured at FVTPL. Factors considered by the Company in determining the business model for a group of assets include past experience on how the cash flows for these assets were collected, how the asset's performance is evaluated and reported to key management personnel, how risks are assessed and managed and how managers are compensated.

Where the business model is to hold assets to collect contractual cash flows or to collect contractual cash flows and sell, the Company assesses whether the financial instruments' cash flows represent SPPI. In making this assessment, the Company considers whether the contractual cash flows are consistent with a basic lending arrangement i.e. interest includes only consideration for the time value of money, credit risk, other basic lending risks and a profit margin that is consistent with a basic lending arrangement. Where the contractual terms introduce exposure to risk or volatility that are inconsistent with a basic lending arrangement, the related financial asset is classified and measured at FVTPL.

Amortized cost and effective interest method

The effective interest method is a method of calculating the amortized cost of a financial asset and of allocating interest income over the relevant period.

For financial instruments other than POCI financial assets, the effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) excluding expected credit losses, through the expected life of the debt instrument, or, where appropriate, a shorter period, to the gross carrying amount of the debt instrument on initial recognition.

The amortized cost of a financial asset is the amount at which the financial asset is measured at initial recognition minus the principal repayments, plus the cumulative amortization using the effective interest method of any difference between that initial amount and the maturity amount, adjusted for any loss allowance. On the other hand, the gross carrying amount of a financial asset is the amortized cost of a financial asset before adjusting for any loss allowance.

Interest income is recognized using the effective interest method for debt instruments measured subsequently at amortized cost. For financial instruments other than POCI financial assets, interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset, except for financial assets that have subsequently become credit-impaired. For financial assets that have subsequently become credit-impaired, interest income is recognized by applying the effective interest rate to the amortized cost of the financial asset. If, in subsequent reporting periods, the credit risk on the credit-impaired financial instrument improves so that the financial asset is no longer credit-impaired, interest income is recognized by applying the effective interest rate to the gross carrying amount of the financial asset.

Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective, that is, instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets.

The Company subsequently measures all equity investments at FVTPL, except where the Company's management has elected, at initial recognition, to irrevocably designate an equity instrument at FVTOCI. The Company's policy is to designate equity investments as FVTOCI when those investments are held for the purposes other than to generate investment returns. When the election is used, fair value gains and losses are recognized in OCI and are not subsequently reclassified to profit or loss, including disposal. Impairment losses (and reversal of impairment losses) are not reported separately from other changes in fair value. Dividends, when representing a return on such investments, continue to be recognized in profit or loss as other income when the Company's right to receive payment is established.

Changes in the fair value of financial assets at FVTPL are recognized in net realized gains (losses) on investments in the statement of comprehensive income as applicable. Impairment losses (and reversal of impairment losses) on equity investments measured at FVTOCI are not reported separately from other changes in fair value.

Impairment of financial assets

The Company recognizes a loss allowance for ECL on investments in debt instruments that are measured at amortized cost. The amount of ECL is updated at each reporting date to reflect changes in credit risk since initial recognition of the respective financial instrument.

ECLs are a probability-weighted estimate of the present value of credit losses. These are measured as the present value of the difference between the cash flows due to the Company under the contract and the cash flows that the Company expects to receive arising from the weighting of multiple future economic scenarios, discounted at the asset's effective interest rate.

The Company measures ECL on an individual basis, or on a collective basis for portfolios of loans that share similar economic risk characteristics. The measurement of the loss allowance is based on the present value of the asset's expected cash flows using the asset's original effective interest rate, regardless of whether it is measured on an individual basis or a collective basis.

With the exception of POCI financial assets, ECLs are required to be measured through a loss allowance at an amount equal to:

- 12-month ECL, i.e. lifetime ECL that result from those default events on the financial instrument that are possible within 12 months after the reporting date, (referred to as Stage 1); or
- full lifetime ECL, i.e. lifetime ECL that result from all possible default events over the life of the financial instrument, (referred to as Stage 2 and Stage 3).

A loss allowance for full lifetime ECL is required for a financial instrument if the credit risk on that financial instrument has increased significantly since initial recognition. For all other financial instruments, ECLs are measured at an amount equal to the 12-month ECL.

The Company recognizes lifetime ECL when there has been a significant increase in credit risk since initial recognition. If, on the other hand, the credit risk on the financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12 month ECL. The assessment of whether lifetime ECL should be recognized is based on significant increases in the likelihood or risk of a default occurring since initial recognition instead of on evidence of a financial asset being credit-impaired at the reporting date or an actual default occurring.

Lifetime ECL represents the ECL that will result from all possible default events over the expected life of a financial instrument. In contrast, 12 month ECL represents the portion of lifetime ECL that is expected to result from default events on a financial instrument that are possible within 12 months after the reporting date.

Significant increase in credit risk

The Company monitors all financial assets that are subject to the impairment requirements to assess whether there has been a significant increase in credit risk since initial recognition. If there has been a significant increase in credit risk the Company will measure the loss allowance based on lifetime rather than 12-month ECL.

In assessing whether the credit risk on a financial instrument has increased significantly since initial recognition, the Company compares the risk of a default occurring on the financial instrument at the reporting date based on the remaining maturity of the instrument with the risk of a default occurring that was anticipated for the remaining maturity at the current reporting date when the financial instrument was first recognized. In making this assessment, the Company considers both quantitative and qualitative information that is reasonable and supportable, including historical experience and forward-looking information that is available without undue cost or effort.

Forward-looking information considered includes the future prospects of the industries in which the Company's debtors operate, obtained from economic expert reports, financial analysts, governmental bodies, relevant think-tanks and other similar organizations, as well as consideration of various external sources of actual and forecast economic information that relate to the Company's core operations.

In particular, the following information is taken into account when assessing whether credit risk has increased significantly since initial recognition:

- an actual or expected significant deterioration in the financial instrument's external (if available) or internal credit rating;
- significant deterioration in external market indicators of credit risk for a particular financial instrument (e.g., a significant increase in the credit spread, the credit default swap prices for the debtor, or the length of time or the extent to which the fair value of a financial asset has been less than its amortized cost);
- existing or forecast adverse changes in business, financial or economic conditions that are expected to cause a significant decrease in the debtor's ability to meet its debt obligations;
- an actual or expected significant deterioration in the operating results of the debtor;
- significant increases in credit risk on other financial instruments of the same debtor;
- an actual or expected significant adverse change in the regulatory, economic, or technological environment of the debtor that results in a significant decrease in the debtor's ability to meet its debt obligations.

Irrespective of the outcome of the above assessment, the Company presumes that the credit risk on a financial asset has increased significantly since initial recognition when contractual payments are more than 30 days past due, unless the Company has reasonable and supportable information that demonstrates otherwise.

Despite the foregoing, the Company assumes that the credit risk on a financial instrument has not increased significantly since initial recognition if the financial instrument is determined to have low credit risk at the reporting date.

A financial instrument is determined to have low credit risk if:

- it has a low risk of default;
- the borrower is considered, in the short term, to have a strong capacity to meet its obligations; and
- the Company expects, in the longer term, that adverse changes in economic and business conditions might, but will not necessarily, reduce the ability of the borrower to fulfill its obligations.

The Company considers a financial asset to have low credit risk when the asset has external credit rating of 'investment grade' in accordance with the globally understood definition or if an external rating is not available, the asset has an internal rating of 'performing'. Performing means that the counterparty has a strong financial position and there is no past due amounts.

The Company regularly monitors the effectiveness of the criteria used to identify whether there has been a significant increase in credit risk and revises them as appropriate to ensure that the criteria are capable of identifying significant increase in credit risk before the amount becomes past due.

Default

The Company considers the following as constituting an event of default for internal credit risk management purposes as historical experience indicates that financial assets that meet either of the following criteria are generally not recoverable:

- when there is a breach of financial covenants by the debtor; or
- information developed internally or obtained from external sources indicates that the debtor is unlikely to pay its creditors, including the Company, in full (without taking into account any collateral held by the Company).

Irrespective of the above analysis, the Company considers that default has occurred when a financial asset is more than 90 days past due unless the Company has reasonable and supportable information to demonstrate that a more lagging default criterion is more appropriate.

Critical to the determination of ECL is the definition of default. The definition of default is used in measuring the amount of ECL and in the determination of whether the loss allowance is based on 12-month or lifetime ECL, as default is a component of the probability of default (PD) which affects both the measurement of ECLs and the identification of a significant increase in credit risk.

Credit-impaired financial assets

A financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Evidence of credit-impairment includes observable data about the following events:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or past due event;
- the lender of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower a concession that the lender would not otherwise consider;
- it is becoming probable that the borrower will enter bankruptcy or other financial reorganization;
- the disappearance of an active market for a security because of financial difficulties; or
- the purchase of a financial asset at a deep discount that reflects the incurred credit losses.

It may not be possible to identify a single discrete event—instead, the combined effect of several events may have caused financial assets to become credit-impaired. The Company assesses whether debt instruments that are financial assets measured at amortized cost or FVTOCI are credit-impaired at each reporting date. To assess if debt instruments are credit impaired, the Company considers factors such as bond yields, credit ratings and the ability of the borrower to raise funding.

Write-off

The Company writes off a financial asset when there is information indicating that the debtor is in severe financial difficulty and there is no realistic prospect of recovery, such as when the debtor has been placed under liquidation or has entered into bankruptcy proceedings, or in the case of trade receivables, when the amounts are over two years past due, whichever occurs sooner.

Financial assets written off may still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognized in profit or loss.

Measurement and recognition of expected credit losses

The measurement of ECL is a function of the probability of default, loss given default (i.e. the magnitude of the loss if there is a default) and the exposure at default. The assessment of the probability of default and loss given default is based on historical data adjusted by forward-looking information.

As for the exposure at default, for financial assets, this is represented by the assets' gross carrying amount at the reporting date, the Company's understanding of the specific future financing needs of the debtors, and other relevant forward-looking information.

For financial assets, the ECL is estimated as the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at the original effective interest rate.

If the Company has measured the loss allowance for a financial instrument at an amount equal to lifetime ECL in the previous reporting period, but determines at the current reporting date that the conditions for lifetime ECL are no longer met, the Company measures the loss allowance at an amount equal to 12-month ECL at the current reporting date, except for assets for which simplified approach was used.

The Company recognizes an impairment gain or loss in profit or loss for all financial instruments with a corresponding adjustment to their carrying amount through a loss allowance account, except for investments in debt instruments that are measured at FVTOCI, for which the loss allowance is recognized

in other comprehensive income and accumulated in the investment revaluation reserve, and does not reduce the carrying amount of the financial asset in the statement of financial position.

Presentation of allowance for ECL in the statement of financial position

Loss allowances for ECL are presented in the statement of financial position as a deduction from the gross carrying amount of the assets.

Derecognition

The Company derecognizes a financial asset only when the contractual rights to the asset's cash flows expire or when the financial asset and substantially all the risks and rewards of ownership of the asset are transferred to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain/loss that had been recognized in OCI and accumulated in equity is recognized in profit or loss, with the exception of equity investment designated as measured at FVTOCI, where the cumulative gain/loss previously recognized in OCI is not subsequently reclassified to profit or loss.

Financial liabilities and Equity Instruments

Classification as debt or equity

Debt and equity instruments are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Financial Liabilities

All financial liabilities are measured subsequently at amortized cost using the effective interest method or at FVTPL. Financial liabilities are classified as either financial liabilities 'at FVTPL' or 'other financial liabilities'.

Financial liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is (i) held for trading, or (ii) it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

Financial liabilities at FVTPL are measured at fair value, with any gains/losses arising on remeasurement recognized in profit or loss to the extent that they are not part of a designated hedging relationship. The net gain/loss recognized in profit or loss incorporates any interest paid on the financial liability and is included in profit or loss.

However, for financial liabilities that are designated as at FVTPL, the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability is recognized in OCI, unless the recognition of the effects of changes in the liability's credit risk in OCI would create or enlarge an accounting mismatch in profit or loss. The remaining amount of change in the fair value of liability is recognized in profit or loss. Changes in fair value attributable to a financial liability's credit risk

that are recognized in OCI are not subsequently reclassified to profit or loss; instead, they are transferred to retained earnings upon derecognition of the financial liability.

In making the determination of whether recognizing changes in the liability's credit risk in OCI will create or enlarge an accounting mismatch in profit or loss, the Company assesses whether it expects that the effects of changes in the liability's credit risk will be offset in profit or loss by a change in the fair value of another financial instrument measured at FVTPL. This determination is made at initial recognition.

Since the company does not have financial liabilities classified at FVTPL, all financial liabilities are subsequently measured at amortized cost.

Financial liabilities measured subsequently at amortized cost

Financial liabilities that are not (i) contingent consideration of an acquirer in a business combination, (ii) held-for-trading, or (iii) designated as at FVTPL, are measured subsequently at amortized cost using the effective interest method.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortized cost of a financial liability.

The Company's financial liabilities classified under this category include accrued expenses and other payables, due to brokers and payable to fund manager.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the statements of financial position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

A right to offset must be available today rather than being contingent on a future event and must be exercisable by any of the counterparties, both in the normal course of business and in the event of default, insolvency or bankruptcy.

Derecognition of financial liabilities

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in profit or loss.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received, net of direct issue costs.

Share capital

Share capital consisting of ordinary shares is classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction from the proceeds, net of tax. Any excess of proceeds from issuance of shares over its par value is recognized as additional paid-in capital.

Retained earnings

Retained earnings represent accumulated profit attributable to equity holders of the Company after deducting dividends declared. Retained earnings may also include effect of changes in accounting policy as may be required by the standard's transitional provisions.

Repurchase, disposal and reissuance of share capital (treasury shares)

When share capital recognized as equity is repurchased, the amount of the consideration paid, which includes directly attributable cost, net of any tax effects, is recognized as a reduction from equity. Repurchased shares are classified as treasury shares and are presented in the reserve for own share account. When treasury shares are sold or reissued subsequently, the amount received is recognized as increase in equity, and the resulting surplus or deficit on the transaction is presented as additional paid-in capital.

Deposits for future stock subscriptions

Deposits for future stock subscriptions are recorded at historical cost. According to Financial Reporting Bulletin (FRB) No. 6 as issued by SEC, these are classified as equity when all of the following criteria are met:

- the unissued authorized capital stock of the entity is insufficient to cover the amount of shares indicated in the contract;
- there is Board of Directors' approval on the proposed increase in authorized capital stock (for which a deposit was received by the Company);
- there is stockholders' approval of said proposed increase; and
- the application for the approval of the proposed increase has been presented for filing of has been filed with the SEC.

Deposits for future stock subscriptions are classified as liability, when the above criteria are not met.

Prepayments

Prepayments represent expenses not yet incurred but already paid in cash. Prepayments are initially recorded as assets and measured at the amount of cash paid. Subsequently, these are charged to profit or loss as these are consumed in operations or expire with the passage of time.

Prepayments are classified in the statements of financial position as current asset when the cost of services related to the prepayments are expected to be incurred within one (1) year or the Company's normal operating cycle, whichever is longer. Otherwise, prepayments are classified as non-current assets.

Provisions, Contingent Liabilities and Assets

Provisions

Provisions are recognized when the Company has a present obligation, either legal or constructive, as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized is the best estimate of the consideration required to settle the present obligation at the end of each reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation; its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate.

If it is no longer probable that a transfer of economic benefits will be required to settle the obligation, the provision should be reversed.

Contingent Liabilities and Assets

Contingent liabilities and assets are not recognized because their existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Contingent liabilities are disclosed, unless the possibility of an outflow of resources embodying economic benefits is remote.

Contingent assets are not recognized, but are disclosed only when an inflow of economic benefits is probable. When the realization of income is virtually certain, asset should be recognized.

Revenue Recognition

Income is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be measured reliably. Income is measured at the fair value of the consideration received or receivable and represents amounts receivable for services provided in the normal course of business.

Interest income

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time proportion basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount.

Realized gains or losses

Gains or losses arising on the disposal of investments are determined as the difference between the sales proceeds and the carrying amount of the investments and is recognized in profit or loss.

Fair value gains or losses

Gains or losses arising from changes in fair values of investments are disclosed under the policy on financial assets.

Other income

Other income is income generated outside the normal course of business and is recognized when it is probable that the economic benefits will flow to the Company and it can be measured reliably.

Expense Recognition

Expenses are recognized in profit or loss when a decrease in future economic benefit related to a decrease in an asset or an increase in a liability has arisen that can be measured reliably. Expenses are recognized in profit or loss on the basis of: (i) a direct association between the costs incurred and the earning of specific items of income; (ii) systematic and rational allocation procedures when economic benefits are expected to arise over several accounting periods and the association with income can only be broadly or indirectly determined; or, (iii) immediately when an expenditure produces no future economic benefits or when, and to the extent that, future economic benefits do not qualify, or cease to qualify, for recognition in the statements of financial position as an asset.

Expenses in the statements of comprehensive income are presented using the function of expense method. Investment expenses are transaction costs incurred in the purchase and sale of investments. Operating expenses are costs attributable to administrative and other business expenses of the Company including management fees and custodianship fees.

Fair Value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset

or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such basis.

In addition, for financial reporting purposes, fair value measurements are categorized into Levels 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

Related Party Transactions

A related party transaction is a transfer of resources, services or obligations between the Company and a related party, regardless of whether a price is charged.

Parties are considered related if one party has control, joint control, or significant influence over the other party in making financial and operating decisions. An entity that is a post-employment benefit plan for the employees of the Company and the key management personnel of the Company are also considered to be related parties.

Taxation

Income tax expense represents the sum of the current tax, final tax and deferred tax expense.

Current tax

The current tax expense is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statements of comprehensive income because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's current tax expense is calculated using 25% regular corporate income tax (RCIT) rate or 1% minimum corporate income tax (MCIT) rate, whichever is higher.

Final tax

Final tax expense represents final taxes withheld on interest income from cash in banks, special savings deposits and fixed-income securities and final taxes withheld on proceeds from sale of listed equity securities.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities and these relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

Current and deferred taxes for the year

Current and deferred taxes are recognized in profit or loss, except when they relate to items that are recognized in OCI or directly in equity, in which case, the current and deferred taxes are also recognized in OCI or directly in equity, respectively.

Earnings per Share

The Company computes its basic earnings per share by dividing profit or loss for the year attributable to ordinary equity holders of the Company by the weighted average number of ordinary shares outstanding during the period.

For the purpose of calculating diluted earnings per share, profit or loss for the year attributable to ordinary equity holders of the Company and the weighted average number of shares outstanding are adjusted for the effects of deposits for future stock subscriptions which are dilutive potential ordinary shares.

Net Asset Value per Share (NAVPS)

The Company computes its NAVPS by dividing the total net asset value as at the end of the reporting period by the number of issued and outstanding shares and shares to be issued on deposits for future stock subscriptions.

Events After the Reporting Period

The Company identifies events after the end of the reporting period as those events, both favorable and unfavorable, that occur between the end of the reporting period and the date when the financial statements are authorized for issue. The financial statements of the Company are adjusted to reflect those events that provide evidence of conditions that existed at the end of the reporting period. Non-adjusting events after the end of the reporting period are disclosed in the notes to the financial statements when material.

4. CASH AND CASH EQUIVALENTS

	March 2022	December 2021
Cash in banks	P 4,650,359,107	P 8,059,382,274
Cash equivalents	13,547,600,000	16,664,434,400
	P 18,197,959,107	P 24,723,816,674

Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. The Company classifies an investment as cash equivalent if that investment has a maturity of three months or less from the date of acquisition.

5. FINANCIAL ASSETS AT FAIR VALUE THROUGH PROFIT OR LOSS

	March 2022	December 2021
Special savings deposits	P 40,698,953,940	P 40,377,456,340
Investments in unit investment trust funds (UITFs)	9,597,887,293	6,386,291,215
	P 50,296,841,233	P 46,763,747,555

Investments in UITFs are placed in universal banks and are redeemable anytime. Special savings deposits have contractual maturity of more than three months.

Net gains on investments recognized in profit or loss arising from financial assets measured at fair value through profit or loss are as follows:

	March 2022	December 2021
Net unrealized gains on investments	P 11,596,078	P 20,285,651
Net realized gains on investments	-	14,697,032
	P 11,596,078	P 34,982,683

The movements in the financial assets at FVTPL are summarized as follows:

	March 2022	December 2021
Balance, January 1	P 46,763,747,555	P 12,473,030,164
Additions	15,148,820,500	46,448,593,117
Disposal	(11,627,322,900)	(12,178,161,377)
Unrealized gains	11,596,078	20,285,651
Balance, March 31	P 50,296,841,233	P 46,763,747,555

6. FINANCIAL ASSETS AT AMORTIZED COST

	March 2022	December 2021
Current:		
Treasury bills	P 5,464,719,100	P 12,217,133,425
Corporate bonds	12,837,057,514	11,762,070,434
Treasury notes	15,906,497,900	7,408,552,358
	34,208,274,514	31,387,756,217
Non-current:		
Corporate bonds	20,381,188,736	18,187,128,640
Treasury notes	2,865,134,177	5,364,565,482
Less: Expected credit losses	(52,617,691)	(57,333,701)
	23,193,705,222	23,494,360,421
	P 57,401,979,736	P 54,882,116,638

The movements in the financial assets at amortized cost are summarized as follows:

	March 2022	December 2021
Balance, January 1	P 54,882,116,638	P 49,011,210,590
Additions	18,354,789,918	60,092,114,203
Maturities	(8,855,050,870)	(19,264,768,000)
Disposal	(6,860,782,410)	(34,972,379,615)
Amortization of premium (discount)	(123,809,550)	73,273,161
Expected credit losses	4,716,010	(57,333,701)
Balance, March 31	P 57,401,979,736	P 54,882,116,638

The disposal of financial assets of the Company is attributable to an isolated event that is beyond the Company's control, is non-recurring and could not have been reasonably anticipated by the Company. The main reason for the disposal is to raise cash for anticipated redemptions or to shift to higher-rated securities to improve asset quality of the Company.

7. ACCRUED INTEREST RECEIVABLE

	March 2022	December 2021
Special savings deposits	P 614,382,575	P 559,096,362
Financial assets at amortized cost	399,706,414	343,197,598
Cash and cash equivalents	2,780,223	4,642,271
	P 1,016,869,212	P 906,936,231

Collection of interest depends on the scheduled interest payments of each asset held.

8. OTHER CURRENT ASSETS

	March 2022	December 2021
Prepaid Expenses	P 2,169,377	P -
Prepaid Taxes	-	260,648
Creditable withholding tax	26,325	26,325
	P 2,195,702	P 286,973

9. DEFERRED TAX ASSETS

The following is the composition of deferred tax assets recognized by the Company:

	Taxes and Licenses	Expected Credit Losses	Total
December 31, 2021	P14,486,342	P14,333,425	P28,819,767
Charged to profit or loss	868,682	(1,179,002)	(310,320)
March 31, 2022	P 15,355,024	P 13,154,423	P 28,509,447

10. ACCRUED EXPENSES AND OTHER PAYABLES

	March 2022	December 2021
Due to investors	P 565,819,403	P 35,802,327
Filing and registration fees payable	61,420,096	57,945,367
Withholding taxes and documentary stamp taxes	4,801,351	4,622,557
Custodianship fees	979,232	227,519
Professional fees	212,616	256,250
	P 633,232,698	P 98,854,020

Due to investors account pertains to amounts payable to investors for the redemption of their investments processed on or before the reporting period, which are usually paid one day after the transaction date. Filing and registration fees payable pertains to the amount payable to Securities and Exchange Commission in relation with the Company's authorized capital stock increase application.

11. RELATED PARTY TRANSACTIONS

In the normal course of business, the Company transacts with entities which are considered related parties under PAS 24, *Related Party Disclosures*.

The details of transaction with related parties and the amounts paid or payable are set out below:

Nature of Transaction	Transactions as of end of the Quarter	Outstanding Balances		Terms	Condition
		Q1 2022	Q1 2022		
SLAMCI – Fund Manager Management Distribution and Transfer fees	P 141,491,760	P 43,214,700	P41,831,358	Non-interest bearing; 0.40% of average daily net assets; settled in cash on or before the 15th day of the following month	Unsecured; unguaranteed
Key Management Personnel					
Directors' Fees	P 64,904	P -	P -	Payable on demand;	Unsecured; Unguaranteed

12. EQUITY

Movements are as follows:

	2022	
	Shares	Amount
Authorized:		
At P0.01 par value	20,000,000,000	P 200,000,000
Issued and fully paid:		
At March 31	19,999,999,406	P 199,999,994
Treasury shares:		
At January 1	68,957,315	P 90,702,560
Acquisition	1,714,198,412	2,260,626,032
Reissuance	(1,775,312,828)	(2,341,037,257)
At March 31	7,842,899	P 10,291,335
Deposit for future stock subscriptions:		
At January 1	76,671,817,866	P 100,135,343,464
Receipt	37,001,702,639	49,037,755,401
Redemption	(38,158,442,255)	(50,303,344,612)
At March 31	75,515,078,250	P 98,869,754,253

Incorporation

The Company was incorporated on March 5, 2004 with 100,000,000 authorized shares at par value of P0.01 per share.

Approved changes

On October 27, 2006, the stockholders of the Company approved the blanket increase of the authorized capital stock of up to One Hundred billion shares at par value of P0.01 per share. The stockholders also approved the delegation of the approval of the increase in tranches to the Board of Directors.

On April 24, 2007, the Board of Directors approved the first tranche of the increase in the Company's authorized share capital of 300,000,000 shares (from 100,000,000 shares to 400,000,000 shares both with par value of P0.01), the SEC approved the increase on January 14, 2010 and the registration statements on March 11, 2014.

On December 9, 2013, the Board delegated the approval of the implementation in tranches to the Chairman of the Fund and the President of the SLAMCI. The delegation was reiterated on April 29, 2014.

On April 29, 2014, the Shareholders approved the increase in the Company's authorized capital stock of 5,600,000,000 shares (from 400,000,000 shares to 6,000,000,000 shares both with par value of P0.01). The increase will be implemented by the Chairman of the Board of Directors and President of SLAMCI acting jointly in tranches.

On November 10, 2015, the Chairman of the Board of Directors and the President of SLAMCI jointly authorized the increase of 5,600,000,000 shares (from 400,000,000 shares to 6,000,000,000 shares both with par value of P0.01 per share) which was subsequently approved by the SEC on March 14, 2016. The registration statement was approved on December 13, 2016.

On March 13, 2017, the Chairman of the Board of Directors and the President of SLAMCI jointly authorized the increase of 14,000,000,000 shares (from 6,000,000,000 shares to 20,000,000,000 shares both with par value of P0.01 per share).

On October 10, 2017, the SEC approved the additional 14,000,000,000 shares increase in authorized capital stock, from 6,000,000,000 shares to 20,000,000,000 shares at a par value of P0.01 per share.

On December 27, 2017, the Company paid P4,759,928 SEC fees for the increase of 14,000,000,000 shares.

On December 31, 2017, the Company reclassified the 14,000,000,000 deposit for future stock subscriptions to subscribed capital stock.

On May 3, 2019, the SEC approved the registration statement for the 14,000,000,000 shares.

Pending application for 20,000,000,000 additional shares

On September 21, 2017, the Chairman of the Board of Directors and the President of SLAMCI jointly authorized the increase of 30,000,000,000 shares (from 20,000,000,000 shares to 50,000,000,000 shares both with par value of P0.01 per share).

On June 18, 2018, the application of the Company for the 30,000,000,000 additional shares was eventually revised to 15,000,000,000 additional shares. The Chairman of the Board of Directors of the Company and the President of SLAMCI, jointly approved the increase in authorized capital stock of the Company by P150,000,000 divided into 15,000,000,000 shares.

On July 3, 2018, the application for the 15,000,000,000 shares increase was presented to SEC.

On September 3, 2019, the application of the Company for the 15,000,000,000 additional shares was increased to 20,000,000,000 additional shares. The Chairman of the Board of Directors of the Company and the President of SLAMCI, jointly approved the fourth tranche of increase in authorized capital stock of the Company by P200,000,000 divided into 20,000,000,000 shares.

On November 18, 2019, the application for the 20,000,000,000 shares increase was presented to SEC.

On October 28, 2020, the Company received comments from SEC for the Company's application for increase in ACS of 20,000,000,000 shares.

In February 2021, the Company engaged with P&A Grant Thornton (P&A) to render its professional services in providing assistance to the Company in submission of documents as required by the SEC for the approval of 20,000,000,000 additional shares.

On March 4, 2021, the Company submitted to SEC-CRMD the requirements for the approval of 20,000,000,000 additional ACS.

On September 6, 2021, P&A filed a letter of follow-up to SEC - Financial Analysis and Audit Division (FAAD) for the status of all pending ACS increase applications.

On September 7, 2021, the Company received the checklist of requirements and comments from SEC-FAAD.

On November 5, 2021, soft copy of requirements was emailed to SEC and the original documents were subsequently received by SEC on November 10, 2021.

On January 18, 2022, SEC-CGFD requested from the Company the submission of the latest Articles of Incorporation (AOI) and By-laws (BL) for the processing of the CGFD monitoring clearance.

On January 21, 2022, P&A submitted the requested AOI and BL to the SEC-CGFD.

On February 7, 2022, the Company was advised by P&A that SEC-CRMD sent an update on the request for CGFD monitoring clearance.

On March 24, 2022, P&A submitted to SEC-CGFD the updated AOI and BL for the application of monitoring clearance.

Currently, the Company and P&A is consistently following-up the status of the application and waiting for feedback from SEC on the documents provided.

Pending application for 26,900,000,000 additional shares

On October 14, 2020, the Chairman of the Board of Directors and the President of SLAMCI jointly approved the fifth tranche of increase in ACS by 26,900,000,000 shares with par value of P0.01 per share.

On December 29, 2020, the application for the 26,900,000,000 shares increase in authorized capital stock was electronically filed with the SEC.

On February 4, 2021, the original copies of the documentary requirements were transmitted to SEC.

SEC advised the Company that this application will be processed upon approval of previous ACS increase application.

Pending application for 40,000,000,000 additional shares

On March 11, 2021, the President of the Company and the President of SLAMCI jointly approved the sixth tranche of increase in ACS by 40,000,000,000 shares at the par value of Php0.01 per share.

On June 28, 2021, the application for the 40,000,000,000 shares increase in ACS was filed with the SEC.

SEC advised the Company that this application will be processed upon approval of previous ACS increase application.

Current state

As at March 31, 2022, the Company has 19,992,156,507 issued and outstanding shares out of the 20,000,000,000 ACS with a par value of P0.01 per share.

DFFS received in cash amounting to P 98,869,754,253 and P 100,135,343,464 as at March 31, 2022 and December 31, 2021 were classified as equity since the Company has met all of the conditions required for such recognition in accordance to Financial Reporting Bulletin (FRB) No. 6 as amended on May 11, 2017.

On January 6, 2022, the SEC's Commission en Banc, issued Financial Reporting Bulletin (FRB) No. 6 - Deposit for Future Stock Subscription (DFFS) which imposed the prohibition on Investment Companies to accept DFFS.

On March 14, 2022, Management filed a Request for Exemptive Relief from the amended FRB No. 6 with the SEC. Consequently, the Commission en Banc in its meeting held on 28 April 2022 approved said request to temporarily allow the acceptance of DFFS during the pendency of the applications for increase of authorized capital stock of the Company, subject to compliance with the following conditions:

- a) That the Company will only temporarily accept DFFS up to the maximum number of shares covered by the respective pending applications for increase of authorized capital stock:

<u>Name of Fund</u>	<u>Period</u>	<u>Total ACS Increase</u>
Peso Starter	As of June 25,2021	86.9 Billion

- b) To expedite the subsequent securities registration process, the Company shall likewise be required to submit, within thirty (30) days from receipt of the letter granting its herein request, the corresponding SEC Form 12-1-ICA for the registration of additional registration of shares covered by the abovementioned ACS applications pursuant to ICA and SRC for concurrent processing, approval of which shall be made subject to the approval of the increase; and

- c) That no DFFS shall be accepted beyond the number of shares mentioned in item (a).

The following table shows the number of institutional and retail investors and the percentage of their investments, and the geographic concentration of investments as of March 31, 2022.

% Ownership of Institutional Investors	% Ownership of Retail Investors
84.81%	15.19%

Area	Percentage of Investments
LUZON	94%
VISAYAS	4%
MINDANAO	2%
TOTAL	100%

13. ADDITIONAL PAID-IN CAPITAL

Additional paid-in capital pertains to excess payments over par value from investors and from reissuance of treasury shares.

	March 2022	December 2021
APIC	P 21,389,790,194	P 21,654,070,848

14. NET ASSET VALUE PER SHARE

	March 2022	December 2021
Total equity	P 126,119,113,712	P 127,093,562,966
Outstanding shares	95,507,234,757	96,602,859,957
NAVPS	P 1.3205	P 1.3156

Net Asset Value Calculation

The net asset value shall be calculated by adding:

- The aggregate market value of the portfolio securities and other assets;
- The cash on hand;
- Any dividends on stock trading ex-dividend; and
- Any accrued interest on portfolio securities,

And subtracting:

- Taxes and other charges against the fund not previously deducted;
- Liabilities
- Accrued expenses and fees; and
- Cash held for distribution to investors of the fund on a prior date.

Price Determination of The Assets Of The Investment Company

The value of the assets of the Investment Company shall be determined based on the following:

- If quoted in an organized market, based on official closing price or last known transacted price;
- If unquoted or quoted investments where the transacted prices are not represented or not available to the market, based on fair value; Provided, further that in determining the fair value of investments, the Fund Manager shall, with due care and good faith:
- Have reference to the price that the Investment Company would reasonably expect to receive upon the sale of the investment at the time the fair value is determined;
- Document the basis and approach for determining the fair value.

Below table shows the investment company return information of the Fund in the last five (5) recently completed fiscal years as at March 31, 2022:

	Yields	NAVPS	NAVPS Date
Year on year yield (1-year)	1.5221%	1.3008	March 31, 2021
3 Year - Simple	7.2525%	1.2313	March 29, 2019
5 Year - Simple	13.1814%	1.1668	March 31, 2017

15. INTEREST INCOME

This account consists of interest income on the following:

	March 2022	March 2021
Fixed-income securities	P 410,846,517	P 350,216,615
Special savings deposits	324,603,330	104,646,718
Cash equivalents	13,536,525	-
Cash in banks	3,818,224	156,395
	P 752,804,596	P 455,019,728

16. EARNINGS PER SHARE

The calculation of the earnings per share for the quarter is based on the following data:

	March 2022	March 2021
Net income for the period	P 475,009,386	P 288,525,023
Weighted average number of shares:		
Issued and outstanding	19,993,442,281	19,994,328,519
Basic and diluted earnings per share	P 0.024	P 0.014

17. FAIR VALUE OF FINANCIAL INSTRUMENTS

Assets and liabilities measured at fair value on a recurring basis

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, levels 1 to 3 based on the degree to which the inputs to fair value are observable.

	Level 1	Level 2	Total
March 31, 2022			
Special savings deposits	5 P -	P 40,698,953,940	P 40,698,953,940
Investments in UITFs	5 9,597,887,293	-	9,597,887,293
	P9,597,887,293	P 40,698,953,940	P 50,296,841,233
December 31, 2021			
Special savings deposits	5 P -	P40,377,456,340	P40,377,456,340
Investments in UITFs	5 6,386,291,215	-	6,386,291,215
	P6,386,291,215	P40,377,456,340	P46,763,747,555

The fair value of the special savings deposits is based on discounted cash flow analysis using prevailing market interest rates.

UITFs are valued at their published Net Asset Value per Unit (NAVPU) as at reporting date.

There were no transfers between level 1 and 2 in 2022 and 2021. Total unrealized gain or loss on investments relating to financial assets that are measured at fair value at the end of the reporting period are presented separately in the statements of comprehensive income.

Financial assets and liabilities not measured at fair value

The following financial assets and financial liabilities are not measured at fair values on recurring basis but the fair value disclosure is required:

	Notes	Carrying Amounts	Fair Values				Total
			Level 1	Level 2	Level 3		
March 31, 2022							
Financial Assets							
Cash in banks	4	P 4,650,359,107	P 4,650,359,107	P -	P -	P 4,650,359,107	
Cash equivalents	4	13,547,600,000	-	13,547,600,000	-	13,547,600,000	
Accrued interest receivable	7	1,016,869,212	-	1,016,869,212	-	1,016,869,212	
Financial assets at amortized cost	6	57,401,979,736	-	-	57,455,288,298	57,455,288,298	
		P 76,616,808,055	P 4,650,359,107	P14,564,469,212	P57,455,288,298	P 76,670,116,617	
Financial Liabilities							
Accrued expenses and other payables	10	P 567,011,251	P -	P 567,011,251	P -	P 567,011,251	
Payable to fund manager	11	43,214,700	-	43,214,700	-	43,214,700	
		P 610,225,951	P -	P 610,225,951	P -	P 610,225,951	
December 31, 2021							
Financial Assets							
Cash in banks	4	P 8,059,382,274	P 8,059,382,274	P -	P -	P 8,059,382,274	
Cash equivalents	4	16,664,434,400	-	16,664,434,400	-	16,664,434,400	
Accrued interest receivable	7	906,936,231	-	906,936,231	-	906,936,231	
Financial assets at amortized cost - net	6	54,882,116,638	-	-	53,854,417,553	53,854,417,553	
		P80,512,869,543	P 8,059,382,274	P17,571,370,631	P53,854,417,553	P 79,485,170,458	
Financial Liabilities							
Accrued expenses and other payables	10	P 36,286,096	P -	P 36,286,096	P -	P 36,286,096	
Payable to fund manager	11	41,831,358	-	41,831,358	-	41,831,358	
		P 78,117,454	P -	P 78,117,454	P -	P 78,117,454	

The difference between the carrying amount of accrued expenses and other payables disclosed in the statements of financial position and the amount disclosed in this note pertains to withholding and documentary stamp taxes and filing and registration fees payable that are not considered financial liabilities.

Cash in banks, cash equivalents, accrued interest receivable, accrued expenses and other payables and payable to fund manager have short-term maturities, hence, their carrying amounts are their fair values.

The fair values of financial assets at amortized cost were determined based on the discounted cash flow analysis using the Company's estimated cost of borrowing ranging from 3.93% to 5.44% for loans with less than one year maturity and loans maturing in seven years for 2022 and 2021.

There were no transfers between Levels 1 to 3 in 2022 and 2021.

Item 2. Management's Discussion and Analysis of Financial Position and Results of Operations

The Performance of the Company could be measured by the following indicators:

1. **Increase/Decrease in Net Assets Value Per Share (NAVPS).** NAVPS is computed by dividing net assets (total assets less total liabilities) by the total number of shares issued and outstanding plus the total number of shares outstanding due to deposit for future subscriptions (DFFS) and for conversion to shares, if any, as of the end of the reporting day. Any increase or decrease in NAVPS translates to a prospective capital gain or capital loss, respectively, for the Fund's shareholders.
2. **Net Investment Income.** Represents the total earnings of the Fund from its investment securities, less operating expenses and income tax. This gauges how efficiently the Fund has utilized its resources in a given time period.
3. **Assets Under Management.** These are the assets under the Fund's disposal. This measures investor confidence (increase/decrease brought about by investor subscriptions/redemptions) as well as the growth of the Fund (increase/decrease brought about by its operational income and market valuation of its assets and liabilities).
4. **Cash Flow.** Determines whether the Fund was able to achieve the optimal level of liquidity by being able to meet all its scheduled payments, while maintaining at the same time the maximum investments level and minimum cash level.

Management's Discussion and Analysis of Financial Condition and Results of Operations

Material Changes in the 1st Quarter Financial Statements

Statement of Financial Position and Statements of Changes in Equity – 31 March 2022 vs. 31 Dec. 2021

	31-Mar-22 Unaudited	31-Dec-21 Audited	Movement	Percentage (%)	MDAS
Cash and cash equivalents	P 18,197,959,107	P 24,723,816,674	P (6,525,857,567)	-26.40%	Liquidity requirements are still met.
Financial assets at fair value through profit or loss	50,296,841,233	46,763,747,555	3,533,093,678	7.56%	The increase was related to net acquisition of fixed-income investments and equity securities coupled with unrealized gains during the period.
Financial assets at amortized cost	57,401,979,736	54,882,116,638	2,519,863,098	4.59%	The increase was mainly due to acquisition of bonds and treasury notes and with reversal expected credit losses during the period.
Accrued interest receivable	1,016,869,212	906,936,231	109,932,981	12.12%	Collection of interest depends on the scheduled interest payments of each asset.
Other current assets	2,195,702	286,973	1,908,729	665.12%	The significant increase pertains to prepaid expense which will be amortized during the year.
Deferred tax assets	28,509,447	28,819,767	(310,320)	100.00%	The decrease pertains to the DTA of the reversal of ECL which was partly offset with additional DTA for the accrual of filing and registration fees during the period.
Total Assets	126,944,354,437	127,305,723,838	(361,369,401)	-0.28%	
Accrued expenses and other payables	633,232,698	98,854,020	534,378,678	540.57%	The increase was due to outstanding proceeds payable to investors for redemption of their investments processed on or before end of the reporting period, which are usually settled one (1) day after the transaction date coupled with additional accrual for filing and registration fees payable related to the ACS increase application of the Fund.
Payable to fund manager	43,214,700	41,831,358	1,383,342	3.31%	Average increase in AUM during the period directly increase this account.
Income tax payable	148,793,327	71,475,494	77,317,833	100.00%	Increase pertains to income tax for the 1st quarter of 2022.
Total Liabilities	825,240,725	212,160,872	613,079,853	288.97%	
Share capital	199,999,994	199,999,994	-	0.00%	
Deposit for future stock subscriptions	98,869,754,253	100,135,343,464	(1,265,589,211)	100.00%	DFFS received recorded in this account since the Company met all the requirements to be classified as equity.
Additional paid in capital	21,389,790,194	21,654,070,848	(264,280,654)	-1.22%	
Retained earnings	5,669,860,606	5,194,851,220	475,009,386	9.14%	Net income for the period.
Treasury Shares	(10,291,335)	(90,702,560)	80,411,225	-88.65%	Due to net reissuance of treasury shares during the period.
Net Assets	126,119,113,712	127,093,562,966	(974,449,254)	-0.77%	Net DFS redemptions and reissuance of treasury shares partly offset with the net income earned for the period.
Net Assets Value per Share	P 1.3205	P 1.3156	P 0.0049	0.37%	

There were no known trends, demands, commitments, events or uncertainties that will result in or that are reasonably likely to result in increasing or decreasing the Fund's liquidity in any material way.

There was no contingent liability reflected in the accompanying interim unaudited financial statements.

The Fund does not anticipate having any cash flow or liquidity problems as it complies with the liquidity requirements per ICA-IRR 6.10. The Fund was able to meet all its monetary obligations to its shareholders (for redemption) and creditors for the period covered. It does not foresee any event that could trigger a direct or contingent financial obligation that is material to its operations.

There were no material off-balance sheet transactions, arrangements, obligations (including contingent obligations), and other relationships of the Fund with unconsolidated entities/other persons created during the reporting period. Likewise, there are no material commitments for capital expenditures, known trends, events, or uncertainties that have had or that are reasonably expected to have a material impact on net income/revenue from the continuing operations of the Fund.

There are no other significant events and transactions from the last annual reporting period that is required for disclosure this quarter.

Statement of Comprehensive Income for the Three months ended – 31 March 2022 vs. 31 March 2021

	31-Mar-22		31-Mar-21		Movement	Percentage (%)	MDAS
	Unaudited		Unaudited				
Investment Income	P	752,804,596	P	455,034,233	P 297,770,363	65.44%	The increase mainly pertains to higher interest income received from investments during the period.
Operating Expenses		146,717,683		107,900,750	38,816,933	35.97%	This is due to the increase in management and distribution fees brought by higher average AUM for the period coupled with the increase in custodianship fees incurred and netted the effect of reversal of expected credit losses during the period.
Net Unrealized Gains on Investments		11,596,078		5,835,155	5,760,923	98.73%	Increase due to favorable market conditions of the investments during the period.
Provision for Income Tax		142,673,605		64,443,615	78,229,990	121.39%	Final taxes of interest income earned from fixed income investments, selling tax for stocks and corporate income tax with effect of DTA recognized for the period.
Net Investment Income		475,009,386		288,525,023	186,484,363	-64.63%	

Average daily net asset value from January to March 2022 and January to March 2021 are PHP 127,288,560,943 and PHP 90,014,225,906, respectively.

The Fund has no unusual nature of transactions or events that affect assets, liabilities, equity, net income or cash flows.

There were no commitments, guarantees and contingent liabilities that arise in the normal course of operations of the Fund which are not reflected in the accompanying interim unaudited financial statements.

The management of the Fund is of the opinion that there were no income or losses from these items that will have any material effect on its interim unaudited financial statements.

There were no known material events subsequent to the end of the quarterly reporting period that have not been reflected in the Fund's interim unaudited financial statements as at the period ended March 31, 2022. There were no significant elements of income or loss that did not arise from the Fund's continuing operations.

There were no changes in estimates of amount reported in the current financial year or changes in estimates of amounts reported in prior financial years.

PART II – RISK MANAGEMENT

Item 1. Financial Risk Exposures of the Company

1. Financial Risk Management Objectives and Policies

The Company's activities expose it to a variety of financial risks: interest rate risk, credit risk, and liquidity risk. The Fund Manager exerts best efforts to anticipate events that would negatively affect the value of the Company's assets and takes appropriate actions to counter these risks. However, there is no guarantee that the strategies will work as intended. The policies for managing specific risks are summarized below:

1.1 Market Risk: Market risk is a risk of possible decline in the value of the Fund due to fluctuations in prices of the fund's assets. Since the fund may in both equity and fixed income securities, it is subject to two types of market risks: (1) Interest Rate Risk applicable to fixed income securities of the Fund; and (2) Equity Price Risk applicable to the equity investments of the Fund.

1.2 Interest Rate Risk: Interest Rate Risk is a type of Market Risk which is applicable to the Fund's investments in bonds, if any. This refers to the increase/decrease of a bond price due to movement in market factors such as changes in interest rates. A change in interest rates is the period when interest rates rise or fall thus causing the decline or increase in the market price of the bonds held by the Fund, if any. This risk is minimized by closely monitoring the direction of interest rates and aligning it with the appropriate strategy of the Fund.

- 1.3 **Credit Risk:** Investments in bonds carry the risk that the issuer of the bonds might default on its interest and principal payments. In the event of default, the Fund's value will be adversely affected and may result in a write-off of the concerned asset held by the Fund. To mitigate the risk, each Issuer/Borrower/Counterparty passes through a stringent credit process to determine whether its credit quality complies with the prescribed standards of the Fund. Further, the credit quality of the Issuer/Borrower/Counterparty is reviewed periodically to ensure that excellent credit standing is maintained. Moreover, a 10% exposure limit to a single entity is likewise observed.
- 1.4 **Liquidity Risk:** The Fund is usually able to service redemptions of investors within seven (7) banking days after receipt of the notice of redemption by paying out redemptions from available cash or near cash assets in its portfolio. However, when redemptions exceed the Funds available cash or near cash assets in its portfolio, the Fund will have to sell its other security holdings; and during periods of extreme market volatility, the Fund may not be able to find a buyer for such assets. Consequently, the Fund may not be able to generate sufficient cash from its sale of assets to meet the redemptions within the normal seven (7) banking day period. To mitigate this, the Fund maintains adequate highly liquid assets in the form of cash, cash equivalents and near cash assets in its portfolio. As the Fund's portfolio is composed of liquid assets, liquidity risk is deemed low.
- 1.5 **Regulatory Risk:** The Fund's investments and operations are subject to various regulations affecting among others, accounting of assets and taxation. These regulations occasionally change, and may result in lower returns or even losses borne by the investors. For example, a higher tax imposed on the sale or purchase of underlying assets of the Fund may result in lower net asset value of the Fund. To mitigate this risk, SLAMCI adopts global best practices. Further, it maintains regular communications with the relevant government agencies to keep itself abreast of the issues giving them concern, and to have the opportunity to help them set standards for good governance. SLAMCI also takes an active participation in the Philippine Investment Funds Association, Inc. ("PIFA"), an association of mutual fund companies in the Philippines.
- 1.6 **Non-guarantee:** Unlike deposits made with banks, an investment in the Fund is neither insured nor guaranteed by the Philippine Deposit Insurance Corporation ("PDIC"). Hence, investors carry the risk of losing the value of their investment, without any guaranty in the form of insurance. Moreover, as with any investment, it is important to note that past performance of the Fund does not guarantee its future success.
- 1.7 **Dilution Risk:** Being an open-end mutual fund, various investors may effectively subscribe to any amount of shares of the Fund. As such, investors face the risk of their investments being diluted as more investors subscribe to shares of the Fund. The influence that the investors can exert over the control and management of the Fund decreases proportionately.
- 1.8 **Large Transaction Risk:** If an investor in a Fund makes a large transaction, the Fund's cash flow may be affected. For example, if an investor redeems a large number of shares of a Fund, that Fund may be forced to sell securities at unfavorable prices to pay for the proceeds of redemption. This unexpected sale may have a negative impact on the net asset value of the Fund.
- 1.9 **Fund Manager Risk:** The performance of the Fund is also dependent on the Fund Manager's skills. Hence, the Fund may underperform in the market and/or in comparison with similar funds due to investment decisions made by the Fund Manager, and may also fail to meet the Fund's investment objectives. The Board of Directors of the Issuer, however, shall ensure that all investment policies and restrictions enumerated in this Prospectus are strictly followed.
- 1.10 **Operational Risk:** This is the risk of loss resulting from inadequate or failed internal processes, controls, people and systems. Categories of operational risks may fall under: sales and distribution, human resources, information technology, processes and people, accounting and finance, model risk, legal and regulatory and third party relationships. The Fund ensures that the internal controls and practices are consistent with enterprise wide policies supporting the management of operational risks. The Fund has established business specific guidelines. Comprehensive investment program, including appropriate level of self-insurance, is maintained to provide protection against potential losses.

2. Capital Risk Management

The Company manages its capital to ensure that the Company will be able to continue as a going concern while maximizing the return to stakeholders through the optimization of the mix of high-quality debt from domestic issuers.

The Company is guided by its Investment Policies and Legal Limitations. All the proceeds from the sale of shares, including the original subscription payments at the time of incorporation constituting the paid-in capital, is held by the pertinent custodian banks.

The Company manages Capital and NAVPS, to ensure that the Company's net asset value remains competitive and appealing to prospective investors.

The Company is also governed by the following fundamental investment policies:

- It does not issue senior securities.
- It does not intend to incur any debt or borrowing. In the event that borrowing is necessary, it can do so only if, at the time of its incurrence or immediately thereafter, there is asset coverage of at least 300% for all its borrowings.
- It does not participate in any underwriting or selling group in connection with the public distribution of securities, except for its own share capital.
- It generally maintains a diversified portfolio. Industry concentrations may vary at any time depending on the investment manager's view on the prospects.
- It does not invest directly in real estate properties and developments.
- It does not purchase or sell commodity futures contracts.
- The proportion of the Fund's assets that shall be invested in each type of security shall be determined from time to time, as warranted by economic and investment conditions.
- Subscribers are required to settle their subscriptions in full upon submission of their application for subscriptions.
- The Fund may use various techniques to hedge investment risks.
- It does not change its investment objectives without the prior approval of a majority of its shareholders.

The Investment Policies refer to the following:

- Investment Objective - to generate income in Philippine Pesos consistent with prudent management of the Fund's assets.
- Benchmark - 30-day special savings deposits.
- Asset Allocation Range - the Company allocates its funds available for investments among cash and other deposit substitutes and fixed-income securities based on certain proportion as approved by Management.

Other matters covered in the investment policy include the fees due to be paid to the Fund Manager with management and distribution fees each set at an annual rate of 0.25% of the net assets attributable to shareholders on each valuation day.

In compliance to SEC Memorandum Circular No. 21, Series of 2019 signed on September 24, 2019 in relation to independent Net Asset Value (NAV) calculation, SLAMCI (Fund Manager) engaged Citibank, N.A. Philippines to service its fund accounting functions including calculation of its NAV every dealing day. In December 2020, SLAMCI implemented the outsourced fund accounting to all Sun Life Prosperity Funds.

As of March 31, 2022 and December 31, 2021, the Company is consistently in compliance with the minimum paid-in capital requirement of the SEC of P 50,000,000.

3. The amount and description of the company's investment in foreign securities:

The Company does not have any investment in foreign securities. The Fund may invest in domestic or foreign securities, denominated in any currency, but shall not bear any foreign exchange risk.

4. The significant judgments made in classifying a particular financial instrument in the fair value hierarchy.

CRITICAL ACCOUNTING JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the Company's accounting policies, Management is required to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on the historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

Critical Judgments in Applying Accounting Policies

The following are the critical judgments, apart from those involving estimates, that Management has made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognized in the financial statements.

Business model assessment

Classification and measurement of financial assets depends on the results of the SPPI and the business model test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgment reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortized cost that are derecognized prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

The Company measures its financial assets at amortized cost if the financial asset qualifies for both SPPI and business model test. The Company's business model is to hold the asset and to collect its cash flows which are SPPI. All other financial assets that do not meet the SPPI and business model test are measured at FVTPL.

Significant increase of credit risk

ECL is measured as an allowance equal to 12-month ECL for stage 1 assets, or lifetime ECL assets for stage 2 or stage 3 assets. An asset moves to stage 2 when its credit risk has increased significantly since initial recognition. PFRS 9 does not define what constitutes a significant increase in credit risk. In assessing whether the credit risk of an asset has significantly increased the Company takes into account qualitative and quantitative reasonable and supportable forward looking information.

The Company considers a financial instrument to have experienced a significant increase in credit risk when one or more of the qualitative and quantitative criteria have been met.

As at March 31, 2022 and December 31, 2021, the Company's financial instrument measured at amortized cost has not experienced a significant increase in credit risk.

Models and assumptions used

The Company uses various models and assumptions in measuring the fair value of financial assets as well as in estimating ECL. Judgment is applied in identifying the most appropriate model for each type of asset, as well as for determining the assumptions used in these models, including assumptions that relate to key drivers of credit risk.

Functional currency

Based on the economic substance of the underlying circumstances relevant to the Company, the functional currency of the Company has been determined to be the Philippine peso (PHP). The PHP is the currency of the primary economic environment in which the Company operates. It is the currency being used to report the Company's results of operations.

Puttable shares designated as equity instruments

The Company's share capital met the specified criteria to be presented as equity. The Company designated its redeemable share capital as equity instruments since the Company's share capital met the criteria specified in PAS 32, Financial Instruments: Presentation, to be presented as equity.

A puttable financial instrument includes a contractual obligation for the issuer to repurchase or redeem that instrument for cash or another financial asset on exercise of the put. As an exception to the definition of a financial liability, an instrument that includes such an obligation is classified as an equity instrument if it has met all the following features:

- a. it entitles the holder to a pro rata share of the entity's net assets in the event of the entity's liquidation. The entity's net assets are those assets that remain after deducting all other claims on its assets;
- b. it is in the class of instruments that is subordinate to all other classes of instruments;
- c. all financial instruments in the class of instruments that is subordinate to all other classes of instruments have identical features;
- d. apart from the contractual obligation for the issuer to repurchase or redeem the instrument for cash or another financial asset, the instrument does not include any contractual obligation to deliver cash or another financial asset to another entity, or to exchange financial assets or financial liabilities with another entity under conditions that are potentially unfavorable to the entity, and it is not a contract that will or may be settled in the entity's own equity instruments; and
- e. the total expected cash flows attributable to the instrument over the life of the instrument are based substantially on the profit or loss, the change in the recognized net assets or the change in the fair value of the recognized and unrecognized net assets of the entity over the life of the instrument (excluding any effects of the instrument).

As at March 31, 2022 and December 31, 2021, the recognized amount of share capital representing puttable shares in the statements of financial position amounted to P199,999,994.

Key Sources of Estimation Uncertainty

The following are the Company's key assumptions concerning the future and other key sources of estimation uncertainty at the end of each reporting period that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Probability of default (PD)

PD constitutes a key input in measuring ECL. PD is an estimate of the likelihood of default over a given time horizon, the calculation of which includes historical data, assumptions and expectations of future conditions.

As at March 31, 2022 and December 31, 2021, the Company assessed a probability of default of 0.09% and 0.10%, respectively, for all of its financial assets measured at amortized cost.

Loss Given Default (LGD)

LGD is an estimate of the loss arising on default. It is based on the difference between the contractual cash flows due and those that the lender would expect to receive, taking into account cash flows from collateral and integral credit enhancements. The Company uses portfolio averages from external estimates sourced out from Standard and Poor's (S&P) as the LGD estimates.

Estimating loss allowance for ECL

The measurement of the expected credit loss allowance for financial assets measured at amortized cost and FVTOCI is an area that requires the use of complex models and significant assumptions about future economic conditions and credit behavior.

A number of significant judgments are also required in applying the accounting requirements for measuring ECL, such as:

- Determining criteria for significant increase in credit risk;
- Choosing appropriate models and assumptions for the measurement of ECL; and
- Establishing the number and relative weightings of forward-looking scenarios and the associated ECL.

As at March 31, 2022 and December 31, 2021, the Company has recorded expected credit losses for its financial assets measured at amortized cost amounting to P52,617,691 and P57,333,701, respectively.

Deferred tax assets

The Company reviews the carrying amount at the end of each reporting period and reduces deferred tax assets to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilized. Total deferred tax asset recognized as at March 31, 2022 and December 31, 2021 amounted to P28,509,447 and P28,819,767, respectively.

Determining the fair value of investments in special savings deposits classified as financial assets at FVTPL

The Company carries its investments in special savings deposits at fair value, which requires use of accounting estimates and judgment. Since market interest rate is a significant component of fair value measurement, fair value would differ if the Company applied a different set of reference rates in the valuation methodology. Any change in the fair value of these financial assets would affect profit or loss and equity.

Compliance with Foreign Account Tax Compliance Act (FATCA)

In accordance with the requirements of the US Internal Revenue Service ("IRS") and the Intergovernmental Agreement ("IGA") between the Government of the United States of America and the Government of the Republic of the Philippines to Improve International Tax Compliance and to Implement FATCA which was signed last July 13, 2015, the Fund has registered with the Internal Revenue Service (IRS) and has obtained its own Global Intermediary Identification Number ("GIIN") as a sponsored entity. Sun Life Asset Management Company, Inc. ("SLAMCI") continues to assume responsibilities for the Fund's FATCA compliance as the Sponsoring Entity and has implemented FATCA onboarding processes and procedures as well as system enhancements to monitor its new and pre-existing account holders who are U.S. Persons and have U.S. Indicia. The Fund, together with its Sponsoring Entity, SLAMCI, is preparing to comply for FATCA reporting on the date which will be set by the Bureau of Internal Revenue as soon as the IGA has been ratified by the Senate.

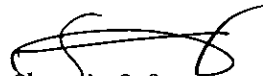

SIGNATURES

Pursuant to the requirements of the Securities Regulation Code, the issuer has duly caused this report to be signed on its behalf by the undersigned thereunto duly authorized.

Fund Structure	Mutual Fund (Shares)		0.15%		

What does the Fund invest in?

The **Sun Life Prosperity Peso Starter Fund** (formerly Sun Life Prosperity Money Market Fund) aims to generate income in Philippine Pesos consistent with prudent management of the Fund's assets.

The Fund is suitable for investors with a **conservative risk profile** and a short-term investment horizon. This is for investors who are looking for alternative investment options which could offer potentially better returns than a bank savings account. These investors may also have an immediate need for their funds (less than one year) and they are looking for relatively safe and stable investments where they can park their money and still potentially earn modest returns.

Top Fixed Income Holdings

1. Treasury Bond 2023, 4.64%
2. Treasury Bond 2022, 4.20%
3. Time Deposit, 3.75%
4. Money Market - Other Banks, 3.18%
5. Money Market - Other Banks, 2.01%

Investment Mix

- Short-Term Placements, 36.61%
- Corporate Bonds, 25.94%
- Government Bonds, 18.44%
- Money Market Placements, 7.61%
- Cash and Other Liquid Assets, 11.40%

How has the Fund performed?

Note: Year-to-date (YTD) returns are computed as the return from the last business day of the previous year to the last business day of the reporting month.

***New Benchmark Effectivity Date:** Effective **January 1, 2022**, the Sun Life Prosperity Peso Starter Fund will be using this new benchmark in place of the discontinued 30-day Special Savings Rate General Average ("PSAFAVE").

Market Review and Outlook

- Government-issued short-term papers continued to climb, rising 20-30 basis points (0.20-0.30%) over the month.
- The Bangko Sentral ng Pilipinas (BSP) did not raise policy rates in March. Time deposit rates continued to stay near zero as cash was still plentiful in the market.
- Moving forward, money market and short-term rates may slowly climb as the BSP mentions the possibility of policy rate hikes of 50-75 basis points.
- The Peso Starter Fund returned 0.37% from the start of the year.

***New Benchmark Effectivity Date:** Effective **January 1, 2022**, the Sun Life Prosperity Peso Starter Fund will be using this new benchmark in place of the discontinued 30-day Special Savings Rate General Average ("PSAFAVE").

Market Review and Outlook

- Rates on government-issued short-term bonds moved higher, while time deposit rates continued to stay near zero.
- Short-term yields were not exempt from the move higher, after the Bureau of the Treasury (BTR) issued around PHP 460 billion of 5-year bonds.
- Moving forward, money market rates are likely to move slightly higher, as demand is still strong for short-term paper despite rising rates.
- The Peso Starter Fund returned 0.24% from the start of the year.

MANAGEMENT REPORT

a. **Management's Discussion and Analysis (MD&A) or Plan of Operation.**

CORPORATE INFORMATION

Sun Life Prosperity Peso Starter Fund, Inc. (the "Company") was incorporated and registered with the Philippine Securities and Exchange Commission (SEC) on March 5, 2004 and started commercial operations on July 1, 2004. The Company is a registered open-end investment company under the Investment Company Act (Republic Act "R.A." No. 2629) and the Securities Regulation Code (R.A. No. 8799), formerly known as the Revised Securities Act (B.P. No. 178). It is engaged in the sale of redeemable shares and is designed to maximize income and is considered consistent with capital protection through investments in fixed-income securities and other related investments issued by the Philippine government, commercial papers issued by corporations within the Philippines, certificates of deposit and other short-term peso-denominated instruments. As an open-end investment company, its shares are redeemable anytime based on the net asset value per share (NAVPS) at the time of redemption.

1. Plan of Operation. For the next twelve (12) months, management will continue its current plan of operation, with a focus on improving cost efficiency.
2. **Management's Discussion and Analysis.** The performance of the Company could be measured by the following indicators:
 - 2.1 Increase/Decrease in Net Assets Value Per Share (NAVPS) NAVPS is computed by dividing net assets (total assets less total liabilities) by the total number of shares issued and outstanding plus the total number of shares outstanding due to deposit for future subscriptions (DFFS) and for conversion to shares, if any, as of the end of the reporting day. Any increase or decrease in NAVPS translates to a prospective capital gain or capital loss, respectively, for the Company's shareholders.
 - 2.2 Net Investment Income. Represents the total earnings of the Company from its investment securities, less operating expenses and income tax. This gauges how efficiently the Company has utilized its resources in a given time period.
 - 2.3 Assets Under Management (AUM). The assets under the Company's disposal. This measures the profitability of the Company (increase/decrease brought about by its operational income) as well as investor confidence (increase/decrease brought about by investor subscriptions/redemptions).
 - 2.4 Cash Flow. Determines whether the Company was able to achieve the optimal level of liquidity by being able to meet all its scheduled payments while at the same time maintaining the maximum level of investments and minimum level of cash at the same time.

FINANCIAL STATEMENT ANALYSIS

Management's Discussion and Analysis of Financial Condition and Results of Operations

Material Changes in the 1st Quarter Financial Statements

Statement of Financial Position and Statements of Changes in Equity – March 31, 2022 vs. December 31, 2021

	31-Mar-22	31-Dec-21	Movement	Percentage (%)	MDAS
	Unaudited	Audited			
Cash and cash equivalents	P 18,197,959,107	P 24,723,816,674	P (6,525,857,567)	-26.40%	Liquidity requirements are still met.
Financial assets at fair value through profit or loss	50,296,841,233	46,763,747,555	3,533,093,678	7.56%	The increase was related to net acquisition of fixed-income investments and equity securities coupled with unrealized gains during the period.
Financial assets at amortized cost	57,401,979,736	54,882,116,638	2,519,863,098	4.59%	The increase was mainly due to acquisition of bonds and treasury notes and with reversal expected credit losses during the period.
Accrued interest receivable	1,016,869,212	906,936,231	109,932,981	12.12%	Collection of interest depends on the scheduled interest payments of each asset.
Other current assets	2,195,702	286,973	1,908,729	665.12%	The significant increase pertains to prepaid expense which will be amortized during the year.
Deferred tax assets	28,509,447	28,819,767	(310,320)	100.00%	The decrease pertains to the DTA of the reversal of ECL which was partly offset with additional DTA for the accrual of filing and registration fees during the period.
Total Assets	126,944,354,437	127,305,723,838	(361,369,401)	-0.28%	
Accrued expenses and other payables	633,232,698	98,854,020	534,378,678	540.57%	The increase was due to outstanding proceeds payable to investors for redemption of their investments processed on or before end of the reporting period, which are usually settled one (1) day after the transaction date coupled with additional accrual for filing and registration fees payable related to the ACS increase application of the Fund.
Payable to fund manager	43,214,700	41,831,358	1,383,342	3.31%	Average increase in AUM during the period directly increase this account.
Income tax payable	148,793,327	71,475,494	77,317,833	100.00%	Increase pertains to income tax for the 1st quarter of 2022.
Total Liabilities	825,240,725	212,160,872	613,079,853	288.97%	
Share capital	199,999,994	199,999,994	-	0.00%	
Deposit for future stock subscriptions	98,869,754,253	100,135,343,464	(1,265,589,211)	100.00%	DFFS received recorded in this account since the Company met all the requirements to be classified as equity.
Additional paid in capital	21,389,790,194	21,654,070,848	(264,280,654)	-1.22%	
Retained earnings	5,669,860,606	5,194,851,220	475,009,386	9.14%	Net income for the period.
Treasury Shares	(10,291,335)	(90,702,560)	80,411,225	-88.65%	Due to net reissuance of treasury shares during the period.
Net Assets	126,119,113,712	127,093,562,966	(974,449,254)	-0.77%	Net DFFS redemptions and reissuance of treasury shares partly offset with the net income earned for the period.
Net Assets Value per Share	P 1.3205	P 1.3156	P 0.0049	0.37%	

Material Changes in the 2021 Financial Statements

Statement of Financial Position and Statements of Changes in Equity – December 31, 2021 vs. December 31, 2020

	31-Dec-21	31-Dec-20	Movement	Percentage (%)	MDAS
	Audited	Audited			
Cash and cash equivalents	P 24,723,816,674	P 20,963,514,405	P 3,760,302,269	17.94%	The increase was due to additional short-term placements during the period classified as cash equivalents.
Financial assets at fair value through profit or loss	46,763,747,555	12,473,030,164	34,290,717,391	274.92%	The increase was related to net acquisition of fixed-income investments and UITFs offset by lower unrealized gains during the period.
Financial assets at amortized cost	54,882,116,638	49,011,210,590	5,870,906,048	11.98%	The increase was mainly due to acquisition of treasury bonds and notes partly offset with maturities and disposals during the period.
Accrued interest receivable	906,936,231	448,645,780	458,290,451	102.15%	Collection of interest depends on the scheduled interest payments of each asset.
Other current assets	286,973	34,220,566	(33,933,593)	-99.16%	The decrease mainly pertains to application of prepaid taxes in the income tax payable of the Fund during the year.
Deferred tax assets	28,819,767	17,089,610	11,730,157	68.64%	The increase pertains to DTA from accrual of SEC fees and from ECL provision which was partly offset with the DTA application for excess MCIT over RCIT and change in tax rates (CREATE).
Total Assets	127,305,723,838	82,947,711,115	44,358,012,723	53.48%	
Accrued expenses and other payables	98,854,020	149,023,649	(50,169,629)	-33.67%	The decrease was due to settlement of 2020 outstanding proceeds payable to investors for redemption of their investments processed on or before end of the reporting period, which are usually settled one (1) day after the transaction date. It was partly offset with the additional accrual for filing and registration fees payable to SEC for the Fund's application for ACS increase.
Payable to fund manager	41,831,358	26,944,070	14,887,288	55.25%	Increase in this account was due to higher AUM for the period.
Income tax payable	71,475,494	-	71,475,494	100.00%	Increase in net taxable income also increase the income tax payable for the year.
Total Liabilities	212,160,872	175,967,719	36,193,153	20.57%	
Share capital	199,999,994	199,999,994	-	0.00%	
Deposit for future stock subscriptions	100,135,343,464	56,482,089,375	43,653,254,089	77.29%	DFFS received recorded in this account since the Company met all the requirements to be classified as equity.
Additional paid in capital	21,654,070,848	22,383,608,539	(729,537,691)	-3.26%	
Retained earnings	5,194,851,220	3,706,055,862	1,488,795,358	40.17%	Net income for the period.
Treasury Shares	(90,702,560)	(10,374)	(90,692,186)	874225.81%	Due to net acquisition of treasury shares during the period.
Net Assets	127,093,562,966	82,771,743,396	44,321,819,570	53.55%	Due to DFFS classified as equity and net income offset with net acquisition of treasury shares for the year.
Net Assets Value per Share	P 1.3156	P 1.2969	P 0.0187	1.45%	

There were no known trends, demands, commitments, events or uncertainties that will result in or that are reasonably likely to result in increasing or decreasing the Company's liquidity in any material way.

There was no contingent liability reflected in the accompanying audited financial statements.

The Company does not anticipate having any cash flow or liquidity problems as it complies with the liquidity requirements per ICA-IRR 6.10. The Company was able to meet all its monetary obligations to its shareholders (for redemption) and creditors for the period covered. It does not foresee any event that could trigger a direct or contingent financial obligation that is material to its operations.

There were no material off-balance sheet transactions, arrangements, obligations (including contingent obligations), and other relationships of the Company with unconsolidated entities/other persons created during the reporting period. Likewise, there are no material commitments for capital expenditures, known trends, events, or uncertainties that have had or that are reasonably expected to have a material impact on net income/revenue from the continuing operations of the Company.

There are no other significant events and transactions from the last annual reporting period that is required for disclosure this year.

Statement of Comprehensive Income for the Three Months ended – March 31, 2022 vs. March 31, 2021

	31-Mar-22		31-Mar-21		Movement	Percentage (%)	MDAS
	Unaudited		Unaudited				
Investment Income	P	752,804,596	P	455,034,233	P 297,770,363	65.44%	The increase mainly pertains to higher interest income received from investments during the period.
Operating Expenses		146,717,683		107,900,750	38,816,933	35.97%	This is due to the increase in management and distribution fees brought by higher average AUM for the period coupled with the increase in custodianship fees incurred and netted the effect of reversal of expected credit losses during the period.
Net Unrealized Gains on Investments		11,596,078		5,835,155	5,760,923	98.73%	Increase due to favorable market conditions of the investments during the period.
Provision for Income Tax		142,673,605		64,443,615	78,229,990	121.39%	Final taxes of interest income earned from fixed income investments, selling tax for stocks and corporate income tax with effect of DTA recognized for the period.
Net Investment Income		475,009,386		288,525,023	186,484,363	-64.63%	

Statement of Comprehensive Income for the Years ended – December 31, 2021 vs. December 31, 2020

	31-Dec-21		31-Dec-20		Movement	Percentage (%)	MDAS
	Audited		Audited				
Investment Income	P	2,403,488,611	P	1,862,514,986	P 540,973,625	29.05%	The increase mainly pertains to higher interest income received from additional investments in special savings deposits during the period offset by the decrease in trading gains realized upon disposal of investments.
Operating Expenses		552,693,415		295,478,400	257,215,015	87.05%	This is due to the increase in management and distribution fees brought by higher average AUM for the period coupled with recorded provision for ECL and increase in custodianship fees and professional fees during the year.
Net Unrealized Gains on Investments		20,285,651		24,082,460	(3,796,809)	-15.77%	Decrease due to lower fair value of the investments in equity securities (UITFs) during the period.
Provision for Income Tax		382,285,489		185,389,877	196,895,612	106.21%	Final taxes of interest income earned from fixed income investments and corporate income tax with effect of DTA recognized for the period.
Net Investment Income		1,488,795,358		1,405,729,169	83,066,189	5.91%	

Average daily net asset value from January to March 2022 and January to March 2021 are PHP 127,288,560,943 and PHP 90,014,225,906, respectively.

Average daily net asset value in 2021 and in 2020 is PHP 101,622,576,817 and PHP 58,479,001,926, respectively.

The Company has no unusual nature of transactions or events that affect assets, liabilities, equity, net income or cash flows.

There were no commitments, guarantees and contingent liabilities that arise in the normal course of operations of the Fund which are not reflected in the accompanying audited financial statements. The management of the Company is of the opinion that there were no income or losses from these items that will have any material effect on its audited financial statements.

There were no known material events subsequent to the end of the quarterly reporting period that have not been reflected in the Fund's interim unaudited financial statements as at the period ended March 31, 2022.

There were no known material events subsequent to the end of the annual reporting period that have not been reflected in the Company's audited financial statements as at the period ended December 31, 2021. There were no significant elements of income or loss that did not arise from the Company's continuing operations.

There were no changes in estimates of amount reported in the current financial year or changes in estimates of amounts reported in prior financial years.

There were no seasonal aspects that had a material effect on the financial condition or results of operations of the Company.

Top 5 Key Performance Indicators

The performance of a fund is important to its investors. Oftentimes, it is used when making investment decisions. That is why Key Performance Indicators (KPI), a set of quantifiable measures, is necessary to gauge its performance in terms of meeting the Fund's investment objective while consistently following its investment policy. The following are the top 5 KPIs related to the Fund:

1. **Total Return.** The performance of a mutual fund is always expressed in terms of its total return, which is the sum of the change in a fund's net asset value (NAV), its dividends and its capital gains distributions over a given period of time, net of its expenses.
2. **Market Conditions.** A fund's true performance potential needs to be evaluated within the context of the market environment prevailing during the different periods used. It is most relevant to investors to measure the performance of a fund within a 5-year time frame as it will most likely cover a mix of market conditions that may be translated into a more reliable long-term indicator of the fund manager's investment management abilities.
3. **Benchmarks.** Benchmarking is one of the most important aspects of a mutual fund's total return performance. A fund's performance metrics only have meaning if they are compared to appropriate "guideposts," or benchmarks.

As for the Fund, considering that it is invested in fixed income and other related securities of the Philippine Government, and commercial papers issued by corporations within the Philippines, certificates of deposits, and other short-term instruments, its performance is measured against the 100% 30-day Special Savings Rate General Average ("30-day-SSA Index"). The source of the 30-day SSA Index is the Bangko Sentral ng Pilipinas (BSP). The 30-day SSA Index appropriately reflects the Money Market Fund's investment objective and investment portfolio.

	Total Return vs Benchmark	
	Benchmark: 100% 30-day Special Savings Rate	Sun Life Prosperity Money Market Fund, Inc.
5-Year Return	5.57%	13.18%
3-Year Return	3.31%	7.25%
1-Year Return	0.96%	1.52%
YTD Return	0.13%	0.37%

*As of March 31, 2022

The benchmark may be changed by the Fund's Board of Directors from time to time.

4. **Peer Comparisons.** Mutual funds are also compared to their peers, or peer groups, and relevant fund categories. For example, it is common for investment research materials to compare a bond fund, like the Fund, to funds similar in nature (peers or peer group). While this information is made available to the Fund's investors, the same may be found in the website of the PIFA - at www.pifa.com.ph.

Comparative Returns

	% of MF Industry	YTD	1-Year	3-Year	5-Year
ALFM Money Market Fund, Inc.	13.20%	0.23%	1.28%	7.61%	13.30%
First Metro Save and Learn Money Market Fund, Inc.	0.68%	0.25%	1.03%	5.41%	-
Sun Life Prosperity Peso Starter Fund, Inc.	27.89%	0.37%	1.52%	7.25%	13.18%

*As of March 31, 2022

5. Asset Size. Open-ended mutual funds grow their asset size in two ways:
- Increase in the value of the underlying assets as a result of the strong performance of equity securities and/or bonds in the fund's portfolio. When the underlying assets in a portfolio increase in value, the fund's asset size increases.
 - The inflow of investors' money. This is why a fund's asset size will continue to grow even if it has a negative return.

The increase in a fund's asset size signifies solid fund management skills which, combined with favorable market conditions backed by a strong economic outlook, illustrates how effectively a fund manager has performed and the extent to which value has been added through active management.

The second indicates investor confidence in the fund manager, the Fund, or both.

Most analysts check whether the performance of a mutual fund is attributable to personnel who have since left the fund. While there is no magic number when it comes to fund manager tenure, it should provide some investor comfort to know that with respect to the Fund, the Fund Manager and the Fund's top management have been with the Fund for at least five (5) years. Furthermore, SLOCPI having been in the business for decades combined with a record of consistent strong performance indicates a stability and resilience capable of withstanding the different stages of the business cycle.

3. Changes in and Disagreements with Accountants on Accounting and Financial Disclosure. There have been no changes in and/or any disagreement with accountants on any accounting and financial disclosures and/or on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure.

b. Registrant's Common Equity and Related Stockholder Matters

1. Market Information. Being an investment company that is not listed with the PSE and required to follow rules specific to mutual funds, shares are distributed through its principal distributor, SLAMCI.

The Fund is not listed in the PSE. It is registered as an open-end investment company and follows rules specific to mutual funds. The NAVPS, or the price at which investors may purchase or sell shares of this Fund is available daily, on any business day.

The following table shows the ranges of high and low prices (NAVPS) of the Fund's common shares for 2022, 2021, and 2020:

	2022		2021		2020	
	High	Low	High	Low	High	Low
Q1	P1.3206	P1.3157	P1.3008	P1.2967	P1.2740	P1.2647
Q2	-	-	P1.3054	P1.3011	P 1.2834	P 1.2742
Q3	-	-	P1.3106	P1.3054	P 1.2907	P 1.2835
Q4	-	-	P1.3157	P1.3107	P 1.2966	P 1.2908

2. Holders. There are approximately 60,096 stockholders as of 31 May 2022.

c. Dividends. Each shareholder has a right to any dividends declared by the Board of Directors. Dividends must be declared out of surplus. Except for the condition prescribed for the declaration of stock dividends, there are no restrictions that limit the ability to pay dividends on common equity or that are likely to do so in the future. The Company has not declared cash dividends to date. The Company has declared stock dividends in 2006, 2007 and 2008.

Each shareholder is entitled to vote on matters taken up in the annual shareholders' meeting. Shares held by a shareholder can be redeemed any time at the shareholder's discretion. However, the shareholders do not enjoy pre-emptive rights.

There are no provisions in the charter or by-laws that would delay, defer or prevent a change in control of the registrant.

d. Sale of Unregistered or Exempt Securities. There has been no sale of unregistered or exempt securities nor has there been a recent issuance of securities constituting an exempt transaction.

e. Top 20 Shareholders. Please refer to Item 4 (d) (1) of SEC Form Definitive 20-IS.

Yes No

(b) Has been subject to such filing requirements for the past 90 days.

Yes No

PART I - BUSINESS AND GENERAL INFORMATION

Item 1. Business

The Sun Life Prosperity Peso Starter Fund, Inc. (the "Fund") is a registered open-end investment company under the Investment Company Act (R.A. 2629) and the Securities Regulation Code (R.A. 8799). It was incorporated on March 5, 2004 under SEC Registration No. CS200403363. It is engaged in the sale of its shares of stock and investment of the proceeds in Peso-denominated fixed income and other related securities of the Philippine Government and commercial papers issued by corporations within the Philippines, certificate of deposits, and other Peso-denominated short-term instruments.

Sun Life Asset Management Company, Inc. ("SLAMCI"), a wholly owned subsidiary of Sun Life of Canada (Philippines), Inc., ("SLOCPI") acts as the Fund Manager and Principal Distributor. For 2021, income of the Fund is composed of the following:

Trading Gains	0.63%
Interest Income from fixed-income securities	58.67%
Interest Income from special savings deposits	37.19%
Interest Income from cash equivalents	3.38%
Interest Income from cash in banks	0.12%
Miscellaneous Income	0.02%

The Fund's objective is to generate income in Philippine Pesos consistent with prudent management of the Fund's assets.

The Fund was incorporated on March 5, 2004 with 100,000,000 authorized shares at par value of P0.01 per share.

Approved changes

On October 27, 2006, the stockholders of the Fund approved the blanket increase of the authorized capital stock (ACS) of up to One Hundred billion shares at par value of P0.01 per share. The stockholders also approved the delegation of the approval of the increase in tranches to the Board of Directors.

On April 24, 2007, the Board of Directors approved the first tranche of the increase in the Fund's authorized share capital of 300,000,000 shares (from 100,000,000 shares to 400,000,000 shares both with par value of P0.01), the SEC approved the increase on January 14, 2010 and the registration statements on March 11, 2014.

On December 9, 2013, the Board delegated the approval of the implementation in tranches to the Chairman of the Fund and the President of the Sun Life Asset Management Company, Inc. (SLAMCI). The delegation was reiterated on April 29, 2014.

On April 29, 2014, the Shareholders approved the increase in the Fund's authorized capital stock of 5,600,000,000 shares (from 400,000,000 shares to 6,000,000,000 shares both with par value of P0.01). The increase will be implemented by the Chairman of the Board of Directors and President of SLAMCI acting jointly in tranches.

On November 10, 2015, the Chairman of the Board of Directors and the President of SLAMCI jointly authorized the increase of 5,600,000,000 shares (from 400,000,000 shares to 6,000,000,000 shares both with par value of P0.01 per share) which was subsequently approved by the SEC on March 14, 2016. The registration statement was approved on December 13, 2016.

On March 13, 2017, the Chairman of the Board of Directors and the President of SLAMCI jointly authorized the increase of 14,000,000,000 shares (from 6,000,000,000 shares to 20,000,000,000 shares both with par value of P0.01 per share).

On October 10, 2017, the SEC approved the additional 14 billion shares increase in ACS, from 6 billion shares to 20 billion shares at a par value of P0.01 per share.

On December 27, 2017, the Fund paid P 4,759,928 SEC fees for the increase of 14,000,000,000 shares.

On December 31, 2017, the Fund reclassified the 14,000,000,000 deposit for future stock subscriptions to subscribed capital stock.

On May 3, 2019, the SEC approved the registration statement for the 14,000,000,000 shares.

Pending application for 20,000,000,000 additional shares

On September 21, 2017, the Chairman of the Board of Directors and the President of SLAMCI jointly authorized the increase of 30,000,000,000 shares (from 20,000,000,000 shares to 50,000,000,000 shares both with par value of P0.01 per share).

On June 18, 2018, the application of the Company for the 30,000,000,000 additional shares was eventually revised to 15,000,000,000 additional shares. The Chairman of the Board of Directors of the Company and the President of SLAMCI, jointly approved the increase in authorized capital stock of the Company by P150,000,000 divided into 15,000,000,000 shares.

On July 3, 2018, the application for the 15,000,000,000 shares increase was presented to SEC.

On September 3, 2019, the application of the Company for the 15,000,000,000 additional shares was increased to 20,000,000,000 additional shares. The Chairman of the Board of Directors of the Company and the President of SLAMCI, jointly approved the fourth tranche of increase in authorized capital stock of the Company by P200,000,000 divided into 20,000,000,000 shares.

On November 18, 2019, the application for the 20,000,000,000 shares increase was presented to SEC.

On October 28, 2020, the Company received comments from SEC for the Company's application for increase in ACS of 20,000,000,000 shares.

In February 2021, the Company engaged with P&A Grant Thornton (P&A) to render its professional services in providing assistance to the Company in submission of documents as required by the SEC for the approval of 20,000,000,000 additional shares.

On March 4, 2021, the Company submitted to SEC-CRMD the requirements for the approval of 20,000,000,000 additional ACS.

On September 6, 2021, P&A filed a letter of follow-up to SEC - Financial Analysis and Audit Division (FAAD) for the status of all pending ACS increase applications.

On September 7, 2021, the Company received the checklist of requirements and comments from SEC-FAAD.

On November 5, 2021, soft copy of requirements was emailed to SEC and the original documents were subsequently received by SEC on November 10, 2021.

Currently, the Company and P&A is consistently following-up the status of the application and waiting for feedback from SEC on the documents provided.

Pending application for 26,900,000,000 additional shares

On October 14, 2020, the Chairman of the Board of Directors and the President of SLAMCI jointly approved the fifth tranche of increase in ACS by 26,900,000,000 shares with par value of P0.01 per share.

On December 29, 2020, the application for the 26,900,000,000 shares increase in authorized capital stock was filed with the SEC.

SEC advised the Company that this application will be processed upon approval of previous ACS increase application.

Pending application for 40,000,000,000 additional shares

On March 11, 2021, the President of the Company and the President of SLAMCI jointly approved the sixth tranche of increase in ACS by 40,000,000,000 shares at the par value of Php0.01 per share.

On June 28, 2021, the application for the 40,000,000,000 shares increase in ACS was filed with the SEC.

SEC advised the Company that this application will be processed upon approval of previous ACS increase application.

Current State

DFFS received in cash amounting to P100,135,343,464, P56,482,089,375, and P11,288,711,898 as at December 31, 2021, 2020 and 2019, respectively, were classified as equity since the Fund has met all of the conditions required for such recognition.

As at December 31, 2021, the Fund has 19,931,042,091 issued and outstanding shares out of the 20,000,000,000 ACS with a par value of P0.01 per share.

The Fund's common shares are available through SLAMCI's registered representatives and eligible securities dealers that have entered into an agreement with SLAMCI to sell shares.

The Fund is part of the sixteen (16) Sun Life Prosperity Funds which offer excellent value to investors as a result of SLAMCI's collective experience in fund management, strong investment philosophy, remarkable investment performance and strong organizational structure. However, it should be noted that past performance of any fund manager is no guarantee of future results. It is only an indication of their capabilities to deal with rapid changes in the economy and market conditions in the future.

The Sun Life Prosperity Funds make investing simple, accessible and affordable. The Sun Life Prosperity Funds offer a unique "family of funds" to choose from. The "family of funds" concept allows investors to modify their investment strategies over time, by letting them transfer from one fund to another, as their needs dictate, as much as ten times a year without paying documentary stamp taxes.

The financial statements have been prepared on historical-cost basis, except for financial assets carried either at fair value or at amortized cost. From January 1, 2018, the Company has applied PFRS 9 and classifies its financial assets at fair value through profit or loss and at amortized cost. The Company does not have financial assets classified as fair value through other comprehensive income. Fair value movements on financial assets are taken through the statement of comprehensive income. The change to marked-to-market thus provides equitable treatment between investors coming in and out of the Fund.

Money Market Funds are mutual funds investing in short-term debt instruments, including but not limited to, Treasury Bills, Commercial Papers, Treasury Notes and Treasury Bonds maturing within one year.

The Fund participates in the mutual funds sector which is a sub-sector of the financial services industry. There are no national geographical boundaries as the nature of the industry and prevailing technology make it possible for the various players to offer their services to almost any place in the country.

The Fund principally competes directly with the Unit Investment Trust Funds (“UITFs”) offered by commercial banks and other mutual funds in the Philippines, namely: ALFM Money Market Fund Inc. and First Metro Save and Learn Money Market Fund, Inc. However, the Fund does not have any knowledge on the relative size, financial and market strengths of the Fund’s competitors. The Fund principally competes in terms of returns and the associated risks of the return. The principal methods of competition are the over-all returns on the investment product, the after-sales service support provided by the administration, and the various fees levied by the Fund.

The Fund’s market strength is its wide distribution network that provides strategic distribution of Fund shares and the financial stability and reputation of its Investment Company Adviser. The Fund intends to compete principally based on the reputation of SLAMCI for superior investment performance and corporate governance coupled with its distribution network and superior backroom operations.

The Fund does not employ personnel. Day-to-day operations of the Fund are carried out by SLAMCI governed by the terms and conditions of the Management Agreements between SLAMCI and the Funds.

There are many potential advantages to investing in mutual funds and in the Offer Shares. However, in deciding to invest, the investor is strongly advised to also consider the risks involved in investing in mutual funds, and in the Offer Shares, as well as the risks that the Fund faces, given its underlying assets whose respective values essentially affect the Fund’s overall net asset value.

Market Risk: Market risk is a risk of possible decline in the value of the Fund due to fluctuations in prices of the fund’s assets. Since the fund may in both equity and fixed income securities, it is subject to two types of market risks: (1) Interest Rate Risk applicable to fixed income securities of the Fund; and (2) Equity Price Risk applicable to the equity investments of the Fund.

Interest Rate Risk: Interest Rate Risk is a type of Market Risk which is applicable to the Fund’s investments in bonds, if any. This refers to the increase/decrease of a bond price due to movement in market factors such as changes in interest rates. A change in interest rates is the period when interest rates rise or fall thus causing the decline or increase in the market price of the bonds held by the Fund, if any. This risk is minimized by closely monitoring the direction of interest rates and aligning it with the appropriate strategy of the Fund.

Credit Risk: Investments in bonds carry the risk that the issuer of the bonds might default on its interest and principal payments. In the event of default, the Fund’s value will be adversely affected and may result in a write-off of the concerned asset held by the Fund. To mitigate the risk, each Issuer/Borrower/Counterparty passes through a stringent credit process to determine whether its credit quality complies with the prescribed standards of the Fund. Further, the credit quality of the Issuer/Borrower/Counterparty is reviewed periodically to ensure that excellent credit standing is maintained. Moreover, a 10% exposure limit to a single entity is likewise observed.

Liquidity Risk: The Fund is usually able to service redemptions of investors within seven (7) banking days after receipt of the notice of redemption by paying out redemptions from available cash or near cash assets in its portfolio. However, when redemptions exceed the Funds available cash or near cash assets in its portfolio, the Fund will have to sell its other security holdings; and during periods of extreme market volatility, the Fund may not be able to find a buyer for such assets. Consequently, the Fund may not be able to generate sufficient cash from its sale of assets to meet the redemptions within the normal seven (7) banking day period. To mitigate this, the Fund maintains adequate highly liquid assets in the form of cash, cash equivalents and near cash assets in its portfolio. As the Fund’s portfolio is composed of liquid assets, liquidity risk is deemed low.

The following are additional risks present in managing the Fund, however, non-quantifiable.

Regulatory Risk: The Fund's investments and operations are subject to various regulations affecting among others, accounting of assets and taxation. These regulations occasionally change, and may result in lower returns or even losses borne by the investors. For example, a higher tax imposed on the sale or purchase of underlying assets of the Fund may result in lower net asset value of the Fund. To mitigate this risk, SLAMCI adopts global best practices. Further, it maintains regular communications with the relevant government agencies to keep itself abreast of the issues giving them concern, and to have the opportunity to help them set standards for good governance. SLAMCI also takes an active participation in the Philippine Investment Funds Association, Inc. ("PIFA"), an association of mutual fund companies in the Philippines.

Non-guarantee: Unlike deposits made with banks, an investment in the Fund is neither insured nor guaranteed by the Philippine Deposit Insurance Corporation ("PDIC"). Hence, investors carry the risk of losing the value of their investment, without any guaranty in the form of insurance. Moreover, as with any investment, it is important to note that past performance of the Fund does not guarantee its future success.

Dilution Risk: Being an open-end mutual fund, various investors may effectively subscribe to any amount of shares of the Fund. As such, investors face the risk of their investments being diluted as more investors subscribe to shares of the Fund. The influence that the investors can exert over the control and management of the Fund decreases proportionately.

Large Transaction Risk: If an investor in a Fund makes a large transaction, the Fund's cash flow may be affected. For example, if an investor redeems a large number of shares of a Fund, that Fund may be forced to sell securities at unfavorable prices to pay for the proceeds of redemption. This unexpected sale may have a negative impact on the net asset value of the Fund.

Fund Manager Risk: The performance of the Fund is also dependent on the Fund Manager's skills. Hence, the Fund may underperform in the market and/or in comparison with similar funds due to investment decisions made by the Fund Manager, and may also fail to meet the Fund's investment objectives. The Board of Directors of the Issuer, however, shall ensure that all investment policies and restrictions enumerated in this Prospectus are strictly followed.

Operational Risk: This is the risk of loss resulting from inadequate or failed internal processes, controls, people and systems. Categories of operational risks may fall under: sales and distribution, human resources, information technology, processes and people, accounting and finance, model risk, legal and regulatory and third party relationships. The Fund ensures that the internal controls and practices are consistent with enterprise wide policies supporting the management of operational risks. The Fund has established business specific guidelines. Comprehensive investment program, including appropriate level of self-insurance, is maintained to provide protection against potential losses.

The above risk factors are by no means exhaustive. New and/or unidentified risks may arise given the fast changing financial markets and economic environment.

Classification of the Fund into high, moderate or low risk investment: In furtherance of its investment objective, that is, to generate income in Philippine Pesos consistent with prudent management of the Fund's assets, the Fund's portfolio may consist of fixed income and other related securities of the Philippine Government, and commercial papers issued by corporations within the Philippines, certificates of deposits, and other short-term instruments. Considering the nature of the aforementioned investments, the Fund is classified as a conservative investment.

Item 2. Properties

The Fund has financial assets in the form of cash and fixed income securities only. As prescribed by SEC Rules, all of its assets are held by its custodian bank, Citibank N.A..

Office space of the Fund is provided by SLAMCI pursuant to the Management Agreement between them. The Fund does not intend to acquire any real property in the course of its business.

Item 3. Legal Proceedings

There is no material pending legal proceeding to which the Fund or any of its affiliates is a party, or of which any of their property is the subject.

Item 4. Submission of Matters to a Vote of Security Holders

During the Annual Stockholders’ Meeting held on 14 July 2021, the required vote of at least 2/3 of the outstanding capital stock was met. Likewise, the Fund met the required quorum of majority of the outstanding capital stock. As such, the Fund was able to get the stockholder approval on the election of the directors for the term 2021-2022 as follows: Benedicto C. Sison, Ma. Josefina A. Castillo, Gerald L. Bautista, Teresita J. Herbosa (independent), Cielito F. Habito (independent), and Oscar M. Orbos (independent).

PART II - OPERATIONAL AND FINANCIAL INFORMATION

Item 5. Market for Registrant's Common Equity and Related Stockholder Matters

1. Market Information

The shares of the Fund are traded over-the-counter. The Fund’s common stocks are available through registered representatives and eligible securities dealers that have entered into an agreement to sell shares with the Fund’s Principal Distributor, SLAMCI.

The following table shows the ranges of high and low prices (NAVPS) of the Fund’s common shares for each quarter within the last two calendar years:

	2021		2020	
	High	Low	High	Low
Q1	P1.3008	P1.2967	P1.2740	P1.2647
Q2	P1.3054	P1.3011	P1.2834	P1.2742
Q3	P1.3106	P1.3054	P1.2907	P1.2835
Q4	P1.3157	P1.3107	P1.2966	P1.2908

The Fund’s NAVPS is published daily through Business World, PSE Website, Philippine Daily Inquirer and Sun Life Websites.

Below table shows the investment company return information of the Fund in the last five (5) recently completed fiscal years:

Year on year yield (1-year)	1.4980%
3 Year - Simple	7.9593%
5Year - Simple	13.3150%

2. Holders

The Fund has approximately 57,510 shareholders as of December 31, 2021.

On 7 March 2013, SEC *en banc* approved the confidential treatment of the list of Top 20 shareholders of the Fund, including the 5% and 10% beneficial owners. This is to protect the investors' privacy, which is a privilege they enjoy when they invest in other shared investment vehicles, such as unit investment trust funds, and when they invest in bank deposits.

The following table shows the number of institutional and retail investors and the percentage of their investments, and the geographic concentration of investments as of December 31, 2021.

% Ownership of Institutional Investors	% Ownership of Retail Investors
85.77%	14.23%

Area	Percentage of Investments
LUZON	94%
VISAYAS	4%
MINDANAO	2%
TOTAL	100%

3. Dividends

The Fund has not declared cash dividends to date. Stock dividends of two percent (2%) as of record date were declared in 2006, 2007 and 2008.

The Board of Directors of the Fund has the power to fix and determine the amount to be reserved or provided for declaration and payment of dividends from the Fund's unrestricted retained earnings. The amount of such dividends (either in cash, stock, property or a combination of the foregoing) will depend on the Fund's profits, cash flows, capital expenditure, financial condition, and other factors. The existence of surplus profit arising from the operation of the Fund is needed before a dividend can be declared. The surplus profits or income must be a bona fide income founded upon actual earnings or profits. Actual earnings or profits shall be the net income for the year based on the audited financial statements, adjusted for unrealized items, which are considered not available for dividend declaration.

Cash dividends and property dividends may be declared by the Board of Directors and no stockholder approval is required. Stock dividends paid on the Offer Shares are subject to approval by both the Board of Directors and the stockholders representing at least two-thirds (2/3) of the outstanding capital stock of the Fund at a stockholders' meeting called for such purpose.

Under the Revised Corporation Code, Corporations with surplus profit in excess of 100% of its paid-in capital stock are required to declare dividends (cash or stock) and distribute it to its stockholders.

Dividends so declared will be automatically reinvested in additional shares on behalf of the shareholders, without sales charges, at the NAVPS on the payment date established for such dividends. Shareholders may also elect not to have dividends reinvested and receive payment in cash, net of tax.

Item 6. Management's Discussion and Analysis or Plan of Operation.

The Performance of the Fund could be measured by the following indicators:

1. **Increase/Decrease in Net Assets Value per Share (NAVPS.)** NAVPS is computed by dividing net assets (total assets less total liabilities) by the total number of shares issued and outstanding plus the total number of shares outstanding due to deposit for future subscriptions (DFFS) and for conversion to shares, if any, as of the end of the reporting day. Any increase or decrease in NAVPS translates to a prospective capital gain or capital loss, respectively, for the Fund's shareholders.

2. **Net Investment Income.** Represents the total earnings of the Fund from its investment securities, less operating expenses and income tax. This gauges how efficiently the Fund has utilized its resources in a given time period.
3. **Assets Under Management (AUM).** These are the assets under the Fund's disposal. This measures investor confidence (increase/decrease brought about by investor subscriptions/redemptions) as well as the growth of the Fund (increase/decrease brought about by its operational income and market valuation of its assets and liabilities).
4. **Cash Flow.** Determines whether the Fund was able to achieve the optimal level of liquidity by being able to meet all its scheduled payments, while maintaining at the same time the maximum investments level and minimum cash level.

Accounting Policies on Financial Assets as at Fair Value through Profit and Loss

Financial assets

Initial recognition and measurement

Financial assets and financial liabilities are recognized when the entity becomes a party to the contractual provisions of the instrument. Regular way purchases and sales of financial assets are recognized on trade-date, the date on which the Fund commits to purchase or sell the asset.

At initial recognition, the Fund measures a financial asset or financial liability at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through profit or loss (FVTPL), transaction costs that are incremental and directly attributable to the acquisition or issue of the financial asset or financial liability. Transaction costs of financial assets and financial liabilities carried at FVTPL are expensed in profit or loss.

Classification and subsequent measurement

The Fund classifies its financial assets in the following measurement categories:

- FVTPL
- Fair value through other comprehensive income (FVTOCI); and
- Amortized cost

As at December 31, 2021 and 2020, the Fund does not have financial assets classified as fair value through FVTOCI.

Classification of financial assets will be driven by the entity's business model for managing the financial assets and the contractual cash flows of the financial assets.

A financial asset is to be measured at amortized cost if: a) the objective of the business model is to hold the financial asset for the collection of the contractual cash flows, and b) the contractual cash flows under the instrument represent solely payment of principal and interest (SPPI).

All other debt and equity instruments must be recognized at fair value.

All fair value movements on financial assets are taken through the statement of comprehensive income, except for equity investments that are not held for trading, which may be recorded in the statement of comprehensive income or in reserves (without subsequent recycling to profit or loss).

Debt instruments

Subsequent measurement of debt instruments depends on the Fund's business model for managing the asset and the cash flow characteristics of the asset. There are two measurement categories into which the group classifies its debt instruments:

- Amortized cost. Assets that are held for collection of contractual cash flows where those cash flows represent SPPI are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in profit or loss when the asset is derecognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.
- FVTPL. Assets that do not meet the criteria for amortized cost are measured at FVTPL. A gain or loss on a debt investment that is subsequently measured at FVTPL and is not part of a hedging relationship is recognized in profit or loss and presented net in the statement of comprehensive income within other gains/(losses) in period in which it arises. Interest income from these financial assets is included in finance income.

The business model reflects how the Fund manages the assets in order to generate cash flows. That is, whether the Fund's objective is solely to collect the contractual cash flows from the assets or to collect both the contractual cash flows and cash flows arising from the sale of assets. If neither of these is applicable, then the financial assets are classified as part of 'other' business model and measured at FVTPL. Factors considered by the Fund in determining the business model for a group of assets include past experience on how the cash flows for these assets were collected, how the asset's performance is evaluated and reported to key management personnel, how risks are assessed and managed and how managers are compensated.

Where the business model is to hold assets to collect contractual cash flows or to collect contractual cash flows and sell, the Fund assesses whether the financial instruments' cash flows represent SPPI. In making this assessment, the Fund considers whether the contractual cash flows are consistent with a basic lending arrangement i.e. interest includes only consideration for the time value of money, credit risk, other basic lending risks and a profit margin that is consistent with a basic lending arrangement. Where the contractual terms introduce exposure to risk or volatility that are inconsistent with a basic lending arrangement, the related financial asset is classified and measured at FVTPL.

Amortized cost and effective interest method

The effective interest method is a method of calculating the amortized cost of a financial asset and of allocating interest income over the relevant period.

For financial instruments other than purchased or originated credit-impaired (POCI) financial assets, the effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) excluding expected credit losses (ECL), through the expected life of the debt instrument, or, where appropriate, a shorter period, to the gross carrying amount of the debt instrument on initial recognition.

The amortized cost of a financial asset is the amount at which the financial asset is measured at initial recognition minus the principal repayments, plus the cumulative amortization using the effective interest method of any difference between that initial amount and the maturity amount, adjusted for any loss allowance. On the other hand, the gross carrying amount of a financial asset is the amortized cost of a financial asset before adjusting for any loss allowance.

Interest income is recognized using the effective interest method for debt instruments measured subsequently at amortized cost. For financial instruments other than POCI financial assets, interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset, except for financial assets that have subsequently become credit-impaired. For financial assets that have subsequently become credit-impaired, interest income is recognized by applying the effective interest rate to the amortized cost of the financial asset. If, in subsequent reporting periods, the credit risk on the credit-impaired financial instrument improves so that the financial asset is no longer credit-impaired, interest income is recognized by applying the effective interest rate to the gross carrying amount of the financial asset.

FINANCIAL MARKETS REVIEW (2021)

INVESTMENT APPROACH

The investment mandate of the Money Market Fund is focused on money market securities which deliver steady accrual income. Portfolio duration is kept at a negligible level to keep price volatility at a minimum. Credit risk, on the other hand, is managed through a stringent adjudication process on a group level. Optimum levels of cash are maintained to support investment and client liquidity requirements.

PERFORMANCE REVIEW

The Bangko Sentral ng Pilipinas continued to keep policy accommodative, maintaining policy rates and continuing open market operations. Treasury bill and money market yields remained roughly the same over the year, as strong demand for short-dated paper persisted amidst the extreme rise in longer maturities where yields rose as much as 150 to 200 basis points). Abundant bank liquidity continued to keep time deposit rates near zero for most of the year, as bank lending portfolios only started to expand in the latter half of the year.

Despite these challenges, the Sunlife Prosperity Money Market fund was able to deliver 1.48% for the year.

Source: Bloomberg

OUTLOOK

The Bangko Sentral ng Pilipinas is likely to remain accommodative for the first half of 2022 as the local economy gets back on its feet following the increase in COVID19 vaccination and more relaxed quarantine restrictions. With bank liquidity still abundant and demand for short-dated paper likely to persist, money market returns may continue trending lower. Nonetheless, the returns that the Fund has provided for the past years have been consistently superior to other similar money market outlets.

FINANCIAL STATEMENTS ANALYSIS

Material Changes in the 2021 Financial Statements

Statement of Financial Position and Statements of Changes in Equity – 31 December 2021 and 31 December 2020

	31-Dec-21	31-Dec-20	Movement	Percentage (%)	MDAS
	Audited	Audited			
Cash and cash equivalents	P 24,723,816,674	P 20,963,514,405	P 3,760,302,269	17.94%	The increase was due to additional short-term placements during the period classified as cash equivalents.
Financial assets at fair value through profit or loss	46,763,747,555	12,473,030,164	34,290,717,391	274.92%	The increase was related to net acquisition of fixed-income investments and UITFs offset by lower unrealized gains during the period.
Financial assets at amortized cost	54,882,116,638	49,011,210,590	5,870,906,048	11.98%	The increase was mainly due to acquisition of treasury bonds and notes partly offset with maturities and disposals during the period.
Accrued interest receivable	906,936,231	448,645,780	458,290,451	102.15%	Collection of interest depends on the scheduled interest payments of each asset.
Other current assets	286,973	34,220,566	(33,933,593)	-99.16%	The decrease mainly pertains to application of prepaid taxes in the income tax payable of the Fund during the year.
Deferred tax assets	28,819,767	17,089,610	11,730,157	68.64%	The increase pertains to DTA from accrual of SEC fees and from ECL provision which was partly offset with the DTA application for excess MCIT over RCIT and change in tax rates (CREATE).
Total Assets	127,305,723,838	82,947,711,115	44,358,012,723	53.48%	
Accrued expenses and other payables	98,854,020	149,023,649	(50,169,629)	-33.67%	The decrease was due to settlement of 2020 outstanding proceeds payable to investors for redemption of their investments processed on or before end of the reporting period, which are usually settled one (1) day after the transaction date. It was partly offset with the additional accrual for filing and registration fees payable to SEC for the Fund's application for ACS increase.
Payable to fund manager	41,831,358	26,944,070	14,887,288	55.25%	Increase in this account was due to higher AUM for the period.
Income tax payable	71,475,494	-	71,475,494	100.00%	Increase in net taxable income also increase the income tax payable for the year.
Total Liabilities	212,160,872	175,967,719	36,193,153	20.57%	
Share capital	199,999,994	199,999,994	-	0.00%	
Deposit for future stock subscriptions	100,135,343,464	56,482,089,375	43,653,254,089	77.29%	DFFS received recorded in this account since the Company met all the requirements to be classified as equity.
Additional paid in capital	21,654,070,848	22,383,608,539	(729,537,691)	-3.26%	
Retained earnings	5,194,851,220	3,706,055,862	1,488,795,358	40.17%	Net income for the period.
Treasury Shares	(90,702,560)	(10,374)	(90,692,186)	874225.81%	Due to net acquisition of treasury shares during the period.
Net Assets	127,093,562,966	82,771,743,396	44,321,819,570	53.55%	Due to DFFS classified as equity and net income offset with net acquisition of treasury shares for the year.
Net Assets Value per Share	P 1.3156	P 1.2969	P 0.0187	1.45%	

There were no known trends, demands, commitments, events or uncertainties that will result in or that are reasonably likely to result in increasing or decreasing the Fund's liquidity in any material way.

There was no contingent liability reflected in the accompanying audited financial statements.

The Fund does not anticipate having any cash flow or liquidity problems as it complies with the liquidity requirements per ICA-IRR 6.10. The Fund was able to meet all its monetary obligations to its shareholders (for redemption) and creditors for the period covered. It does not foresee any event that could trigger a direct or contingent financial obligation that is material to its operations.

There were no material off-balance sheet transactions, arrangements, obligations (including contingent obligations), and other relationships of the Fund with unconsolidated entities/other persons created during the reporting period. Likewise, there are no material commitments for capital expenditures, known trends, events, or uncertainties that have had or that are reasonably expected to have a material impact on net income/revenue from the continuing operations of the Fund.

There are no other significant events and transactions from the last annual reporting period that is required for disclosure this year.

**Statement of Comprehensive Income for the Years Ended –
31 December 2021 and 31 December 2020**

	31-Dec-21	31-Dec-20	Movement	Percentage (%)	MDAS
	Audited	Audited			
Investment Income	P 2,403,488,611	P 1,862,514,986	P 540,973,625	29.05%	The increase mainly pertains to higher interest income received from additional investments in special savings deposits during the period offset by the decrease in trading gains realized upon disposal of investments.
Operating Expenses	552,693,415	295,478,400	257,215,015	87.05%	This is due to the increase in management and distribution fees brought by higher average AUM for the period coupled with recorded provision for ECL and increase in custodianship fees and professional fees during the year.
Net Unrealized Gains on Investments	20,285,651	24,082,460	(3,796,809)	-15.77%	Decrease due to lower fair value of the investments in equity securities (UITFs) during the period.
Provision for Income Tax	382,285,489	185,389,877	196,895,612	106.21%	Final taxes of interest income earned from fixed income investments and corporate income tax with effect of DTA recognized for the period.
Net Investment Income	1,488,795,358	1,405,729,169	83,066,189	5.91%	

Average daily net asset value in 2021 and in 2020 is PHP 101,622,576,817 and PHP 58,479,001,926, respectively.

The Fund has no unusual nature of transactions or events that affect assets, liabilities, equity, net income or cash flows.

There were no commitments, guarantees and contingent liabilities that arise in the normal course of operations of the Fund which are not reflected in the accompanying audited financial statements. The management of the Fund is of the opinion that there were no income or losses from these items that will have any material effect on its audited financial statements.

There were no known material events subsequent to the end of the annual reporting period that have not been reflected in the Fund's audited financial statements as at the period ended December 31, 2021. There were no significant elements of income or loss that did not arise from the Fund's continuing operations.

There were no changes in estimates of amount reported in the current financial year or changes in estimates of amounts reported in prior financial years.

There were no seasonal aspects that had a material effect on the financial condition or results of operations of the Fund.

The Fund is also governed by the following fundamental investment policies:

1. It does not issue senior securities.
2. It does not intend to incur any debt or borrowing. In the event that borrowing is necessary, it can do so only if, at the time of its incurrence or immediately thereafter, there is asset coverage of at least 300% for all its borrowings.
3. It does not participate in any underwriting or selling group in connection with the public distribution of securities, except for its own share capital.
4. It generally maintains a diversified portfolio. Industry concentrations may vary at any time depending on the investment manager's view on the prospects.
5. It does not invest directly in real estate properties and developments.
6. It does not purchase or sell commodity futures contracts.
7. The proportion of the Fund's assets that shall be invested in each type of security shall be determined from time to time, as warranted by economic and investment conditions.

8. Subscribers are required to settle their subscriptions in full upon submission of their application for subscriptions.
9. The Fund may use various techniques to hedge investment risks.
10. It does not change its investment objectives without the prior approval of a majority of its shareholders.

Item 7. Financial Statements

Copies of the following audited financial statements are attached as Exhibits:

1. Statements of Financial Position, 2021, 2020
2. Statements of Comprehensive Income, 2021, 2020, 2019
3. Statements of Changes in Equity, 2021, 2020, 2019
4. Statements of Cash Flows, 2021, 2020, 2019
5. Notes to Financial Statements

Item 8. Changes in and Disagreements with Accountants on Accounting and Financial Disclosure

Navarro Amper & Co./Deloitte Touche Tohmatsu, with address at 19/F Net Lima Plaza, 5th Avenue corner 26th Street, Bonifacio Global City, Taguig City, Philippines, has acted as external auditor since the Fund started operations in 2004.

There has been no disagreement with the accountants on any accounting and financial disclosures.

External Audit Services/Audit and Audit-Related Fees

For 2021 and 2020, aggregate fees billed for professional services rendered by the external auditor for the audit of the Fund's annual financial statements and services normally provided by external auditors in connection with statutory and regulatory filings amounted to PHP937,248 and PHP420,948, respectively, inclusive of VAT and out-of-pocket expenses. Audit fees include payments for agreed-upon procedures and legal assistance for the application of ACS Increase of the Fund. There were no other payments made to the auditor for any other service, including assurance, tax and related services.

External auditors of the Fund are designated in accordance with Section 29 of the Investment Company Act subject to ratification at the annual stockholders' meeting by the vote of a majority of the outstanding voting securities attending.

The Fund's Board of Directors has an Audit and Compliance Committee, which is composed of Mr. Oscar S. Reyes (independent director) as Chairman, and Atty. Aleli Angela G. Quirino (independent director) and Atty. Oscar M. Orbos (independent director) as members. The Audit and Compliance Committee has considered and endorsed for the approval of the Board of Directors the external auditor's service fees, which were so approved.

PART III - CONTROL AND COMPENSATION INFORMATION

Item 9. Directors and Executive Officers

A brief write-up on the business experience of the incumbent directors and executive officers of the Fund follows:

BENEDICTO C. SISON

Chairman (2018 to present)

Director (2015 to 2018)

Mr. Benedicto C. Sison is the CEO and Country Head of the Sun Life group of companies in the Philippines from 01 July 2018. He is also the President of Sun Life Financial Philippine Holding Company, Inc. (December 2015 to present) and serves as the Director and Chairman of the seventeen Sun Life Prosperity Funds i.e., Sun Life of Canada Prosperity Balanced Fund, Inc., Sun Life of Canada Prosperity Bond Fund, Inc., Sun Life of Canada Prosperity Philippine Equity Fund, Inc., Sun Life Prosperity Dollar Abundance Fund, Inc., Sun Life Prosperity Dollar Advantage Fund, Inc., Sun Life Prosperity Dynamic Fund, Inc., Sun Life Prosperity Philippine Stock Index Fund, Inc., Sun Life Prosperity GS Fund, Inc., Sun Life Prosperity Peso Starter Fund, Inc. (formerly Sun Life Prosperity Money Market Fund, Inc.), Sun Life Prosperity Dollar Wellspring Fund, Inc., Sun Life Prosperity World Voyager

Fund, Inc., (September 2015 to present), Sun Life Prosperity Dollar Starter Fund, Inc., Sun Life Prosperity World Equity Index Feeder Fund, Inc. (2017 to present), Sun Life Prosperity Achiever Fund 2028, Inc., Sun Life Prosperity Achiever Fund 2038, Inc., Sun Life Prosperity Achiever Fund 2048, Inc. (2018 to present), and Sun Life Prosperity Peso Voyager Feeder Fund, Inc. (January 2022). He is also the Director and Chairman of the Grepalife Funds such as Grepalife Balanced Fund Corporation, Grepalife Dollar Bond Fund Corporation, and Grepalife Fixed Income Fund Corporation (September 2015 to present). He is the Vice President of Sun Life Financial – Philippines Foundation, Inc., (September 2015 to present) where he also served as Trustee (September 2010 to September 2013). He is currently a Senior Advisor to the Board of Trustees of the Philippine Investment Funds Association (PIFA) and Treasurer of the Philippine Life Insurance Association (PLIA).

Prior to his current role, Mr. Sison served as the Chief Strategy and Financial Management Officer of Sun Life of Canada (Philippines), Inc. (April 2015 to 2018). He also served as Chief Financial Officer of Sun Life Financial Asia (November 2012 to March 2015), Director of Sun Life Hong Kong Limited (December 4, 2012 to May 14, 2015), Commissioner of PT. Sun Life Indonesia Services (February 21, 2013 to July 5, 2013) and Commissioner of PT. Sun Life Indonesia (April 19, 2013 to April 23, 2015). He was also the Director/CFO and Treasurer of Sun Life Financial Philippine Holding Company, Inc. (September 2010 to December 2013), CFO and Treasurer of Sun Life Financial Plans, Inc. (September 2010 to December 2013), Director of Great Life Financial Assurance Corporation (July 2012 to September 2013) and Chief Financial Officer and Treasurer of Sun Life Asset Management Company, Inc. (September 2010 to June 2013) and Sun Life of Canada (Philippines), Inc. (September 2010 to October 2012). He also served as the Finance Director – Asia Pacific of Con-Agra International Food Group (September 2006 to August 2010).

He brings to the job a wealth of international finance experience gained primarily from ConAgra Foods, Inc., a multi-billion dollar global consumer products company. He held various positions with increasing responsibility in the areas of audit, financial control, planning and management in ConAgra's US, India and Asia-Pacific Operations. He was the Finance Director for the Asia Pacific Region, based in China, prior to joining Sun Life. Benedict also worked in the academe as well as in the aerospace, defense and public transit industries in the USA.

Mr. Sison is a Magna Cum Laude graduate of BS Business Administration from the University of the Philippines (1983). He earned his Master's degree in Business Administration, Major in Finance/Accounting (1988) from the Graduate School of Management of the University of California Riverside. He is a Certified Public Accountant (CPA) and is a member of the American Institute of CPAs.

VALERIE N. PAMA

President / Director (March 2022 – present)

Ms. Valerie N. Pama is currently the Chief Asset Management Officer ("CAMO") of Sun Life of Canada (Philippines), Inc. Since November 1, 2019, Ms. Pama, in her capacity as CAMO, has been responsible for the expansion and development of the various initiatives to drive the profitability and growth of Sun Life's overall asset management business providing strategic direction and development of long-term plans and policies.

Currently, Ms. Pama is a Member and Trustee of Sun Life Financial-Philippines Foundation, Inc. (October 2020 to present), Member and Trustee of Filipina CEO Circle (2015 and 2018, respectively to present), Member of Management Association of the Philippines (2015 to present) and Financial Executives of the Philippines (2013 to present).

Ms. Pama is also the Chairman and Director of Grepalife Asset Management Corporation (December 2021 to present). She is the President and Director of seventeen (17) Sun Life Prosperity Funds, i.e. Sun Life of Canada Prosperity Balanced Fund, Inc., Sun Life of Canada Prosperity Philippine Equity Fund, Inc., Sun Life of Canada Prosperity Bond, Inc., Sun Life Prosperity Dollar Advantage Fund, Inc., Sun Life Prosperity Peso Starter Fund, Inc., Sun Life Prosperity Dollar Abundance Fund, Inc., Sun Life Prosperity GS Fund, Inc., Sun Life Prosperity Dynamic Fund, Inc., Sun Life Prosperity Philippine Stock Index Fund, Inc., Sun Life Prosperity Dollar Wellspring Fund, Inc., Sun Life Prosperity World Voyager Fund, Inc., Sun Life Prosperity Dollar Starter

Fund, Inc., Sun Life Prosperity World Equity Index Feeder Fund, Inc., Sun Life Prosperity Achiever Fund 2028, Inc., Sun Life Prosperity Achiever Fund 2038, Inc., Sun Life Prosperity Achiever Fund 2048, Inc., and Sun Life Prosperity Peso Voyager Feeder Fund, Inc. (March 2022 to present). She is also the Director of BESTSERVE Financial Ltd. (HKG) (January 2021 to present)

Ms. Pama was previously the Director and President of Sun Life Investment Management and Trust Corporation (September 2020 to June 2021), responsible for its establishment and preparations for operations.

She also served as the Chief Operating Officer of SLAMCI (2011 to 2012) before being appointed as its President in 2013. With over seven years as President of SLAMCI, Ms. Pama has made tremendous contributions by leading it into becoming the number one non-bank asset management company. Under her vision and leadership, the company achieved great milestones: growing from three (3) mutual funds to sixteen (16) mutual funds to over Php100 Billion in Assets Under Management (AUM), launch of the Sun Life Prosperity Card, expanding the sales force into having the most number of Mutual Fund-licensed advisors in the industry and garnering numerous awards from the Philippine Investment Funds Association (PIFA). Another noteworthy recognition for SLAMCI under her management was being named the best asset management company for the Philippines from Euromoney's 2018 Private Banking and Wealth Management survey.

Ms. Pama is a veteran banker, having been in the industry for 20 years. She started her career with Citibank N.A. in 1990 as a Management Associate, wherein she obtained exposure in various segments of the business, assuming progressively senior roles over the years. She had worked in treasury/capital markets, loans, equity sales, customer funding sales, brokerage and money market sales. By the time she retired from Citibank N.A. in 2009, Ms. Pama was the President of Citicorp Financial Services and Insurance Brokerage Inc.

Prior to joining Sun Life, Ms. Pama was a Product Development consultant for ING Bank's Investment Management Group.

Ms. Pama was a member of the Board of Trustees of the Philippine Investment Funds Association (PIFA) from 2011 to 2020 and served as its Chairman from 2013 to 2015. This enabled her to represent the mutual fund industry in advocating investor literacy, customer protection and regulatory advancements to government agencies, key market players and the general public.

Ms. Pama is a graduate of the Ateneo de Manila University with a Bachelor of Science degree in Management Engineering. She obtained her Masters in Business Administration in International Business and Finance, with a minor in Business Economics from Katholieke Universiteit Leuven in Belgium. She was awarded With Distinction by the university for her exemplary academic performance on her final year.

TERESITA J. HERBOSA

Independent Director (July 2021 to present)

Atty. Teresita J. Herbosa, 70 years old, is currently an Independent Director of Sun Life of Canada Prosperity Bond Fund, Inc.; Sun Life Prosperity Peso Starter Fund, Inc.; (July 2021), and Sun Life Prosperity Peso Voyager Feeder Fund, Inc. (January 2022). Presently, she is also a Director of Telecommunications Connectivity Inc. (December 2019) and a member of the Board of Trustee of CHS Alumnae Foundation Inc. (March 2021).

She was the Chairperson of the Securities and Exchange Commission ("SEC") from May 2011 to June 2018, and as such occupied other positions such as member of the Anti-Money Laundering Council, Chairperson of the Credit Information Corporation, the Microfinance NGO Regulatory Council, and the Capital Market Development Forum.

As SEC Chairperson, Atty. Herbosa was involved in the Asean Capital Markets Forum as Chair of its Committee on Corporate Governance responsible for the first Asean Top 50 Publicly Listed Companies. She

initiated and proposed significant amendments to the Corporation Code of 1985 to Congress culminating in the enactment of the Revised Corporation Code in February 2019. She also participated in the passage of the Personal Property Securities Act.

As a consequence of the various reforms under Atty. Herbosa's leadership, for two consecutive years, 2015 and 2016, SEC emerged, based on two nationwide surveys, as no.1 in the sincerity rating particularly in the fight against corruption among 35 government agencies.

Prior to her SEC Chairmanship post, she engaged in the private practice of law at the Angara Abello Concepcion Regala & Cruz Law Offices ("ACCRALAW") specializing in litigation and dispute resolution for 33 years and often cited by foreign legal publications as one of the top litigation lawyers of the country.

In July 2019, she re-joined ACCRALAW as Of Counsel, and continues as MCLE and PHILJA lecturer, on corporation and other commercial laws. Presently, she has resumed teaching at UP LAW BGC, DLSU COL BGC and LPU COL Makati.

Atty. Herbosa co-authored in 2019 "The Revised Corporation Code of the Philippines Its Theories and Applications," and relatedly gives lectures. In line with her advocacy, she participated in the UNICEF-sponsored lecture series "Trainers' Course on Child Sensitive Investigation" for three years for more than 1,500 policemen and in the preparation of the video-taped materials shown at the PHILJA training of Family Court judges. She still lectures for PHILJA but this time on financial crimes and corporate and securities fraud.

She has written numerous law articles such as "Comments involving Crimes of Moral Turpitude" and the Foreword Vol 92 July 2019, for the Philippine Law Journal, others on various legal topics for the Philippine Star and contributed "Balancing Ethics and Regulation" for the FINEX anniversary publication "Ethics Black While or Gray" In 2018. From October 2019 to March 2020, she wrote a comprehensive training module for the investigation and prosecution of violations of the Securities Regulation Code in connection with the Anti-Money Laundering Act.

Atty. Herbosa finished AB Political Science *cum laude* at the University of the Philippines – Diliman, and her Bachelor of Laws *cum laude* and class salutatorian from the UP College of Law. She also has a Master of Comparative Law degree from the University of Michigan. In 2014, she was awarded the UP Distinguished Alumni Award for Public Service.

CIELITO F. HABITO

Independent Director (July 2021 to present)

Dr. Cielito F. Habito is an Independent Director of Sun Life Prosperity GS Fund, Inc.; Sun Life of Canada Prosperity Balanced Fund, Inc.; Sun Life of Canada Prosperity Balanced Fund, Inc.; Sun Life of Canada Prosperity Philippine Equity Fund, Inc.; Sun Life Prosperity Philippine Stock Index Fund, Inc.; Sun Life Prosperity Dollar Abundance Fund, Inc.; Sun Life Prosperity Dollar Advantage Fund, Inc.; Sun Life Prosperity Dollar Wellspring Fund, Inc.; Sun Life Prosperity World Voyager Fund, Inc.; Sun Life Prosperity Achiever Fund 2038, Inc.; Sun Life Prosperity Achiever Fund 2048, Inc.; Sun Life of Canada Prosperity Bond Fund, Inc.; Sun Life Prosperity Peso Starter Fund, Inc. (July 2021); and Sun Life Prosperity Peso Voyager Feeder Fund, Inc. (January 2022).

He is a Professor of Economics at the Ateneo de Manila University, where he is also a Senior Fellow and former Director (2001-2012) of the Ateneo Center for Economic Research and Development. He also serves as Chairman of Brain Trust Inc., Operation Compassion Philippines, and the Board of Advisers of the TeAM Energy Center for Bridging Leadership at the Asian Institute of Management; Independent Director of First Gen Corporation; Trustee of the Ramon Magsaysay Award Foundation and the Ramos Peace and Development Foundation; Independent Trustee of the Manila Water Foundation; and Member of the National Advisory Council of WWF-Philippines (also known as Kabang Kalikasan sa Pilipinas), JICA-Philippines Advisory Committee, and the World Bank Civil Society Advisory Group.

He had also previously served in the Boards of Manila Water Company, Metropolitan Bank & Trust Company, Metrobank Card Corporation, Frontier Oil Corporation, Mutual Fund Company of the Philippines, One Wealthy Nation (OWN) Fund, Steel Corporation of the Philippines, Philsteel Holdings, Solidbank and Lepanto Consolidated Mining Co.

He served in the Cabinet of former President Fidel V. Ramos throughout his presidency in 1992-1998 as Secretary of Socioeconomic Planning, and Director-General of the National Economic and Development Authority (NEDA). Before joining government, he was Professor and Chair at the Department of Economics of the University of the Philippines-Los Baños (UPLB). He had also worked as Visiting Fellow of the Asian Development Bank Institute in Tokyo, Visiting Professor at the Asian Institute of Management and De La Salle Graduate School of Business, Visiting Research Fellow at the Center for Southeast Asian Studies in Kyoto University, Teaching Fellow at Harvard University and Research Consultant at the World Bank.

Dr. Habito is the recipient of numerous awards including the Presidential Award (2019) and Most Outstanding Alumnus Award (1993) of the UPLB Alumni Association, Philippine Legion of Honor (1998), The Outstanding Young Men (TOYM) of 1991, and the Gawad Lagablab (Outstanding Alumnus Award) of the Philippine Science High School (1991).

He graduated with a Bachelor of Science in Agriculture, *Summa cum laude* from the University of the Philippines-Los Baños in 1975. He earned a Master of Economics from the University of New England (Australia) in 1978 and Master of Arts in Economics (1981) and Ph.D. in Economics (1984) from Harvard University.

CESAR LUIS F. BATE

Independent Director (November 2021 to present)

Mr. Cesar Luis F. Bate is an Independent Director of twelve (12) Sun Life Prosperity Funds namely: Sun Life of Canada Prosperity Bond Fund, Inc., Sun Life Prosperity Dollar Abundance Fund, Inc., Sun Life Prosperity Dollar Advantage Fund, Inc., Sun Life Prosperity Dynamic Fund, Inc., Sun Life of Canada Prosperity Philippine Equity Fund, Inc., Sun Life Prosperity Philippine Stock Index Fund, Inc., Sun Life Prosperity Peso Starter Fund, Inc., Sun Life Prosperity World Voyager Fund, Inc., Sun Life Prosperity Dollar Starter Fund, Inc., Sun Life Prosperity Dollar Wellspring Fund, Inc., Sun Life Prosperity World Equity Index Feeder Fund, Inc., and Sun Life Prosperity Achiever Fund 2028, Inc.

Currently, Mr. Bate is the Managing Director of LMN Advisors/Partners Inc. ("LMN"). He established the consultancy firm LMN in October 2006 after being a stockbroker for 20 years. Prior to LMN, Mr. Bate was head of the Philippine operations of Macquarie Securities Philippines from 2004 to 2006. From 1995 to 2004, he was President of Dutch-owned ING Securities Philippines which was the country's largest stock brokerage house for years under his ten-year tenure. Mr. Bate started his career as a stockbroker with the local house A&A Securities in 1987 and joined British-owned Baring Securities as Head of Philippine sales in 1992.

Bate is a registered and authorized salesman of A&A Securities, Inc. He is an Independent Director of RM Commercial REIT, Inc. (2021 to present) and Director of Acacia Lane, Inc. (1980 to present). He was also a Member of the Board of Trustees of Jose Rizal University (2007 to 2016).

Mr. Bate graduated with a Bachelor of Science in Management Engineering from Ateneo de Manila University in 1984.

GERALD L. BAUTISTA

Director (September 2020 to present)

Mr. Gerald L. Bautista, is the President and the Head of Distribution of Sun Life Asset Management Company, Inc. (October 2020). He is also a Director of the Sun Life Prosperity Peso Starter Fund, Inc., and

Sun Life Prosperity World Equity Index Feeder Fund, Inc. (Sept 2020). He joined the company in 2008 and has been instrumental for the growth and expansion of the bank, brokerage and online channel business for Sun Life Asset Management. He took on the role as Head of the Agency channel in 2019; wherein he institutionalized sales growth strategies, risk policies and distribution channel management practices.

Mr. Bautista has been in the mutual fund industry for two decades now. Prior to joining the financial sector, he had a short stint with the government under the Foreign Service Institute, Dept. of Foreign Affairs as a research assistant. Thereafter, he joined the asset management industry as a Business Development Officer and subsequently handled Institutional Sales for Philam Asset Management, Inc. After his post-graduate program, he moved to the banking industry with Standard Chartered Bank handling Trust Marketing functions and was promoted as Product Manager handling various financial instruments, including - mutual funds, structured notes, time deposits and bancassurance products. In 2008, Sun Life Asset Management hired him to further develop and expand its distribution channels.

He is a graduate of De La Salle University, Manila with a Bachelor of Arts degree in Political Science. He took his higher education at Oxford Brookes University Business School in Oxford, United Kingdom where he obtained a Master's degree in Business Administration focusing on Global Marketing Strategy (with Merit). He is a Certified Investment Solicitor (CIS) with the Securities & Exchange Commission.

SHERWIN S. SAMPANG

Treasurer (November 2021 – present)

Mr. Sherwin S. Sampang is the Treasurer of the Sun Life Prosperity Funds, i.e., the Sun Life Prosperity Dollar Abundance Fund, Inc.; Sun Life Prosperity Dollar Advantage Fund, Inc.; Sun Life of Canada Prosperity Balanced Fund, Inc.; Sun Life of Canada Prosperity Bond Fund, Inc.; Sun Life Prosperity Dynamic Fund, Inc.; Sun Life of Canada Prosperity Philippine Equity Fund, Inc.; Sun Life Prosperity GS Fund, Inc.; Sun Life Prosperity Peso Starter Fund, Inc.; Sun Life Prosperity Philippine Stock Index Fund, Inc.; Sun Life Prosperity Dollar Wellspring Fund, Inc.; Sun Life Prosperity World Voyager Fund, Inc.; Sun Life Prosperity Dollar Starter Fund, Inc.; Sun Life Prosperity World Equity Index Feeder Fund, Inc.; Sun Life Prosperity Achiever Fund 2028, Inc.; Sun Life Prosperity Achiever Fund 2038, Inc.; and Sun Life Prosperity Achiever Fund 2048, Inc.

Mr. Sherwin S. Sampang is Sun Life Philippines' Head of Financial Planning & Analysis (October 2021 to present). Concurrently, Mr. Sampang is the Treasurer of Sun Life Financial Plans, Inc. (October 2017 to present). He joined Sun Life as Head of Finance Systems, Processes and Internal Controls (September 2016 to October 2018). He later assumed the role of Head of Accounting and Controllershship (November 2018 to September 2021).

Mr. Sampang has over 20 years of local and international experience in Finance and Audit. Prior to joining Sun Life, he was the Head of Finance of QBE Seaboard Insurance Philippines, Inc. His experience includes financial management leadership covering financial reporting, budgeting, forecasting, strategic planning, cost management, business process re-engineering, taxation and treasury. Prior to QBE Seaboard, he was a Director in the assurance practice of PwC Philippines and has acquired extensive international exposure from his 18-month secondment with Deloitte in Boston, MA, USA. He graduated with a degree in Bachelor of Science in Accountancy from Far Eastern University and attended the Management Development Program of the Asian Institute of Management. Mr. Sampang maintains active membership in the Philippine Institute of Certified Public Accountants (PICPA) and is currently a Board of Director of the Philippine Federation of Pre-Need Plan Companies, Inc.

JEMILYN S. CAMANIA

(2012 to 2020), Sun Life Prosperity Philippine Stock Index Fund, Inc., Sun Life Prosperity Dollar Wellspring Fund, Inc., Sun Life Prosperity World Voyager Fund, Inc. (2015 to 2020), Sun Life Prosperity World Equity Index Feeder Fund, Inc., and Sun Life Prosperity Achiever Fund 2028, Inc., Sun Life Prosperity Achiever Fund 2038, Inc., and Sun Life Prosperity Achiever Fund 2048, Inc. (2018 to 2020); Grepalife Asset Management Corporation (2011 to 2020); the three Grepalife Mutual Funds i.e., Grepalife Balanced Fund Corporation, Grepalife Dollar Bond Fund Corporation and Grepalife Fixed Income Fund Corporation (2011 to 2020); and the Assistant Corporate Secretary of Sun Life Grepa Financial, Inc. (2011 to 2020). Prior to joining Sun Life, she worked as an Associate at the Cayetano Sebastian Ata Dado & Cruz Law Offices (2001 to 2004).

Atty. Camania received her Bachelor of Arts in Psychology (1992) and Bachelor of Laws (2001) degrees from the University of the Philippines (Diliman). She passed the Bar Examinations in 2002. She is also a Fellow, Life Management Institute (2010), Professional, Customer Service (with honors) (2011), and Associate, Insurance Regulatory Compliance (2014) of the Life Office Management Association (LOMA).

ANNA KATRINA C. KABIGTING-IBERO

Corporate Secretary (April 2020 to present)

Atty. Anna Katrina C. Kabigting-Ibero is the Corporate Secretary of the sixteen Sun Life Prosperity Funds i.e., Sun Life of Canada Prosperity Balanced Fund, Inc., Sun Life of Canada Prosperity Bond Fund, Inc., Sun Life of Canada Prosperity Philippine Equity Fund, Inc., Sun Life Prosperity Dollar Abundance Fund, Inc., Sun Life Prosperity Dollar Advantage Fund, Inc., Sun Life Prosperity Dollar Starter Fund, Inc., Sun Life Prosperity Dynamic Fund, Inc., Sun Life Prosperity Philippine Stock Index Fund, Inc., Sun Life Prosperity GS Fund, Inc., Sun Life Prosperity Peso Starter Fund, Inc. (formerly Sun Life Prosperity Money Market Fund, Inc.), Sun Life Prosperity Dollar Wellspring Fund, Inc., Sun Life Prosperity World Voyager Fund, Inc., Sun Life Prosperity World Equity Index Feeder Fund, Inc., Sun Life Prosperity Achiever Fund 2048, Inc., Sun Life Prosperity Achiever Fund 2038, Inc., Sun Life Prosperity Achiever Fund 2028, Inc., (April 2020 to present), Sun Life Prosperity Peso Voyager Feeder Fund, Inc. (January 2022), and the three Grepalife Mutual Funds i.e., Grepalife Balanced Fund Corporation, Grepalife Dollar Bond Fund Corporation and Grepalife Fixed Income Fund Corporation, (April 2020 to present). She is also the Corporate Secretary of Sun Life of Canada (Philippines), Inc., Sun Life Asset Management Company, Inc., Sun Life Financial Plans, Inc., Grepalife Asset Management Corporation, Sun Life Financial Philippine Holding Company, Inc., Sun Life Financial – Philippines Foundation, Inc., and Assistant Corporate Secretary of Sun Life Grepa Financial, Inc. (April 2020 to present). She was appointed as Corporate Secretary of Sun Life Investment Management and Trust Corporation last September 2020.

Prior to joining Sun Life in 2014, Atty. Ibero worked as an Associate Lawyer at the David Cui-David Buenaventura and Ang Law Offices (2006 to 2010). She later joined the Bank of the Philippine Islands as Legal and Compliance Officer of the Bank's Asset Management and Trust Group (2010 to 2014).

Atty. Kabigting-Ibero received her Bachelor of Arts Major in Legal Management (2000) and Bachelor of Laws (2005) from the University of Santo Tomas. She was called to the Bar in 2006.

FRANCES IANNA S. CANTO

Assistant Corporate Secretary (September 2020 to present)

Atty. Frances Ianna S. Canto is the Assistant Corporate Secretary of the sixteen Sun Life Prosperity Funds i.e., Sun Life of Canada Prosperity Balanced Fund, Inc., Sun Life of Canada Prosperity Bond Fund, Inc., Sun Life of Canada Prosperity Philippine Equity Fund, Inc., Sun Life Prosperity Dollar Abundance Fund, Inc., Sun Life Prosperity Dollar Advantage Fund, Inc., Sun Life Prosperity Dollar Starter Fund, Inc., Sun Life Prosperity Dynamic Fund, Inc., Sun Life Prosperity Philippine Stock Index Fund, Inc., Sun Life Prosperity GS Fund, Inc., Sun Life Prosperity Peso Starter Fund, Inc. (formerly Sun Life Prosperity Money Market Fund, Inc.), Sun Life Prosperity Dollar Wellspring Fund, Inc., Sun Life Prosperity World Voyager Fund, Inc., Sun Life Prosperity Achiever Fund 2048, Inc., Sun Life Prosperity Achiever Fund 2038, Inc., Sun Life Prosperity Achiever Fund 2028, Inc., Sun Life Prosperity World Equity Index Feeder Fund, Inc. and Sun Life Prosperity Peso Voyager Feeder Fund, Inc. (January 2022). She is also the Assistant Corporate Secretary of Sun Life Asset Management Company, Inc. and Sun Life Investment Management and Trust Corporation (September 2020 – present).

Prior to joining Sun Life in May 2020, Atty. Canto worked as a Legal and Compliance Officer of Manulife Philippines (March 2017), where she also served as Assistant Corporate Secretary and Alternate Data Protection Officer. Before joining Manulife, Atty. Canto briefly worked as a consultant with the Office of the Secretary of the Climate Change Commission and prior to that, as an Associate Lawyer at the Medialdea Ata Bello and Suarez Law Office (2013-2016).

Atty. Canto received her Juris Doctor degree from the Ateneo de Manila University. She was admitted to the Bar in May 2014.

RIA V. MERCADO

Risk Officer (2015-present)

Ms. Ria V. Mercado has been the Head of Risk Management of Sun Life Philippines since 2015. She is also the Risk Officer of the sixteen Sun Life Prosperity Funds i.e., Sun Life of Canada Prosperity Balanced Fund, Inc., Sun Life of Canada Prosperity Bond Fund, Inc., Sun Life of Canada Prosperity Philippine Equity Fund, Inc., Sun Life Prosperity Dollar Abundance Fund, Inc., Sun Life Prosperity Dollar Advantage Fund, Inc., Sun Life Prosperity Dollar Starter Fund, Inc., Sun Life Prosperity Dynamic Fund, Inc., Sun Life Prosperity Philippine Stock Index Fund, Inc., Sun Life Prosperity GS Fund, Inc., Sun Life Prosperity Peso Starter Fund, Inc. (formerly Sun Life Prosperity Money Market Fund, Inc.), Sun Life Prosperity Dollar Wellspring Fund, Inc., Sun Life Prosperity World Voyager Fund, Inc., Sun Life Prosperity World Equity Index Feeder Fund, Inc., Sun Life Prosperity Achiever Fund 2048, Inc., Sun Life Prosperity Achiever Fund 2038, Inc., Sun Life Prosperity Achiever Fund 2028, Inc., (2015-present), Sun Life Prosperity Peso Voyager Feeder Fund, Inc. (January 2022), and the three Grepalife Mutual Funds i.e., Grepalife Balanced Fund Corporation, Grepalife Dollar Bond Fund Corporation and Grepalife Fixed Income Fund Corporation, (July 2019 to present). She is also the Risk Officer of Sun Life Asset Management Company, Inc., Grepalife Asset Management Corporation, Sun Life of Canada (Philippines), Inc., Sun Life Grepa Financial, Inc. (July 2015 to present) and Sun Life Financial – Philippines Foundation, Inc. (December 2019 to present).

Prior to joining Sun Life in 2015, she was with Deutsche Knowledge Services (DKS), where she was Debt and Client Risk & Control Lead. In this capacity, she was responsible for risk and control initiatives and for proactively identifying and mitigating operations risks through quality assurance initiatives. Prior to DKS,

she was with Standard Chartered Bank where she rose from Graduate Associate to AVP – Unit Operational Risk Manager.

Ms. Mercado holds a Master in Business Management degree from the Asian Institute of Management. She is a BS Business Administration graduate of the University of the Philippines (Diliman).

2. Incorporators

The following are the incorporators of the Company:

Caesar P. Altarejos, Jr.
Henry Joseph Herrera
Raoul Littaua
Rizalina G. Mantaring
Esther C. Tan

3. Significant Employees

The Fund has no significant employees.

4. Family Relationships

There are no family relationships up to fourth civil degree either by consanguinity or affinity among directors, executive officers, or persons nominated by the Fund to become its directors or executive officers.

5. Material Pending Legal Proceedings

The Fund has no knowledge of any material pending legal proceedings to which any of the directors and executive officers of the Fund is a party of which any of their property is the subject.

The Fund has no knowledge of any material pending legal proceedings, for the past five (5) years and to date, to which any of the directors and executive officers of the Fund is a party of which any of their property is the subject.

There was no bankruptcy petition filed by or against any business of which any of the directors and executive officers of the Fund was a general partner or executive officer either at the time of bankruptcy or within 2 years prior to that time.

No director or executive officer of the Fund was convicted by final judgment in a criminal proceeding, domestic or foreign, and neither is any director or officer subject to any pending criminal proceeding, domestic or foreign, excluding traffic violations and other minor offenses.

No director or executive officer of the Fund is being subject to any order, judgment or decree not subsequently reversed, suspended or vacated, of any court of competent jurisdiction, domestic or foreign, permanently or temporarily enjoining, barring, suspending or otherwise limiting his involvement in any type of business, securities, commodities, or banking activities.

No director or executive officer of the Fund is being found by a domestic or foreign court of competent jurisdiction (in a civil action), the Commission or comparable foreign body, or a domestic or foreign exchange or other organized trading market or self-regulatory organization, to have violated a securities or commodities law or regulation and the judgment has not been reversed, suspended, or vacated.

Item 10. Executive Compensation

1. Compensation of Executive Officers.

The executive officers of the Fund do not receive any form of compensation from their appointment up to the present.

2. Compensation of Directors.

The directors do not receive any form of compensation from inception up to the present other than a PHP 20,000.00 per diem for meetings attended. Only the members of the Board who are “external directors”, *i.e.*, those who are not officers and/or employees of SLOCPI, receive remuneration for their attendance in regular or special meetings of the Board at the rate of PHP 20,000.00 to each director for every meeting attended. Their contributed efforts to the Fund are on a voluntary basis only. Also, there is no bonus, profit sharing or other compensation plan, pension or retirement plan, contract or arrangement in which any director or nominee for election as a director or executive officer of the Fund will participate.

However, starting on January 01, 2010, each external director, as defined above, shall also receive a retainer’s fee not to exceed PHP 15,000.00 per quarter. Payment of such retainer’s fee shall be shared by the Fund with the other Sun Life Prosperity Funds which the external director also serves, provided that each external director shall receive only a maximum of PHP 15,000.00 per quarter from all the Sun Life Prosperity Funds which he serves as director.

Total per diem received by the Fund’s directors for the year 2021 and 2020 are PHP421,308 and PHP314,615, respectively.

The Board had four (4) regular quarterly meetings for 2021, including the organizational board meeting after the annual shareholders’ meeting. For the four (4) meetings and with three (3) members of the Board who are external directors entitled to receive per diem, the Fund forecasts a total directors’ per diem of PHP 240,000 for the year 2022. The external directors are also forecasted to receive a total of PHP19,615 as retainer’s fees for 2022.

Item 11. Security Ownership of Certain Beneficial Owners and Management

1. Security ownership of more than 5% of the Fund’s outstanding capital stock as of December 31, 2020:

On 7 March 2013, SEC *en banc* approved the confidential treatment of the list of Top 20 shareholders of the Fund, including its 5% and 10% beneficial owners. This is to protect the investors’ privacy, which is a privilege they enjoy when they invest in other shared investment vehicles, such as unit investment trust funds, and when they invest in bank deposits.

2. Security Ownership of Management as follows:

Title of Class	Name of Beneficial Owner	Number of Shares ¹	Nature of Ownership	Citizenship	Percent of Class
Common	Benedicto C. Sison	1	Beneficial (B) and Record	Filipino and American	0.00%
Common	Ma. Josefina A. Castillo	1	B & R	Filipino	0.00%
Common	Aleli Angela G. Quirino	1	B & R	Filipino	0.00%
Common	Oscar S. Reyes	1	B & R	Filipino	0.00%
Common	Oscar M. Orbos	1	B & R	Filipino	0.00%
Common	Gerald L. Bautista	1	B&R	Filipino	0.00%

¹ Number of shares held in their capacity as Director or Chairperson

The above individual owners can be reached at c/o SLAMCI, 8F Sun Life Centre, 5th Avenue cor Rizal Drive, Bonifacio Global City, Taguig City.

3. Voting Trust Holders of 5% or More

No holder of 5% or more of the Fund's common shares has any voting trust or similar agreement that vest voting rights or other powers to a voting trustee.

4. Change in Control

The Fund has no knowledge of any arrangement that may result in a change of control of the Fund.

Item 12. Certain Relationships and Related Transactions

The Fund is not involved in any related transactions.

PART IV - CORPORATE GOVERNANCE

Item 13. Compliance with Leading Practice on Corporate Governance

The Fund is committed to performing its obligations following sound standards of business and financial practices and assesses the level of compliance of the Board of Directors and top-level management with its Manual on Corporate Governance through the Corporate Governance Self-Rating Form.

Likewise, the Fund requires the directors to answer a Board Effectiveness Questionnaire to determine their outlook on current practices and further enhance their performance. Internal audit and compliance units of the Fund also actively ensure that the Fund meets its regulatory and moral obligations to the government agencies and the general public, respectively.

There has been no reported incident of any deviation from the Fund's Manual on Corporate Governance. A strong ethical business culture in the performance of duties is continuously upheld and promoted. Nonetheless, the Fund makes an effort to improve corporate governance of the company by holding training sessions for its Board and officers whenever possible.

Compliance with Foreign Account Tax Compliance Act (FATCA)

In accordance with the requirements of the US Internal Revenue Service ("IRS") and the Intergovernmental Agreement ("IGA") between the Government of the United States of America and the Government of the Republic of the Philippines to Improve International Tax Compliance and to Implement FATCA which was signed last July 13, 2015, the Fund has registered with the Internal Revenue Service (IRS) and has obtained its own Global Intermediary Identification Number ("GIIN") as a sponsored entity. Sun Life Asset Management Company, Inc. ("SLAMCI") continues to assume responsibilities for the Fund's FATCA compliance as the Sponsoring Entity and has implemented FATCA onboarding processes and procedures as well as system enhancements to monitor its new and pre-existing account holders who are U.S. Persons and have U.S. Indicia.

The Fund, together with its Sponsoring Entity, SLAMCI, is preparing to comply for FATCA reporting on the date which will be set by the Bureau of Internal Revenue as soon as the IGA has been ratified by the Senate.

PART V – EXHIBITS AND SCHEDULES

A. Audited Financial Statements

1. Statements of Financial Position, 2021, 2020
2. Statements of Comprehensive Income, 2021, 2020, 2019
3. Statements of Changes in Equity, 2021, 2020, 2019
4. Statements of Cash Flows, 2021, 2020, 2019
5. Notes to Financial Statements

Launch Date	July 1, 2004	Fund Classification	Money Market Fund	Minimum Holding Period	7 days
Fund Size	PHP 127,099,026,514.64	Minimum Subscription	PHP 100	Early Redemption Fee	0.25%
Net Asset Value Per Share	1.3157	Minimum Subsequent	PHP 100	Redemption Settlement	T+1 business day
Benchmark	30-day SSA	Management and Distribution Fee	0.25%		
Fund Structure	Mutual Fund (Shares)	Transfer Agency Fee	0.15%		

What does the Fund invest in?

The **Sun Life Prosperity Peso Starter Fund** (formerly Sun Life Prosperity Money Market Fund) aims to generate income in Philippine Pesos consistent with prudent management of the Fund's assets.

The Fund is suitable for investors with a **conservative risk profile** and a short-term investment horizon. This is for investors who are looking for alternative investment options which could offer potentially better returns than a bank savings account. These investors may also have an immediate need for their funds (less than one year) and they are looking for relatively safe and stable investments where they can park their money and still potentially earn modest returns.

Top Fixed Income Holdings

1. Treasury Bond 2023, 4.22%
2. Treasury Bond 2022, 4.17%
3. Treasury Bill 2022, 3.01%
4. Time Deposit, 2.92%
5. Time Deposit, 2.68%

Investment Mix

- Short-Term Placements, 37.83%
- Corporate Bonds, 22.77%
- Government Bonds, 18.90%
- Money Market Placements, 5.02%
- Cash and Other Liquid Assets, 15.47%

How has the Fund performed?

Note: Year-to-date (YTD) returns are computed as the return from the last business day of the previous year to the last business day of the reporting month.

*The Philippines 30-day Special Savings Rate General Average (PSAVAVE Index) was last updated in Bloomberg on 27 December 2019. The source of the PSAVAVE Index is the Bangko Sentral ng Pilipinas (BSP). The BSP required universal and commercial banks to submit the amended reporting templates on Interest Rates on Loans and Deposits (IRLD) effective 1 January 2020 in accordance with Circular Nos. 1029 and 1037, series of 2019. Due to COVID-19, per BSP Memorandum No. M-2020-049 dated 9 June 2020, amending BSP Memorandum M-2020-011 dated 19 March 2020, banks' submission of IRLD weekly reports that fall due within the months March-June 2020 is suspended until further notice.

Market Review and Outlook

- Short-term rates were relatively unchanged from the previous month as liquidity was still abundant in the financial system.
- Time deposit rates continued to stay near zero.
- Interest continued to be strong for short-dated papers, with Treasury Bill rates unchanged from the previous month.
- Moving forward, short-term rates are likely to remain unchanged.
- The Sun Life Prosperity Peso Starter Fund was able to return 1.48% for the year mostly due to accruals.

Notice on the Change in Benchmark of the Sun Life Prosperity Peso Starter Fund: Effective **January 1, 2022**, the Fund will be using **100% Philippines Peso TD Rate 1 Month to 3 Months, net of tax** as its new benchmark due to the discontinuation of the publication of the existing cash benchmark, the Special Savings Rate General Average ("PSAVAVE"), and because PSAVAVE no longer reflects the prevailing market interest rates for peso deposit accounts.

Market Review

- Local money market returns continued to be flat for the month.
- Liquidity in the market remained abundant as deposit rates continued to stay near zero.
- Short-end government securities continue to see yields unchanged (less than a 0.05% move month-on-month).
- The Sun Life Prosperity Peso Starter Fund has returned 1.34% year-to-date mostly due to accruals.

Notice on the Change in Benchmark of the Sun Life Prosperity Peso Starter Fund: Effective **January 1, 2022**, the Fund will be using **100% Philippines Peso TD Rate 1 Month to 3 Months, net of tax** as its new benchmark due to the discontinuation of the publication of the existing cash benchmark, the Special Savings Rate General Average ("PSAVAVE"), and because PSAVAVE no longer reflects the prevailing market interest rates for peso deposit accounts.

Notice on the New Name of the Fund: Effective **March 1, 2022**, SLAMCI will implement the strict use of the new Fund name ("**Sun Life Prosperity Peso Starter Fund**") in client forms and document submissions.

Benchmark	30-day SSA	Management and Distribution Fee	0.25%		
Fund Structure	Mutual Fund (Shares)	Transfer Agency Fee	0.15%		

What does the Fund invest in?

The **Sun Life Prosperity Peso Starter Fund** (formerly Sun Life Prosperity Money Market Fund) aims to generate income in Philippine Pesos consistent with prudent management of the Fund's assets.

The Fund is suitable for investors with a **conservative risk profile** and a short-term investment horizon. This is for investors who are looking for alternative investment options which could offer potentially better returns than a bank savings account. These investors may also have an immediate need for their funds (less than one year) and they are looking for relatively safe and stable investments where they can park their money and still potentially earn modest returns.

Top Fixed Income Holdings

1. Treasury Bond 2023, 4.58%
2. Treasury Bond 2022, 4.45%
3. Time Deposit, 3.84%
4. Treasury Bill 2022, 3.24%
5. Treasury Bill 2021, 2.92%

Investment Mix

- Short-Term Placements, 42.92%
- Corporate Bonds, 22.93%
- Government Bonds, 22.80%
- Money Market Placements, 3.73%
- Cash and Other Liquid Assets, 7.62%

How has the Fund performed?

Note: Year-to-date (YTD) returns are computed as the return from the last business day of the previous year to the last business day of the reporting month.

*The Philippines 30-day Special Savings Rate General Average (PSAVAVE Index) was last updated in Bloomberg on 27 December 2019. The source of the PSAVAVE Index is the Bangko Sentral ng Pilipinas (BSP). The BSP required universal and commercial banks to submit the amended reporting templates on Interest Rates on Loans and Deposits (IRLD) effective 1 January 2020 in accordance with Circular Nos. 1029 and 1037, series of 2019. Due to COVID-19, per BSP Memorandum No. M-2020-049 dated 9 June 2020, amending BSP Memorandum M-2020-011 dated 19 March 2020, banks' submission of IRLD weekly reports that fall due within the months March-June 2020 is suspended until further notice.

Market Review

- Local money market returns continued to be flat for the month.
- Time deposit rates continued to stay near zero over the month as system liquidity still remains abundant.
- Short-end government securities continue to see yields relatively unchanged for the past few months.
- The Sun Life Prosperity Peso Starter Fund has returned 1.22% year-to-date mainly due to accruals.

**STATEMENT OF MANAGEMENT'S RESPONSIBILITY
FOR FINANCIAL STATEMENTS**

The Management of Sun Life Prosperity Peso Starter Fund, Inc. (the "Company") is responsible for the preparation and fair presentation of the financial statements, including the schedules attached therein, as at December 31, 2021 and 2020, and for the years ended December 31, 2021, 2020 and 2019, in accordance with the Philippine Financial Reporting Standards and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Those charged with governance review and approve the financial statements including the schedules attached therein, and submits the same to the stockholders.

Navarro Amper & Co., the independent auditor appointed by the stockholders for the periods December 31, 2021 and 2020, has audited the financial statements of the Company in accordance with Philippine Standards on Auditing, and in its report to the stockholders has expressed its opinion on the fairness of presentation upon completion of such audit.

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Sun Life Prosperity Peso Starter Fund, Inc. (the "Company"), which comprise the statements of financial position as at December 31, 2021 and 2020, and the statements of comprehensive income, statements of changes in equity and statements of cash flows for the years ended December 31, 2021, 2020 and 2019, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2021 and 2020, and its financial performance and its cash flows for the years ended December 31, 2021, 2020 and 2019, in accordance with Philippine Financial Reporting Standards (PFRS).

Basis for Opinion

We conducted our audits in accordance with Philippine Standards on Auditing (PSA). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics for Professional Accountants in the Philippines (Code of Ethics) together with the ethical requirements that are relevant to our audits of the financial statements in the Philippines, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with PFRS, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with PSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of financial statements.

As part of an audit in accordance with PSAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audits.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

Report on the Supplementary Information Required by Bureau of Internal Revenue

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information in Note 23 to the financial statements is presented for purposes of filing with the Bureau of Internal Revenue and is not a required part of the basic financial statements. Such supplementary information is the responsibility of Management and has been subjected to the auditing procedures applied in our audit of the basic financial statements. In our opinion, the supplementary information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

SUN LIFE PROSPERITY PESO STARTER FUND, INC.

(An Open-end Investment Company)

NOTES TO FINANCIAL STATEMENTS

AS AT DECEMBER 31, 2021 AND 2020 AND FOR THE YEARS ENDED DECEMBER 31, 2021, 2020 AND 2019

1. CORPORATE INFORMATION

Sun Life Prosperity Peso Starter Fund, Inc., formerly, Sun Life Prosperity Money market Fund, Inc., (the "Company") was incorporated and registered with the Philippine Securities and Exchange Commission (SEC) on March 5, 2004 and started commercial operations on July 1, 2004. The Company is a registered open-end investment company under the Investment Company Act (Republic Act "R.A." No. 2629) and the Securities Regulation Code (R.A. No. 8799), formerly known as the Revised Securities Act (B.P. No. 178). It is engaged in the sale of redeemable shares and is designed to maximize income and is considered consistent with capital protection through investments in fixed-income securities and other related investments issued by the Philippine government, commercial papers issued by corporations within the Philippines, certificates of deposit and other short-term peso-denominated instruments. As an open-end investment company, its shares are redeemable anytime based on the net asset value per share (NAVPS) at the time of redemption.

The Company appointed Sun Life Asset Management Company, Inc. (SLAMCI), an investment management company incorporated in the Philippines and a wholly owned subsidiary of Sun Life of Canada (Philippines), Inc. (SLOCPI), as its fund manager, adviser, administrator, distributor and transfer agent that provides management, distribution and all required operational services, as disclosed in Note 11.

The Company's registered office address and principal place of business is at the 2nd Floor, Sun Life Centre, 5th Avenue corner Rizal Drive, Bonifacio Global City, Taguig City.

2. FINANCIAL REPORTING FRAMEWORK AND BASIS OF PREPARATION AND PRESENTATION

Statement of Compliance

The financial statements of the Company have been prepared in accordance with Philippine Financial Reporting Standards (PFRS), which include all applicable PFRS, Philippine Accounting Standards (PAS) and interpretations issued by the International Financial Reporting Interpretations Committee (IFRIC), Philippine Interpretations Committee (PIC) and Standing Interpretations Committee (SIC) as approved by the Financial Reporting Standards Council (FRSC) and the Board of Accountancy (BOA), and adopted by the SEC.

Basis of Preparation and Presentation

The financial statements of the Company have been prepared on the historical cost basis, except for certain financial assets measured at fair value and certain financial instruments carried at amortized cost.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Functional and Presentation Currency

These financial statements are presented in Philippine Peso, the currency of the primary economic environment in which the Company operates. All amounts are recorded to the nearest peso, except when otherwise indicated.

3. ADOPTION OF NEW AND REVISED ACCOUNTING STANDARDS

Adoption of New and Revised Accounting Standards Effective in 2021

The Company adopted all accounting standards and interpretations effective as at December 31, 2021. The new and revised accounting standards and interpretations that have been published by the International Accounting Standards Board (IASB) and approved by the FRSC in the Philippines, were assessed to be applicable to the Company's financial statements and are as follows:

PIC Q&A No. 2020-07, PAS 12 – Accounting for the Proposed Changes in Income Tax Rates under the Corporate Recovery and Tax Incentives for Enterprises Act (CREATE) Bill

The interpretation explained the details of the CREATE bill and its impact on the financial statements once passed.

Interpretation discussed that impact on the financial statements ending December 31, 2020 are as follows:

- Current and deferred taxes will still be measured using the applicable income tax rate as of December 31, 2020;
- If the CREATE bill is enacted before financial statements' issue date, this will be a non-adjusting event but the significant effects of changes in tax rates on current and deferred tax assets and liabilities should be disclosed; and
- If the CREATE bill is enacted after financial statements' issue date but before filing of the income tax return, this is no longer a subsequent event but companies may consider disclosing the general key feature of the bill and the expected impact on the financial statements

For the financial statements ending December 31, 2021, the impact are as follows:

- Standard provides that component of tax expense (income) may include "any adjustments recognized in the period for current tax of prior periods" and "the amount of deferred tax expense (income) relating to changes in tax rates or the imposition of new taxes";
- An explanation of changes in the applicable income tax rates to the previous accounting period is also required to be disclosed;
- The provision for current income tax for the year 2021 will include the difference between income tax per 2020 financial statements and 2020 income tax return;
- Deferred tax assets and liabilities as of December 31, 2021, will be remeasured using the new tax rates; and
- Any movement in deferred taxes arising from the change in tax rates that will form part of the provision for/benefit from deferred taxes will be included as well in the effective tax rate reconciliation.

The interpretation is effective on or after January 29, 2021.

The Management assessed that CREATE had reduced income tax expense by P3,068,955 and increased net income and net assets by the same amount. The increase was recorded in 2021 following the provisions of PIC Q&A 2020-07.

New Accounting Standards Effective after the Reporting Period Ended December 31, 2021

The Company will adopt the following standards when these become effective:

PFRS 17, Insurance Contracts

PFRS 17 establishes the principles for the recognition, measurement, presentation and disclosure of insurance contracts and supersedes PFRS 4, *Insurance Contracts*.

PFRS 17 outlines a general model, which is modified for insurance contracts with direct participation features, described as the variable fee approach. The general model is simplified if certain criteria are met by measuring the liability for remaining coverage using the premium allocation approach.

The general model uses current assumptions to estimate the amount, timing and uncertainty of future cash flows and it explicitly measures the cost of that uncertainty. It takes into account market interest rates and the impact of policyholders' options and guarantees.

An amendment issued on June 2020 and adopted by FRSC on August 2020 addresses concerns and implementation challenges that were identified after PFRS 17 was published.

PFRS 17 must be applied retrospectively unless impracticable, in which case the modified retrospective approach or the fair value approach is applied.

For the purpose of the transition requirements, the date of initial application is the start of the annual reporting period in which the entity first applies the Standard, and the transition date is the beginning of the period immediately preceding the date of initial application.

The standard (incorporating the amendments) is effective for periods beginning on or after January 1, 2025. Earlier application is permitted.

The future adoption of the standard will have no effect on the Company's financial statements as the Company does not issue insurance contracts.

Amendments to PFRS 3, References to the Conceptual Framework

The amendments update PFRS 3 so that it refers to the 2018 Conceptual Framework instead of the 1989 Framework. They also add to PFRS 3 a requirement that, for obligations within the scope of PAS 37, an acquirer applies PAS 37 to determine whether at the acquisition date a present obligation exists as a result of past events. For a levy that would be within the scope of IFRIC 21, *Levies*, the acquirer applies IFRIC 21 to determine whether the obligating event that gives rise to a liability to pay the levy has occurred by the acquisition date.

The amendments also add an explicit statement that an acquirer does not recognize contingent assets acquired in a business combination.

The amendments are effective for business combinations for which the date of acquisition is on or after the beginning of the first annual period beginning on or after January 1, 2022. Early application is permitted if an entity also applies all other updated references (published together with the updated Conceptual Framework) at the same time or earlier.

The future adoption of the amendment will have no effect on the Company's financial statements as the Company is not in the process of and has no plan to enter into business combination.

Amendments to PFRS 10 and PAS 28, Sale or Contribution of Assets between an Investor and Its Associate or Joint Venture

The amendments to PFRS 10 and PAS 28 deal with situations where there is a sale or contribution of assets between an investor and its associate or joint venture. Specifically, the amendments state that gains or losses resulting from the loss of control of a subsidiary that does not contain a business in a transaction with an associate or a joint venture that is accounted for using the equity method, are recognized in the parent's profit or loss only to the extent of the unrelated investors' interests in that associate or joint venture. Similarly, gains and losses resulting from the remeasurement of investments retained in any former subsidiary (that has become an associate or a joint venture that is accounted for using the equity method) to fair value are recognized in the former parent's profit or loss only to the extent of the unrelated investors' interests in the new associate or joint venture.

The effective date of the amendments has yet to be set by the Board; however, earlier application of the amendments is permitted.

The future adoption of the amendment will have no effect on the Company's financial statements as the Company is not in the process and has no plan to acquire such investments.

Amendments to PAS 1, Classification of Liabilities as Current or Non-current

The amendments to PAS 1 affect only the presentation of liabilities as current or non-current in the statement of financial position and not the amount or timing of recognition of any asset, liability, income or expenses, or the information disclosed about those items.

The amendments clarify that the classification of liabilities as current or non-current is based on rights that are in existence at the end of the reporting period, specify that classification is unaffected by expectations about whether an entity will exercise its right to defer settlement of a liability, explain that rights are in existence if covenants are complied with at the end of the reporting period, and introduce a definition of 'settlement' to make clear that settlement refers to the transfer to the counterparty of cash, equity instruments, other assets or services.

The amendments are applied retrospectively for annual periods beginning on or after January 1, 2023, with early application permitted.

The Company will continue its assessment and will finalize the same upon the effectivity of this amendment.

Amendments to PAS 16, Property, Plant and Equipment – Proceeds before Intended Use

The amendments prohibit deducting from the cost of an item of property, plant and equipment any proceeds from selling items produced before that asset is available for use, i.e. proceeds while bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Consequently, an entity recognizes such sales proceeds and related costs in profit or loss. The entity measures the cost of those items in accordance with PAS 2, *Inventories*.

The amendments also clarify the meaning of 'testing whether an asset is functioning properly'. PAS 16 now specifies this as assessing whether the technical and physical performance of the asset is such that it is capable of being used in the production or supply of goods or services, for rental to others, or for administrative purposes.

If not presented separately in the statement of comprehensive income, the financial statements shall disclose the amounts of proceeds and cost included in profit or loss that relate to items produced that are not an output of the entity's ordinary activities, and which line item(s) in the statement of comprehensive income include(s) such proceeds and cost.

The amendments are applied retrospectively, but only to items of property, plant and equipment that are brought to the location and condition necessary for them to be capable of operating in the manner intended by management on or after the beginning of the earliest period presented in the financial statements in which the entity first applies the amendments.

The entity shall recognize the cumulative effect of initially applying the amendments as an adjustment to the opening balance of retained earnings (or other component of equity, as appropriate) at the beginning of that earliest period presented.

The amendments are effective for annual periods beginning on or after January 1, 2022, with early application permitted.

The future adoption of the amendment will have no effect on the Company's financial statements as the Company does not have property, plant and equipment recorded in its financial statements.

Amendments to PAS 37, Onerous Contracts – Cost of Fulfilling a Contract

The amendments specify that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract consist of both the incremental costs of fulfilling that contract (examples would be direct labor or materials) and an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract).

The amendments apply to contracts for which the entity has not yet fulfilled all its obligations at the beginning of the annual reporting period in which the entity first applies the amendments. Comparatives are not restated. Instead, the entity shall recognize the cumulative effect of initially applying the amendments as an adjustment to the opening balance of retained earnings or other component of equity, as appropriate, at the date of initial application.

The amendments are effective for annual periods beginning on or after January 1, 2022, with early application permitted.

The future adoption of the amendment will have no effect on the Company's financial statements as the Company does not issue and enter into onerous contracts.

Annual Improvements to PFRS Standards 2018-2020 Cycle

Amendments to PFRS 1, Subsidiary as a first-time adopter

The amendment provides additional relief to a subsidiary which becomes a first-time adopter later than its parent in respect of accounting for cumulative translation differences. As a result of the amendment, a subsidiary that uses the exemption in PFRS 1:D16 (a) can now also elect to measure cumulative translation differences for all foreign operations at the carrying amount that would be included in the parent's consolidated financial statements, based on the parent's date of transition to PFRS Standards, if no adjustments were made for consolidation procedures and for the effects of the business combination in which the parent acquired the subsidiary. A similar election is available to an associate or joint venture that uses the exemption in PFRS 1:D16 (a).

The amendment is effective for annual periods beginning on or after January 1, 2022, with early application permitted.

Amendments to PFRS 9, Fees in the '10 per cent' test for derecognition of financial liabilities

The amendment clarifies that in applying the '10 per cent' test to assess whether to derecognize a financial liability, an entity includes only fees paid or received between the entity (the borrower) and the lender, including fees paid or received by either the entity or the lender on the other's behalf.

The amendment is applied prospectively to modifications and exchanges that occur on or after the date the entity first applies the amendment.

The amendment is effective for annual periods beginning on or after January 1, 2022, with early application permitted.

Amendments to PFRS 16, Lease incentives

The amendment removes the illustration of the reimbursement of leasehold improvements. As the amendment to PFRS 16 only regards an illustrative example, no effective date is stated.

Amendments to PAS 41, *Taxation in fair value measurements*

The amendment removes the requirement in PAS 41 for entities to exclude cash flows for taxation when measuring fair value. This aligns the fair value measurement in PAS 41 with the requirements of PFRS 13, *Fair Value Measurement* to use internally consistent cash flows and discount rates and enables preparers to determine whether to use pretax or post-tax cash flows and discount rates for the most appropriate fair value measurement.

The amendment is applied prospectively, i.e. for fair value measurements on or after the date an entity initially applies the amendment.

The amendment is effective for annual periods beginning on or after January 1, 2022, with early application permitted.

The future adoption of the amendments will have no effect on the Company's financial statements as the Company does not subsidiary as first-time adopter; does not derecognize any liabilities, does not have lease contracts and leasehold improvements and does not have biological assets covered by PAS 41 that need to exclude its cash flows for taxation on its financial statements.

Amendments to PAS 1 and PFRS Practice Statement 2, *Disclosure Initiative – Accounting Policies*

The amendments are as follows:

- An entity is now required to disclose its material accounting policy information instead of its significant accounting policies
- several paragraphs are added to explain how an entity can identify material accounting policy information and to give examples of when accounting policy information is likely to be material;
- the amendments clarify that accounting policy information may be material because of its nature, even if the related amounts are immaterial;
- the amendments clarify that accounting policy information is material if users of an entity's financial statements would need it to understand other material information in the financial statements; and
- the amendments clarify that if an entity discloses immaterial accounting policy information, such information shall not obscure material accounting policy information.

The amendments are applied prospectively. The amendments to PAS 1 are effective for annual periods beginning on or after January 1, 2023. Earlier application is permitted.

The Company will continue its assessment and will finalize the same upon the effectivity of these amendments.

Amendments to PAS 8, *Definition of Accounting Estimates*

With the amendment, accounting estimates are now defined as "monetary amounts in financial statements that are subject to measurement uncertainty."

The amendment clarified that a change in accounting estimate that results from new information or new developments is not the correction of an error. In addition, the effects of a change in an input or a measurement technique used to develop an accounting estimate are changes in accounting estimates if they do not result from the correction of prior period errors.

A change in an accounting estimate may affect only the current period's profit or loss, or the profit or loss of both the current period and future periods. The effect of the change relating to the current period is recognized as income or expense in the current period. The effect, if any, on future periods is recognized as income or expense in those future periods. The amendments are effective for annual periods beginning on or after January 1, 2023 and changes in accounting policies and changes in accounting estimates that occur on or after the start of that period. Earlier application is permitted.

The future adoption of the amendments will have no effect on the Company's financial statements as the Company does not have changes in the inputs or measurement techniques used to develop its accounting estimates.

Amendments to PAS 12, Income Taxes—Deferred Tax related to Assets and Liabilities arising from a Single Transaction

The amendments introduce a further exception from the initial recognition exemption. Under the amendments, an entity does not apply the initial recognition exemption for transactions that give rise to equal taxable and deductible temporary differences.

Depending on the applicable tax law, equal taxable and deductible temporary differences may arise on initial recognition of an asset and liability in a transaction that is not a business combination and affects neither accounting nor taxable profit. For example, this may arise upon recognition of a lease liability and the corresponding right-of-use asset applying IFRS 16 at the commencement date of a lease.

Following the amendments to PAS 12, an entity is required to recognize the related deferred tax asset and liability, with the recognition of any deferred tax asset being subject to the recoverability criteria in PAS 12.

The Board also adds an illustrative example to PAS 12 that explains how the amendments are applied.

The amendments apply to transactions that occur on or after the beginning of the earliest comparative period presented. In addition, at the beginning of the earliest comparative period an entity recognizes:

- A deferred tax asset (to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilized) and a deferred tax liability for all deductible and taxable temporary differences associated with:
 - Right-of-use assets and lease liabilities;
 - Decommissioning, restoration and similar liabilities and the corresponding amounts recognized as part of the cost of the related asset
- The cumulative effect of initially applying the amendments as an adjustment to the opening balance of retained earnings (or other component of equity, as appropriate) at that date

The amendments are effective for annual reporting periods beginning on or after January 1, 2023, with earlier application permitted.

The future adoption of the amendments will have no effect on the Company's financial statements as the Company does not have lease contracts and leasehold improvements and does not recognize deferred assets and liabilities.

Amendment to PFRS 17, Initial Application of PFRS 17 and PFRS 9 – Comparative Information

The amendment is a transition option relating to comparative information about financial assets presented on initial application of IFRS 17.

The main amendment in Initial Application of PFRS 17 and PFRS 9, *Comparative Information (Amendment to PFRS 17)* is a narrow-scope amendment to the transition requirements of PFRS 17 for entities that first apply PFRS 17 and PFRS 9 at the same time. The amendment regards financial assets for which comparative information is presented on initial application of PFRS 17 and PFRS 9, but where this information has not been restated for PFRS 9.

Under the amendment, an entity is permitted to present comparative information about a financial asset as if the classification and measurement requirements of PFRS 9 had been applied to that financial asset before. The option is available on an instrument-by-instrument basis. In applying the classification overlay to a financial asset, an entity is not required to apply the impairment requirements of PFRS 9.

There are no changes to the transition requirements in PFRS 9.

The amendment is effective for annual periods beginning on or after January 1, 2025, as amended by the FRSC from January 1, 2023. This is consistent with Circular Letter No. 2020-62 issued by the Insurance Commission which deferred the implementation of PFRS 17 by two (2) years after its effective date as decided by the IASB. Still subject to approval of the Board of Accountancy.

The future adoption of the amendment will have no effect on the Company's financial statements as the Company does not issue insurance contracts.

4. SIGNIFICANT ACCOUNTING POLICIES

Financial Assets

Initial Recognition and Measurement

Financial assets and financial liabilities are recognized when the entity becomes a party to the contractual provisions of the instrument. Regular way purchases and sales of financial assets are recognized on trade-date, the date on which the Company commits to purchase or sell the asset.

At initial recognition, the Company measures a financial asset or financial liability at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through profit or loss (FVTPL), transaction costs that are incremental and directly attributable to the acquisition or issue of the financial asset or financial liability. Transaction costs of financial assets and financial liabilities carried at FVTPL are expensed in profit or loss.

Classification and Subsequent Measurement

The Company classifies its financial assets in the following measurement categories:

- FVTPL;
- Fair value through other comprehensive income (FVTOCI); and
- Amortized cost

As at December 31, 2021 and 2020, the Company does not have financial assets classified as fair value through FVTOCI.

Classification of financial assets will be driven by the entity's business model for managing the financial assets and the contractual cash flows of the financial assets.

A financial asset is to be measured at amortized cost if: a) the objective of the business model is to hold the financial asset for the collection of the contractual cash flows, and b) the contractual cash flows under the instrument represent solely payment of principal and interest (SPPI).

All other debt and equity instruments must be recognized at fair value.

All fair value movements on financial assets are taken through the statement of comprehensive income, except for equity investments that are not held for trading, which may be recorded in the statement of comprehensive income or in reserves (without subsequent recycling to profit or loss).

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are two measurement categories into which the Company classifies its debt instruments:

- Amortized cost. Assets that are held for collection of contractual cash flows where those cash flows represent SPPI are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in profit or loss when the asset is derecognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.
- FVTPL. Assets that do not meet the criteria for amortized cost are measured at FVTPL. A gain or loss on a debt investment that is subsequently measured at FVTPL

and is not part of a hedging relationship is recognized in profit or loss and presented net in the statement of comprehensive income within other gains/(losses) in period in which it arises. Interest income from these financial assets is included in finance income.

The business model reflects how the Company manages the assets in order to generate cash flows. That is, whether the Company's objective is solely to collect the contractual cash flows from the assets or to collect both the contractual cash flows and cash flows arising from the sale of assets. If neither of these is applicable, then the financial assets are classified as part of 'other' business model and measured at FVTPL. Factors considered by the Company in determining the business model for a group of assets include past experience on how the cash flows for these assets were collected, how the asset's performance is evaluated and reported to key management personnel, how risks are assessed and managed and how managers are compensated.

Where the business model is to hold assets to collect contractual cash flows or to collect contractual cash flows and sell, the Company assesses whether the financial instruments' cash flows represent SPPI. In making this assessment, the Company considers whether the contractual cash flows are consistent with a basic lending arrangement i.e. interest includes only consideration for the time value of money, credit risk, other basic lending risks and a profit margin that is consistent with a basic lending arrangement. Where the contractual terms introduce exposure to risk or volatility that are inconsistent with a basic lending arrangement, the related financial asset is classified and measured at FVTPL.

Amortized cost and effective interest method

The effective interest method is a method of calculating the amortized cost of a financial asset and of allocating interest income over the relevant period.

For financial instruments other than purchased or originated credit-impaired (POCI) financial assets, the effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) excluding expected credit losses (ECL), through the expected life of the debt instrument, or, where appropriate, a shorter period, to the gross carrying amount of the debt instrument on initial recognition.

The amortized cost of a financial asset is the amount at which the financial asset is measured at initial recognition minus the principal repayments, plus the cumulative amortization using the effective interest method of any difference between that initial amount and the maturity amount, adjusted for any loss allowance. On the other hand, the gross carrying amount of a financial asset is the amortized cost of a financial asset before adjusting for any loss allowance.

Interest income is recognized using the effective interest method for debt instruments measured subsequently at amortized cost. For financial instruments other than POCI financial assets, interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset, except for financial assets that have subsequently become credit-impaired. For financial assets that have subsequently become credit-impaired, interest income is recognized by applying the effective interest rate to the amortized cost of the financial asset. If, in subsequent reporting periods, the credit risk on the credit-impaired financial instrument improves so that the financial asset is no longer credit-impaired, interest income is recognized by applying the effective interest rate to the gross carrying amount of the financial asset.

Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective, that is, instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets.

The Company subsequently measures all equity investments at FVTPL, except where the Company's Management has elected, at initial recognition, to irrevocably designate an equity instrument at FVTOCI. The Company's policy is to designate equity investments as FVTOCI when those investments are held for the purposes other than to generate investment returns. When the election is used, fair value gains and losses are recognized in OCI and are not subsequently reclassified to profit or loss, including disposal. Impairment losses (and reversal of impairment losses) are not reported separately from other changes in fair value. Dividends, when representing a return on such investments, continue to be recognized in profit or loss as other income when the Company's right to receive payment is established.

Changes in the fair value of financial assets at FVTPL are recognized in net realized gains (losses) on investments in the statement of profit or loss as applicable. Impairment losses (and reversal of impairment losses) on equity investments measured at FVTOCI are not reported separately from other changes in fair value.

Impairment of financial assets

The Company recognizes a loss allowance for ECL on investments in debt instruments that are measured at amortized cost. The amount of ECL is updated at each reporting date to reflect changes in credit risk since initial recognition of the respective financial instrument.

ECLs are a probability-weighted estimate of the present value of credit losses. These are measured as the present value of the difference between the cash flows due to the Company under the contract and the cash flows that the Company expects to receive arising from the weighting of multiple future economic scenarios, discounted at the asset's effective interest rate.

The Company measures ECL on an individual basis, or on a collective basis for portfolios of loans that share similar economic risk characteristics. The measurement of the loss allowance is based on the present value of the asset's expected cash flows using the asset's original effective interest rate, regardless of whether it is measured on an individual basis or a collective basis.

With the exception of POCI financial assets, ECLs are required to be measured through a loss allowance at an amount equal to:

- 12-month ECL, i.e. lifetime ECL that result from those default events on the financial instrument that are possible within 12 months after the reporting date, (referred to as Stage 1); or
- full lifetime ECL, i.e. lifetime ECL that result from all possible default events over the life of the financial instrument, (referred to as Stage 2 and Stage 3).

A loss allowance for full lifetime ECL is required for a financial instrument if the credit risk on that financial instrument has increased significantly since initial recognition. For all other financial instruments, ECLs are measured at an amount equal to the 12-month ECL.

The Company recognizes lifetime ECL when there has been a significant increase in credit risk since initial recognition. If, on the other hand, the credit risk on the financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month ECL. The assessment of whether lifetime ECL should be recognized is based on significant increases in the likelihood or risk of a default occurring since initial recognition instead of on evidence of a financial asset being credit-impaired at the reporting date or an actual default occurring.

Lifetime ECL represents the ECL that will result from all possible default events over the expected life of a financial instrument. In contrast, 12 month ECL represents the portion of lifetime ECL that is expected to result from default events on a financial instrument that are possible within 12 months after the reporting date.

Significant increase in credit risk

The Company monitors all financial assets that are subject to the impairment requirements to assess whether there has been a significant increase in credit risk since initial recognition. If there has been a significant increase in credit risk the Company will measure the loss allowance based on lifetime rather than 12-month ECL.

In assessing whether the credit risk on a financial instrument has increased significantly since initial recognition, the Company compares the risk of a default occurring on the financial instrument at the reporting date based on the remaining maturity of the instrument with the risk of a default occurring that was anticipated for the remaining maturity at the current reporting date when the financial instrument was first recognized. In making this assessment, the Company considers both quantitative and qualitative information that is reasonable and supportable, including historical experience and forward-looking information that is available without undue cost or effort.

Forward-looking information considered includes the future prospects of the industries in which the Company's debtors operate, obtained from economic expert reports, financial analysts, governmental bodies, relevant think-tanks and other similar organizations, as well as consideration of various external sources of actual and forecast economic information that relate to the Company's core operations.

In particular, the following information is taken into account when assessing whether credit risk has increased significantly since initial recognition:

- an actual or expected significant deterioration in the financial instrument's external (if available) or internal credit rating;
- significant deterioration in external market indicators of credit risk for a particular financial instrument (e.g. a significant increase in the credit spread, the credit default swap prices for the debtor, or the length of time or the extent to which the fair value of a financial asset has been less than its amortized cost);
- existing or forecast adverse changes in business, financial or economic conditions that are expected to cause a significant decrease in the debtor's ability to meet its debt obligations;
- an actual or expected significant deterioration in the operating results of the debtor;
- significant increases in credit risk on other financial instruments of the same debtor;
- an actual or expected significant adverse change in the regulatory, economic, or technological environment of the debtor that results in a significant decrease in the debtor's ability to meet its debt obligations.

Irrespective of the outcome of the above assessment, the Company presumes that the credit risk on a financial asset has increased significantly since initial recognition when contractual payments are more than 30 days past due, unless the Company has reasonable and supportable information that demonstrates otherwise.

Despite the foregoing, the Company assumes that the credit risk on a financial instrument has not increased significantly since initial recognition if the financial instrument is determined to have low credit risk at the reporting date.

A financial instrument is determined to have low credit risk if:

- it has a low risk of default;
- the borrower is considered, in the short term, to have a strong capacity to meet its obligations; and
- the Company expects, in the longer term, that adverse changes in economic and business conditions might, but will not necessarily, reduce the ability of the borrower to fulfill its obligations.

The Company considers a financial asset to have low credit risk when the asset has external credit rating of 'investment grade' in accordance with the globally understood definition or if an external rating is not available, the asset has an internal rating of 'performing'. Performing means that the counterparty has a strong financial position and there is no past due amounts.

The Company regularly monitors the effectiveness of the criteria used to identify whether there has been a significant increase in credit risk and revises them as appropriate to ensure that the criteria are capable of identifying significant increase in credit risk before the amount becomes past due.

Default

The Company considers the following as constituting an event of default for internal credit risk management purposes as historical experience indicates that financial assets that meet either of the following criteria are generally not recoverable:

- when there is a breach of financial covenants by the debtor; or
- information developed internally or obtained from external sources indicates that the debtor is unlikely to pay its creditors, including the Company, in full (without taking into account any collateral held by the Company).

Irrespective of the above analysis, the Company considers that default has occurred when a financial asset is more than 90 days past due unless the Company has reasonable and supportable information to demonstrate that a more lagging default criterion is more appropriate.

Critical to the determination of ECL is the definition of default. The definition of default is used in measuring the amount of ECL and in the determination of whether the loss allowance is based on 12-month or lifetime ECL, as default is a component of the probability of default (PD) which affects both the measurement of ECLs and the identification of a significant increase in credit risk.

Credit-impaired financial assets

A financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Evidence of credit-impairment includes observable data about the following events:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or past due event;
- the lender of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower a concession that the lender would not otherwise consider;
- it is becoming probable that the borrower will enter bankruptcy or other financial reorganization;
- the disappearance of an active market for a security because of financial difficulties; or
- the purchase of a financial asset at a deep discount that reflects the incurred credit losses.

It may not be possible to identify a single discrete event—instead, the combined effect of several events may have caused financial assets to become credit-impaired. The Company assesses whether debt instruments that are financial assets measured at amortized cost or FVTOCI are credit-impaired at each reporting date. To assess if debt instruments are credit impaired, the Company considers factors such as bond yields, credit ratings and the ability of the borrower to raise funding.

Write-off

The Company writes off a financial asset when there is information indicating that the debtor is in severe financial difficulty and there is no realistic prospect of recovery, such as when the debtor has been placed under liquidation or has entered into bankruptcy proceedings, or in the case of trade receivables, when the amounts are over two years past due, whichever occurs sooner.

Financial assets written off may still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognized in profit or loss.

Measurement and recognition of ECL

The measurement of ECL is a function of the probability of default, loss given default (i.e. the magnitude of the loss if there is a default) and the exposure at default. The assessment of the probability of default and loss given default is based on historical data adjusted by forward-looking information.

As for the exposure at default, for financial assets, this is represented by the assets' gross carrying amount at the reporting date, the Company's understanding of the specific future financing needs of the debtors, and other relevant forward-looking information.

For financial assets, the ECL is estimated as the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at the original effective interest rate.

If the Company has measured the loss allowance for a financial instrument at an amount equal to lifetime ECL in the previous reporting period, but determines at the current reporting date that the conditions for lifetime ECL are no longer met, the Company measures the loss allowance at an amount equal to 12-month ECL at the current reporting date, except for assets for which simplified approach was used.

The Company recognizes an impairment gain or loss in profit or loss for all financial instruments with a corresponding adjustment to their carrying amount through a loss allowance account, except for investments in debt instruments that are measured at FVTOCI, for which the loss allowance is recognized in other comprehensive income and accumulated in the investment revaluation reserve, and does not reduce the carrying amount of the financial asset in the statement of financial position.

Presentation of allowance for ECL in the statements of financial position

Loss allowances for ECL are presented in the statements of financial position as a deduction from the gross carrying amount of the assets.

Derecognition

The Company derecognizes a financial asset only when the contractual rights to the asset's cash flows expire or when the financial asset and substantially all the risks and rewards of ownership of the asset are transferred to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain/loss that had been recognized in OCI and accumulated in equity is recognized in profit or loss, with the exception of equity investment designated as measured at FVTOCI, where the cumulative gain/loss previously recognized in OCI is not subsequently reclassified to profit or loss.

Financial Liabilities and Equity Instruments

Classification as debt or equity

Debt and equity instruments are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Financial liabilities

All financial liabilities are measured subsequently at amortized cost using the effective interest method or at FVTPL. Financial liabilities are classified as either financial liabilities 'at FVTPL' or 'other financial liabilities'.

Financial liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is (i) held for trading, or (ii) it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

Financial liabilities at FVTPL are measured at fair value, with any gains/losses arising on remeasurement recognized in profit or loss to the extent that they are not part of a designated hedging relationship. The net gain/loss recognized in profit or loss incorporates any interest paid on the financial liability and is included in profit or loss.

However, for financial liabilities that are designated as at FVTPL, the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability is recognized in OCI, unless the recognition of the effects of changes in the liability's credit risk in OCI would create or enlarge an accounting mismatch in profit or loss. The remaining amount of change in the fair value of liability is recognized in profit or loss. Changes in fair value attributable to a financial liability's credit risk that are recognized in OCI are not subsequently reclassified to profit or loss; instead, they are transferred to retained earnings upon derecognition of the financial liability.

In making the determination of whether recognizing changes in the liability's credit risk in OCI will create or enlarge an accounting mismatch in profit or loss, the Company assesses whether it expects that the effects of changes in the liability's credit risk will be offset in profit or loss by a change in the fair value of another financial instrument measured at FVTPL. This determination is made at initial recognition.

Since the Company does not have financial liabilities classified at FVTPL, all financial liabilities are subsequently measured at amortized cost.

Financial liabilities measured subsequently at amortized cost

Financial liabilities that are not (i) contingent consideration of an acquirer in a business combination, (ii) held-for-trading, or (iii) designated as at FVTPL, are measured subsequently at amortized cost using the effective interest method.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortized cost of a financial liability.

The Company's financial liabilities classified under this category include accrued expenses and other payables, and payable to fund manager.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the statements of financial position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

A right to offset must be available today rather than being contingent on a future event and must be exercisable by any of the counterparties, both in the normal course of business and in the event of default, insolvency or bankruptcy.

Derecognition of financial liabilities

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in profit or loss.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received, net of direct issue costs.

Share capital

Share capital consisting of ordinary shares is classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction from the proceeds, net of tax. Any excess of proceeds from issuance of shares over its par value is recognized as additional paid-in capital.

Retained earnings

Retained earnings represent accumulated profit attributable to equity holders of the Company after deducting dividends declared. Retained earnings may also include effect of changes in accounting policy as may be required by the standard's transitional provisions.

Repurchase, disposal and reissuance of share capital (treasury shares)

When share capital recognized as equity is repurchased, the amount of the consideration paid, which includes directly attributable cost, net of any tax effects, is recognized as a reduction from equity. Repurchased shares are classified as treasury shares and are presented in the reserve for own share account. When treasury shares are sold or reissued subsequently, the amount received is recognized as increase in equity, and the resulting surplus or deficit on the transaction is presented as additional paid-in capital.

Deposit for future stock subscriptions

DFFS is recorded at historical cost. According to Financial Reporting Bulletin (FRB) No. 6 as issued by SEC, it is classified as equity when all of the following criteria are met:

- the unissued authorized capital stock of the entity is insufficient to cover the amount of shares indicated in the contract;
- there is Board of Directors' approval on the proposed increase in authorized capital stock (for which a deposit was received by the Company);
- there is stockholders' approval of said proposed increase; and
- the application for the approval of the proposed increase has been presented for filing or has been filed with the SEC.

Deposit for future stock subscriptions is classified as liability, when the above criteria are not met.

Prepayments

Prepayments represent expenses not yet incurred but already paid in cash. Prepayments are initially recorded as assets and measured at the amount of cash paid. Subsequently, these are charged to profit or loss as these are consumed in operations or expire with the passage of time.

Prepayments are classified in the statements of financial position as current asset when the cost of services related to the prepayments are expected to be incurred within one (1) year or the Company's normal operating cycle, whichever is longer. Otherwise, prepayments are classified as non-current assets.

Provisions, Contingent Liabilities and Contingent Assets

Provisions

Provisions are recognized when the Company has a present obligation, either legal or constructive, as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized is the best estimate of the consideration required to settle the present obligation at the end of each reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation; its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate.

If it is no longer probable that a transfer of economic benefits will be required to settle the obligation, the provision should be reversed.

Contingent Liabilities and Assets

Contingent liabilities and assets are not recognized because their existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Contingent liabilities are disclosed, unless the possibility of an outflow of resources embodying economic benefits is remote.

Contingent assets are not recognized, but are disclosed only when an inflow of economic benefits is probable. When the realization of income is virtually certain, asset should be recognized.

Revenue Recognition

Revenue is measured based on the consideration to which the Company expects to be entitled in a contract with a customer and excludes amounts collected on behalf of third parties. The Company recognizes revenue when it transfers control of a product or service to a customer.

Interest income

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time proportion basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount.

Realized gains or losses

Gains or losses arising on the disposal of investments are determined as the difference between the sales proceeds and the carrying amount of the investments and is recognized in profit or loss.

Fair value gains or losses

Gains or losses arising from changes in fair values of investments are disclosed under the policy on financial assets.

Other income

Other income is income generated outside the normal course of business and is recognized when it is probable that the economic benefits will flow to the Company and it can be measured reliably.

Expense Recognition

Expenses are recognized in profit or loss when a decrease in future economic benefit related to a decrease in an asset or an increase in a liability has arisen that can be measured reliably. Expenses are recognized in profit or loss on the basis of: (i) a direct association between the costs incurred and the earning of specific items of income; (ii) systematic and rational allocation procedures when economic benefits are expected to arise over several accounting periods and the association with income can only be broadly or indirectly determined; or, (iii) immediately when an expenditure produces no future economic benefits or when, and to the extent that, future economic benefits do not qualify, or cease to qualify, for recognition in the statements of financial position as an asset.

Expenses in the statements of comprehensive income are presented using the function of expense method. Investment expenses are transaction costs incurred in the purchase and sale of investments. Operating expenses are costs attributable to administrative and other business expenses of the Company including management fees and custodianship fees.

Fair Value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such basis.

In addition, for financial reporting purposes, fair value measurements are categorized into Levels 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

Related Party Transactions

A related party transaction is a transfer of resources, services or obligations between the Company and a related party, regardless of whether a price is charged.

Parties are considered related if one party has control, joint control, or significant influence over the other party in making financial and operating decisions. An entity that is a post-employment benefit plan for the employees of the Company and the key management personnel of the Company are also considered to be related parties.

Taxation

Income tax expense represents the sum of the current tax, final tax and deferred tax expense.

Current tax

The current tax expense is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statements of comprehensive income because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's current tax expense is calculated using 25% regular corporate income tax (RCIT) rate or 1% minimum corporate income tax (MCIT) rate and 30% RCIT rate or 2% MCIT rate, whichever is higher, in 2021 and 2020, respectively .

Final tax

Final tax expense represents final taxes withheld on interest income from cash in banks, special savings deposits and fixed-income securities and final taxes withheld on proceeds from sale of listed equity securities.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liability is generally recognized for all taxable temporary differences. Deferred tax asset is generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax asset and liability are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax asset is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax asset and liability are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax asset and liability are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities and these relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

Current and deferred taxes for the year

Current and deferred taxes are recognized in profit or loss, except when they relate to items that are recognized in OCI or directly in equity, in which case, the current and deferred taxes are also recognized in OCI or directly in equity, respectively.

Earnings per Share

The Company computes its basic earnings per share by dividing profit or loss for the year attributable to ordinary equity holders of the Company by the weighted average number of ordinary shares outstanding during the period.

For the purpose of calculating diluted earnings per share, profit or loss for the year attributable to ordinary equity holders of the Company and the weighted average number of shares outstanding are adjusted for the effects of deposit for future stock subscriptions which are dilutive potential ordinary shares.

Net Asset Value per Share (NAVPS)

The Company computes its NAVPS by dividing the total net asset value as at the end of the reporting period by the number of issued and outstanding shares and shares to be issued on deposit for future stock subscriptions.

Events After the Reporting Period

The Company identifies events after the end of the reporting period as those events, both favorable and unfavorable, that occur between the end of the reporting period and the date when the financial statements are authorized for issue. The financial statements of the Company are adjusted to reflect those events that provide evidence of conditions that existed at the end of the reporting period. Non-adjusting events after the end of the reporting period are disclosed in the notes to the financial statements when material.

5. CRITICAL ACCOUNTING JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the Company's accounting policies, Management is required to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on the historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

Critical Judgments in Applying Accounting Policies

The following are the critical judgments, apart from those involving estimates, that Management has made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognized in the financial statements.

Business model assessment

Classification and measurement of financial assets depend on the results of the SPPI and the business model test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgment reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortized cost of FVTOCI that are derecognized prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

The Company measures its financial assets at amortized cost if the financial asset qualifies for both SPPI and business model test. The Company's business model is to hold the asset and to collect its cashflows which are SPPI. All other financial assets that do not meet the SPPI and business model test are measured at FVTPL.

As at December 31, 2021 and 2020, the Company's financial assets measured at FVTPL amounted to P46,763,747,555 and P12,473,030,164, respectively, as disclosed in Note 8.

As at December 31, 2021 and 2020, the Company's financial assets measured at amortized cost amounted to P80,512,869,543 and P70,423,370,775, respectively, composed of cash and cash equivalents, financial assets at amortized cost, and accrued receivable as disclosed in Notes 6, 7, and 9, respectively.

Significant increase in credit risk

ECL is measured as an allowance equal to 12-month ECL for stage 1 assets, or lifetime ECL assets for stage 2 or stage 3 assets. An asset moves to stage 2 when its credit risk has increased significantly since initial recognition. PFRS 9 does not define what constitutes a significant increase in credit risk. In assessing whether the credit risk of an asset has significantly increased the Company takes into account qualitative and quantitative reasonable and supportable forward-looking information.

The Company considers a financial instrument to have experienced a significant increase in credit risk when one or more of the qualitative and quantitative criteria have been met as disclosed in Note 20.

As at December 31, 2021 and 2020, the Company's estimated credit losses for financial instruments measured at amortized cost amounted to P57,333,701 and nil, respectively as disclosed in Note 9 and Note 20.

Models and assumptions used

The Company uses various models and assumptions in measuring the fair value of financial assets as well as in estimating ECL. Judgment is applied in identifying the most appropriate model for each type of asset, as well as for determining the assumptions used in these models, including assumptions that relate to key drivers of credit risk.

The Company's model and assumptions used in measuring the fair value of financial assets and estimating ECL are disclosed in Notes 17 and Note 20, respectively.

Functional currency

Based on the economic substance of the underlying circumstances relevant to the Company, the functional currency of the Company has been determined to be the Philippine Peso (PHP). The PHP is the currency of the primary economic environment in which the Company operates. It is the currency being used to report the Company's results of operations.

Puttable shares designated as equity instruments

The Company's share capital met the specified criteria to be presented as equity. The Company designated its redeemable share capital as equity instruments since the Company's share capital met the criteria specified in PAS 32, *Financial Instruments: Presentation*, to be presented as equity.

A puttable financial instrument includes a contractual obligation for the issuer to repurchase or redeem that instrument for cash or another financial asset on exercise of the put. As an exception to the definition of a financial liability, an instrument that includes such an obligation is classified as an equity instrument if it has met all the following features:

- a. it entitles the holder to a pro rata share of the entity's net assets in the event of the entity's liquidation. The entity's net assets are those assets that remain after deducting all other claims on its assets;
- b. it is in the class of instruments that is subordinate to all other classes of instruments;
- c. all financial instruments in the class of instruments that is subordinate to all other classes of instruments have identical features;
- d. apart from the contractual obligation for the issuer to repurchase or redeem the instrument for cash or another financial asset, the instrument does not include any contractual obligation to deliver cash or another financial asset to another entity, or to exchange financial assets or financial liabilities with another entity under conditions that are potentially unfavorable to the entity, and it is not a contract that will or may be settled in the entity's own equity instruments; and

- e. the total expected cash flows attributable to the instrument over the life of the instrument are based substantially on the profit or loss, the change in the recognized net assets or the change in the fair value of the recognized and unrecognized net assets of the entity over the life of the instrument (excluding any effects of the instrument).

As at December 31, 2021 and 2020, the recognized amount of share capital representing puttable shares in the statements of financial position amounted to P199,999,994 as disclosed in Note 12.

Key Sources of Estimation Uncertainty

The following are the Company's key assumptions concerning the future and other key sources of estimation uncertainty at the end of each reporting period that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Probability of Default (PD)

PD constitutes a key input in measuring ECL. PD is an estimate of the likelihood of default over a given time horizon, the calculation of which includes historical data, assumptions and expectations of future conditions.

As at December 31, 2021 and 2020, the Company assessed a probability of default of 0.10% and nil, respectively, for all of its financial assets measured at amortized cost. The assumptions used by the Company in estimating PD is disclosed in Note 20.

Loss Given Default (LGD)

LGD is an estimate of the loss arising on default. It is based on the difference between the contractual cash flows due and those that the lender would expect to receive, taking into account cash flows from collateral and integral credit enhancements.

The Company uses portfolio averages from external estimates sourced out from Standard and Poor's (S&P) as the LGD estimates. The categorization of LGD estimates per financial asset measured at amortized cost is disclosed in Note 20.

Estimating loss allowance for ECL

The measurement of the ECL for financial assets measured at amortized cost and FVTOCI is an area that requires the use of complex models and significant assumptions about future economic conditions and credit behavior. Explanation of the inputs, assumptions and estimation techniques used in measuring ECL is further detailed in Note 20 Credit Risk - ECL measurement, which also sets out the key sensitivities of the ECL to changes in these elements.

A number of significant judgments are also required in applying the accounting requirements for measuring ECL, such as:

- Determining criteria for significant increase in credit risk;
- Choosing appropriate models and assumptions for the measurement of ECL; and
- Establishing the number and relative weightings of forward-looking scenarios and the associated ECL.

As at December 31, 2021 and 2020, the Company's estimated credit losses for financial instruments measured at amortized cost amounted to P57,333,701 and nil, respectively as disclosed in Note 9 and Note 20. Financial assets at amortized cost as at December 31, 2021 and 2020 amounted to P54,882,116,638 and P49,011,210,590, respectively, as disclosed in Note 9. Accrued interest receivable as at December 31, 2021 and 2020 amounted to P906,936,231 and P448,645,780, respectively, as disclosed in Note 7.

Deferred tax asset

The Company reviews the carrying amount at the end of each reporting period and reduces deferred tax assets to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Total deferred tax assets recognized in the statements of financial position as at December 31, 2021 and 2020 amounted to P28,819,767 and P17,089,610, respectively, as disclosed in Note 18.

Determining the fair value of investments in special savings deposits classified as financial assets at FVTPL

The Company carries its investments in special savings deposits at fair value, which requires use of accounting estimates and judgment. Since market interest rate is a significant component of fair value measurement, fair value would differ if the Company applied a different set of reference rates in the valuation methodology. Any change in the fair value of these financial assets would affect profit or loss and equity.

As at December 31, 2021 and 2020, the carrying amount of special savings deposits classified as financial assets at FVTPL amounted to P40,377,456,340 and P8,513,558,000, respectively, as disclosed in Note 8.

6. CASH AND CASH EQUIVALENTS

This account consists of:

	2021	2020
Cash in banks	P 8,059,382,274	P 5,629,614,405
Cash equivalents	16,664,434,400	15,333,900,000
	P24,723,816,674	P20,963,514,405

Cash in banks earned interest amounting to P2,793,344, P114,483,942 and P710,689 at average rates of 0.04%, 0.02% and 0.16% in 2021, 2020 and 2019, respectively, as disclosed in Note 15.

Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. The Company classifies an investment as cash equivalent if that investment has a maturity of three months or less from the date of acquisition.

Cash equivalents earned interest income amounting to P79,462,143, P837,375 and P199,887,143 at average rates of 0.50%, 0.95% and 2.09% in 2021, 2020 and 2019, respectively, as disclosed in Note 15. Accrued interest receivable amounted to P4,642,271 and P986,713 as at December 31, 2021 and 2020, respectively, as disclosed in Note 7.

7. ACCRUED INTEREST RECEIVABLE

This account consists of accrued interest on the following:

	Notes	2021	2020
Special savings deposits	8	P559,096,362	P101,697,418
Financial assets at amortized cost	9	343,197,598	345,961,649
Cash and cash equivalents	6	4,642,271	986,713
		P906,936,231	P448,645,780

Collection of interest depends on the scheduled interest payments of each asset held.

8. FINANCIAL ASSETS AT FAIR VALUE THROUGH PROFIT OR LOSS

This account consists of:

	2021	2020
Special savings deposits	P40,377,456,340	P 8,513,558,000
Investments in unit investment trust funds (UITFs)	6,386,291,215	3,959,472,164
	P46,763,747,555	P12,473,030,164

Investments in UITFs are placed in universal banks and are redeemable anytime. Special savings deposits have contractual maturity of more than three months.

Interest income earned on special savings deposits amounted to P1,012,042,868, P316,002,876 and P245,254,971 in 2021, 2020 and 2019, respectively, as disclosed in Note 15. Average rates earned on these investments are also disclosed in Note 15. Accrued interest receivable amounted to P559,096,362 and P101,697,418 as at December 31, 2021 and 2020, respectively, as disclosed in Note 7.

Net gains on investments recognized in profit or loss arising from financial assets at FVTPL are as follows:

	2021	2020	2019
Net realized gains	P14,697,032	P 78,703,452	P112,847,312
Net unrealized gains	20,285,651	24,082,460	9,515,785
	P34,982,683	P102,785,912	P122,363,097

The movements in the financial assets at FVTPL are summarized as follows:

	2021	2020	2019
Balance, January 1	P 12,473,030,164	P 11,579,226,523	P2,968,266,787
Additions	46,448,593,117	36,207,805,721	305,704,749,519
Disposal	(12,178,161,377)	(35,338,084,540)	(297,103,305,568)
Unrealized gains	20,285,651	24,082,460	9,515,785
Balance, December 31	P 46,763,747,555	P 12,473,030,164	P11,579,226,523

The following table presents the breakdown of maturity profile of the principal amounts of special savings deposits:

	2021	2020
Due in one year or less	P40,377,456,340	P8,513,558,000

9. FINANCIAL ASSETS AT AMORTIZED COST - net

This account consists of:

	Note	2021	2020
Current			
Treasury bills		P12,217,133,425	P10,636,609,458
Corporate bonds		11,762,070,434	2,053,909,003

Amortization of discount		73,273,161	189,865,470	(28,880,110)
Allowance for impairment	20	(57,333,701)	-	-
Balance, December 31		P 54,882,116,638	P49,011,210,590	P15,300,999,011

Realized gains from sale of financial assets at amortized cost amounting to nil, P40,495,085 and P8,752,426 in 2021, 2020, and 2019, respectively, are part of the net realized gains on investment as presented in the statements of comprehensive income. The disposal of financial assets of the Company is attributable to an isolated event that is beyond the Company's control, is non-recurring and could not have been reasonably anticipated by the Company. The main reason for the disposal is to raise cash for anticipated redemptions or to shift to higher-rated securities to improve asset quality of the Company.

Interest income earned on financial assets at amortized cost amounted to P1,294,102,807, P1,311,549,932 and P407,459,627 in 2021, 2020 and 2019, respectively, as disclosed in Note 15. The average interest rates of financial assets at amortized cost are also disclosed in Note 15. Accrued interest receivable amounted to P343,197,598 and P345,961,649 as at December 31, 2021 and 2020, respectively, as disclosed in Note 7.

The amortization of premium and discount of financial assets at amortized cost are summarized as follows:

	2021	2020	2019
Amortization of premium	(P136,585,471)	(P100,870,057)	(P33,656,114)
Amortization of discount	209,858,632	290,735,527	4,776,004
	P 73,273,161	P189,865,470	(P28,880,110)

The following presents the breakdown of the maturity profile of the principal amounts of financial assets at amortized cost:

	2021	2020
Due in one year or less	P31,411,025,000	P31,245,791,000
Due after one year through five years	22,338,931,000	17,827,860,000
Due more than five years	1,072,400,000	72,400,000
	P54,822,356,000	P49,146,051,000

10. ACCRUED EXPENSES AND OTHER PAYABLES

This account consists of:

	2021	2020
Filing and registration fees payable	P57,945,367	P 38,816,212
Due to investors	35,802,327	106,064,422
Withholding taxes and documentary stamp taxes	4,622,557	2,981,822
Custodianship fees	227,519	789,576
Professional fees	256,250	371,617
	P98,854,020	P149,023,649

Filing and registration fees payable pertains to the amount payable to SEC in relation with the Company's authorized capital stock increase application.

Filing and registration fees incurred in relation with the Company's authorized capital stock application amounted to P19,710,716 and P24,554,560 in 2021 and 2020, respectively. As at December 31, 2021 and 2020, accrued filing and registration fees payable amounted to P57,945,367 and P38,816,212, respectively.

Due to investors account pertains to amounts payable to investors for the redemption of their investments processed on or before the reporting period, which are usually paid one day after the transaction date.

11. RELATED PARTY TRANSACTIONS

In the normal course of business, the Company transacts with companies which are considered related parties under PAS 24, *Related Party Disclosures*.

The related parties below hold the following numbers and current values of shares of the Company as at December 31, 2021 and 2020:

Details of the Company's related party transactions are as follows:

a. Investment Management

The Company appointed SLAMCI as its fund manager, adviser, administrator, distributor and transfer agent that provides management, distribution and all required operational services.

Under the Management and Distribution Agreement (MDA), SLAMCI receives aggregate fees for these services at an annual rate of 0.25% of the net assets attributable to shareholders on each valuation day. Moreover, under the Transfer Agency Agreement, SLAMCI receives aggregate fees for these services at an annual rate of 0.15% of the net assets attributable to shareholders on each valuation day.

On September 22, 2020, the Company and SLAMCI amended its MDA and Transfer Agency Agreement based on the provisions of ICA 2018 IRR (Implementing Rules and Regulations of the Investment Company Act 2018) published by the SEC (Securities and Exchange Commission) on January 11, 2018. The agreements shall remain in effect for a period of 2 years from July 31, 2020 and shall continue in effect from year to year as approved by the respective Board of Directors of the Company and SLAMCI.

Management, distribution and transfer fees charged by SLAMCI to the Company in 2021, 2020 and 2019 amounted to P461,864,273, P261,944,300 and P99,946,726, respectively. Accrued management fees as at December 31, 2021 and 2020 amounting to P41,831,358 and P26,944,070, respectively, are shown as "Payable to fund manager" in the statements of financial position.

b. Remuneration of Directors

Remuneration of directors is presented in the statements of comprehensive income under "Directors' fees" amounting to P421,308, P314,615 and P314,615 in 2021, 2020 and 2019, respectively, which are usually paid to directors based on the meetings held and attended. There were no outstanding accrued directors' fees as at December 31, 2021 and 2020.

Except for the Board of Directors, the Company has no key management personnel and employees. Pursuant to the Company's MDA with SLAMCI, the latter provides all the staff of the Company including executive officers and other trained personnel.

c. Purchase and Sale of Investments

These types of transactions are buy and sell of the same security between portfolios of two separate affiliated legal entities of and whose assets are managed by Investments Department. Portfolio managers determine that this is appropriate and in the best interest of certain portfolios and ensure that the trade will be executed in a manner that is fair and equitable to both parties involved in the cross trade.

Incorporation

The Company was incorporated on March 5, 2004 with 100,000,000 authorized shares at par value of P0.01 per share.

Approved changes

On October 27, 2006, the stockholders of the Company approved the blanket increase of the authorized capital stock of up to One Hundred billion shares at par value of P0.01 per share. The stockholders also approved the delegation of the approval of the increase in tranches to the Board of Directors.

On April 24, 2007, the Board of Directors approved the first tranche of the increase in the Company's authorized share capital of 300,000,000 shares (from 100,000,000 shares to 400,000,000 shares both with par value of P0.01), the SEC approved the increase on January 14, 2010 and the registration statements on March 11, 2014.

On December 9, 2013, the Board delegated the approval of the implementation in tranches to the Chairman of the Fund and the President of the SLAMCI. The delegation was reiterated on April 29, 2014.

On April 29, 2014, the Shareholders approved the increase in the Company's authorized capital stock of 5,600,000,000 shares (from 400,000,000 shares to 6,000,000,000 shares both with par value of P0.01). The increase will be implemented by the Chairman of the Board of Directors and President of SLAMCI acting jointly in tranches.

On November 10, 2015, the Chairman of the Board of Directors and the President of SLAMCI jointly authorized the increase of 5,600,000,000 shares (from 400,000,000 shares to 6,000,000,000 shares both with par value of P0.01 per share) which was subsequently approved by the SEC on March 14, 2016. The registration statement was approved on December 13, 2016.

On March 13, 2017, the Chairman of the Board of Directors and the President of SLAMCI jointly authorized the increase of 14,000,000,000 shares (from 6,000,000,000 shares to 20,000,000,000 shares both with par value of P0.01 per share).

On October 10, 2017, the SEC approved the additional 14,000,000,000 shares increase in authorized capital stock, from 6,000,000,000 shares to 20,000,000,000 shares at a par value of P0.01 per share.

On December 27, 2017, the Company paid P4,759,928 SEC fees for the increase of 14,000,000,000 shares.

On December 31, 2017, the Company reclassified the 14,000,000,000 deposit for future stock subscriptions to subscribed capital stock.

On May 3, 2019, the SEC approved the registration statement for the 14,000,000,000 shares.

Pending application for 20,000,000,000 additional shares

On September 21, 2017, the Chairman of the Board of Directors and the President of SLAMCI jointly authorized the increase of 30,000,000,000 shares (from 20,000,000,000 shares to 50,000,000,000 shares both with par value of P0.01 per share).

On June 18, 2018, the application of the Company for the 30,000,000,000 additional shares was eventually revised to 15,000,000,000 additional shares. The Chairman of the Board of Directors of the Company and the President of SLAMCI, jointly approved the increase in authorized capital stock of the Company by P150,000,000 divided into 15,000,000,000 shares.

On July 3, 2018, the application for the 15,000,000,000 shares increase was presented to SEC.

On September 3, 2019, the application of the Company for the 15,000,000,000 additional shares was increased to 20,000,000,000 additional shares. The Chairman of the Board of Directors of the Company and the President of SLAMCI, jointly approved the fourth tranche of increase in authorized capital stock of the Company by P200,000,000 divided into 20,000,000,000 shares.

On November 18, 2019, the application for the 20,000,000,000 shares increase was presented to SEC.

On October 28, 2020, the Company received comments from SEC for the Company's application for increase in ACS of 20,000,000,000 shares.

In February 2021, the Company engaged with P&A Grant Thornton (P&A) to render its professional services in providing assistance to the Company in submission of documents as required by the SEC for the approval of 20,000,000,000 additional shares.

On March 4, 2021, the Company submitted to SEC-CRMD the requirements for the approval of 20,000,000,000 additional ACS.

On September 6, 2021, P&A filed a letter of follow-up to SEC - Financial Analysis and Audit Division (FAAD) for the status of all pending ACS increase applications.

On September 7, 2021, the Company received the checklist of requirements and comments from SEC-FAAD.

On November 5, 2021, soft copy of requirements was emailed to SEC and the original documents were subsequently received by SEC on November 10, 2021.

Currently, the Company and P&A is consistently following-up the status of the application and waiting for feedback from SEC on the documents provided.

Pending application for 26,900,000,000 additional shares

On October 14, 2020, the Chairman of the Board of Directors and the President of SLAMCI jointly approved the fifth tranche of increase in ACS by 26,900,000,000 shares with par value of P0.01 per share.

On December 29, 2020, the application for the 26,900,000,000 shares increase in authorized capital stock was electronically filed with the SEC.

On February 4, 2021, the original copies of the documentary requirements were transmitted to SEC.

SEC advised the Company that this application will be processed upon approval of previous ACS increase application.

Pending application for 40,000,000,000 additional shares

On March 11, 2021, the President of the Company and the President of SLAMCI jointly approved the sixth tranche of increase in ACS by 40,000,000,000 shares at the par value of Php0.01 per share.

On June 28, 2021, the application for the 40,000,000,000 shares increase in ACS was filed with the SEC.

SEC advised the Company that this application will be processed upon approval of previous ACS increase application.

Current state

DFFS received in cash amounting to P100,135,343,464, P56,482,089,375 and P11,288,711,898 as at December 31, 2021, 2020 and 2019, respectively, were classified as equity since the Company has met all of the conditions required for such recognition as disclosed in Note 4.

As at December 31, 2021, the Company has 19,931,042,091 issued and outstanding shares out of the 20,000,000,000 ACS with a par value of P0.01 per share.

The annual summary of the transactions of the Company's outstanding shares is as follows:

Year	NAVPS, end	Issuances	Redemptions	Balances
2009	P1.1141	-	-	99,999,729
2010	P1.1228	956,475,903	(956,477,705)	99,997,927
2011	P1.1268	1,569,004,158	(1,569,009,292)	99,992,793
2012	P1.1296	28,483,419	(28,666,408)	99,809,804
2013	P1.1261	251,357,990	(130,893,159)	220,274,635
2014	P1.1252	589,644,675	(603,224,598)	206,694,712
2015	P1.1395	739,442,729	(583,739,002)	362,398,439
2016	P1.1611	6,692,394,302	(1,062,761,649)	5,992,031,092
2017	P1.1855	21,223,189,136	(7,219,500,981)	19,995,719,247
2018	P1.2192	51,863,229,460	(59,400,728,254)	12,458,220,453
2019	P1.2650	54,444,673,091	(37,953,832,903)	28,949,060,641
2020	P1.2969	96,912,645,083	(62,038,007,124)	63,823,698,600
2021	P1.3156	145,305,942,058	(112,526,780,701)	96,602,859,957

The total number of shareholders as at December 31, 2021, 2020 and 2019 is 57,510, 47,887 and 38,649, respectively.

Redeemable Shares

Redeemable shares carry one vote each, and are subject to the following:

a. Distribution of dividends

Each shareholder has a right to any dividends declared by the Company's Board of Directors and approved by 2/3 of its outstanding shareholders.

b. Denial of pre-emptive rights

No shareholder shall, because of his ownership of the shares, have a pre-emptive or other right to purchase, subscribe for, or take any part of shares or of any other securities convertible into or carrying options or warrants to purchase shares of the registrant.

c. Right of redemption

The holder of any share, upon its presentation to the Company or to any of its duly authorized representatives, is entitled to receive, by way of redemption, approximately his proportionate share of the Company's current net assets or the cash equivalent thereof. Shares are redeemable at any time at their net asset value less any applicable sales charges and taxes.

13. ADDITIONAL PAID-IN CAPITAL

Additional paid-in capital of P21,654,070,848, P22,383,608,539 and P22,831,936,105 as at December 31, 2021, 2020 and 2019, respectively, pertains to excess payments over par value from investors and from reissuance of treasury shares.

14. NET ASSET VALUE PER SHARE (NAVPS)

NAVPS is computed as follows:

	Note	2021	2020
Total equity		P127,093,562,966	P82,771,743,396
Outstanding shares	12	96,602,859,957	63,823,706,600
NAVPS	P	1.3156	P 1.2969

NAVPS is based on issued, outstanding and fully paid shares minus treasury shares plus deposits for future stock subscriptions classified as equity. The expected cash outflow on redemption of these shares is equivalent to computed NAVPS as at reporting period.

15. INTEREST INCOME

This account consists of interest income on the following:

	Notes	2021	2020	2019
Fixed-income securities	9	P1,294,102,807	P1,311,549,932	P407,459,627
Special savings deposits	8	1,012,042,868	316,002,876	245,254,971
Cash equivalents	6	79,462,143	837,375	199,887,143
Cash in banks	6	2,793,344	114,483,942	710,689
		P2,388,401,162	P1,742,874,125	P853,312,430

Interest income is recorded gross of final withholding tax which is shown as "Income Tax Expense" account in the statements of comprehensive income.

Average interest rates of investments and cash in banks in 2021, 2020 and 2019 are as follows:

	Notes	2021	2020	2019
Special savings deposits	8	2.58%	0.53%	1.31%
Treasury bills	9	3.30%	2.58%	5.39%
Treasury notes	9	2.00%	4.00%	3.99%
Treasury bonds	9	2.42%	4.53%	5.71%
Cash equivalents	6	0.50%	0.95%	2.09%
Cash in banks	6	0.04%	0.02%	0.16%

16. EARNINGS PER SHARE

The calculation of the basic and diluted earnings per share is based on the following data:

	2021	2020	2019
Total comprehensive income for the year	P 1,488,795,358	P 1,405,729,169	P 761,929,954
Weighted average number of shares:			
Issued and outstanding	19,962,601,601	19,990,178,169	14,408,182,458
Potential dilutive shares	77,539,201,952	24,259,561,987	2,694,890,898
Weighted average number of outstanding shares for the purpose of computing diluted earnings per share	97,501,803,553	44,249,740,156	17,103,073,356
Basic earnings per share	P 0.075	P 0.070	P 0.053
Diluted earnings per share	P 0.015	P 0.032	P 0.045

The DFFS as at December 31, 2021, 2020 and 2019 are dilutive, therefore, diluted earnings per share is lower than the basic earnings per share.

17. FAIR VALUE OF FINANCIAL INSTRUMENTS

Assets and liabilities measured at fair value on a recurring basis

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, levels 1 to 3 based on the degree to which the inputs to fair value are observable.

	Note	Level 1	Level 2	Total
December 31, 2021				
Special savings deposits	8	P -	P40,377,456,340	P40,377,456,340
Investments in UITFs	8	6,386,291,215	-	6,386,291,215
		P6,386,291,215	P40,377,456,340	P46,763,747,555
December 31, 2020				
Special savings deposits	8	P -	P8,513,558,000	P 8,513,558,000
Investments in UITFs	8	3,959,472,164	-	P 3,959,472,164
		P3,959,472,164	P8,513,558,000	P12,473,030,164

The fair value of the special savings deposits is approximately the same with its carrying amount since the maturity period of these assets are less than one year.

UITFs are valued at their published Net Asset Value per Unit (NAVPU) as at reporting date.

There were no transfers between level 1 and 2 in 2021 and 2020.

Financial assets and liabilities not measured at fair value

The following financial assets and financial liabilities are not measured at fair values on recurring basis but the fair value disclosure is required:

	Notes	Carrying Amounts	Fair Values			Total
			Level 1	Level 2	Level 3	
December 31, 2021						
Financial Assets						
Cash in banks	6	P 8,059,382,274	P8,059,382,274	P -	P -	P 8,059,382,274
Cash equivalents	6	16,664,434,400	-	16,664,434,400	-	16,664,434,400
Accrued interest receivable	7	906,936,231	-	906,936,231	-	906,936,231
Financial assets at amortized cost - net	9	54,882,116,638	-	-	53,854,417,553	53,854,417,553
		P80,512,869,543	P8,059,382,274	P17,571,370,631	P53,854,417,553	P79,485,170,458
Financial Liabilities						
Accrued expenses and other payables	10	P 36,286,096	P -	P 36,286,096	P -	P 36,286,096
Payable to fund manager	11	41,831,358	-	41,831,358	-	41,831,358
		P 78,117,454	P -	P 78,117,454	P -	P 78,117,454
December 31, 2020						
Financial Assets						
Cash in banks	6	P 5,629,614,405	P5,629,614,405	P -	P -	P 5,629,614,405
Cash equivalents	6	15,333,900,000	-	15,333,900,000	-	15,333,900,000
Accrued interest receivable	7	448,645,780	-	448,645,780	-	448,645,780
Financial assets at amortized cost - net	9	49,011,210,590	-	-	49,201,393,714	49,201,393,714
		P70,423,370,775	P5,629,614,405	P15,782,545,780	P49,201,393,714	P70,613,553,899
Financial Liabilities						
Accrued expenses and other payables	10	P 107,225,615	P -	P 107,225,615	P -	P 107,225,615
Payable to fund manager	11	26,944,070	-	26,944,070	-	26,944,070
		P 134,169,685	P -	P 134,169,685	P -	P 134,169,685

The difference between the carrying amount of accrued expenses and other payables disclosed in the statements of financial position and the amount disclosed in this note pertains to withholding and documentary stamp taxes and filing and registration fees payable that are not considered financial liabilities.

Cash in banks, cash equivalents, accrued interest receivable, accrued expenses and other payables and payable to fund manager have short-term maturities, hence, their carrying amounts are their fair values.

The fair values of financial assets at amortized cost were determined based on the discounted cash flow analysis using the Company's estimated cost of borrowing ranging from 3.93% to 5.44% for loans with less than one year maturity and loans maturing in seven years, respectively, for 2021 and 1.71% to 3.56% for loans with less than one year maturity and loans maturing in seven years, respectively, for 2020.

In 2020, transfer from Level 2 to Level 3 in financial assets at amortized cost is due to the unavailability of related market prices sources, thus, the Company's estimated cost of borrowing was used. There were no transfers between Levels 1, 2 and 3 in 2021.

18. INCOME TAXES

Details of income tax expense are as follows:

	2021	2020	2019
Current taxes			
Final tax	P242,703,498	P188,336,813	P110,786,785
RCIT	155,628,750	-	-
MCIT	(4,316,602)	4,919,870	1,746,752
	394,015,646	193,256,683	112,533,537
Deferred tax benefit	(14,799,112)	(7,866,806)	(9,222,804)
Effects of change in tax rate	3,068,955	-	-
	(11,730,157)	(7,866,806)	(9,222,804)
Income tax expense	P382,285,489	P185,389,877	P103,310,733

The reconciliation between tax expense and the product of accounting profit multiplied by 25% in 2021 and 30% in 2020 and 2019 is as follows:

	2021	2020	2019
Accounting profit before tax	P1,871,076,759	P1,591,119,046	P865,240,687
Tax expense at 25% in 2021 and 30% in 2020 and 2019	467,770,212	477,335,714	259,572,206
Adjustment for income subject to lower tax rate	(80,068,620)	(248,961,538)	(116,926,817)
Tax effects of:			
Net unrealized gains on investments	(5,071,413)	(7,224,738)	(2,854,735)
Net realized gains on investments	(3,674,258)	(35,759,561)	(36,479,921)
Changes in tax expense due to the change in income tax rate	3,068,955	-	-
Nondeductible expense	260,613	-	-
	P 382,285,489	P 185,389,877	P103,310,733

On March 26, 2021, the Republic Act (RA) 11534 also known as "Corporate Recovery and Tax Incentives for Enterprises Act" or "CREATE" Act was passed into law which reduced the corporate income tax rates and rationalized the current fiscal incentives by making it time-bound, targeted and performance-based.

Among others, the Act includes the following significant revisions:

1. Effective July 1, 2020, domestic corporations with total assets not exceeding P100 million and net taxable income of P5 million and below shall be subject to 20% income tax rate while the other domestic corporations and resident foreign corporations will be subject to 25% tax income tax rate;
2. Minimum corporate income tax (MCIT) rate is reduced to from 2% to 1% from July 1, 2020 to June 30, 2023;

The tax rate used in the reconciliations above is the corporate tax rate of 25% in 2021 and 30% in 2020 and 2019 payable by the Company.

Details of MCIT are as follows:

Year Incurred	Year of Expiry	Amount	Change in Tax Rate	Applied Current Year	Expired	Unapplied
2019	2022	P1,746,752	P -	(P 1,746,752)	P -	P -
2020	2023	3,697,994	(1,128,144)	(2,569,850)	-	-
		P5,444,746	(P 1,128,144)	(P 4,316,602)	P -	P -

Deferred tax assets

The following is the composition of deferred tax assets recognized by the Company:

	Taxes and licenses	MCIT	ECL	NOLCO	Total
January 1, 2019	P -	P -	P -	P -	P -
Charged to profit or loss	4,278,496	1,746,752	-	3,197,556	9,222,804
December 31, 2019	4,278,496	1,746,752	-	3,197,556	9,222,804
Charged to profit or loss	7,366,368	3,697,994	-	(3,197,556)	7,866,806
December 31, 2020	11,644,864	5,444,746	-	-	17,089,610
Charged to profit or loss	4,782,289	(4,316,602)	14,333,425	-	14,799,112
Effect of change in tax rate	(1,940,811)	(1,128,144)	-	-	(3,068,955)
December 31, 2021	P14,486,342	P -	P14,333,425	P -	P28,819,767

Based on Management's expectation of the Company's future taxable income, the Company recognizes deferred tax asset only to the extent that future taxable income will be available against which it can be utilized.

The Company's interest income from cash in banks, cash equivalents and financial assets at amortized cost are already subjected to final tax and are therefore excluded from the computation of taxable income for RCIT and MCIT, except for special savings deposits.

Realized gains on redemption of investments in UITFs and sale of treasury notes are exempted from tax and are therefore excluded from the computation of taxable income subject to RCIT and MCIT.

19. CONTINGENCIES

The Company has no pending legal cases as at December 31, 2021 and 2020 that may have a material effect on the Company's financial position and results of operations.

20. FINANCIAL RISK MANAGEMENT

The Company's activities expose it to a variety of financial risks: market risk, which includes interest rate and equity price risks, credit risk and liquidity risk. The Fund Manager exerts best efforts to anticipate events that would negatively affect the value of the Company's assets and take appropriate actions to counter these risks. However, there is no guarantee that the strategies will work as intended. The policies for managing specific risks are summarized below.

Market risk

The Company's activities expose it primarily to the financial risks of changes in interest rates and movements in NAVPU of investments in UITFs. There has been no change in the manner in which the Company manages and measures the risk.

Interest rate risk

Interest rate risk refers to the possibility that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest.

The primary source of the Company's interest rate risk relates to cash and cash equivalents, special savings deposits and debt investments at amortized cost. Interest rates of the financial assets are disclosed in Notes 6 and 15.

The risk is managed by the Fund Manager by actively monitoring the prevailing interest rate environment. The duration of the portfolio is reduced during periods of rising rates and widening credit spreads to maximize interest income potential. Conversely, the same is increased during periods of falling rates and narrowing credit spreads.

A 50 basis points increase or decrease in the interest rates had been determined for sensitivity analysis based on the exposure to interest rates for cash and cash equivalents and financial assets at FVTPL at the end of each reporting period. The same is used for reporting interest rate risk internally to key management personnel and represents Management's assessment of the reasonable effect of the maximum possible movement in interest rates.

The following table details the increase or decrease in net profit if interest rates had been 50 basis points higher or lower and all other variables are held constant for the years ended 2021, 2020 and 2019:

Change in Interest rates	Increase (Decrease) in Net Profit/Loss or Equity		
	2021	2020	2019
+50 basis	P90,157,327	P113,157,962	P72,005,494
-50 basis	(90,157,327)	(113,157,962)	(72,005,494)

In Management's opinion, the sensitivity analysis is unrepresentative of the inherent interest rate risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

Equity price risk

The Company is exposed to equity price risks arising from investments in UITFs.

The risk is managed by the Fund Manager by actively monitoring the movements in NAVPU of investments in UITFs.

Based on the exposure to equity price risk at the end of each reporting period, if NAVPU of investments in UITFs had been 2% higher or lower, profit or loss for the years ended December 31, 2021, 2020 and 2019 would have increased or decreased by P127,153,613 , P78,834,675 and P33,434,072, respectively.

Other than interest and equity price risks discussed above, there are no other market risks which significantly affect the Company's performance.

In Management's opinion, the sensitivity analysis is unrepresentative of the inherent equity price risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

Credit risk

Credit risk refers to the risk that the counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of dealing only with creditworthy counterparties, as a means of mitigating the risk of financial loss from defaults, and transacts only with entities that are rated with equivalent of investment grade of "High" down to "Satisfactory". This information is supplied by independent rating agencies, when available. If the information is not available, the Company uses other publicly available financial information and its own trading records to rate its major counterparties. The Company's exposure and the credit ratings of its counterparties are continuously monitored and the aggregate value of transactions concluded is spread amongst approved counterparties.

The carrying amounts of financial assets recorded in the financial statements represent the Company's maximum exposure to credit risk:

	Notes	2021	2020
Cash in banks	6	P 8,059,382,274	P 5,629,614,405
Cash equivalents	6	16,664,434,400	15,333,900,000
Accrued interest receivable	7	906,936,231	448,645,780
Special savings deposits	8	40,377,456,340	8,513,558,000
Financial assets at amortized cost	9	54,882,116,638	49,011,210,590
		P120,890,325,883	P78,936,928,775

ECL measurement

In 2021 and 2020, ECLs are a probability-weighted estimate of credit losses (i.e. the present value of all cash shortfalls) over the expected life of the financial instrument.

PFRS 9 outlines a 'three-stage' model for impairment based on changes in credit quality since initial recognition. The Company's current credit risk grading framework comprises the following categories:

Category	Description	Basis for recognizing expected credit losses
Stage 1	The counterparty has a low risk of default and does not have any past-due amounts or that the financial instrument is not credit-impaired on initial recognition	12m ECL
Stage 2	There has been a significant increase in credit risk since initial recognition but not yet deemed to be credit-impaired	Lifetime ECL - not credit-impaired
Stage 3	There is evidence indicating that the debtor is in severe financial difficulty and the Company has no realistic prospect of recovery or that the financial instrument is credit-impaired	Lifetime ECL - credit-impaired

Measuring ECL – Explanation of inputs, assumptions and estimation techniques

The ECL is determined by projecting the PD, LGD and exposure at default (EAD) for each future month and for each individual exposure or collective segment. These three components are multiplied together and adjusted for the likelihood of survival (i.e. the exposure has not prepaid or defaulted in an earlier month). This effectively calculates an ECL for each future month, which is then discounted back to the reporting date and summed. The discount rate used in the ECL calculation is the original effective interest rate or an approximation thereof.

The maturity profile is based on historical observed data and is assumed to be the same across all assets within a portfolio and credit grade band. This is supported by historical analysis.

Given that the Company currently has no history of default on their portfolio, a model which incorporates internal default experience is not feasible. For the 12M and Lifetime PD, the Company uses external benchmarking of current internal credit ratings to S&P's using one-year transition matrices in S&P's Annual Global Corporate Default Study and Rating Transition reports. From the transition matrices, cumulative PDs are identified. The overall PD for a specific time horizon is calculated from the cumulative PD, by determining the marginal PD and taking the conditional PD given that it has not yet defaulted prior to the said time horizon. The resulting overall PDs are the values that will act as components in ECL calculation. The Lifetime PD is developed by analysis of the transition matrices over the maximum life of active loans, which is 10 years.

The table below summarizes the current internal credit rating equivalence system of the Company.

Summary rating	Internal credit rating	S&P rating
High	AAA	AAA
High	AAA	AA- to AA+
High	AAA	A- to A+
High	AAA	BBB- to BBB+
Satisfactory	AA	BB- to B+
Acceptable	B	B- to B+
Low	CCC/C	CCC- to CCC+

The 12m and lifetime EADs are determined based on the contractual repayments owed by the borrower over the 12 month or lifetime basis. This will also be adjusted for any expected overpayments made by the borrower. The Company does not have an undrawn component for any of its debt instruments.

For the 12m and lifetime LGDs, considering the availability of related information, the Company use the external estimates sourced from S&P's. The table below summarized the LGD value for each category of financial assets at amortized costs.

Category	LGD value
Senior Unsecured Notes	48%

Forward-looking information incorporated in the ECL models

The assessment of significant increase in credit risk and the calculation of ECL both incorporate forward-looking information. The Company has performed historical analysis and identified the key economic variables impacting credit risk and ECL for each portfolio. The Company assessed that the key economic variables are unemployment rates in 2021 and 2020.

These economic variables and their associated impact on the PD, EAD and LGD vary by financial instrument. Expert judgment has also been applied in this process. Forecasts of these economic variables (the "base economic scenario") are based on the economic data from the International Monetary Fund (IMF) from year 2022 until 2026. The impact of these economic variables on the PD, EAD and LGD has been determined by performing statistical regression analysis to understand the impact changes in these variables have had historically on default rates and on the components of EAD and LGD.

In addition to the base economic scenario, the best value economically spanning from the historical years is taken (upside forecasts). A similar approach applies for the downside forecasts. The scenario weightings are determined by a combination of statistical analysis and expert credit judgement, taking account of the range of possible outcomes each chosen scenario is representative of. The per-scenario Forward Looking Adjustments were assigned probability weights of 70% for the base scenario and 15% for each of the upside and downside forecast in 2021 and 50% for the base scenario, and 25% for each of the upside and downside forecast in 2020.

As with any economic forecasts, the projections and likelihoods of occurrence are subject to a high degree of inherent uncertainty and therefore the actual outcomes may be significantly different to those projected. The Company considers these forecasts to represent its best estimate of the possible outcomes and has analyzed the non-linearities and asymmetries within the Company's different portfolios to establish that the chosen scenarios are appropriately representative of the range of possible scenarios.

The following table details the credit quality of the Company's financial assets and other items, as well as the Company's maximum credit exposure to credit risk by credit risk rating grades as at December 31, 2021 and 2020:

	Notes	Internal credit rating	Category	12m or lifetime ECL?	Gross carrying amount	Loss allowance	Net carrying amount
2021							
Cash and cash equivalents	6	AAA	Stage 1	12m ECL	P24,723,816,674	P -	P24,723,816,674
Accrued interest receivable	7	AAA	Stage 1	12m ECL	906,936,231	-	906,936,231
Financial assets at amortized cost - current portion	9	AAA	Stage 1	12m ECL	31,387,756,217	-	31,387,756,217
Financial assets at amortized cost - net of current portion	9	AA	Stage 1	12m ECL	23,551,694,122	(57,333,701)	23,494,360,421
					P80,570,203,244	(P57,333,701)	P80,512,869,543
2020							
Cash and cash equivalents	6	AAA	Stage 1	12m ECL	P20,963,514,405	P -	P20,963,514,405
Accrued interest receivable	7	AAA	Stage 1	12m ECL	448,645,780	-	448,645,780
Financial assets at amortized cost - current portion	9	AAA	Stage 1	12m ECL	31,097,184,495	-	31,097,184,495
Financial assets at amortized cost - net of current portion - net	9	AA	Stage 1	12m ECL	17,914,026,095	-	17,914,026,095
					P70,423,370,775	P -	P70,423,370,775

The movements in the ECL recognized for the year are summarized as follows:

	Gross Carrying Amount Stage 1	ECL Stage 1
January 1, 2021	P 49,011,210,590	P -
Additions	60,092,114,203	106,865,147
Disposals and maturities	(54,163,874,454)	(36,895)
Effect of changes in the model	-	(49,494,551)
December 31, 2021	P54,939,450,339	P57,333,701

There are no transfers between stages of the ECL during the year.

Liquidity risk

Liquidity risk arises when the Company encounters difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

The Company aims to maintain an appropriate level of liquidity which means having sufficient liquidity to be able to meet all obligations promptly under foreseeable adverse circumstances, while not having excessive liquidity.

The Company maintains at least ten percent of the fund in liquid/semi-liquid assets in the form of cash and cash equivalents, special savings deposits, investment in UITF, government debt securities, accrued interest receivable, and other collective schemes wholly invested in liquid/semi-liquid assets to assure necessary liquidity. This is also in compliance to Section 6.10 of the Implementing Rules and Regulations of the Investment Company Act series of 2018.

The Fund Manager manages liquidity risk by continuously monitoring forecast and actual cash flows, and matching the maturity profiles of financial assets and liabilities.

The following table details the Company's remaining contractual maturity for its non-derivative financial liabilities. The table had been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

	Less than One Month	One Month to One Year	Total
2021			
Accrued expenses and other payables	P35,802,327	P483,769	P36,286,096
Payable to fund manager	41,831,358	-	41,831,358
	P77,633,685	P483,769	P78,117,454
2020			
Accrued expenses and other payables	P106,064,422	P1,161,193	P107,225,615
Payable to fund manager	26,944,070	-	26,944,070
	P133,008,492	P1,161,193	P134,169,685

The difference between the carrying amount of accrued expenses and other payables disclosed in the statements of financial position and the amount disclosed in this note pertains to withholding and documentary stamp taxes and filing and registration fees payable that are not considered financial liabilities.

The following table details the Company's expected maturity for its financial assets. The table had been drawn up based on the contractual maturities of the financial assets including interest that will be earned on those assets, except when the Company anticipates that the cash flows will occur in a different period.

	Average Effective Interest Rate	Less than One Year	One Year to Five Years	More than Five Years	Total
2021					
Cash in banks	0.04%	P8,059,382,274	P -	P -	P 8,059,382,274
Cash equivalents	0.50%	16,664,434,400	-	-	16,664,434,400
Accrued interest receivable		906,936,231	-	-	906,936,231
Financial assets at FVTPL	2.58%	40,750,002,589	-	-	40,750,002,589
Financial assets at amortized cost - net	2.57%	32,234,375,371	22,582,359,488	1,072,400,000	55,889,134,859
		P98,615,130,865	P22,582,359,488	P1,072,400,000	P122,269,890,353
2020					
Cash in banks	0.02%	P 5,629,614,405	P -	P -	P 5,629,614,405
Cash equivalents	0.95%	15,347,771,323	-	-	15,347,771,323
Accrued interest receivable		448,645,780	-	-	448,645,780
Financial assets at FVTPL	0.53%	8,622,737,069	-	-	8,622,737,069
Financial assets at amortized cost - net	3.70%	32,015,428,236	18,646,609,659	76,915,052	50,738,952,947
		P62,064,196,813	P18,646,609,659	P76,915,052	P80,787,721,524

The Company expects to meet its obligations from operating cash flows, proceeds from maturing financial assets and sale of financial assets at FVTPL.

21. CAPITAL RISK MANAGEMENT

The Fund Manager manages the Company's capital to ensure that the Company will be able to continue as a going concern while maximizing the return to stakeholders through the optimization of the mix of high-quality debt from domestic issuers.

The Company is guided by its Investment Policies and Legal Limitations. All the proceeds from the sale of shares, including the original subscription payments at the time of incorporation constituting the paid-in capital, is held by the pertinent custodian banks.

The capital structure of the Company consists of issued capital as disclosed in Note 12.

The Fund Manager manages the Company's capital and NAVPS, as disclosed in Notes 12, 13 and 14 to ensure that the Company's net asset value remains competitive and appealing to prospective investors.

The Company is also governed by the following fundamental investment policies:

- a. It does not issue senior securities;
- b. It does not intend to incur any debt or borrowing. In the event that borrowing is necessary, it can do so only if, at the time of its incurrence or immediately thereafter, there is asset coverage of at least 300% for all its borrowings;
- c. It does not participate in any underwriting or selling group in connection with the public distribution of securities, except for its own share capital;
- d. It generally maintains a diversified portfolio. Industry concentrations may vary at any time depending on the investment manager's view on the prospects;
- e. It does not invest directly in real estate properties and developments;
- f. It does not purchase or sell commodity futures contracts;
- g. It does not engage in lending operations to related parties such as the members of the Board of Directors, officers of the Company and any affiliates, or affiliated corporations of the Company;
- h. The asset mix in each type of security is determined from time to time, as warranted by economic and investment conditions; and
- i. It does not change its investment objectives without the prior approval of a majority of its shareholders.

The Investment Policies refer to the following:

- a. Investment Objective - to generate income in Philippine Pesos consistent with prudent management of the Fund's assets.
- b. Benchmark - 30-day special savings deposits.
- c. Asset Allocation Range - the Company allocates its funds available for investments among cash and other deposit substitutes and fixed-income securities based on certain proportion as approved by Management.

Other matters covered in the investment policy include the fees due to be paid to the Fund Manager with management and distribution fees each set at an annual rate of 0.25% of the net assets attributable to shareholders on each valuation day.

In compliance to SEC Memorandum Circular No. 21, Series of 2019 signed on September 24, 2019 in relation to independent Net Asset Value (NAV) calculation, SLAMCI (Fund Manager) engaged Citibank, N.A. Philippines to service its fund accounting functions including calculation of its NAV every dealing day. In December 2021, SLAMCI implemented the outsourced fund accounting to all Sun Life Prosperity Funds.

As at December 31, 2021 and 2020, the Company is in compliance with the above requirements and minimum equity requirement of the SEC of P50,000,000.

The equity ratio at year-end is as follows:

	2021	2020
Equity	P127,093,562,966	P82,771,743,396
Total assets	127,305,723,838	82,947,711,115
Equity ratio	0.9983:1	0.9979:1

Management believes that the above ratios are within the acceptable range.

22. EVENTS AFTER THE REPORTING PERIOD

On January 6, 2022, the SEC’s Commission en Banc, issued Financial Reporting Bulletin (FRB) No. 6 - Deposit For Future Stock Subscription (DFFS) which imposed the prohibition on Investment Companies to accept DFFS.

On March 14, 2022, Management filed a Request for Exemptive Relief from the amended FRB No. 6 with the SEC. Consequently, the Commission en Banc in its meeting held on 28 April 2022 approved said request to temporarily allow the acceptance of DFFS during the pendency of the applications for increase of authorized capital stock of the Company, subject to compliance with the following conditions:

- a) That the Company will only temporarily accept DFFS up to the maximum number of shares covered by the respective pending applications for increase of authorized capital stock:

Name of Fund	Period	Total ACS Increase
Peso Starter	As of June 25,2021	86.9 Billion

- b) To expedite the subsequent securities registration process, the Company shall likewise be required to submit, within thirty (30) days from receipt of the letter granting its herein request, the corresponding SEC Form 12-1-ICA for the registration of additional registration of shares covered by the abovementioned ACS applications pursuant to ICA and SRC for concurrent processing, approval of which shall be made subject to the approval of the increase; and
- c) That no DFFS shall be accepted beyond the number of shares mentioned in item (a).

23. SUPPLEMENTARY INFORMATION REQUIRED BY THE BUREAU OF INTERNAL REVENUE (BIR) UNDER REVENUE REGULATIONS NO. 15-2010

The following information on taxes, duties and license fees paid or accrued during the 2021 taxable year are presented for purposes of filing with the BIR and are not required part of the basic financial statements.

Documentary stamp tax

Documentary stamp taxes incurred by the Company during 2021 amounted to P581,561 representing taxes in connection with the issuance of stock certificates by the Company to its shareholders. The documentary stamp tax being paid by the Company to the BIR includes those charged against the shareholder’s investment for stock certificate issuances in excess of 10 (ten) inter-fund transfers per calendar year.

Other taxes and licenses

Details of the Company’s other taxes and licenses and permit fees paid in 2021 are as follows:

Charged to Operating Expenses	
Business tax	P2,011,725
Deficiency taxes	1,421,640
Deductible filing and registration fees	52,245
Residence or community tax	10,500
	P3,496,110

The difference between the taxes and licenses disclosed in the statements of comprehensive income and the amount disclosed in this note pertains to the accrued filing and registration payable to SEC in relation to the Company’s authorized capital stock increase application as disclosed in Note 10.

Withholding taxes

Withholding taxes paid and accrued and/or withheld consist of:

	Paid	Accrued	Total
<u>Expanded withholding taxes</u>	P40,769,694	P4,554,868	P45,324,562

Deficiency tax assessments

On November 26, 2020, the BIR issued a formal letter of demand (FLD) and assessment notice for the deficiency in income, expanded withholding and documentary stamp taxes amounting to P21,652,517, P3,137,187 and P949,013, respectively, totaling P25,738,717 for the taxable year 2017.

The BIR stated disputably that the FLD was received on December 7, 2020 but the Company actually received such letter on January 13, 2021. The Management believes that the Company is not liable for the proposed tax assessments hence, no provision was recognized in 2020.

On January 15, 2021, the Company filed its request for reconsideration on the final decision on the disputed assessment.

On February 26, 2021, the Company received BIR's denial of our request for reconsideration. The Company was able to submit its request for reconsideration in the Office of the Commissioner of Internal Revenue (CIR) last March 26, 2021.

On September 24, 2021, the Company received a warrant of distraint and/or levy (WDL) dated August 16, 2021 from the CIR for the total assessed taxes of P25,738,717.

Management took the option of settling the amount it believes is its actual exposure to stop the issuance of the WDL to the banks. On October 25, 2021, the Company paid P1,421,640 comprising of deficiency expanded withholding tax, surcharge and interest.

As of March 9, 2022, the Company's request for reconsideration is still pending with the CIR.

24. APPROVAL OF FINANCIAL STATEMENTS

The financial statements of the Company were reviewed and endorsed by the Audit and Compliance Committee for the approval of the Board of Directors on March 9, 2022.

The Board of Directors approved the issuance of the financial statements also on March 9, 2022.

Item 9 (b) - Other Events. During the regular meeting of the Board of Directors of the Issuer held on 09 March 2021 via Zoom Video Conference, where a quorum was present and acting throughout, the following were approved:

1. The 2020 Audited Financial Statements, as endorsed by its Audit and Compliance Committee;
2. Amended delegation of the power to amend the prospectus;
3. Amended delegation of the power to apply for increase in the authorized capital stock;
4. The holding of the Annual Stockholders' Meeting on 14 July 2021 through remote communications in accordance with SEC Memorandum No. 6, dated March 12, 2020, using Zoom's Video Conferencing facility. Attached herein as Annex A is the Internal Procedures for the conduct of the 2021 Annual Stockholders' Meeting;
5. The closing of the Issuer's Stock & Transfer Book on 30 April 2021 for the purpose of determining the stockholders entitled to notice of, to attend and vote at the annual stockholders' meeting; and
6. The Manual on Corporate Governance and the respective charters of the Board Committees, without any changes.

The Board of Directors was likewise informed that its Fund Manager, Sun Life Asset Management Company, Inc., had approved a fund management outsourcing arrangement to be entered into at a later time. The Board of Directors approved the necessary activities, such as access to the Corporation's pertinent accounts, in preparation for this arrangement.

Finally, the Audit and Compliance Committee, acting as the Independent Oversight Entity, approved the delegation of the power to suspend the redemption of shares/units of the Corporation.

Annex A: 2021 Annual Stockholders' Meeting Internal Procedures

1. **Date, Time and Venue of the Meeting.** The 2021 Sun Life Prosperity Funds Annual Stockholders' Meeting ("ASHM") will be held at 02:00 P.M. on Wednesday, 14 July 2021 via *Zoom Video Communications* ("Zoom"). Present during the said meeting will be the Board of Directors, Officers, and Stockholders of the Sun Life Prosperity Funds ("Funds").
2. **Notices of the Meeting.** The investors of the Funds as of 30 April 2021 ("Record Date") will be notified of the date, time, *Zoom* link, and other relevant information related to the ASHM no later than 14 June 2021 through electronic mail for investors with e-mail address/es on record. Notices of the Meeting will also be published in the website of Sun Life Asset Management (www.sunlifefunds.com), and in the business section of two (2) newspaper of general circulation, in print and online format, for two (2) consecutive dates prior to 14 June 2021.
3. **Registration.** Prior the ASHM, investors as of Record Date should pre-register using the link that will be provided through various communication channels. Client identification may be verified during the pre-registration process.
4. **Right to Vote.** The right to vote of investors as of the Record Date may be exercised in person, through proxy, or so when so authorized in the bylaws, through remote communication or *in absentia*. The Funds will accept votes from its stockholders by emailing SunLifeFunds@sunlife.com until Tuesday, 13 July 2021 (one business day prior to the ASHM). Investors who will decide to attend the ASHM via *Zoom* may also exercise their right to vote via the *Zoom* poll functionality available during the conduct of the ASHM.
5. **ASHM Conduct.** Suitable equipment and facilities will be available during the conduct of the ASHM. Participating investors will have the opportunity to read and hear the discussions substantially using *Zoom*. There will be both live and pre-recorded audio and visual presentations from the Officers and Directors of the Funds. Investors may be able to ask questions during the entire conduct of the ASHM. The audio and video of the ASHM via *Zoom* will be recorded, and this will be made available to clients after the meeting for thirty (30) days via the official Sun Life YouTube Channel.
6. **Quorum and Minutes of the Meeting.** The Corporate Secretary of the Funds will determine quorum in the meetings, as well as the voting results regarding the matters discussed in the ASHM. She will also be responsible for the preparation of the Minutes of the Meeting, and this will be forwarded to the stockholders for their approval in the next ASHM.
7. **Others.** Sun Life shall address any administrative, technical and logical issues as to the conduct of the said meeting. Should any stoppage or stoppage occur, the audio and visual recording shall start where it was interrupted, with the Chairman/Corporate Secretary acknowledging where in the agenda they left off.

CANDY S. ESTEBAN

Academic Background

Candy is a Master of Business Administration (MBA) from INSEAD. She also holds a bachelor's degree in Management Engineering from the Ateneo De Manila University.

Professional Career

Candy was the Head for Financial Planning and Analysis for the Sun Life group of companies where she led strategic and business planning, management reporting and expense management activities. She was also the Treasurer for Sun Life of Asset Management Company, Inc. (SLAMCI) and the 16 Sun Life Prosperity Funds (SLP Funds). In this role, Candy co-managed the day to day activities of treasury operations, as well as financial accounting and reporting for SLAMCI and the SLP Funds.

Before joining Sun Life, Candy held various positions in the Philippine business of Citigroup. From 2006 to 2014 – she led business planning and analysis functions for the Wealth Management business of Citibank Philippines covering the Deposits, Investments, Personal Loans and Insurance. Candy was also the Chief Financial Officer for Citibank Savings Incorporated (CSI) from 2011 to March 2014 where she covered the financial management of the legal vehicle CSI, including local regulatory, US GAAP reporting, and compliance to internal and external regulations. She was one of the key members in the sale and transition of CSI to a local Philippine bank in 2014.

Candy also held the position of Lead Finance Office at American Express Bank from 2004-2006 where she supported the Commercial Cards business for the Philippines, Thailand, Indonesia and Malaysia, and the Wealth Management business in the Philippines. Her first role after graduating from the Ateneo was as a Management Reporting Officer/Business Process Analyst for the financial reporting shared services division of Citigroup where she led automation and financial reporting for various countries in the Central and Eastern Europe, Middle East and Africa (CEEMEA), and Southeast Asia region.

SHERWIN S. SAMPANG

Mr. Sherwin S. Sampang is Sun Life PH's Head of Financial Planning & Analysis (October 2021 to present). Concurrently, Mr. Sampang is the Treasurer of Sun Life Financial Plans, Inc. (October 2017 to present). He joined Sun Life as Head of Finance Systems, Processes and Internal Controls (September 2016 to October 2018). He later assumed the role of Head of Accounting and Controllershship (November 2018 to September 2021).

Mr. Sampang has over 20 years of local and international experience in Finance and Audit. Prior to joining Sun Life, he was the Head of Finance of QBE Seaboard Insurance Philippines, Inc. His experience includes financial management leadership covering financial reporting, budgeting, forecasting, strategic planning, cost management, business process re-engineering, taxation and treasury. Prior to QBE Seaboard, he was a Director in the assurance practice of PwC Philippines and has acquired extensive international exposure from his 18-month secondment with Deloitte in Boston, MA, USA. He graduated with a degree in Bachelor of Science in Accountancy from Far Eastern University and attended the Management Development Program of the Asian Institute of Management. Mr. Sampang maintains active membership in the Philippine Institute of Certified Public Accountants (PICPA) and is currently a Board of Director of the Philippine Federation of Pre-Need Plan Companies, Inc.

**STATEMENT OF MANAGEMENT'S RESPONSIBILITY
FOR FINANCIAL STATEMENTS**

The Management of Sun Life Prosperity Peso Starter Fund, Inc. (the "Company") is responsible for the preparation and fair presentation of the financial statements, including the schedules attached therein, as at December 31, 2021 and 2020, and for the years ended December 31, 2021, 2020 and 2019, in accordance with the Philippine Financial Reporting Standards and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Those charged with governance review and approve the financial statements including the schedules attached therein, and submits the same to the stockholders.

Navarro Amper & Co., the independent auditor appointed by the stockholders for the periods December 31, 2021 and 2020, has audited the financial statements of the Company in accordance with Philippine Standards on Auditing, and in its report to the stockholders has expressed its opinion on the fairness of presentation upon completion of such audit.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Shareholders
SUN LIFE PROSPERITY PESO STARTER FUND, INC.
(An Open-end Investment Company)
Sun Life Centre, 5th Avenue corner Rizal Drive
Bonifacio Global City, Taguig City

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Sun Life Prosperity Peso Starter Fund, Inc. (the "Company"), which comprise the statements of financial position as at December 31, 2021 and 2020, and the statements of comprehensive income, statements of changes in equity and statements of cash flows for the years ended December 31, 2021, 2020 and 2019, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2021 and 2020, and its financial performance and its cash flows for the years ended December 31, 2021, 2020 and 2019, in accordance with Philippine Financial Reporting Standards (PFRS).

Basis for Opinion

We conducted our audits in accordance with Philippine Standards on Auditing (PSA). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics for Professional Accountants in the Philippines (Code of Ethics) together with the ethical requirements that are relevant to our audits of the financial statements in the Philippines, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with PFRS, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with PSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of financial statements.

As part of an audit in accordance with PSAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audits.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

Report on the Supplementary Information Required by Bureau of Internal Revenue

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information in Note 23 to the financial statements is presented for purposes of filing with the Bureau of Internal Revenue and is not a required part of the basic financial statements. Such supplementary information is the responsibility of Management and has been subjected to the auditing procedures applied in our audit of the basic financial statements. In our opinion, the supplementary information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

SUN LIFE PROSPERITY PESO STARTER FUND, INC.

(An Open-end Investment Company)

NOTES TO FINANCIAL STATEMENTS

AS AT DECEMBER 31, 2021 AND 2020 AND FOR THE YEARS ENDED DECEMBER 31, 2021, 2020 AND 2019

1. CORPORATE INFORMATION

Sun Life Prosperity Peso Starter Fund, Inc., formerly, Sun Life Prosperity Money market Fund, Inc., (the "Company") was incorporated and registered with the Philippine Securities and Exchange Commission (SEC) on March 5, 2004 and started commercial operations on July 1, 2004. The Company is a registered open-end investment company under the Investment Company Act (Republic Act "R.A." No. 2629) and the Securities Regulation Code (R.A. No. 8799), formerly known as the Revised Securities Act (B.P. No. 178). It is engaged in the sale of redeemable shares and is designed to maximize income and is considered consistent with capital protection through investments in fixed-income securities and other related investments issued by the Philippine government, commercial papers issued by corporations within the Philippines, certificates of deposit and other short-term peso-denominated instruments. As an open-end investment company, its shares are redeemable anytime based on the net asset value per share (NAVPS) at the time of redemption.

The Company appointed Sun Life Asset Management Company, Inc. (SLAMCI), an investment management company incorporated in the Philippines and a wholly owned subsidiary of Sun Life of Canada (Philippines), Inc. (SLOCPI), as its fund manager, adviser, administrator, distributor and transfer agent that provides management, distribution and all required operational services, as disclosed in Note 11.

The Company's registered office address and principal place of business is at the 2nd Floor, Sun Life Centre, 5th Avenue corner Rizal Drive, Bonifacio Global City, Taguig City.

2. FINANCIAL REPORTING FRAMEWORK AND BASIS OF PREPARATION AND PRESENTATION

Statement of Compliance

The financial statements of the Company have been prepared in accordance with Philippine Financial Reporting Standards (PFRS), which include all applicable PFRS, Philippine Accounting Standards (PAS) and interpretations issued by the International Financial Reporting Interpretations Committee (IFRIC), Philippine Interpretations Committee (PIC) and Standing Interpretations Committee (SIC) as approved by the Financial Reporting Standards Council (FRSC) and the Board of Accountancy (BOA), and adopted by the SEC.

Basis of Preparation and Presentation

The financial statements of the Company have been prepared on the historical cost basis, except for certain financial assets measured at fair value and certain financial instruments carried at amortized cost.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Functional and Presentation Currency

These financial statements are presented in Philippine Peso, the currency of the primary economic environment in which the Company operates. All amounts are recorded to the nearest peso, except when otherwise indicated.

3. ADOPTION OF NEW AND REVISED ACCOUNTING STANDARDS

Adoption of New and Revised Accounting Standards Effective in 2021

The Company adopted all accounting standards and interpretations effective as at December 31, 2021. The new and revised accounting standards and interpretations that have been published by the International Accounting Standards Board (IASB) and approved by the FRSC in the Philippines, were assessed to be applicable to the Company's financial statements and are as follows:

PIC Q&A No. 2020-07, PAS 12 – Accounting for the Proposed Changes in Income Tax Rates under the Corporate Recovery and Tax Incentives for Enterprises Act (CREATE) Bill

The interpretation explained the details of the CREATE bill and its impact on the financial statements once passed.

Interpretation discussed that impact on the financial statements ending December 31, 2020 are as follows:

- Current and deferred taxes will still be measured using the applicable income tax rate as of December 31, 2020;
- If the CREATE bill is enacted before financial statements' issue date, this will be a non-adjusting event but the significant effects of changes in tax rates on current and deferred tax assets and liabilities should be disclosed; and
- If the CREATE bill is enacted after financial statements' issue date but before filing of the income tax return, this is no longer a subsequent event but companies may consider disclosing the general key feature of the bill and the expected impact on the financial statements

For the financial statements ending December 31, 2021, the impact are as follows:

- Standard provides that component of tax expense (income) may include "any adjustments recognized in the period for current tax of prior periods" and "the amount of deferred tax expense (income) relating to changes in tax rates or the imposition of new taxes";
- An explanation of changes in the applicable income tax rates to the previous accounting period is also required to be disclosed;
- The provision for current income tax for the year 2021 will include the difference between income tax per 2020 financial statements and 2020 income tax return;
- Deferred tax assets and liabilities as of December 31, 2021, will be remeasured using the new tax rates; and
- Any movement in deferred taxes arising from the change in tax rates that will form part of the provision for/benefit from deferred taxes will be included as well in the effective tax rate reconciliation.

The interpretation is effective on or after January 29, 2021.

The Management assessed that CREATE had reduced income tax expense by P3,068,955 and increased net income and net assets by the same amount. The increase was recorded in 2021 following the provisions of PIC Q&A 2020-07.

New Accounting Standards Effective after the Reporting Period Ended December 31, 2021

The Company will adopt the following standards when these become effective:

PFRS 17, Insurance Contracts

PFRS 17 establishes the principles for the recognition, measurement, presentation and disclosure of insurance contracts and supersedes PFRS 4, *Insurance Contracts*.

PFRS 17 outlines a general model, which is modified for insurance contracts with direct participation features, described as the variable fee approach. The general model is simplified if certain criteria are met by measuring the liability for remaining coverage using the premium allocation approach.

The general model uses current assumptions to estimate the amount, timing and uncertainty of future cash flows and it explicitly measures the cost of that uncertainty. It takes into account market interest rates and the impact of policyholders' options and guarantees.

An amendment issued on June 2020 and adopted by FRSC on August 2020 addresses concerns and implementation challenges that were identified after PFRS 17 was published.

PFRS 17 must be applied retrospectively unless impracticable, in which case the modified retrospective approach or the fair value approach is applied.

For the purpose of the transition requirements, the date of initial application is the start of the annual reporting period in which the entity first applies the Standard, and the transition date is the beginning of the period immediately preceding the date of initial application.

The standard (incorporating the amendments) is effective for periods beginning on or after January 1, 2025. Earlier application is permitted.

The future adoption of the standard will have no effect on the Company's financial statements as the Company does not issue insurance contracts.

Amendments to PFRS 3, References to the Conceptual Framework

The amendments update PFRS 3 so that it refers to the 2018 Conceptual Framework instead of the 1989 Framework. They also add to PFRS 3 a requirement that, for obligations within the scope of PAS 37, an acquirer applies PAS 37 to determine whether at the acquisition date a present obligation exists as a result of past events. For a levy that would be within the scope of IFRIC 21, *Levies*, the acquirer applies IFRIC 21 to determine whether the obligating event that gives rise to a liability to pay the levy has occurred by the acquisition date.

The amendments also add an explicit statement that an acquirer does not recognize contingent assets acquired in a business combination.

The amendments are effective for business combinations for which the date of acquisition is on or after the beginning of the first annual period beginning on or after January 1, 2022. Early application is permitted if an entity also applies all other updated references (published together with the updated Conceptual Framework) at the same time or earlier.

The future adoption of the amendment will have no effect on the Company's financial statements as the Company is not in the process of and has no plan to enter into business combination.

Amendments to PFRS 10 and PAS 28, Sale or Contribution of Assets between an Investor and Its Associate or Joint Venture

The amendments to PFRS 10 and PAS 28 deal with situations where there is a sale or contribution of assets between an investor and its associate or joint venture. Specifically, the amendments state that gains or losses resulting from the loss of control of a subsidiary that does not contain a business in a transaction with an associate or a joint venture that is accounted for using the equity method, are recognized in the parent's profit or loss only to the extent of the unrelated investors' interests in that associate or joint venture. Similarly, gains and losses resulting from the remeasurement of investments retained in any former subsidiary (that has become an associate or a joint venture that is accounted for using the equity method) to fair value are recognized in the former parent's profit or loss only to the extent of the unrelated investors' interests in the new associate or joint venture.

The effective date of the amendments has yet to be set by the Board; however, earlier application of the amendments is permitted.

The future adoption of the amendment will have no effect on the Company's financial statements as the Company is not in the process and has no plan to acquire such investments.

Amendments to PAS 1, *Classification of Liabilities as Current or Non-current*

The amendments to PAS 1 affect only the presentation of liabilities as current or non-current in the statement of financial position and not the amount or timing of recognition of any asset, liability, income or expenses, or the information disclosed about those items.

The amendments clarify that the classification of liabilities as current or non-current is based on rights that are in existence at the end of the reporting period, specify that classification is unaffected by expectations about whether an entity will exercise its right to defer settlement of a liability, explain that rights are in existence if covenants are complied with at the end of the reporting period, and introduce a definition of 'settlement' to make clear that settlement refers to the transfer to the counterparty of cash, equity instruments, other assets or services.

The amendments are applied retrospectively for annual periods beginning on or after January 1, 2023, with early application permitted.

The Company will continue its assessment and will finalize the same upon the effectivity of this amendment.

Amendments to PAS 16, *Property, Plant and Equipment – Proceeds before Intended Use*

The amendments prohibit deducting from the cost of an item of property, plant and equipment any proceeds from selling items produced before that asset is available for use, i.e. proceeds while bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Consequently, an entity recognizes such sales proceeds and related costs in profit or loss. The entity measures the cost of those items in accordance with PAS 2, *Inventories*.

The amendments also clarify the meaning of 'testing whether an asset is functioning properly'. PAS 16 now specifies this as assessing whether the technical and physical performance of the asset is such that it is capable of being used in the production or supply of goods or services, for rental to others, or for administrative purposes.

If not presented separately in the statement of comprehensive income, the financial statements shall disclose the amounts of proceeds and cost included in profit or loss that relate to items produced that are not an output of the entity's ordinary activities, and which line item(s) in the statement of comprehensive income include(s) such proceeds and cost.

The amendments are applied retrospectively, but only to items of property, plant and equipment that are brought to the location and condition necessary for them to be capable of operating in the manner intended by management on or after the beginning of the earliest period presented in the financial statements in which the entity first applies the amendments.

The entity shall recognize the cumulative effect of initially applying the amendments as an adjustment to the opening balance of retained earnings (or other component of equity, as appropriate) at the beginning of that earliest period presented.

The amendments are effective for annual periods beginning on or after January 1, 2022, with early application permitted.

The future adoption of the amendment will have no effect on the Company's financial statements as the Company does not have property, plant and equipment recorded in its financial statements.

Amendments to PAS 37, Onerous Contracts – Cost of Fulfilling a Contract

The amendments specify that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract consist of both the incremental costs of fulfilling that contract (examples would be direct labor or materials) and an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract).

The amendments apply to contracts for which the entity has not yet fulfilled all its obligations at the beginning of the annual reporting period in which the entity first applies the amendments. Comparatives are not restated. Instead, the entity shall recognize the cumulative effect of initially applying the amendments as an adjustment to the opening balance of retained earnings or other component of equity, as appropriate, at the date of initial application.

The amendments are effective for annual periods beginning on or after January 1, 2022, with early application permitted.

The future adoption of the amendment will have no effect on the Company's financial statements as the Company does not issue and enter into onerous contracts.

Annual Improvements to PFRS Standards 2018-2020 Cycle

Amendments to PFRS 1, Subsidiary as a first-time adopter

The amendment provides additional relief to a subsidiary which becomes a first-time adopter later than its parent in respect of accounting for cumulative translation differences. As a result of the amendment, a subsidiary that uses the exemption in PFRS 1:D16 (a) can now also elect to measure cumulative translation differences for all foreign operations at the carrying amount that would be included in the parent's consolidated financial statements, based on the parent's date of transition to PFRS Standards, if no adjustments were made for consolidation procedures and for the effects of the business combination in which the parent acquired the subsidiary. A similar election is available to an associate or joint venture that uses the exemption in PFRS 1:D16 (a).

The amendment is effective for annual periods beginning on or after January 1, 2022, with early application permitted.

Amendments to PFRS 9, Fees in the '10 per cent' test for derecognition of financial liabilities

The amendment clarifies that in applying the '10 per cent' test to assess whether to derecognize a financial liability, an entity includes only fees paid or received between the entity (the borrower) and the lender, including fees paid or received by either the entity or the lender on the other's behalf.

The amendment is applied prospectively to modifications and exchanges that occur on or after the date the entity first applies the amendment.

The amendment is effective for annual periods beginning on or after January 1, 2022, with early application permitted.

Amendments to PFRS 16, Lease incentives

The amendment removes the illustration of the reimbursement of leasehold improvements. As the amendment to PFRS 16 only regards an illustrative example, no effective date is stated.

Amendments to PAS 41, *Taxation in fair value measurements*

The amendment removes the requirement in PAS 41 for entities to exclude cash flows for taxation when measuring fair value. This aligns the fair value measurement in PAS 41 with the requirements of PFRS 13, *Fair Value Measurement* to use internally consistent cash flows and discount rates and enables preparers to determine whether to use pretax or post-tax cash flows and discount rates for the most appropriate fair value measurement.

The amendment is applied prospectively, i.e. for fair value measurements on or after the date an entity initially applies the amendment.

The amendment is effective for annual periods beginning on or after January 1, 2022, with early application permitted.

The future adoption of the amendments will have no effect on the Company's financial statements as the Company does not subsidiary as first-time adopter; does not derecognize any liabilities, does not have lease contracts and leasehold improvements and does not have biological assets covered by PAS 41 that need to exclude its cash flows for taxation on its financial statements.

Amendments to PAS 1 and PFRS Practice Statement 2, *Disclosure Initiative – Accounting Policies*

The amendments are as follows:

- An entity is now required to disclose its material accounting policy information instead of its significant accounting policies
- several paragraphs are added to explain how an entity can identify material accounting policy information and to give examples of when accounting policy information is likely to be material;
- the amendments clarify that accounting policy information may be material because of its nature, even if the related amounts are immaterial;
- the amendments clarify that accounting policy information is material if users of an entity's financial statements would need it to understand other material information in the financial statements; and
- the amendments clarify that if an entity discloses immaterial accounting policy information, such information shall not obscure material accounting policy information.

The amendments are applied prospectively. The amendments to PAS 1 are effective for annual periods beginning on or after January 1, 2023. Earlier application is permitted.

The Company will continue its assessment and will finalize the same upon the effectivity of these amendments.

Amendments to PAS 8, *Definition of Accounting Estimates*

With the amendment, accounting estimates are now defined as "monetary amounts in financial statements that are subject to measurement uncertainty."

The amendment clarified that a change in accounting estimate that results from new information or new developments is not the correction of an error. In addition, the effects of a change in an input or a measurement technique used to develop an accounting estimate are changes in accounting estimates if they do not result from the correction of prior period errors.

A change in an accounting estimate may affect only the current period's profit or loss, or the profit or loss of both the current period and future periods. The effect of the change relating to the current period is recognized as income or expense in the current period. The effect, if any, on future periods is recognized as income or expense in those future periods. The amendments are effective for annual periods beginning on or after January 1, 2023 and changes in accounting policies and changes in accounting estimates that occur on or after the start of that period. Earlier application is permitted.

The future adoption of the amendments will have no effect on the Company's financial statements as the Company does not have changes in the inputs or measurement techniques used to develop its accounting estimates.

Amendments to PAS 12, Income Taxes—Deferred Tax related to Assets and Liabilities arising from a Single Transaction

The amendments introduce a further exception from the initial recognition exemption. Under the amendments, an entity does not apply the initial recognition exemption for transactions that give rise to equal taxable and deductible temporary differences.

Depending on the applicable tax law, equal taxable and deductible temporary differences may arise on initial recognition of an asset and liability in a transaction that is not a business combination and affects neither accounting nor taxable profit. For example, this may arise upon recognition of a lease liability and the corresponding right-of-use asset applying IFRS 16 at the commencement date of a lease.

Following the amendments to PAS 12, an entity is required to recognize the related deferred tax asset and liability, with the recognition of any deferred tax asset being subject to the recoverability criteria in PAS 12.

The Board also adds an illustrative example to PAS 12 that explains how the amendments are applied.

The amendments apply to transactions that occur on or after the beginning of the earliest comparative period presented. In addition, at the beginning of the earliest comparative period an entity recognizes:

- A deferred tax asset (to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilized) and a deferred tax liability for all deductible and taxable temporary differences associated with:
 - Right-of-use assets and lease liabilities;
 - Decommissioning, restoration and similar liabilities and the corresponding amounts recognized as part of the cost of the related asset
- The cumulative effect of initially applying the amendments as an adjustment to the opening balance of retained earnings (or other component of equity, as appropriate) at that date

The amendments are effective for annual reporting periods beginning on or after January 1, 2023, with earlier application permitted.

The future adoption of the amendments will have no effect on the Company's financial statements as the Company does not have lease contracts and leasehold improvements and does not recognize deferred assets and liabilities.

Amendment to PFRS 17, Initial Application of PFRS 17 and PFRS 9 – Comparative Information

The amendment is a transition option relating to comparative information about financial assets presented on initial application of IFRS 17.

The main amendment in Initial Application of PFRS 17 and PFRS 9, *Comparative Information (Amendment to PFRS 17)* is a narrow-scope amendment to the transition requirements of PFRS 17 for entities that first apply PFRS 17 and PFRS 9 at the same time. The amendment regards financial assets for which comparative information is presented on initial application of PFRS 17 and PFRS 9, but where this information has not been restated for PFRS 9.

Under the amendment, an entity is permitted to present comparative information about a financial asset as if the classification and measurement requirements of PFRS 9 had been applied to that financial asset before. The option is available on an instrument-by-instrument basis. In applying the classification overlay to a financial asset, an entity is not required to apply the impairment requirements of PFRS 9.

There are no changes to the transition requirements in PFRS 9.

The amendment is effective for annual periods beginning on or after January 1, 2025, as amended by the FRSC from January 1, 2023. This is consistent with Circular Letter No. 2020-62 issued by the Insurance Commission which deferred the implementation of PFRS 17 by two (2) years after its effective date as decided by the IASB. Still subject to approval of the Board of Accountancy.

The future adoption of the amendment will have no effect on the Company's financial statements as the Company does not issue insurance contracts.

4. SIGNIFICANT ACCOUNTING POLICIES

Financial Assets

Initial Recognition and Measurement

Financial assets and financial liabilities are recognized when the entity becomes a party to the contractual provisions of the instrument. Regular way purchases and sales of financial assets are recognized on trade-date, the date on which the Company commits to purchase or sell the asset.

At initial recognition, the Company measures a financial asset or financial liability at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through profit or loss (FVTPL), transaction costs that are incremental and directly attributable to the acquisition or issue of the financial asset or financial liability. Transaction costs of financial assets and financial liabilities carried at FVTPL are expensed in profit or loss.

Classification and Subsequent Measurement

The Company classifies its financial assets in the following measurement categories:

- FVTPL;
- Fair value through other comprehensive income (FVTOCI); and
- Amortized cost

As at December 31, 2021 and 2020, the Company does not have financial assets classified as fair value through FVTOCI.

Classification of financial assets will be driven by the entity's business model for managing the financial assets and the contractual cash flows of the financial assets.

A financial asset is to be measured at amortized cost if: a) the objective of the business model is to hold the financial asset for the collection of the contractual cash flows, and b) the contractual cash flows under the instrument represent solely payment of principal and interest (SPPI).

All other debt and equity instruments must be recognized at fair value.

All fair value movements on financial assets are taken through the statement of comprehensive income, except for equity investments that are not held for trading, which may be recorded in the statement of comprehensive income or in reserves (without subsequent recycling to profit or loss).

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are two measurement categories into which the Company classifies its debt instruments:

- Amortized cost. Assets that are held for collection of contractual cash flows where those cash flows represent SPPI are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in profit or loss when the asset is derecognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.
- FVTPL. Assets that do not meet the criteria for amortized cost are measured at FVTPL. A gain or loss on a debt investment that is subsequently measured at FVTPL

and is not part of a hedging relationship is recognized in profit or loss and presented net in the statement of comprehensive income within other gains/(losses) in period in which it arises. Interest income from these financial assets is included in finance income.

The business model reflects how the Company manages the assets in order to generate cash flows. That is, whether the Company's objective is solely to collect the contractual cash flows from the assets or to collect both the contractual cash flows and cash flows arising from the sale of assets. If neither of these is applicable, then the financial assets are classified as part of 'other' business model and measured at FVTPL. Factors considered by the Company in determining the business model for a group of assets include past experience on how the cash flows for these assets were collected, how the asset's performance is evaluated and reported to key management personnel, how risks are assessed and managed and how managers are compensated.

Where the business model is to hold assets to collect contractual cash flows or to collect contractual cash flows and sell, the Company assesses whether the financial instruments' cash flows represent SPPI. In making this assessment, the Company considers whether the contractual cash flows are consistent with a basic lending arrangement i.e. interest includes only consideration for the time value of money, credit risk, other basic lending risks and a profit margin that is consistent with a basic lending arrangement. Where the contractual terms introduce exposure to risk or volatility that are inconsistent with a basic lending arrangement, the related financial asset is classified and measured at FVTPL.

Amortized cost and effective interest method

The effective interest method is a method of calculating the amortized cost of a financial asset and of allocating interest income over the relevant period.

For financial instruments other than purchased or originated credit-impaired (POCI) financial assets, the effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) excluding expected credit losses (ECL), through the expected life of the debt instrument, or, where appropriate, a shorter period, to the gross carrying amount of the debt instrument on initial recognition.

The amortized cost of a financial asset is the amount at which the financial asset is measured at initial recognition minus the principal repayments, plus the cumulative amortization using the effective interest method of any difference between that initial amount and the maturity amount, adjusted for any loss allowance. On the other hand, the gross carrying amount of a financial asset is the amortized cost of a financial asset before adjusting for any loss allowance.

Interest income is recognized using the effective interest method for debt instruments measured subsequently at amortized cost. For financial instruments other than POCI financial assets, interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset, except for financial assets that have subsequently become credit-impaired. For financial assets that have subsequently become credit-impaired, interest income is recognized by applying the effective interest rate to the amortized cost of the financial asset. If, in subsequent reporting periods, the credit risk on the credit-impaired financial instrument improves so that the financial asset is no longer credit-impaired, interest income is recognized by applying the effective interest rate to the gross carrying amount of the financial asset.

Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective, that is, instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets.

The Company subsequently measures all equity investments at FVTPL, except where the Company's Management has elected, at initial recognition, to irrevocably designate an equity instrument at FVTOCI. The Company's policy is to designate equity investments as FVTOCI when those investments are held for the purposes other than to generate investment returns. When the election is used, fair value gains and losses are recognized in OCI and are not subsequently reclassified to profit or loss, including disposal. Impairment losses (and reversal of impairment losses) are not reported separately from other changes in fair value. Dividends, when representing a return on such investments, continue to be recognized in profit or loss as other income when the Company's right to receive payment is established.

Changes in the fair value of financial assets at FVTPL are recognized in net realized gains (losses) on investments in the statement of profit or loss as applicable. Impairment losses (and reversal of impairment losses) on equity investments measured at FVTOCI are not reported separately from other changes in fair value.

Impairment of financial assets

The Company recognizes a loss allowance for ECL on investments in debt instruments that are measured at amortized cost. The amount of ECL is updated at each reporting date to reflect changes in credit risk since initial recognition of the respective financial instrument.

ECLs are a probability-weighted estimate of the present value of credit losses. These are measured as the present value of the difference between the cash flows due to the Company under the contract and the cash flows that the Company expects to receive arising from the weighting of multiple future economic scenarios, discounted at the asset's effective interest rate.

The Company measures ECL on an individual basis, or on a collective basis for portfolios of loans that share similar economic risk characteristics. The measurement of the loss allowance is based on the present value of the asset's expected cash flows using the asset's original effective interest rate, regardless of whether it is measured on an individual basis or a collective basis.

With the exception of POCI financial assets, ECLs are required to be measured through a loss allowance at an amount equal to:

- 12-month ECL, i.e. lifetime ECL that result from those default events on the financial instrument that are possible within 12 months after the reporting date, (referred to as Stage 1); or
- full lifetime ECL, i.e. lifetime ECL that result from all possible default events over the life of the financial instrument, (referred to as Stage 2 and Stage 3).

A loss allowance for full lifetime ECL is required for a financial instrument if the credit risk on that financial instrument has increased significantly since initial recognition. For all other financial instruments, ECLs are measured at an amount equal to the 12-month ECL.

The Company recognizes lifetime ECL when there has been a significant increase in credit risk since initial recognition. If, on the other hand, the credit risk on the financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month ECL. The assessment of whether lifetime ECL should be recognized is based on significant increases in the likelihood or risk of a default occurring since initial recognition instead of on evidence of a financial asset being credit-impaired at the reporting date or an actual default occurring.

Lifetime ECL represents the ECL that will result from all possible default events over the expected life of a financial instrument. In contrast, 12 month ECL represents the portion of lifetime ECL that is expected to result from default events on a financial instrument that are possible within 12 months after the reporting date.

Significant increase in credit risk

The Company monitors all financial assets that are subject to the impairment requirements to assess whether there has been a significant increase in credit risk since initial recognition. If there has been a significant increase in credit risk the Company will measure the loss allowance based on lifetime rather than 12-month ECL.

In assessing whether the credit risk on a financial instrument has increased significantly since initial recognition, the Company compares the risk of a default occurring on the financial instrument at the reporting date based on the remaining maturity of the instrument with the risk of a default occurring that was anticipated for the remaining maturity at the current reporting date when the financial instrument was first recognized. In making this assessment, the Company considers both quantitative and qualitative information that is reasonable and supportable, including historical experience and forward-looking information that is available without undue cost or effort.

Forward-looking information considered includes the future prospects of the industries in which the Company's debtors operate, obtained from economic expert reports, financial analysts, governmental bodies, relevant think-tanks and other similar organizations, as well as consideration of various external sources of actual and forecast economic information that relate to the Company's core operations.

In particular, the following information is taken into account when assessing whether credit risk has increased significantly since initial recognition:

- an actual or expected significant deterioration in the financial instrument's external (if available) or internal credit rating;
- significant deterioration in external market indicators of credit risk for a particular financial instrument (e.g. a significant increase in the credit spread, the credit default swap prices for the debtor, or the length of time or the extent to which the fair value of a financial asset has been less than its amortized cost);
- existing or forecast adverse changes in business, financial or economic conditions that are expected to cause a significant decrease in the debtor's ability to meet its debt obligations;
- an actual or expected significant deterioration in the operating results of the debtor;
- significant increases in credit risk on other financial instruments of the same debtor;
- an actual or expected significant adverse change in the regulatory, economic, or technological environment of the debtor that results in a significant decrease in the debtor's ability to meet its debt obligations.

Irrespective of the outcome of the above assessment, the Company presumes that the credit risk on a financial asset has increased significantly since initial recognition when contractual payments are more than 30 days past due, unless the Company has reasonable and supportable information that demonstrates otherwise.

Despite the foregoing, the Company assumes that the credit risk on a financial instrument has not increased significantly since initial recognition if the financial instrument is determined to have low credit risk at the reporting date.

A financial instrument is determined to have low credit risk if:

- it has a low risk of default;
- the borrower is considered, in the short term, to have a strong capacity to meet its obligations; and
- the Company expects, in the longer term, that adverse changes in economic and business conditions might, but will not necessarily, reduce the ability of the borrower to fulfill its obligations.

The Company considers a financial asset to have low credit risk when the asset has external credit rating of 'investment grade' in accordance with the globally understood definition or if an external rating is not available, the asset has an internal rating of 'performing'. Performing means that the counterparty has a strong financial position and there is no past due amounts.

The Company regularly monitors the effectiveness of the criteria used to identify whether there has been a significant increase in credit risk and revises them as appropriate to ensure that the criteria are capable of identifying significant increase in credit risk before the amount becomes past due.

Default

The Company considers the following as constituting an event of default for internal credit risk management purposes as historical experience indicates that financial assets that meet either of the following criteria are generally not recoverable:

- when there is a breach of financial covenants by the debtor; or
- information developed internally or obtained from external sources indicates that the debtor is unlikely to pay its creditors, including the Company, in full (without taking into account any collateral held by the Company).

Irrespective of the above analysis, the Company considers that default has occurred when a financial asset is more than 90 days past due unless the Company has reasonable and supportable information to demonstrate that a more lagging default criterion is more appropriate.

Critical to the determination of ECL is the definition of default. The definition of default is used in measuring the amount of ECL and in the determination of whether the loss allowance is based on 12-month or lifetime ECL, as default is a component of the probability of default (PD) which affects both the measurement of ECLs and the identification of a significant increase in credit risk.

Credit-impaired financial assets

A financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Evidence of credit-impairment includes observable data about the following events:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or past due event;
- the lender of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower a concession that the lender would not otherwise consider;
- it is becoming probable that the borrower will enter bankruptcy or other financial reorganization;
- the disappearance of an active market for a security because of financial difficulties; or
- the purchase of a financial asset at a deep discount that reflects the incurred credit losses.

It may not be possible to identify a single discrete event—instead, the combined effect of several events may have caused financial assets to become credit-impaired. The Company assesses whether debt instruments that are financial assets measured at amortized cost or FVTOCI are credit-impaired at each reporting date. To assess if debt instruments are credit impaired, the Company considers factors such as bond yields, credit ratings and the ability of the borrower to raise funding.

Write-off

The Company writes off a financial asset when there is information indicating that the debtor is in severe financial difficulty and there is no realistic prospect of recovery, such as when the debtor has been placed under liquidation or has entered into bankruptcy proceedings, or in the case of trade receivables, when the amounts are over two years past due, whichever occurs sooner.

Financial assets written off may still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognized in profit or loss.

Measurement and recognition of ECL

The measurement of ECL is a function of the probability of default, loss given default (i.e. the magnitude of the loss if there is a default) and the exposure at default. The assessment of the probability of default and loss given default is based on historical data adjusted by forward-looking information.

As for the exposure at default, for financial assets, this is represented by the assets' gross carrying amount at the reporting date, the Company's understanding of the specific future financing needs of the debtors, and other relevant forward-looking information.

For financial assets, the ECL is estimated as the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at the original effective interest rate.

If the Company has measured the loss allowance for a financial instrument at an amount equal to lifetime ECL in the previous reporting period, but determines at the current reporting date that the conditions for lifetime ECL are no longer met, the Company measures the loss allowance at an amount equal to 12-month ECL at the current reporting date, except for assets for which simplified approach was used.

The Company recognizes an impairment gain or loss in profit or loss for all financial instruments with a corresponding adjustment to their carrying amount through a loss allowance account, except for investments in debt instruments that are measured at FVTOCI, for which the loss allowance is recognized in other comprehensive income and accumulated in the investment revaluation reserve, and does not reduce the carrying amount of the financial asset in the statement of financial position.

Presentation of allowance for ECL in the statements of financial position

Loss allowances for ECL are presented in the statements of financial position as a deduction from the gross carrying amount of the assets.

Derecognition

The Company derecognizes a financial asset only when the contractual rights to the asset's cash flows expire or when the financial asset and substantially all the risks and rewards of ownership of the asset are transferred to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain/loss that had been recognized in OCI and accumulated in equity is recognized in profit or loss, with the exception of equity investment designated as measured at FVTOCI, where the cumulative gain/loss previously recognized in OCI is not subsequently reclassified to profit or loss.

Financial Liabilities and Equity Instruments

Classification as debt or equity

Debt and equity instruments are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Financial liabilities

All financial liabilities are measured subsequently at amortized cost using the effective interest method or at FVTPL. Financial liabilities are classified as either financial liabilities 'at FVTPL' or 'other financial liabilities'.

Financial liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is (i) held for trading, or (ii) it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

Financial liabilities at FVTPL are measured at fair value, with any gains/losses arising on remeasurement recognized in profit or loss to the extent that they are not part of a designated hedging relationship. The net gain/loss recognized in profit or loss incorporates any interest paid on the financial liability and is included in profit or loss.

However, for financial liabilities that are designated as at FVTPL, the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability is recognized in OCI, unless the recognition of the effects of changes in the liability's credit risk in OCI would create or enlarge an accounting mismatch in profit or loss. The remaining amount of change in the fair value of liability is recognized in profit or loss. Changes in fair value attributable to a financial liability's credit risk that are recognized in OCI are not subsequently reclassified to profit or loss; instead, they are transferred to retained earnings upon derecognition of the financial liability.

In making the determination of whether recognizing changes in the liability's credit risk in OCI will create or enlarge an accounting mismatch in profit or loss, the Company assesses whether it expects that the effects of changes in the liability's credit risk will be offset in profit or loss by a change in the fair value of another financial instrument measured at FVTPL. This determination is made at initial recognition.

Since the Company does not have financial liabilities classified at FVTPL, all financial liabilities are subsequently measured at amortized cost.

Financial liabilities measured subsequently at amortized cost

Financial liabilities that are not (i) contingent consideration of an acquirer in a business combination, (ii) held-for-trading, or (iii) designated as at FVTPL, are measured subsequently at amortized cost using the effective interest method.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortized cost of a financial liability.

The Company's financial liabilities classified under this category include accrued expenses and other payables, and payable to fund manager.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the statements of financial position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

A right to offset must be available today rather than being contingent on a future event and must be exercisable by any of the counterparties, both in the normal course of business and in the event of default, insolvency or bankruptcy.

Derecognition of financial liabilities

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in profit or loss.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received, net of direct issue costs.

Share capital

Share capital consisting of ordinary shares is classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction from the proceeds, net of tax. Any excess of proceeds from issuance of shares over its par value is recognized as additional paid-in capital.

Retained earnings

Retained earnings represent accumulated profit attributable to equity holders of the Company after deducting dividends declared. Retained earnings may also include effect of changes in accounting policy as may be required by the standard's transitional provisions.

Repurchase, disposal and reissuance of share capital (treasury shares)

When share capital recognized as equity is repurchased, the amount of the consideration paid, which includes directly attributable cost, net of any tax effects, is recognized as a reduction from equity. Repurchased shares are classified as treasury shares and are presented in the reserve for own share account. When treasury shares are sold or reissued subsequently, the amount received is recognized as increase in equity, and the resulting surplus or deficit on the transaction is presented as additional paid-in capital.

Deposit for future stock subscriptions

DFFS is recorded at historical cost. According to Financial Reporting Bulletin (FRB) No. 6 as issued by SEC, it is classified as equity when all of the following criteria are met:

- the unissued authorized capital stock of the entity is insufficient to cover the amount of shares indicated in the contract;
- there is Board of Directors' approval on the proposed increase in authorized capital stock (for which a deposit was received by the Company);
- there is stockholders' approval of said proposed increase; and
- the application for the approval of the proposed increase has been presented for filing or has been filed with the SEC.

Deposit for future stock subscriptions is classified as liability, when the above criteria are not met.

Prepayments

Prepayments represent expenses not yet incurred but already paid in cash. Prepayments are initially recorded as assets and measured at the amount of cash paid. Subsequently, these are charged to profit or loss as these are consumed in operations or expire with the passage of time.

Prepayments are classified in the statements of financial position as current asset when the cost of services related to the prepayments are expected to be incurred within one (1) year or the Company's normal operating cycle, whichever is longer. Otherwise, prepayments are classified as non-current assets.

Provisions, Contingent Liabilities and Contingent Assets

Provisions

Provisions are recognized when the Company has a present obligation, either legal or constructive, as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized is the best estimate of the consideration required to settle the present obligation at the end of each reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation; its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate.

If it is no longer probable that a transfer of economic benefits will be required to settle the obligation, the provision should be reversed.

Contingent Liabilities and Assets

Contingent liabilities and assets are not recognized because their existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Contingent liabilities are disclosed, unless the possibility of an outflow of resources embodying economic benefits is remote.

Contingent assets are not recognized, but are disclosed only when an inflow of economic benefits is probable. When the realization of income is virtually certain, asset should be recognized.

Revenue Recognition

Revenue is measured based on the consideration to which the Company expects to be entitled in a contract with a customer and excludes amounts collected on behalf of third parties. The Company recognizes revenue when it transfers control of a product or service to a customer.

Interest income

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time proportion basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount.

Realized gains or losses

Gains or losses arising on the disposal of investments are determined as the difference between the sales proceeds and the carrying amount of the investments and is recognized in profit or loss.

Fair value gains or losses

Gains or losses arising from changes in fair values of investments are disclosed under the policy on financial assets.

Other income

Other income is income generated outside the normal course of business and is recognized when it is probable that the economic benefits will flow to the Company and it can be measured reliably.

Expense Recognition

Expenses are recognized in profit or loss when a decrease in future economic benefit related to a decrease in an asset or an increase in a liability has arisen that can be measured reliably. Expenses are recognized in profit or loss on the basis of: (i) a direct association between the costs incurred and the earning of specific items of income; (ii) systematic and rational allocation procedures when economic benefits are expected to arise over several accounting periods and the association with income can only be broadly or indirectly determined; or, (iii) immediately when an expenditure produces no future economic benefits or when, and to the extent that, future economic benefits do not qualify, or cease to qualify, for recognition in the statements of financial position as an asset.

Expenses in the statements of comprehensive income are presented using the function of expense method. Investment expenses are transaction costs incurred in the purchase and sale of investments. Operating expenses are costs attributable to administrative and other business expenses of the Company including management fees and custodianship fees.

Fair Value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such basis.

In addition, for financial reporting purposes, fair value measurements are categorized into Levels 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

Related Party Transactions

A related party transaction is a transfer of resources, services or obligations between the Company and a related party, regardless of whether a price is charged.

Parties are considered related if one party has control, joint control, or significant influence over the other party in making financial and operating decisions. An entity that is a post-employment benefit plan for the employees of the Company and the key management personnel of the Company are also considered to be related parties.

Taxation

Income tax expense represents the sum of the current tax, final tax and deferred tax expense.

Current tax

The current tax expense is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statements of comprehensive income because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's current tax expense is calculated using 25% regular corporate income tax (RCIT) rate or 1% minimum corporate income tax (MCIT) rate and 30% RCIT rate or 2% MCIT rate, whichever is higher, in 2021 and 2020, respectively .

Final tax

Final tax expense represents final taxes withheld on interest income from cash in banks, special savings deposits and fixed-income securities and final taxes withheld on proceeds from sale of listed equity securities.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liability is generally recognized for all taxable temporary differences. Deferred tax asset is generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax asset and liability are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax asset is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax asset and liability are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax asset and liability are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities and these relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

Current and deferred taxes for the year

Current and deferred taxes are recognized in profit or loss, except when they relate to items that are recognized in OCI or directly in equity, in which case, the current and deferred taxes are also recognized in OCI or directly in equity, respectively.

Earnings per Share

The Company computes its basic earnings per share by dividing profit or loss for the year attributable to ordinary equity holders of the Company by the weighted average number of ordinary shares outstanding during the period.

For the purpose of calculating diluted earnings per share, profit or loss for the year attributable to ordinary equity holders of the Company and the weighted average number of shares outstanding are adjusted for the effects of deposit for future stock subscriptions which are dilutive potential ordinary shares.

Net Asset Value per Share (NAVPS)

The Company computes its NAVPS by dividing the total net asset value as at the end of the reporting period by the number of issued and outstanding shares and shares to be issued on deposit for future stock subscriptions.

Events After the Reporting Period

The Company identifies events after the end of the reporting period as those events, both favorable and unfavorable, that occur between the end of the reporting period and the date when the financial statements are authorized for issue. The financial statements of the Company are adjusted to reflect those events that provide evidence of conditions that existed at the end of the reporting period. Non-adjusting events after the end of the reporting period are disclosed in the notes to the financial statements when material.

5. CRITICAL ACCOUNTING JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the Company's accounting policies, Management is required to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on the historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

Critical Judgments in Applying Accounting Policies

The following are the critical judgments, apart from those involving estimates, that Management has made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognized in the financial statements.

Business model assessment

Classification and measurement of financial assets depend on the results of the SPPI and the business model test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgment reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortized cost of FVTOCI that are derecognized prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

The Company measures its financial assets at amortized cost if the financial asset qualifies for both SPPI and business model test. The Company's business model is to hold the asset and to collect its cashflows which are SPPI. All other financial assets that do not meet the SPPI and business model test are measured at FVTPL.

As at December 31, 2021 and 2020, the Company's financial assets measured at FVTPL amounted to P46,763,747,555 and P12,473,030,164, respectively, as disclosed in Note 8.

As at December 31, 2021 and 2020, the Company's financial assets measured at amortized cost amounted to P80,512,869,543 and P70,423,370,775, respectively, composed of cash and cash equivalents, financial assets at amortized cost, and accrued receivable as disclosed in Notes 6, 7, and 9, respectively.

Significant increase in credit risk

ECL is measured as an allowance equal to 12-month ECL for stage 1 assets, or lifetime ECL assets for stage 2 or stage 3 assets. An asset moves to stage 2 when its credit risk has increased significantly since initial recognition. PFRS 9 does not define what constitutes a significant increase in credit risk. In assessing whether the credit risk of an asset has significantly increased the Company takes into account qualitative and quantitative reasonable and supportable forward-looking information.

The Company considers a financial instrument to have experienced a significant increase in credit risk when one or more of the qualitative and quantitative criteria have been met as disclosed in Note 20.

As at December 31, 2021 and 2020, the Company's estimated credit losses for financial instruments measured at amortized cost amounted to P57,333,701 and nil, respectively as disclosed in Note 9 and Note 20.

Models and assumptions used

The Company uses various models and assumptions in measuring the fair value of financial assets as well as in estimating ECL. Judgment is applied in identifying the most appropriate model for each type of asset, as well as for determining the assumptions used in these models, including assumptions that relate to key drivers of credit risk.

The Company's model and assumptions used in measuring the fair value of financial assets and estimating ECL are disclosed in Notes 17 and Note 20, respectively.

Functional currency

Based on the economic substance of the underlying circumstances relevant to the Company, the functional currency of the Company has been determined to be the Philippine Peso (PHP). The PHP is the currency of the primary economic environment in which the Company operates. It is the currency being used to report the Company's results of operations.

Puttable shares designated as equity instruments

The Company's share capital met the specified criteria to be presented as equity. The Company designated its redeemable share capital as equity instruments since the Company's share capital met the criteria specified in PAS 32, *Financial Instruments: Presentation*, to be presented as equity.

A puttable financial instrument includes a contractual obligation for the issuer to repurchase or redeem that instrument for cash or another financial asset on exercise of the put. As an exception to the definition of a financial liability, an instrument that includes such an obligation is classified as an equity instrument if it has met all the following features:

- a. it entitles the holder to a pro rata share of the entity's net assets in the event of the entity's liquidation. The entity's net assets are those assets that remain after deducting all other claims on its assets;
- b. it is in the class of instruments that is subordinate to all other classes of instruments;
- c. all financial instruments in the class of instruments that is subordinate to all other classes of instruments have identical features;
- d. apart from the contractual obligation for the issuer to repurchase or redeem the instrument for cash or another financial asset, the instrument does not include any contractual obligation to deliver cash or another financial asset to another entity, or to exchange financial assets or financial liabilities with another entity under conditions that are potentially unfavorable to the entity, and it is not a contract that will or may be settled in the entity's own equity instruments; and

- e. the total expected cash flows attributable to the instrument over the life of the instrument are based substantially on the profit or loss, the change in the recognized net assets or the change in the fair value of the recognized and unrecognized net assets of the entity over the life of the instrument (excluding any effects of the instrument).

As at December 31, 2021 and 2020, the recognized amount of share capital representing puttable shares in the statements of financial position amounted to P199,999,994 as disclosed in Note 12.

Key Sources of Estimation Uncertainty

The following are the Company's key assumptions concerning the future and other key sources of estimation uncertainty at the end of each reporting period that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Probability of Default (PD)

PD constitutes a key input in measuring ECL. PD is an estimate of the likelihood of default over a given time horizon, the calculation of which includes historical data, assumptions and expectations of future conditions.

As at December 31, 2021 and 2020, the Company assessed a probability of default of 0.10% and nil, respectively, for all of its financial assets measured at amortized cost. The assumptions used by the Company in estimating PD is disclosed in Note 20.

Loss Given Default (LGD)

LGD is an estimate of the loss arising on default. It is based on the difference between the contractual cash flows due and those that the lender would expect to receive, taking into account cash flows from collateral and integral credit enhancements.

The Company uses portfolio averages from external estimates sourced out from Standard and Poor's (S&P) as the LGD estimates. The categorization of LGD estimates per financial asset measured at amortized cost is disclosed in Note 20.

Estimating loss allowance for ECL

The measurement of the ECL for financial assets measured at amortized cost and FVTOCI is an area that requires the use of complex models and significant assumptions about future economic conditions and credit behavior. Explanation of the inputs, assumptions and estimation techniques used in measuring ECL is further detailed in Note 20 Credit Risk - ECL measurement, which also sets out the key sensitivities of the ECL to changes in these elements.

A number of significant judgments are also required in applying the accounting requirements for measuring ECL, such as:

- Determining criteria for significant increase in credit risk;
- Choosing appropriate models and assumptions for the measurement of ECL; and
- Establishing the number and relative weightings of forward-looking scenarios and the associated ECL.

As at December 31, 2021 and 2020, the Company's estimated credit losses for financial instruments measured at amortized cost amounted to P57,333,701 and nil, respectively as disclosed in Note 9 and Note 20. Financial assets at amortized cost as at December 31, 2021 and 2020 amounted to P54,882,116,638 and P49,011,210,590, respectively, as disclosed in Note 9. Accrued interest receivable as at December 31, 2021 and 2020 amounted to P906,936,231 and P448,645,780, respectively, as disclosed in Note 7.

Deferred tax asset

The Company reviews the carrying amount at the end of each reporting period and reduces deferred tax assets to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Total deferred tax assets recognized in the statements of financial position as at December 31, 2021 and 2020 amounted to P28,819,767 and P17,089,610, respectively, as disclosed in Note 18.

Determining the fair value of investments in special savings deposits classified as financial assets at FVTPL

The Company carries its investments in special savings deposits at fair value, which requires use of accounting estimates and judgment. Since market interest rate is a significant component of fair value measurement, fair value would differ if the Company applied a different set of reference rates in the valuation methodology. Any change in the fair value of these financial assets would affect profit or loss and equity.

As at December 31, 2021 and 2020, the carrying amount of special savings deposits classified as financial assets at FVTPL amounted to P40,377,456,340 and P8,513,558,000, respectively, as disclosed in Note 8.

6. CASH AND CASH EQUIVALENTS

This account consists of:

	2021	2020
Cash in banks	P 8,059,382,274	P 5,629,614,405
Cash equivalents	16,664,434,400	15,333,900,000
	P24,723,816,674	P20,963,514,405

Cash in banks earned interest amounting to P2,793,344, P114,483,942 and P710,689 at average rates of 0.04%, 0.02% and 0.16% in 2021, 2020 and 2019, respectively, as disclosed in Note 15.

Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. The Company classifies an investment as cash equivalent if that investment has a maturity of three months or less from the date of acquisition.

Cash equivalents earned interest income amounting to P79,462,143, P837,375 and P199,887,143 at average rates of 0.50%, 0.95% and 2.09% in 2021, 2020 and 2019, respectively, as disclosed in Note 15. Accrued interest receivable amounted to P4,642,271 and P986,713 as at December 31, 2021 and 2020, respectively, as disclosed in Note 7.

7. ACCRUED INTEREST RECEIVABLE

This account consists of accrued interest on the following:

	Notes	2021	2020
Special savings deposits	8	P559,096,362	P101,697,418
Financial assets at amortized cost	9	343,197,598	345,961,649
Cash and cash equivalents	6	4,642,271	986,713
		P906,936,231	P448,645,780

Collection of interest depends on the scheduled interest payments of each asset held.

8. FINANCIAL ASSETS AT FAIR VALUE THROUGH PROFIT OR LOSS

This account consists of:

	2021	2020
Special savings deposits	P40,377,456,340	P 8,513,558,000
Investments in unit investment trust funds (UITFs)	6,386,291,215	3,959,472,164
	P46,763,747,555	P12,473,030,164

Investments in UITFs are placed in universal banks and are redeemable anytime. Special savings deposits have contractual maturity of more than three months.

Interest income earned on special savings deposits amounted to P1,012,042,868, P316,002,876 and P245,254,971 in 2021, 2020 and 2019, respectively, as disclosed in Note 15. Average rates earned on these investments are also disclosed in Note 15. Accrued interest receivable amounted to P559,096,362 and P101,697,418 as at December 31, 2021 and 2020, respectively, as disclosed in Note 7.

Net gains on investments recognized in profit or loss arising from financial assets at FVTPL are as follows:

	2021	2020	2019
Net realized gains	P14,697,032	P 78,703,452	P112,847,312
Net unrealized gains	20,285,651	24,082,460	9,515,785
	P34,982,683	P102,785,912	P122,363,097

The movements in the financial assets at FVTPL are summarized as follows:

	2021	2020	2019
Balance, January 1	P 12,473,030,164	P 11,579,226,523	P2,968,266,787
Additions	46,448,593,117	36,207,805,721	305,704,749,519
Disposal	(12,178,161,377)	(35,338,084,540)	(297,103,305,568)
Unrealized gains	20,285,651	24,082,460	9,515,785
Balance, December 31	P 46,763,747,555	P 12,473,030,164	P11,579,226,523

The following table presents the breakdown of maturity profile of the principal amounts of special savings deposits:

	2021	2020
Due in one year or less	P40,377,456,340	P8,513,558,000

9. FINANCIAL ASSETS AT AMORTIZED COST - net

This account consists of:

	Note	2021	2020
Current			
Treasury bills		P12,217,133,425	P10,636,609,458
Corporate bonds		11,762,070,434	2,053,909,003
Treasury notes		7,408,552,358	18,406,666,034
		31,387,756,217	31,097,184,495

Corporate bonds		18,187,128,640	15,030,786,253
Treasury notes		5,364,565,482	2,883,239,842
Less: Allowance for impairment	20	(57,333,701)	-
		23,494,360,421	17,914,026,095
		P54,882,116,638	P49,011,210,590

The following are the principal amounts and unamortized premium (discount):

	2021	2020
Principal amounts	P54,822,356,000	P49,146,051,000
Unamortized premium (discount)	117,094,339	(134,840,410)
	P54,939,450,339	P49,011,210,590

The movements in the financial assets at amortized cost are summarized as follows:

	Note	2021	2020	2019
Balance, January 1		P 49,011,210,590	P15,300,999,011	P6,737,596,576
Additions		60,092,114,203	47,488,702,822	15,588,471,238
Maturities		(19,264,768,000)	(8,326,292,800)	(4,514,541,710)
Disposal		(34,972,379,615)	(5,642,063,913)	(2,481,646,983)
Amortization of discount		73,273,161	189,865,470	(28,880,110)
Allowance for impairment	20	(57,333,701)	-	-
Balance, December 31		P 54,882,116,638	P49,011,210,590	P15,300,999,011

Realized gains from sale of financial assets at amortized cost amounting to nil, P40,495,085 and P8,752,426 in 2021, 2020, and 2019, respectively, are part of the net realized gains on investment as presented in the statements of comprehensive income. The disposal of financial assets of the Company is attributable to an isolated event that is beyond the Company's control, is non-recurring and could not have been reasonably anticipated by the Company. The main reason for the disposal is to raise cash for anticipated redemptions or to shift to higher-rated securities to improve asset quality of the Company.

Interest income earned on financial assets at amortized cost amounted to P1,294,102,807, P1,311,549,932 and P407,459,627 in 2021, 2020 and 2019, respectively, as disclosed in Note 15. The average interest rates of financial assets at amortized cost are also disclosed in Note 15. Accrued interest receivable amounted to P343,197,598 and P345,961,649 as at December 31, 2021 and 2020, respectively, as disclosed in Note 7.

The amortization of premium and discount of financial assets at amortized cost are summarized as follows:

	2021	2020	2019
Amortization of premium	(P136,585,471)	(P100,870,057)	(P33,656,114)
Amortization of discount	209,858,632	290,735,527	4,776,004
	P 73,273,161	P189,865,470	(P28,880,110)

The following presents the breakdown of the maturity profile of the principal amounts of financial assets at amortized cost:

	2021	2020
Due in one year or less	P31,411,025,000	P31,245,791,000
Due after one year through five years	22,338,931,000	17,827,860,000
Due more than five years	1,072,400,000	72,400,000
	P54,822,356,000	P49,146,051,000

10. ACCRUED EXPENSES AND OTHER PAYABLES

This account consists of:

	2021	2020
Filing and registration fees payable	P57,945,367	P 38,816,212
Due to investors	35,802,327	106,064,422
Withholding taxes and documentary stamp taxes	4,622,557	2,981,822
Custodianship fees	227,519	789,576
Professional fees	256,250	371,617
	P98,854,020	P149,023,649

Filing and registration fees payable pertains to the amount payable to SEC in relation with the Company's authorized capital stock increase application.

Filing and registration fees incurred in relation with the Company's authorized capital stock application amounted to P19,710,716 and P24,554,560 in 2021 and 2020, respectively. As at December 31, 2021 and 2020, accrued filing and registration fees payable amounted to P57,945,367 and P38,816,212, respectively.

Due to investors account pertains to amounts payable to investors for the redemption of their investments processed on or before the reporting period, which are usually paid one day after the transaction date.

11. RELATED PARTY TRANSACTIONS

In the normal course of business, the Company transacts with companies which are considered related parties under PAS 24, *Related Party Disclosures*.

The related parties below hold the following numbers and current values of shares of the Company as at December 31, 2021 and 2020:

Details of the Company's related party transactions are as follows:

a. Investment Management

The Company appointed SLAMCI as its fund manager, adviser, administrator, distributor and transfer agent that provides management, distribution and all required operational services.

Under the Management and Distribution Agreement (MDA), SLAMCI receives aggregate fees for these services at an annual rate of 0.25% of the net assets attributable to shareholders on each valuation day. Moreover, under the Transfer Agency Agreement, SLAMCI receives aggregate fees for these services at an annual rate of 0.15% of the net assets attributable to shareholders on each valuation day.

On September 22, 2020, the Company and SLAMCI amended its MDA and Transfer Agency Agreement based on the provisions of ICA 2018 IRR (Implementing Rules and Regulations of the Investment Company Act 2018) published by the SEC (Securities and Exchange Commission) on January 11, 2018. The agreements shall remain in effect for a period of 2 years from July 31, 2020 and shall continue in effect from year to year as approved by the respective Board of Directors of the Company and SLAMCI.

Management, distribution and transfer fees charged by SLAMCI to the Company in 2021, 2020 and 2019 amounted to P461,864,273, P261,944,300 and P99,946,726, respectively. Accrued management fees as at December 31, 2021 and 2020 amounting to P41,831,358 and P26,944,070, respectively, are shown as "Payable to fund manager" in the statements of financial position.

b. Remuneration of Directors

Remuneration of directors is presented in the statements of comprehensive income under "Directors' fees" amounting to P421,308, P314,615 and P314,615 in 2021, 2020 and 2019, respectively, which are usually paid to directors based on the meetings held and attended. There were no outstanding accrued directors' fees as at December 31, 2021 and 2020.

Except for the Board of Directors, the Company has no key management personnel and employees. Pursuant to the Company's MDA with SLAMCI, the latter provides all the staff of the Company including executive officers and other trained personnel.

c. Purchase and Sale of Investments

These types of transactions are buy and sell of the same security between portfolios of two separate affiliated legal entities of and whose assets are managed by Investments Department. Portfolio managers determine that this is appropriate and in the best interest of certain portfolios and ensure that the trade will be executed in a manner that is fair and equitable to both parties involved in the cross trade.

12. EQUITY

Incorporation

The Company was incorporated on March 5, 2004 with 100,000,000 authorized shares at par value of P0.01 per share.

Approved changes

On October 27, 2006, the stockholders of the Company approved the blanket increase of the authorized capital stock of up to One Hundred billion shares at par value of P0.01 per share. The stockholders also approved the delegation of the approval of the increase in tranches to the Board of Directors.

On April 24, 2007, the Board of Directors approved the first tranche of the increase in the Company's authorized share capital of 300,000,000 shares (from 100,000,000 shares to 400,000,000 shares both with par value of P0.01), the SEC approved the increase on January 14, 2010 and the registration statements on March 11, 2014.

On December 9, 2013, the Board delegated the approval of the implementation in tranches to the Chairman of the Fund and the President of the SLAMCI. The delegation was reiterated on April 29, 2014.

On April 29, 2014, the Shareholders approved the increase in the Company's authorized capital stock of 5,600,000,000 shares (from 400,000,000 shares to 6,000,000,000 shares both with par value of P0.01). The increase will be implemented by the Chairman of the Board of Directors and President of SLAMCI acting jointly in tranches.

On November 10, 2015, the Chairman of the Board of Directors and the President of SLAMCI jointly authorized the increase of 5,600,000,000 shares (from 400,000,000 shares to 6,000,000,000 shares both with par value of P0.01 per share) which was subsequently approved by the SEC on March 14, 2016. The registration statement was approved on December 13, 2016.

On March 13, 2017, the Chairman of the Board of Directors and the President of SLAMCI jointly authorized the increase of 14,000,000,000 shares (from 6,000,000,000 shares to 20,000,000,000 shares both with par value of P0.01 per share).

On October 10, 2017, the SEC approved the additional 14,000,000,000 shares increase in authorized capital stock, from 6,000,000,000 shares to 20,000,000,000 shares at a par value of P0.01 per share.

On December 27, 2017, the Company paid P4,759,928 SEC fees for the increase of 14,000,000,000 shares.

On December 31, 2017, the Company reclassified the 14,000,000,000 deposit for future stock subscriptions to subscribed capital stock.

On May 3, 2019, the SEC approved the registration statement for the 14,000,000,000 shares.

Pending application for 20,000,000,000 additional shares

On September 21, 2017, the Chairman of the Board of Directors and the President of SLAMCI jointly authorized the increase of 30,000,000,000 shares (from 20,000,000,000 shares to 50,000,000,000 shares both with par value of P0.01 per share).

On June 18, 2018, the application of the Company for the 30,000,000,000 additional shares was eventually revised to 15,000,000,000 additional shares. The Chairman of the Board of Directors of the Company and the President of SLAMCI, jointly approved the increase in authorized capital stock of the Company by P150,000,000 divided into 15,000,000,000 shares.

On July 3, 2018, the application for the 15,000,000,000 shares increase was presented to SEC.

On September 3, 2019, the application of the Company for the 15,000,000,000 additional shares was increased to 20,000,000,000 additional shares. The Chairman of the Board of Directors of the Company and the President of SLAMCI, jointly approved the fourth tranche of increase in authorized capital stock of the Company by P200,000,000 divided into 20,000,000,000 shares.

On November 18, 2019, the application for the 20,000,000,000 shares increase was presented to SEC.

On October 28, 2020, the Company received comments from SEC for the Company's application for increase in ACS of 20,000,000,000 shares.

In February 2021, the Company engaged with P&A Grant Thornton (P&A) to render its professional services in providing assistance to the Company in submission of documents as required by the SEC for the approval of 20,000,000,000 additional shares.

On March 4, 2021, the Company submitted to SEC-CRMD the requirements for the approval of 20,000,000,000 additional ACS.

On September 6, 2021, P&A filed a letter of follow-up to SEC - Financial Analysis and Audit Division (FAAD) for the status of all pending ACS increase applications.

On September 7, 2021, the Company received the checklist of requirements and comments from SEC-FAAD.

On November 5, 2021, soft copy of requirements was emailed to SEC and the original documents were subsequently received by SEC on November 10, 2021.

Currently, the Company and P&A is consistently following-up the status of the application and waiting for feedback from SEC on the documents provided.

Pending application for 26,900,000,000 additional shares

On October 14, 2020, the Chairman of the Board of Directors and the President of SLAMCI jointly approved the fifth tranche of increase in ACS by 26,900,000,000 shares with par value of P0.01 per share.

On December 29, 2020, the application for the 26,900,000,000 shares increase in authorized capital stock was electronically filed with the SEC.

On February 4, 2021, the original copies of the documentary requirements were transmitted to SEC.

SEC advised the Company that this application will be processed upon approval of previous ACS increase application.

Pending application for 40,000,000,000 additional shares

On March 11, 2021, the President of the Company and the President of SLAMCI jointly approved the sixth tranche of increase in ACS by 40,000,000,000 shares at the par value of Php0.01 per share.

On June 28, 2021, the application for the 40,000,000,000 shares increase in ACS was filed with the SEC.

SEC advised the Company that this application will be processed upon approval of previous ACS increase application.

Current state

DFFS received in cash amounting to P100,135,343,464, P56,482,089,375 and P11,288,711,898 as at December 31, 2021, 2020 and 2019, respectively, were classified as equity since the Company has met all of the conditions required for such recognition as disclosed in Note 4.

As at December 31, 2021, the Company has 19,931,042,091 issued and outstanding shares out of the 20,000,000,000 ACS with a par value of P0.01 per share.

The annual summary of the transactions of the Company's outstanding shares is as follows:

Year	NAVPS, end	Issuances	Redemptions	Balances
2009	P1.1141	-	-	99,999,729
2010	P1.1228	956,475,903	(956,477,705)	99,997,927
2011	P1.1268	1,569,004,158	(1,569,009,292)	99,992,793
2012	P1.1296	28,483,419	(28,666,408)	99,809,804
2013	P1.1261	251,357,990	(130,893,159)	220,274,635
2014	P1.1252	589,644,675	(603,224,598)	206,694,712
2015	P1.1395	739,442,729	(583,739,002)	362,398,439
2016	P1.1611	6,692,394,302	(1,062,761,649)	5,992,031,092
2017	P1.1855	21,223,189,136	(7,219,500,981)	19,995,719,247
2018	P1.2192	51,863,229,460	(59,400,728,254)	12,458,220,453
2019	P1.2650	54,444,673,091	(37,953,832,903)	28,949,060,641
2020	P1.2969	96,912,645,083	(62,038,007,124)	63,823,698,600
2021	P1.3156	145,305,942,058	(112,526,780,701)	96,602,859,957

The total number of shareholders as at December 31, 2021, 2020 and 2019 is 57,510, 47,887 and 38,649, respectively.

Redeemable Shares

Redeemable shares carry one vote each, and are subject to the following:

a. Distribution of dividends

Each shareholder has a right to any dividends declared by the Company's Board of Directors and approved by 2/3 of its outstanding shareholders.

b. Denial of pre-emptive rights

No shareholder shall, because of his ownership of the shares, have a pre-emptive or other right to purchase, subscribe for, or take any part of shares or of any other securities convertible into or carrying options or warrants to purchase shares of the registrant.

c. Right of redemption

The holder of any share, upon its presentation to the Company or to any of its duly authorized representatives, is entitled to receive, by way of redemption, approximately his proportionate share of the Company's current net assets or the cash equivalent thereof. Shares are redeemable at any time at their net asset value less any applicable sales charges and taxes.

13. ADDITIONAL PAID-IN CAPITAL

Additional paid-in capital of P21,654,070,848, P22,383,608,539 and P22,831,936,105 as at December 31, 2021, 2020 and 2019, respectively, pertains to excess payments over par value from investors and from reissuance of treasury shares.

14. NET ASSET VALUE PER SHARE (NAVPS)

NAVPS is computed as follows:

	Note	2021	2020
Total equity		P127,093,562,966	P82,771,743,396
Outstanding shares	12	96,602,859,957	63,823,698,600
NAVPS		P 1.3156	P 1.2969

NAVPS is based on issued, outstanding and fully paid shares minus treasury shares plus deposits for future stock subscriptions classified as equity. The expected cash outflow on redemption of these shares is equivalent to computed NAVPS as at reporting period.

15. INTEREST INCOME

This account consists of interest income on the following:

	Notes	2021	2020	2019
Fixed-income securities	9	P1,294,102,807	P1,311,549,932	P407,459,627
Special savings deposits	8	1,012,042,868	316,002,876	245,254,971
Cash equivalents	6	79,462,143	837,375	199,887,143
Cash in banks	6	2,793,344	114,483,942	710,689
		P2,388,401,162	P1,742,874,125	P853,312,430

Interest income is recorded gross of final withholding tax which is shown as "Income Tax Expense" account in the statements of comprehensive income.

Average interest rates of investments and cash in banks in 2021, 2020 and 2019 are as follows:

	Notes	2021	2020	2019
Special savings deposits	8	2.58%	0.53%	1.31%
Treasury bills	9	3.30%	2.58%	5.39%
Treasury notes	9	2.00%	4.00%	3.99%
Treasury bonds	9	2.42%	4.53%	5.71%
Cash equivalents	6	0.50%	0.95%	2.09%
Cash in banks	6	0.04%	0.02%	0.16%

16. EARNINGS PER SHARE

The calculation of the basic and diluted earnings per share is based on the following data:

	2021	2020	2019
Total comprehensive income for the year	P 1,488,795,358	P 1,405,729,169	P 761,929,954
Weighted average number of shares:			
Issued and outstanding	19,962,601,601	19,990,178,169	14,408,182,458
Potential dilutive shares	77,539,201,952	24,259,561,987	2,694,890,898
Weighted average number of outstanding shares for the purpose of computing diluted earnings per share	97,501,803,553	44,249,740,156	17,103,073,356
Basic earnings per share	P 0.075	P 0.070	P 0.053
Diluted earnings per share	P 0.015	P 0.032	P 0.045

The DFFS as at December 31, 2021, 2020 and 2019 are dilutive, therefore, diluted earnings per share is lower than the basic earnings per share.

17. FAIR VALUE OF FINANCIAL INSTRUMENTS

Assets and liabilities measured at fair value on a recurring basis

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, levels 1 to 3 based on the degree to which the inputs to fair value are observable.

	Note	Level 1	Level 2	Total
December 31, 2021				
Special savings deposits	8	P -	P40,377,456,340	P40,377,456,340
Investments in UITFs	8	6,386,291,215	-	6,386,291,215
		P6,386,291,215	P40,377,456,340	P46,763,747,555
December 31, 2020				
Special savings deposits	8	P -	P8,513,558,000	P 8,513,558,000
Investments in UITFs	8	3,959,472,164	-	P 3,959,472,164
		P3,959,472,164	P8,513,558,000	P12,473,030,164

The fair value of the special savings deposits is approximately the same with its carrying amount since the maturity period of these assets are less than one year.

UITFs are valued at their published Net Asset Value per Unit (NAVPU) as at reporting date.

There were no transfers between level 1 and 2 in 2021 and 2020.

Financial assets and liabilities not measured at fair value

The following financial assets and financial liabilities are not measured at fair values on recurring basis but the fair value disclosure is required:

	Notes	Carrying Amounts	Fair Values			Total
			Level 1	Level 2	Level 3	
December 31, 2021						
Financial Assets						
Cash in banks	6	P 8,059,382,274	P8,059,382,274	P -	P -	P 8,059,382,274
Cash equivalents	6	16,664,434,400	-	16,664,434,400	-	16,664,434,400
Accrued interest receivable	7	906,936,231	-	906,936,231	-	906,936,231
Financial assets at amortized cost - net	9	54,882,116,638	-	-	53,854,417,553	53,854,417,553
		P80,512,869,543	P8,059,382,274	P17,571,370,631	P53,854,417,553	P79,485,170,458
Financial Liabilities						
Accrued expenses and other payables	10	P 36,286,096	P -	P 36,286,096	P -	P 36,286,096
Payable to fund manager	11	41,831,358	-	41,831,358	-	41,831,358
		P 78,117,454	P -	P 78,117,454	P -	P 78,117,454
December 31, 2020						
Financial Assets						
Cash in banks	6	P 5,629,614,405	P5,629,614,405	P -	P -	P 5,629,614,405
Cash equivalents	6	15,333,900,000	-	15,333,900,000	-	15,333,900,000
Accrued interest receivable	7	448,645,780	-	448,645,780	-	448,645,780
Financial assets at amortized cost - net	9	49,011,210,590	-	-	49,201,393,714	49,201,393,714
		P70,423,370,775	P5,629,614,405	P15,782,545,780	P49,201,393,714	P70,613,553,899
Financial Liabilities						
Accrued expenses and other payables	10	P 107,225,615	P -	P 107,225,615	P -	P 107,225,615
Payable to fund manager	11	26,944,070	-	26,944,070	-	26,944,070
		P 134,169,685	P -	P 134,169,685	P -	P 134,169,685

The difference between the carrying amount of accrued expenses and other payables disclosed in the statements of financial position and the amount disclosed in this note pertains to withholding and documentary stamp taxes and filing and registration fees payable that are not considered financial liabilities.

Cash in banks, cash equivalents, accrued interest receivable, accrued expenses and other payables and payable to fund manager have short-term maturities, hence, their carrying amounts are their fair values.

The fair values of financial assets at amortized cost were determined based on the discounted cash flow analysis using the Company's estimated cost of borrowing ranging from 3.93% to 5.44% for loans with less than one year maturity and loans maturing in seven years, respectively, for 2021 and 1.71% to 3.56% for loans with less than one year maturity and loans maturing in seven years, respectively, for 2020.

In 2020, transfer from Level 2 to Level 3 in financial assets at amortized cost is due to the unavailability of related market prices sources, thus, the Company's estimated cost of borrowing was used. There were no transfers between Levels 1, 2 and 3 in 2021.

18. INCOME TAXES

Details of income tax expense are as follows:

	2021	2020	2019
Current taxes			
Final tax	P242,703,498	P188,336,813	P110,786,785
RCIT	155,628,750	-	-
MCIT	(4,316,602)	4,919,870	1,746,752
	394,015,646	193,256,683	112,533,537
Deferred tax benefit	(14,799,112)	(7,866,806)	(9,222,804)
Effects of change in tax rate	3,068,955	-	-
	(11,730,157)	(7,866,806)	(9,222,804)
Income tax expense	P382,285,489	P185,389,877	P103,310,733

The reconciliation between tax expense and the product of accounting profit multiplied by 25% in 2021 and 30% in 2020 and 2019 is as follows:

	2021	2020	2019
Accounting profit before tax	P1,871,080,847	P1,591,119,046	P865,240,687
Tax expense at 25% in 2021 and 30% in 2020 and 2019	467,770,212	477,335,714	259,572,206
Adjustment for income subject to lower tax rate	(80,068,620)	(248,961,538)	(116,926,817)
Tax effects of:			
Net unrealized gains on investments	(5,071,413)	(7,224,738)	(2,854,735)
Net realized gains on investments	(3,674,258)	(35,759,561)	(36,479,921)
Changes in tax expense due to the change in income tax rate	3,068,955	-	-
Nondeductible expense	260,613	-	-
	P 382,285,489	P 185,389,877	P103,310,733

On March 26, 2021, the Republic Act (RA) 11534 also known as "Corporate Recovery and Tax Incentives for Enterprises Act" or "CREATE" Act was passed into law which reduced the corporate income tax rates and rationalized the current fiscal incentives by making it time-bound, targeted and performance-based.

Among others, the Act includes the following significant revisions:

1. Effective July 1, 2020, domestic corporations with total assets not exceeding P100 million and net taxable income of P5 million and below shall be subject to 20% income tax rate while the other domestic corporations and resident foreign corporations will be subject to 25% tax income tax rate;
2. Minimum corporate income tax (MCIT) rate is reduced to from 2% to 1% from July 1, 2020 to June 30, 2023;

The tax rate used in the reconciliations above is the corporate tax rate of 25% in 2021 and 30% in 2020 and 2019 payable by the Company.

Details of MCIT are as follows:

Year Incurred	Year of Expiry	Amount	Change in Tax Rate	Applied Current Year	Expired	Unapplied
2019	2022	P1,746,752	P -	(P 1,746,752)	P -	P -
2020	2023	3,697,994	(1,128,144)	(2,569,850)	-	-
		P5,444,746	(P 1,128,144)	(P 4,316,602)	P -	P -

Deferred tax assets

The following is the composition of deferred tax assets recognized by the Company:

	Taxes and licenses	MCIT	ECL	NOLCO	Total
January 1, 2019	P -	P -	P -	P -	P -
Charged to profit or loss	4,278,496	1,746,752	-	3,197,556	9,222,804
December 31, 2019	4,278,496	1,746,752	-	3,197,556	9,222,804
Charged to profit or loss	7,366,368	3,697,994	-	(3,197,556)	7,866,806
December 31, 2020	11,644,864	5,444,746	-	-	17,089,610
Charged to profit or loss	4,782,289	(4,316,602)	14,333,425	-	14,799,112
Effect of change in tax rate	(1,940,811)	(1,128,144)	-	-	(3,068,955)
December 31, 2021	P14,486,342	P -	P14,333,425	P -	P28,819,767

Based on Management's expectation of the Company's future taxable income, the Company recognizes deferred tax asset only to the extent that future taxable income will be available against which it can be utilized.

The Company's interest income from cash in banks, cash equivalents and financial assets at amortized cost are already subjected to final tax and are therefore excluded from the computation of taxable income for RCIT and MCIT, except for special savings deposits.

Realized gains on redemption of investments in UITFs and sale of treasury notes are exempted from tax and are therefore excluded from the computation of taxable income subject to RCIT and MCIT.

19. CONTINGENCIES

The Company has no pending legal cases as at December 31, 2021 and 2020 that may have a material effect on the Company's financial position and results of operations.

20. FINANCIAL RISK MANAGEMENT

The Company's activities expose it to a variety of financial risks: market risk, which includes interest rate and equity price risks, credit risk and liquidity risk. The Fund Manager exerts best efforts to anticipate events that would negatively affect the value of the Company's assets and take appropriate actions to counter these risks. However, there is no guarantee that the strategies will work as intended. The policies for managing specific risks are summarized below.

Market risk

The Company's activities expose it primarily to the financial risks of changes in interest rates and movements in NAVPU of investments in UITFs. There has been no change in the manner in which the Company manages and measures the risk.

Interest rate risk

Interest rate risk refers to the possibility that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest.

The primary source of the Company's interest rate risk relates to cash and cash equivalents, special savings deposits and debt investments at amortized cost. Interest rates of the financial assets are disclosed in Notes 6 and 15.

The risk is managed by the Fund Manager by actively monitoring the prevailing interest rate environment. The duration of the portfolio is reduced during periods of rising rates and widening credit spreads to maximize interest income potential. Conversely, the same is increased during periods of falling rates and narrowing credit spreads.

A 50 basis points increase or decrease in the interest rates had been determined for sensitivity analysis based on the exposure to interest rates for cash and cash equivalents and financial assets at FVTPL at the end of each reporting period. The same is used for reporting interest rate risk internally to key management personnel and represents Management's assessment of the reasonable effect of the maximum possible movement in interest rates.

The following table details the increase or decrease in net profit if interest rates had been 50 basis points higher or lower and all other variables are held constant for the years ended 2021, 2020 and 2019:

Change in Interest rates	Increase (Decrease) in Net Profit/Loss or Equity		
	2021	2020	2019
+50 basis	P90,157,327	P113,157,962	P72,005,494
-50 basis	(90,157,327)	(113,157,962)	(72,005,494)

In Management's opinion, the sensitivity analysis is unrepresentative of the inherent interest rate risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

Equity price risk

The Company is exposed to equity price risks arising from investments in UITFs.

The risk is managed by the Fund Manager by actively monitoring the movements in NAVPU of investments in UITFs.

Based on the exposure to equity price risk at the end of each reporting period, if NAVPU of investments in UITFs had been 2% higher or lower, profit or loss for the years ended December 31, 2021, 2020 and 2019 would have increased or decreased by P127,153,613 , P78,834,675 and P33,434,072, respectively.

Other than interest and equity price risks discussed above, there are no other market risks which significantly affect the Company's performance.

In Management's opinion, the sensitivity analysis is unrepresentative of the inherent equity price risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

Credit risk

Credit risk refers to the risk that the counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of dealing only with creditworthy counterparties, as a means of mitigating the risk of financial loss from defaults, and transacts only with entities that are rated with equivalent of investment grade of "High" down to "Satisfactory". This information is supplied by independent rating agencies, when available. If the information is not available, the Company uses other publicly available financial information and its own trading records to rate its major counterparties. The Company's exposure and the credit ratings of its counterparties are continuously monitored and the aggregate value of transactions concluded is spread amongst approved counterparties.

The carrying amounts of financial assets recorded in the financial statements represent the Company's maximum exposure to credit risk:

	Notes	2021	2020
Cash in banks	6	P 8,059,382,274	P 5,629,614,405
Cash equivalents	6	16,664,434,400	15,333,900,000
Accrued interest receivable	7	906,936,231	448,645,780
Special savings deposits	8	40,377,456,340	8,513,558,000
Financial assets at amortized cost	9	54,882,116,638	49,011,210,590
		P120,890,325,883	P78,936,928,775

ECL measurement

In 2021 and 2020, ECLs are a probability-weighted estimate of credit losses (i.e. the present value of all cash shortfalls) over the expected life of the financial instrument.

PFRS 9 outlines a 'three-stage' model for impairment based on changes in credit quality since initial recognition. The Company's current credit risk grading framework comprises the following categories:

Category	Description	Basis for recognizing expected credit losses
Stage 1	The counterparty has a low risk of default and does not have any past-due amounts or that the financial instrument is not credit-impaired on initial recognition	12m ECL
Stage 2	There has been a significant increase in credit risk since initial recognition but not yet deemed to be credit-impaired	Lifetime ECL - not credit-impaired
Stage 3	There is evidence indicating that the debtor is in severe financial difficulty and the Company has no realistic prospect of recovery or that the financial instrument is credit-impaired	Lifetime ECL - credit-impaired

Measuring ECL – Explanation of inputs, assumptions and estimation techniques

The ECL is determined by projecting the PD, LGD and exposure at default (EAD) for each future month and for each individual exposure or collective segment. These three components are multiplied together and adjusted for the likelihood of survival (i.e. the exposure has not prepaid or defaulted in an earlier month). This effectively calculates an ECL for each future month, which is then discounted back to the reporting date and summed. The discount rate used in the ECL calculation is the original effective interest rate or an approximation thereof.

The maturity profile is based on historical observed data and is assumed to be the same across all assets within a portfolio and credit grade band. This is supported by historical analysis.

Given that the Company currently has no history of default on their portfolio, a model which incorporates internal default experience is not feasible. For the 12M and Lifetime PD, the Company uses external benchmarking of current internal credit ratings to S&P's using one-year transition matrices in S&P's Annual Global Corporate Default Study and Rating Transition reports. From the transition matrices, cumulative PDs are identified. The overall PD for a specific time horizon is calculated from the cumulative PD, by determining the marginal PD and taking the conditional PD given that it has not yet defaulted prior to the said time horizon. The resulting overall PDs are the values that will act as components in ECL calculation. The Lifetime PD is developed by analysis of the transition matrices over the maximum life of active loans, which is 10 years.

The table below summarizes the current internal credit rating equivalence system of the Company.

Summary rating	Internal credit rating	S&P rating
High	AAA	AAA
High	AAA	AA- to AA+
High	AAA	A- to A+
High	AAA	BBB- to BBB+
Satisfactory	AA	BB- to B+
Acceptable	B	B- to B+
Low	CCC/C	CCC- to CCC+

The 12m and lifetime EADs are determined based on the contractual repayments owed by the borrower over the 12 month or lifetime basis. This will also be adjusted for any expected overpayments made by the borrower. The Company does not have an undrawn component for any of its debt instruments.

For the 12m and lifetime LGDs, considering the availability of related information, the Company use the external estimates sourced from S&P's. The table below summarized the LGD value for each category of financial assets at amortized costs.

Category	LGD value
Senior Unsecured Notes	48%

Forward-looking information incorporated in the ECL models

The assessment of significant increase in credit risk and the calculation of ECL both incorporate forward-looking information. The Company has performed historical analysis and identified the key economic variables impacting credit risk and ECL for each portfolio. The Company assessed that the key economic variables are unemployment rates in 2021 and 2020.

These economic variables and their associated impact on the PD, EAD and LGD vary by financial instrument. Expert judgment has also been applied in this process. Forecasts of these economic variables (the "base economic scenario") are based on the economic data from the International Monetary Fund (IMF) from year 2022 until 2026. The impact of these economic variables on the PD, EAD and LGD has been determined by performing statistical regression analysis to understand the impact changes in these variables have had historically on default rates and on the components of EAD and LGD.

In addition to the base economic scenario, the best value economically spanning from the historical years is taken (upside forecasts). A similar approach applies for the downside forecasts. The scenario weightings are determined by a combination of statistical analysis and expert credit judgement, taking account of the range of possible outcomes each chosen scenario is representative of. The per-scenario Forward Looking Adjustments were assigned probability weights of 70% for the base scenario and 15% for each of the upside and downside forecast in 2021 and 50% for the base scenario, and 25% for each of the upside and downside forecast in 2020.

As with any economic forecasts, the projections and likelihoods of occurrence are subject to a high degree of inherent uncertainty and therefore the actual outcomes may be significantly different to those projected. The Company considers these forecasts to represent its best estimate of the possible outcomes and has analyzed the non-linearities and asymmetries within the Company's different portfolios to establish that the chosen scenarios are appropriately representative of the range of possible scenarios.

The following table details the credit quality of the Company's financial assets and other items, as well as the Company's maximum credit exposure to credit risk by credit risk rating grades as at December 31, 2021 and 2020:

	Notes	Internal credit rating	Category	12m or lifetime ECL?	Gross carrying amount	Loss allowance	Net carrying amount
2021							
Cash and cash equivalents	6	AAA	Stage 1	12m ECL	P24,723,816,674	P -	P24,723,816,674
Accrued interest receivable	7	AAA	Stage 1	12m ECL	906,936,231	-	906,936,231
Financial assets at amortized cost - current portion	9	AAA	Stage 1	12m ECL	31,387,756,217	-	31,387,756,217
Financial assets at amortized cost - net of current portion	9	AA	Stage 1	12m ECL	23,551,694,122	(57,333,701)	23,494,360,421
					P80,570,203,244	(P57,333,701)	P80,512,869,543
2020							
Cash and cash equivalents	6	AAA	Stage 1	12m ECL	P20,963,514,405	P -	P20,963,514,405
Accrued interest receivable	7	AAA	Stage 1	12m ECL	448,645,780	-	448,645,780
Financial assets at amortized cost - current portion	9	AAA	Stage 1	12m ECL	31,097,184,495	-	31,097,184,495
Financial assets at amortized cost - net of current portion - net	9	AA	Stage 1	12m ECL	17,914,026,095	-	17,914,026,095
					P70,423,370,775	P -	P70,423,370,775

The movements in the ECL recognized for the year are summarized as follows:

	Gross Carrying Amount Stage 1	ECL Stage 1
January 1, 2021	P 49,011,210,590	P -
Additions	60,092,114,203	106,865,147
Disposals and maturities	(54,163,874,454)	(36,895)
Effect of changes in the model	-	(49,494,551)
December 31, 2021	P54,939,450,339	P57,333,701

There are no transfers between stages of the ECL during the year.

Liquidity risk

Liquidity risk arises when the Company encounters difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

The Company aims to maintain an appropriate level of liquidity which means having sufficient liquidity to be able to meet all obligations promptly under foreseeable adverse circumstances, while not having excessive liquidity.

The Company maintains at least ten percent of the fund in liquid/semi-liquid assets in the form of cash and cash equivalents, special savings deposits, investment in UITF, government debt securities, accrued interest receivable, and other collective schemes wholly invested in liquid/semi-liquid assets to assure necessary liquidity. This is also in compliance to Section 6.10 of the Implementing Rules and Regulations of the Investment Company Act series of 2018.

The Fund Manager manages liquidity risk by continuously monitoring forecast and actual cash flows, and matching the maturity profiles of financial assets and liabilities.

The following table details the Company's remaining contractual maturity for its non-derivative financial liabilities. The table had been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

	Less than One Month	One Month to One Year	Total
2021			
Accrued expenses and other payables	P35,802,327	P483,769	P36,286,096
Payable to fund manager	41,831,358	-	41,831,358
	P77,633,685	P483,769	P78,117,454
2020			
Accrued expenses and other payables	P106,064,422	P1,161,193	P107,225,615
Payable to fund manager	26,944,070	-	26,944,070
	P133,008,492	P1,161,193	P134,169,685

The difference between the carrying amount of accrued expenses and other payables disclosed in the statements of financial position and the amount disclosed in this note pertains to withholding and documentary stamp taxes and filing and registration fees payable that are not considered financial liabilities.

The following table details the Company's expected maturity for its financial assets. The table had been drawn up based on the contractual maturities of the financial assets including interest that will be earned on those assets, except when the Company anticipates that the cash flows will occur in a different period.

	Average Effective Interest Rate	Less than One Year	One Year to Five Years	More than Five Years	Total
2021					
Cash in banks	0.04%	P8,059,382,274	P -	P -	P 8,059,382,274
Cash equivalents	0.50%	16,664,434,400	-	-	16,664,434,400
Accrued interest receivable		906,936,231	-	-	906,936,231
Financial assets at FVTPL	2.58%	40,750,002,589	-	-	40,750,002,589
Financial assets at amortized cost - net	2.57%	32,234,375,371	22,582,359,488	1,072,400,000	55,889,134,859
		P98,615,130,865	P22,582,359,488	P1,072,400,000	P122,269,890,353
2020					
Cash in banks	0.02%	P 5,629,614,405	P -	P -	P 5,629,614,405
Cash equivalents	0.95%	15,347,771,323	-	-	15,347,771,323
Accrued interest receivable		448,645,780	-	-	448,645,780
Financial assets at FVTPL	0.53%	8,622,737,069	-	-	8,622,737,069
Financial assets at amortized cost - net	3.70%	32,015,428,236	18,646,609,659	76,915,052	50,738,952,947
		P62,064,196,813	P18,646,609,659	P76,915,052	P80,787,721,524

The Company expects to meet its obligations from operating cash flows, proceeds from maturing financial assets and sale of financial assets at FVTPL.

21. CAPITAL RISK MANAGEMENT

The Fund Manager manages the Company's capital to ensure that the Company will be able to continue as a going concern while maximizing the return to stakeholders through the optimization of the mix of high-quality debt from domestic issuers.

The Company is guided by its Investment Policies and Legal Limitations. All the proceeds from the sale of shares, including the original subscription payments at the time of incorporation constituting the paid-in capital, is held by the pertinent custodian banks.

The capital structure of the Company consists of issued capital as disclosed in Note 12.

The Fund Manager manages the Company's capital and NAVPS, as disclosed in Notes 12, 13 and 14 to ensure that the Company's net asset value remains competitive and appealing to prospective investors.

The Company is also governed by the following fundamental investment policies:

- a. It does not issue senior securities;
- b. It does not intend to incur any debt or borrowing. In the event that borrowing is necessary, it can do so only if, at the time of its incurrence or immediately thereafter, there is asset coverage of at least 300% for all its borrowings;
- c. It does not participate in any underwriting or selling group in connection with the public distribution of securities, except for its own share capital;
- d. It generally maintains a diversified portfolio. Industry concentrations may vary at any time depending on the investment manager's view on the prospects;
- e. It does not invest directly in real estate properties and developments;
- f. It does not purchase or sell commodity futures contracts;
- g. It does not engage in lending operations to related parties such as the members of the Board of Directors, officers of the Company and any affiliates, or affiliated corporations of the Company;
- h. The asset mix in each type of security is determined from time to time, as warranted by economic and investment conditions; and
- i. It does not change its investment objectives without the prior approval of a majority of its shareholders.

The Investment Policies refer to the following:

- a. Investment Objective - to generate income in Philippine Pesos consistent with prudent management of the Fund's assets.
- b. Benchmark - 30-day special savings deposits.
- c. Asset Allocation Range - the Company allocates its funds available for investments among cash and other deposit substitutes and fixed-income securities based on certain proportion as approved by Management.

Other matters covered in the investment policy include the fees due to be paid to the Fund Manager with management and distribution fees each set at an annual rate of 0.25% of the net assets attributable to shareholders on each valuation day.

In compliance to SEC Memorandum Circular No. 21, Series of 2019 signed on September 24, 2019 in relation to independent Net Asset Value (NAV) calculation, SLAMCI (Fund Manager) engaged Citibank, N.A. Philippines to service its fund accounting functions including calculation of its NAV every dealing day. In December 2020, SLAMCI implemented the outsourced fund accounting to all Sun Life Prosperity Funds.

As at December 31, 2021 and 2020, the Company is in compliance with the above requirements and minimum equity requirement of the SEC of P50,000,000.

The equity ratio at year-end is as follows:

	2021	2020
Equity	P127,093,562,966	P82,771,743,396
Total assets	127,305,723,838	82,947,711,115
Equity ratio	0.9983:1	0.9979:1

Management believes that the above ratios are within the acceptable range.

22. EVENTS AFTER THE REPORTING PERIOD

On January 6, 2022, the SEC’s Commission en Banc, issued Financial Reporting Bulletin (FRB) No. 6 - Deposit For Future Stock Subscription (DFFS) which imposed the prohibition on Investment Companies to accept DFFS.

On March 14, 2022, Management filed a Request for Exemptive Relief from the amended FRB No. 6 with the SEC. Consequently, the Commission en Banc in its meeting held on 28 April 2022 approved said request to temporarily allow the acceptance of DFFS during the pendency of the applications for increase of authorized capital stock of the Company, subject to compliance with the following conditions:

- a) That the Company will only temporarily accept DFFS up to the maximum number of shares covered by the respective pending applications for increase of authorized capital stock:

Name of Fund	Period	Total ACS Increase
Peso Starter	As of June 25,2021	86.9 Billion

- b) To expedite the subsequent securities registration process, the Company shall likewise be required to submit, within thirty (30) days from receipt of the letter granting its herein request, the corresponding SEC Form 12-1-ICA for the registration of additional registration of shares covered by the abovementioned ACS applications pursuant to ICA and SRC for concurrent processing, approval of which shall be made subject to the approval of the increase; and
- c) That no DFFS shall be accepted beyond the number of shares mentioned in item (a).

23. SUPPLEMENTARY INFORMATION REQUIRED BY THE BUREAU OF INTERNAL REVENUE (BIR) UNDER REVENUE REGULATIONS NO. 15-2010

The following information on taxes, duties and license fees paid or accrued during the 2021 taxable year are presented for purposes of filing with the BIR and are not required part of the basic financial statements.

Documentary stamp tax

Documentary stamp taxes incurred by the Company during 2021 amounted to P581,561 representing taxes in connection with the issuance of stock certificates by the Company to its shareholders. The documentary stamp tax being paid by the Company to the BIR includes those charged against the shareholder’s investment for stock certificate issuances in excess of 10 (ten) inter-fund transfers per calendar year.

Other taxes and licenses

Details of the Company’s other taxes and licenses and permit fees paid in 2021 are as follows:

Charged to Operating Expenses	
Business tax	P2,011,725
Deficiency taxes	1,421,640
Deductible filing and registration fees	52,245
Residence or community tax	10,500
	P3,496,110

The difference between the taxes and licenses disclosed in the statements of comprehensive income and the amount disclosed in this note pertains to the accrued filing and registration payable to SEC in relation to the Company’s authorized capital stock increase application as disclosed in Note 10.

Withholding taxes

Withholding taxes paid and accrued and/or withheld consist of:

	Paid	Accrued	Total
<u>Expanded withholding taxes</u>	P40,769,694	P4,554,868	P45,324,562

Deficiency tax assessments

On November 26, 2020, the BIR issued a formal letter of demand (FLD) and assessment notice for the deficiency in income, expanded withholding and documentary stamp taxes amounting to P21,652,517, P3,137,187 and P949,013, respectively, totaling P25,738,717 for the taxable year 2017.

The BIR stated disputably that the FLD was received on December 7, 2020 but the Company actually received such letter on January 13, 2021. The Management believes that the Company is not liable for the proposed tax assessments hence, no provision was recognized in 2020.

On January 15, 2021, the Company filed its request for reconsideration on the final decision on the disputed assessment.

On February 26, 2021, the Company received BIR's denial of our request for reconsideration. The Company was able to submit its request for reconsideration in the Office of the Commissioner of Internal Revenue (CIR) last March 26, 2021.

On September 24, 2021, the Company received a warrant of distraint and/or levy (WDL) dated August 16, 2021 from the CIR for the total assessed taxes of P25,738,717.

Management took the option of settling the amount it believes is its actual exposure to stop the issuance of the WDL to the banks. On October 25, 2021, the Company paid P1,421,640 comprising of deficiency expanded withholding tax, surcharge and interest.

As of March 9, 2022, the Company's request for reconsideration is still pending with the CIR.

24. APPROVAL OF FINANCIAL STATEMENTS

The financial statements of the Company were reviewed and endorsed by the Audit and Compliance Committee for the approval of the Board of Directors on March 9, 2022.

The Board of Directors approved the issuance of the financial statements also on March 9, 2022.
